I. BACKGROUND

Providing a true and thorough account¹ of any topic or period is a difficult endeavor, but it is especially so when one is not afforded the luxury of declassified documents or the passage of time which seems to clear the air of any contemporary—often political—hurdles to the truth. In fact, there appears to be an inverse relationship between the recency of events (scandalous, as is this account, or not) and the willingness of the associated parties to speak about them. The *Marco Polo*² nonprofit research group set out in September 2021 to write a comprehensive Report on the Biden Laptop—which it possessed a copy of—fully cognizant of these limitations. Nevertheless, the group intends for this Report to stand the test of time for its thorough and sober explanation of the situation: the blatant social media oligopoly suppression,³ intelligence community (IC)⁴ and corporate media⁵ gaslighting, and cowardice of federal law enforcement to deliver justice to those who obviously committed crimes.

The Department of Justice (DOJ), specifically the Federal Bureau of Investigation (FBI), took possession of an Apple laptop previously used by Hunter Biden (Hunter) on 12/09/2019, following months of back-and-forth with a computer repair shop owner named John Paul Mac Isaac.⁶ Hunter had abandoned the device at Mac Isaac's shop in Wilmington in April 2019. Based out of the Wilmington Resident Agency of the Baltimore⁷ Field Office (BAFO), FBI Special Agents Mike Dzielak⁸ (1-267-273-6744; DOB: 03/16/1971) and Josh Wilson⁹ (1-973-699-5695; DOB: 05/09/1978), both¹⁰ child pornography investigators, took weeks to respond to Mac Isaac, who wanted the device out of his shop because he believed it contained evidence of felonies. When the FBI agents finally acquired the laptop, their subpoena was issued under the pretense of a money laundering investigation.

This Report would not have been necessary if law enforcement had done its job. Dereliction of duty is nothing new for the FBI, as its government-sponsored¹¹ cover-up occurred with Anthony Weiner's devices.¹² Additionally, besides a few notable exceptions, news outlets and think tanks in America have been unwilling to investigate and expose the hundreds of crimes and conflicts of interest on the Biden Laptop which—as you will read—definitively implicate the sitting pResident, Joe Biden (Joe).

After the FBI slow-walk¹³ came to light just before the 2020 pResidential [s]election, Agent Dzielak deleted his Facebook¹⁴ account and other online information. It is unclear whether the fact that Hunter lobbied the U.S. Congress on behalf of Agent Dzielak's alma mater (Saint Joseph's University in Philadelphia, which awarded Joe an "honorary degree"¹⁵ and where Dzielak's son, Luke,¹⁶ is a student) factored into Dzielak's decision to not act on the Bidens' numerous federal and state felonies.¹⁷ Information about the other fed, Agent Wilson, was difficult to locate, as if he, too, had intentionally scrubbed his online presence. We do know that Agent Wilson previously served¹⁸ at the FBI Headquarters (FBI HQ) as the Coordinator for the Child Abduction Rapid Deployment (CARD) Team. Shown below is Agent Wilson's signature from an unrelated complaint he filed regarding child pornography offenses, along with the subpoena¹⁹ he signed on 12/09/2019, which sought the laptop:

In 21st-century America, crimes and/or scandals involving electronic devices owned by public officials and their families are becoming an alarming trend. In fact, Hunter having abandoned his infamous water-damaged laptop at Mac Isaac's repair shop²⁰ was merely the latest in a string of national embarrassments. Our research group would not be concerned with such embarrassments if they did not provide America's many enemies—both foreign and domestic—with considerable blackmail.²¹ Discontented with the many limited hangouts²² released so far, this Report was our effort to give a true, complete, and lasting account of the Biden Laptop and its contents, which span over a decade.

To illustrate a point previously alluded to, the non-exhaustive list below of various electronic device scandals and public officials illustrates this national embarrassment:

- ▶ A laptop—along with an iPhone and iPad—that belonged to former Congressman Anthony Weiner (D-NY-11)²³ contained sexually explicit images he exchanged with a 15-year-old girl²⁴ from North Carolina. The devices contained evidence of other felonies, including classified emails²⁵ between Huma Abedin, Weiner's then-wife, and then-U.S. Secretary of State, Hillary Clinton
- ► Former Congressman Chris Lee²⁶ (R-NY-26) used his cell phone to take explicit photos and sent them through Craigslist to strangers
- ► Former First Lady Hillary Clinton illegally²⁷ used a private email server, which she had installed in a closet in her home in New York, for official government work while she was the U.S. Secretary of State. As a result, 38 public officials were "cited for violations" in the criminal conspiracy²⁸
- ► Former FBI agents and philanderers, Peter Strzok and Lisa Page, exchanged hundreds of text messages on government-issued devices about everything from their hatred of Donald Trump and their "insurance policy" about his election to the logistics of their trysts
- ► Former Congresswoman Katie Hill (D-CA-25) recorded and photographed³⁰ her sex and drug³¹ binges with staff and her now ex-husband, which led to her resignation from Congress and a failed lawsuit against the outlets that exposed her degenerate and illegal behavior
- ▶ Ed Buck, a former mega-donor to Congressman Adam Schiff (D-CA-28)—and a member of the Electoral College in 2016 for the state of California—filmed and photographed his drug and sex benders with indigent Black men, which led to his conviction after two of the men died as a result of Buck injecting them with lethal doses of methamphetamine³²
- ► Thousands of emails from John Podesta, Hillary Clinton's presidential campaign manager, revealed his associates' participation in séances³³ and secret engagements with international bankers

Especially relevant to the Biden Laptop scandal and this Report was Apple's iCloud feature and its capabilities.³⁴ As a general rule, any picture taken on Hunter's iPhone (and iPad) appeared on his laptop via the iCloud Photos application, which automatically synced the photos across his devices. From *Marco Polo*'s perspective, this iCloud feature provided gigabytes of extra material to investigate, but it also presented challenges to establishing the basic "five Ws": who, what, when, where, and why.³⁵ For example, determining which iPhone device belonged to which member of the Biden family was critical, as who took a particular picture was as important as the actual image. Case in point: sexually suggestive photos of Hunter's niece were not synced to his laptop via iCloud, but were rather manually downloaded to his laptop when he "backed-up" his niece's and sister-in-law's phones to his laptop with the Dr. Fone tool.³⁶ This fact opened up multiple lines of questioning: Why did Hunter's sister-in-law have sexually suggestive photos of her own daughter on her iPhone? Why did Hunter want them? How were they not prosecuted for possessing them? With the Biden Laptop, questions like these were answered but—as is often the case—new lines of inquiry arose from those answers. *Marco Polo* is confident this Report will spur more answers to these and many other questions.

The volume of material on the Biden Laptop—from iPhone location data and internet browsing history to rental leases and insurance verification cards, in every file type imaginable—made the cover-up and slow-walk from the press, the IC apparatus, and law enforcement all the more enraging. The contacts, spreadsheets, photos, videos, messages, and other files (approximately 200 gigabytes)³⁷ confirmed there was no plausible way the material was forged. Shortly after the corporate media's pre-election cover-up³⁸ was complete, liberal publications³⁹⁴⁰ began allowing their writers to ask basic questions. For instance, Joe said that he had "never spoken" with Hunter about his businesses. Why, then, did Joe meet with Tony Bobulinski⁴¹ in the Beverly Hilton for nearly an hour on 05/02/2017?⁴² Instead of asking simple questions that would have revealed his complicity, mainstream reporters discount⁴³ whistleblowers⁴⁴ and ask softball questions, which allows Joe to easily avoid the issue.⁴⁵

Forensic analyses⁴⁶ of the Biden Laptop—by a former federal investigator—were commissioned:

"I am a retired US Secret Service agent⁴⁷ and began cyber forensics in 1996 getting certified by the ... US Treasury CIS2000 program. In addition to 11 other Secret Service agents, I was the first in the United States to become certified as a computer forensics specialist and have been conducting forensics examinations while employed or contracted by various government agencies and in the private sector continuously for 26 years ... I have been contracted since 2007 by the US Department of Justice-US Attorney's Office to conduct cyber investigations and cyber and cellular forensics ...

- ▶ I discovered RHB [Robert Hunter Biden] owns an Apple iPhone with the serial number G0NXF19JKPFY which was in use on and before March 2019.
- The iPhone cellular IP Address of 107.77.223.136 is consistent with his cellular provider AT&T. ...
- ▶ In addition to selfies with Geo-location data, there were approximately 39,189 iMessage chat conversations which were syncing and backed-up ...
- ▶ The last usage of the MacBook by RHB was on March 17, 2019 which coincides with the Mac Repair shop drop off date April 12, 2019. ..."

Based on my analysis and overwhelming data confirms Hunter Biden's MacBook Prowas not hacked and the data contained on the hard drive is authentic.

Based on the data I examined, there was no manipulation of any photographs, emails, documents or other user activities.

If I was able to obtain specific information from Cloud, Financial Providers, Cellular Carriers and other companies identified during my analysis, I would be able to prepare an affidavit for any requesting party or agency including any related testimony.

Another forensic analysis of the Biden Laptop was conducted by an LA-based⁴⁸ firm named Maryman & Associates:

"The firm's founder, Brad Maryman, was a 29-year veteran of the FBI, served as a Chief Information Security Officer and founded the bureau's cyber forensics unit.⁴⁹ His partner, Dr. Joseph Greenfield, is an associate professor at the University of Southern California and helped write their degree program in intelligence and cyber operations."⁵⁰ After an extensive analysis of the hard drive, Greenfield and Maryman produced a high-level report which detailed their findings. A summary of the report is below:

- ► "They found emails for multiple accounts on the laptop dating back to 2009, and other data [that] 'appear[] to be related to Mr. Biden' between 2016 and 2019.
- ► The report's findings were consistent with the known timeline for the hard drive. A Wilmington, Delaware computer store work order with Hunter's signature shows he left his 2017 MacBook Prolaptop there on April 12, 2019.
- ► The Maryman & Associates report said the original 'Macintosh HD' drive was created on March 28, 2018.
- ► Hunter's iCloud email address was added to the laptop's system on October 21, 2018, as well as his work email at his firm Rosemont Seneca on February 2, 2019.
- ► The same day, a Gmail address he used to log onto sex cam sites, and another personal Gmail address belonging to Hunter, were also added.
- ▶ Beau Biden's old Gmail account was added on February 7, 2019.
- ► Emails addressed to Hunter's various email addresses dating from December 2009 to December 2020 were found on the system.
- ▶ An iPad with the name 'Hunter's iPad' and three email addresses associated with the Biden family was backed up on the laptop and on iCloud in January 2019 and again a month later.
- ► Greenfield found 818 call logs in this iPad backup with timestamps from June 2016 to February 2019.
- ► There were 8,942 entries in the iPad's contacts book, created between April 2016 and January 2019.

In February 2019 an iPhone XS was also synced with the laptop. Its serial number was consistent with the timestamps of the data on the phone."

In conclusion: 'The operating system timestamps appear to be authentic, and no evidence was found to suggest that the timestamps or data were altered or manufactured ... No indications were found that would suggest the data was manufactured.'"51

According to their former and current colleagues who have come forward as whistleblowers⁵² to U.S. senators. FBI HQ Supervisory Intelligence Analyst (SIA) Brian Auten⁵³ and Assistant Special Agent in Charge (ASAC) of the Washington Field Office (WFO) Tim Thibault⁵⁴ were the so-called "tip of the FBI spear" in D.C. handling the Biden Laptop slow-walk operation. Auten evidently opened a so-called "assessment" in August 2020—just three months before the presidential election—which threw cold water on the Bureau's already-beleaguered investigation, which was being managed by the BAFO. Auten's "assessment" was then utilized55 by ASAC Thibault—who re-posted numerous vile and derogatory⁵⁶ messages about his then-boss, President Trump—as a justification for ordering investigative activity to cease.

SIA Auten also played a central role in the Russian collusion hoax and bogus Steele dossier. In other words, a single analyst has stood in the middle of two of the most consequential FBI scandals of the 21st century.⁵⁷

The Honorable Merrick Garland Attorney General Department of Justice

The Honorable Christopher Wray Director Federal Bureau of Investigation

Dear Attorney General Garland and Director Wray:

On May 31, 2022, I wrote to you regarding likely violations of Federal laws, regulations and Federal Bureau of Investigation ("FBI") guidelines by Assistant Special Agent in Charge ("ASAC") Timothy Thibault of the Washington Field Office ("WFO") based on a pattern of active public partisanship in his then public social media content. In that letter, I noted that Congress has a constitutional responsibility to ensure that the Executive Branch executes the law and uses taxpayer money appropriated to it in accordance with congressional intent. In furtherance of that constitutional responsibility, Congress has an obligation to investigate the Executive Branch for fraud, waste, abuse and gross mismanagement – acts which undermine faith in the American people's governmental institutions. Those constitutional and legislative responsibilities apply to this letter to you. My letter also invited individuals, including current and former government employees, to contact me and my office to confidentially report allegations of fraud, waste, abuse and gross mismanagement by FBI and lustice Department ("Department") officials including, but not limited to, ASAC Thibault. In response, my office has received a significant number of protected communications from highly credible whistleblowers.

The information provided to my office involves concerns about the FBI's receipt and use of derogatory information relating to Hunter Biden, and the FBI's false portrayal of acquired evidence as disinformation. The volume and consistency of these allegations substantiate their credibility and necessitate this letter.

First, it's been alleged that the FBI developed information in 2020 about Hunter Biden's criminal financial and related activity. It is further alleged that in August 2020, FBI Supervisory

Intelligence Analyst Brian Auten opened an assessment which was used by a FBI Headquarters

("FBI HQ") team to improperly discredit negative Hunter Biden information as disinformation and caused investigative activity to cease. Based on allegations, verified and verifiable derogatory information on Hunter Biden was falsely labeled as disinformation.

Page 3 of 4

Third, in October 2020, an avenue of additional derogatory Hunter Biden reporting was ordered closed at the direction of ASAC Thibault. My office has been made aware that FBI agents responsible for this information were interviewed by the FBI HQ team in furtherance of Auten's assessment. It's been alleged that the FBI HQ team suggested to the FBI agents that the information was at risk of disinformation; however, according to allegations, all of the reporting was either verified or verifiable via criminal search warrants. In addition, ASAC Thibault allegedly ordered the matter closed without providing a valid reason as required by FBI guidelines. Despite the matter being closed in such a way that the investigative avenue might be opened later, it's alleged that FBI officials, including ASAC Thibault, subsequently attempted to improperly mark the matter in FBI systems so that it could not be opened in the future.

The aforementioned allegations put a finer point on concerns that I have raised for many years about political considerations infecting the decision-making process at the Justice Department and FBI. If these allegations are true and accurate, the Justice Department and FBI are — and have been — institutionally corrupted to their very core to the point in which the United States Congress and the American people will have no confidence in the equal application of the law. Attorney General Garland and Director Wray, simply put, based on the allegations that I've received from numerous whistleblowers, you have systemic and existential problems within your agencies. You have an obligation to the country to take these allegations seriously, immediately investigate and take steps to institute fixes to these and other matters before you.

⁵² "[I]n August 2020, FBI Supervisory Intelligence Analyst Brian Auten opened an assessment which was used by a FBI Headquarters ('FBI HQ') team to improperly discredit negative Hunter Biden information as disinformation and caused investigative activity to cease ... verified and verifiable derogatory information on Hunter Biden was falsely labeled as disinformation ... The FBI HQ team's investigators placed their findings with respect to whether reporting was disinformation in a restricted access sub-file reviewable only by the particular agents responsible for uncovering the specific information ... additional derogatory Hunter Biden reporting was ordered closed at the direction of ASAC Thibault ... ASAC Thibault allegedly ordered the matter closed without providing a valid reason as required by FBI guidelines." During the same month that SIA Auten cooked up his baseless "assessment," two other operatives from the FBI HQ—Nikki Floris⁵⁸ and Brad Benavides—were busy spreading falsehoods to the aforementioned U.S. senators who were approached by the whistleblowers. Specifically, Floris (who met multiple times with Joe's top lawyer in the West Wing) and Benavides (who "retired" following the exposure of his role in the FBI conspiracy and took an executive position with Amazon) briefed a U.S. Senate committee on 08/06/2020 about how legitimate inquiries into the Bidens' foreign business deals were enabling a "Russian disinformation campaign." Naturally, the briefing's details were leaked to the *Washington Post*, which is owned by Jeff Bezos, the founder of Benavides's new employer.

Three weeks before the 2020 [s]election, the *New York Post* published a story proving that not only were the Bidens' foreign business deals unrelated to a "Russian disinformation campaign," but also that the FBI had been in possession of the Biden Laptop since December 2019.⁵⁹ When the same U.S. senators who were approached by the aforementioned whistleblowers wrote a letter to the Director of the FBI inquiring about this blatant gaslighting, FBI official Jill Tyson⁶⁰ responded on behalf of the Bureau and said it had "nothing to add" and could not "provide any additional information[.]" At the same time Tyson penned the response letter, she was engaging⁶¹ in an "inappropriate" "romantic relationship with a subordinate" which "disrupt[ed] the workplace[.]"⁶² Tyson still works at the FBI.⁶³

Three⁶⁴ days after Tyson penned the FBI's bogus⁶⁵ response letter, the aforementioned Bobulinski⁶⁶ spent more than five hours in a room at the FBI WFO detailing precisely what went down with the Bidens' business activities with CCP-linked operatives. Coincidentally (or not), Joe's brother (Jimmy) actually called Bobulinski via WhatsApp during the FBI interview. ASAC Thibault⁶⁷ was not in D.C. that day, but four of his colleagues—SAC of the Criminal and Cyber Division Jim Dawson,⁶⁸ Supervisory Special Agent (SSA) Giulio Arseni,⁶⁹ Bill Novak, and Garrett Churchill—met with Bobulinski. Novak and Churchill even videotaped Bobulinski's interview and impounded his devices. Following the interview, ASAC Thibault repeatedly assured Bobulinski's attorneys that the FBI agents Tony met with would follow up with him regarding the evidence he provided—the agents never did.⁷⁰

He was met by James Dawson, then-special agent in charge of the Criminal and Cyber Division, and FBI Supervisory Special Agent Giulio Arseni. They turned him over to two younger agents, William Novak and Garrett Churchill, who conducted the videotaped interview and provided a receipt for Bobulinski's digital data. ... Even if the FBI was reluctant, after its 2016 Hillary email debacle, to take action that could be deemed political during an election campaign, there is no excuse for not following up with Bobulinski afterward. The FBI's failure to do so amounts to interference-by-omission in the 2020 election."

If Wray needed to leave on business, Grassley noted, 'you've got your own plane,' referring to the taxpayer-funded Gulfstream G550 jet used to ferry the head of the FBI around the country privately. ... In essence, there was a multi-vector suppression campaign at the FBI—the Bureau did not follow the facts and enforce U.S. law. In addition to the FBI HQ and FBI WFO, the aforementioned Wilmington Resident Agency under the direction of the BAFO evidently told staff that they "will not look at that Hunter Biden laptop" because the FBI was "not going to change the outcome of the election again."⁷¹ Furthermore, the DOJ OIG watchdog—led by Michael Horowitz and his top lawyer, Adam Miles—has also done nothing in terms of accountability for the repeated and verifiable FBI policy violations.⁷²

The Honorable Ron Johnson United States Senate 328 Hart Senate Office Building Washington, DC 20510

Dear Senator Johnson:

Michael Evan Horowitz

I am writing in response to your letter dated October 21, 2020, in which you requested the Department of Justice (Department) Office of the Inspector General (OIG) to investigate the Federal Bureau of Investigation's handling of a laptop allegedly belonging to Hunter Biden. After receiving your letter, we informed your office of our efforts to assess whether any response from our office to you would interfere with any pending law enforcement activity.

Subsequently, in December 2020, Hunter Biden publicly stated that the United States Attorney's Office (USAO) in Delaware advised his legal counsel that the USAO was investigating his tax affairs. Earlier this month, the Department announced that the U.S. Attorney in Delaware was one of two U.S. Attorneys asked to remain in his role in the new administration. In light of these circumstances, and consistent with the OIG's practice, we will not take actions that could interfere with an ongoing investigation.

Thank you for your support for the OIG's work. If you have any questions, please feel free to contact me or Adam Miles, Senior Counselor to the Inspector General, at (202) 514-3435.

Tony Bobulinski (10/22/2020)

individuals with knowledge of the FBI's apparent corruption. After the FBI obtained the Hunter Biden laptop from the Wilmington, DE computer shop, these whistleblowers stated that local FBI leadership told employees, "you will not look at that Hunter Biden laptop" and that the FBI is "not going to change the outcome of the election again." Further, these whistleblowers allege that the FBI did not begin to examine the contents of Hunter Biden's laptop until after the 2020 presidential election—potentially a year after the FBI obtained the laptop in December 2019.⁵

While I understand your hesitation to investigate a matter that may be related to an ongoing investigation, it is clear to me based on numerous credible whistleblower disclosures that the FBI cannot be trusted with the handling of Hunter Biden's laptop. I hope you understand that the longer your office stands on the sidelines and delays investigating the FBI's actions, the harder it will be for you to uncover the truth and hold individuals accountable for wrongdoing. I call on you to immediately investigate the FBI's handling of Hunter Biden's laptop and begin by obtaining the history of the investigative actions taken by the FBI on Hunter Biden's laptop which should be available on the FBI's case management system, Sentinel. This case file should provide valuable information about the steps the FBI took to examine the laptop.

The American people deserve transparency and expect allegations of government corruption to be fully and immediately investigated. Thank you for your attention to this important request.

Sincerely,

Ron Johnson Ranking Member

To add more injury to the insult of gaslighting, the DOJ HQ under the leadership of Bill Barr—and specifically the U.S. attorney⁷³ for Delaware, David Weiss—slow-walked⁷⁴ the investigation into the Biden family's crimes.⁷⁵ The reasons for slow-walking the investigation put forth by the DOJ HQ were about "avoiding election politics,"⁷⁶⁷⁷ yet the DOJ HQ's delay was itself a political decision, as it withheld key information from voters. Said differently: If not for the Biden surname, members of the family would have been treated much differently. Justice delayed was justice denied; Barr and Weiss delayed justice.⁷⁸ President Trump responded⁷⁹ to these revelations by lamenting the fact that the "Justice" Department denied to the American people the very thing it was charged to deliver by delaying subpoenas and otherwise hindering the normal course of law enforcement. As was the case in many⁸⁰⁸¹ previous instances, Hunter's surname⁸² got him out of a serious pinch—at least for now.

Hunter Biden's prosecutor rejected moves that would have revealed probe earlier

Veteran U.S. attorney David Weiss, known for his willingness to take on powerful Delaware figures, kept his investigation into Biden's son out of the 2020 campaign.

IF Biden gets in, nothing will happen to Hunter or Joe. Barr will do nothing, and the new group of partisan killers coming in will quickly kill it all. Same thing with Durham. We caught them cold, spying, treason & more (the hard part), but "Justice" took too long. Will be DOA!

Having received cover from the DOJ until after the 2020 [s]election⁸³⁸⁴ certification vote on 12/08/2020, Hunter released a statement filled with doublespeak.⁸⁵ To ensure that the federal investigation went nowhere uncomfortable for Hunter, Joe appointed the colleague of Hunter's attorney to be the chief deputy of the DOJ's criminal division on his first full day in office.⁸⁶ Tellingly, Nick McQuaid⁸⁷ has refused to recuse himself from the investigation into the Bidens.⁸⁸ To map out how this illegal influence operation worked: Chris Clark, Hunter's attorney, and Nick McQuaid both worked at Latham & Watkins, a law firm. The pair argued cases together, so spin doctors in the media cannot reasonably claim that Latham & Watkins is just a huge international law firm where Clark and McQuaid barely interacted. In one of his very first acts as pResident, Joe appointed McQuaid to help oversee the division investigating his own family; the criminal division at DOJ HQ oversees the U.S. Attorney's office in Delaware. In short, McQuaid likely violated 28 CFR § 45.2 by not recusing⁸⁹ himself from the investigation; McQuaid's boss at the DOJ HQ, Ken Polite, did not publish an opinion stating that McQuaid's participation in the case "would not create an appearance of a conflict of interest likely to affect the public perception of the integrity of the investigation or prosecution."

BIDEN-HARRIS TRANSITION

FOR IMMEDIATE RELEASE
December 9, 2020

Statement by Hunter Biden
I learned yesterday for the first time that
the U.S. Attorney's Office in Delaware
advised my legal counsel, also yesterday,
that they are investigating my tax affairs. I
take this matter very seriously but I am
confident that a professional and objective
review of these matters will demonstrate
that I handled my affairs legally and
appropriately, including with the benefit of
professional tax advisors.

Statement from the Biden-Harris Transition

President-elect Biden is deeply proud of his son, who has fought through difficult challenges, including the vicious personal attacks of recent months, only to emerge stronger.

Hunter has moved on to other shady⁹¹ activity by joining perhaps the only industry that is more corrupt than his lucrative gig in the Ukrainian energy sector: art dealing. Hunter's dealer, a portly sinophile⁹²⁹³ and bankrupt⁹⁴ former felon⁹⁵ named Georges Berges, boasted about his "group of about 25 collectors, most of them overseas," and that he has been "inundated with calls from collectors eager to buy Biden's art."⁹⁶ Hunter has plans to host an exhibit with the self-pitying title of "Under the Microscope," which will be sponsored by Berges's gallery.⁹⁷ Even with well-documented money laundering issues and other criminal activity that has occurred in the art industry for many decades, Berges considers Hunter's artwork to be more consequential than Joe's public office: "I believe that he's [Hunter] [is] going to be considered a great artist of this century. His father [Joe] will be known, of course, as a US president, but most importantly as the father of a great artist."⁹⁸

With Hunter's new scheme all set up, it was richly ironic that his own father's administration released a report⁹⁹¹⁰⁰ in December 2021 that actually told the truth: the art industry has a "built-in opacity, lack of stable and predictable pricing, and inherent cross-border transportability of goods sold, [which] make[s] the market optimal for illicit value transfer, sanctions evasion, and corruption." Equally ironic, a similar report¹⁰¹ was released less than five months before the 2020 [s]election by none other than a longtime ally¹⁰² of the Biden family and Joe's former colleague, U.S. Senator Tom Carper (D-DE).¹⁰³

[Berges] told The Post he was introduced to [Hunter] Biden by a 'serious' Los Angeles-based collector who had been impressed with the oeuvre of the scandal-scarred president's son."

It is important for Marco Polo to make clear—especially to law enforcement agencies—that this Report was prepared with an extremely attentive eye towards 18 USC § 119,111 having seen the lengths¹¹² the FBI¹¹³ and other entities in the apparatus have gone to harass citizens who expose corruption. 114 Said differently, we redacted whatever was legally required to be redacted in this Report and absolutely nothing more. 115 Marco Polo does not break the law—we expose those who do.

§119. Protection of individuals performing certain official duties

- (a) In General.-Whoever knowingly makes restricted personal information about a covered person, or a member of the immediate family of that covered person, publicly available-
 - (1) with the intent to threaten, intimidate, or incite the commission of a crime of violence against that covered person, or a member of the immediate family of that covered person; or
 - (2) with the intent and knowledge that the restricted personal information will be used to threaten, intimidate, or facilitate the commission of a crime of violence against that covered person, or a member of the immediate family of that covered person,

shall be fined under this title, imprisoned not more than 5 years, or both.

- (b) DEFINITIONS.-In this section-
- (1) the term "restricted personal information" means, with respect to an individual, the Social Security number, the home address, home phone number, mobile phone number, personal email, or home fax number of, and identifiable to, that individual;
 - (2) the term "covered person" means-
 - (A) an individual designated in section 1114;
 - (B) a grand or petit juror, witness, or other officer in or of, any court of the United States, or an officer who may be, or was, serving at any examination or other proceeding before any United States magistrate judge or other committing magistrate;
 - (C) an informant or witness in a Federal criminal investigation or prosecution; or
 - (D) a State or local officer or employee whose restricted personal information is made publicly available because of the participation in, or assistance provided to, a Federal criminal investigation by that officer or employee;

 - (3) the term "crime of violence" has the meaning given the term in section 16; and (4) the term "immediate family" has the meaning given the term in section 115(c)(2).

Additionally, 18 USC § 4 requires 116 that any person who has "knowledge of the actual commission of a felony" must report it "as soon as possible" to "some judge or other person in civil or military authority." In plain-speak, this statute required us to expose the felonies and other crimes contained on the Biden Laptop and send the Report to law enforcement agencies across the nation at the federal and state levels. Furthermore, *Marco Polo* unequivocally disclaims any intention to cause any threat, intimidating action, or incitement of harm to any person covered by 18 USC § 119 and we do not condone, encourage, intend, or have any knowledge that any other person will or may use the information in this Report for any unlawful purpose. As we will demonstrate, Marco Polo's motive is to see justice delivered—to all criminals—by those whose responsibility it is to carry out that duty.

¹¹⁵ Marco Polo made a good faith attempt to redact information which appears to be restricted information. In several instances, the information was already in the public domain by disclosure from another source. Because no action has been taken by law enforcement, that information—by implication—does not meet the definition of "restricted" under the applicable statute. Nevertheless, any disclosure of restricted information in this Report was unintentional.

MOTIVE

President Nixon's spokesman, Ron Ziegler, called Watergate a "third-rate burglary." He was correct in his assessment then, and he is still correct today—over fifty years later. The illegality contained on the Biden Laptop surpasses whatever the "Committee for the Re-election of the President" supposedly did. Nevertheless, the corporate media is still obsessed with Watergate. A key reason for writing this Report—and establishing a nonprofit entity to organize it—was to give the small minority of honorable law enforcement officers and reporters a proper object for their obsession.

The Biden Laptop was a modern Rosetta Stone of white and blue collar crime under the patina of "the Delaware Way."122 Prior to the discovery of the Rosetta Stone, a number of ancient languages were mere gibberish and hash marks. 123 Similarly, with the laptop, we were able to illuminate previously convoluted network webs of the people leading the charge for global governance. Additionally, the metadata on the laptop can inform other investigations; truly, the Biden Laptop can be considered a translation tool for Open-Source Intelligence (OSINT) gathering into the future. After poring over 200 gigabytes of data, Marco Polo concluded, perhaps contrary to popular belief, that there are not two or three boogeymen pulling the strings of America's decline, but rather a legion¹²⁴ of hangers-on and grifters who rely on Joe and the entire Biden political mafia for introductions, jobs, prestige, and access. Because of the contemporary nature of this material, a Report was the best medium for exposure. As you will see, exhibits drive the Report. Books¹²⁵¹²⁶ already written about the Biden Laptop, although extremely enlightening, featured no exhibits; a movie, also, did not feature any exhibits. 127 This Report was our research group's tour through the Biden political mafia, and all of the narrative in this Report is in service to the exhibits. The Biden Laptop, along with material brought forth by Bobulinski and others whistleblowers, was akin to a 3,000-piece puzzle but with many pieces missing. Marco Polo's mission was to put as many puzzle pieces together as we could; a report was the second-best medium behind a documentary, which would have delayed the release into 2023.

As stated previously, *Marco Polo* redacted only that which was legally necessary to redact. Shown below was a sampling of the indisputable identifying images found on the laptop that illustrated Hunter's ownership. He Biden Laptop contained a trove of personal identifiable information (PII) that established beyond a reasonable doubt that it belonged to the family. Evidently, one of the many live photos Hunter took was to assure a prostitute that it really was Hunter Biden with whom she was to meet. Needless to say, any foreign intelligence agency with the laptop would be able to commit identity the ft of Joe's entire immediate family, which apparently did not concern the junta.

Hunter's \$3,000,000 life insurance policy from John Hancock—with his ex-wife Kathleen as the beneficiary—was also among the plethora of primary source documents from the laptop that confirmed its authenticity. The ex-couple's Marital Settlement Agreement¹³³ (MSA) was also on the laptop, which alluded to this exact life insurance policy. A large portion of the background research for the writing of this Report was verifying—through public records¹³⁴ and other tools—the authenticity of the laptop's documents. Said differently, anyone with access to the Biden Laptop (approximately 75 people, per *Marco Polo*'s internal research) can publish the documents and images; however, it takes a tremendous amount of time and a coherent research strategy to explain what the documents and images mean and how they can be corroborated to withstand accusations of Russian tampering.¹³⁵¹³⁶

A copy of Hunter's "Certificate of Birth" issued by Delaware's Board of Health with an embossed, raised seal was also on the laptop, dated 06/18/1985. Joe's law firm¹³⁷ at the time, Aerenson and Balick, was listed on the certificate, along with a reference to Joe's first son, Beau. The Certificate of Birth also alluded to a stillborn (or perhaps aborted) child who Hunter's mother (Neilia, from upstate New York near the Finger Lakes) previously delivered; it is unclear whether Joe fathered that child.¹³⁸

SOCIAL MEDIA OLIGOPOLY

In the early morning on 10/14/2020, the New York Post published an article¹³⁹ which conclusively proved that Joe repeatedly lied¹⁴⁰ about his knowledge—and participation in—Hunter's foreign business dealings. The article, in summary, recounted a dinner that Hunter organized for his father and foreign business partners on 04/16/2015 at the Cafe Milano restaurant in Washington. As was common with Hunter's rendezvous, the dinner with Joe was purposely left off Joe's public schedule. Twitter, with no evidence, declared that the emails from Hunter's laptop—which exposed the meeting and, thus, Joe's lies—violated their "hacked materials" policy. The fact that Twitter's pronouncement lacked any factual basis did not matter to them, as they were merely scrambling to cover for their preferred candidate.141 Twitter not only locked the New York Post's account, but also blocked the URL in tweets and direct messages. 142 Knowing that his initial task of suppression and censorship was complete, Twitter CEO Jack Dorsey—in a classic limited hangout—made a small concession and tweaked Twitter's "hacked materials" policy. 143 This concession, of course, did literally nothing to rectify the situation or otherwise clear Mac Isaac's name; after all, Mac Isaac was bombarded at his repair shop with animal feces, threats, negative reviews, and accusations of being a Russian plant. 144 Twitter's unofficial in-kind campaign contribution to the Biden camp was not their only form of support; executives at the company donated almost exclusively—and handsomely—to Joe and Democrats. 145

More of the same suppression occurred at Facebook. CEO Mark Zuckerberg (during his sworn testimony to Congress) gave clues as to what went down behind the scenes. Zuckerberg admitted that the IC, federal law enforcement, and other executive agencies proactively contacted Facebook to let them know about the incoming reports concerning Biden and to view them "with suspicion." Andy Stone, Facebook's then-"Policy Communications Director" and a former press secretary for the Democratic Congressional Committee, was ecstatic to receive this "tip" from the IC, and he worked to suppress the story. The false information laundering can be displayed by the following diagram:

The false information laundering was perpetrated by Laura Dehmlow and Elvis Chan¹⁴⁷ from the FBI, among many¹⁴⁸ others. Dehmlow supervises the Orwellian-themed "Foreign Influence Task Force" (FITF)¹⁴⁹ along with Chan, the ASAC at the San Francisco Field Office.¹⁵⁰ Dehmlow believes it is her civic duty¹⁵¹ to censor—she told other feds that "critical thinking seems to be a problem currently." ¹⁵²

To add another injury to the insult of censorship, Twitter locked the White House Press Secretary's account. In a scene that could have been plucked straight out of an Orwell novel, Twitter allowed the following message from the former Malaysian Prime Minster, Mahathir MOHAMAD, to stay up on their platform just two weeks after their scheme favoring Biden: "Muslims have a right to be angry and to kill millions of French people for the massacres of the past." The platform even released an accompanying message: "This Tweet violated the Twitter Rules about glorifying violence. However, Twitter has determined that it may be in the public's interest for the Tweet to remain accessible." After a day or so, Twitter finally 155 relented, but the double standard was clear: Whenever damaging material was released about those who favor global governance, they censored the material with Pavlovian dog-like speed. When those in a "protected class" sanctioned genocide, they allowed it.

The technology and social media oligopoly's censorship, although abhorrent, is still legal. It has been going on for a decade. Republicans, who waxed ad nauseam¹⁵⁶ about the oligopoly's censorship, controlled the federal legislative branch for two years preceding the situation.¹⁵⁷ Therefore, hearings and crocodile tears shed after the fact did little to convince would-be supporters of their sincerity.¹⁵⁸ This oligopoly is harmful in every respect to the American republic—their antics are Bolshevistic and blatantly one-sided. Nevertheless, those currently in power who complained about the egregious suppression of the Biden scandal(s) did nothing to prevent it.¹⁵⁹ This situation will continue to deteriorate until an honest legislator reads about the history of public utilities in the United States.

INTELLIGENCE COMMUNITY GASLIGHTING

Five days after the tech and social media oligopoly suppression conspiracy began, a legion of former U.S. intelligence apparatus bureaucrats and spies—led by none other than James Clapper—released a "Public Statement" in which they declared that the "arrival on the US political scene of emails purportedly belonging to Vice President Biden's son Hunter, much of it related to his time serving on the Board of the Ukrainian gas company Burisma, has all the classic earmarks of a Russian information operation." Even for the genre of bureaucrat doublespeak, this "Statement" was wanting. For one, they did not define what the "classic earmarks" were or how they were relevant to Joe's lies about Hunter's foreign business dealings. Furthermore, several of the signees declared themselves as technical experts, but they did not even attempt to verify the emails, which "anybody with minimal computer expertise" could have done by analyzing the cryptographic signatures inside the emails' metadata. This was not the first time Hunter's behavior needed a quick and easy scapegoat; in August 2015, he lied and said his account on Ashley Madison (which facilitated "affairs for married people") was "not the first time that someone has used my name and identity to try to discredit me." 163

Hunter Biden story is Russian disinfo, dozens of former intel officials say

More than 50 former intelligence officials signed a letter casting doubt on the provenance of a New York Post story on the former vice president's son.

Natasha "Tasha" Bertrand DOB: 05/12/1992 archive.ph/pJJ7m nbertrand@protonmail.com

The charade was a bipartisan¹⁶⁴ operation by former spooks¹⁶⁵ to run interference for the corrupt and blackmailed son of the Democrat candidate for President. There was absolutely no proof that the Russians or any of their proxies had anything to do with the release of the now-confirmed emails, but that did not matter. The signatories to the "Statement" had a different mission in mind: They simply made it up out of thin air in order to provide then-candidate Joe with an opportunity—at the final presidential debate on 10/22/2020—to use their contrived letter to dismiss legitimate inquiries about his foreign entanglements, both political and financial. In fact, it was the only fall back Joe had in Nashville: "Look, there are 50 former national intelligence folks who said that what this, he's accusing me of is a Russian plan." ¹⁶⁶ A full copy of the "Statement" is in the ENDNOTES section of this Report.

CORPORATE MEDIA WHACK-A-MOLE

The third prong of the operation was to get national "papers of record" 167 to cast doubt on Hunter's emails and otherwise tamper the stories that were (expectedly) proliferating about them. Greg Sargent at the *Washington Post* declared the *New York Post*'s story a "fake new Biden scandal." 168 To bolster his claims, Sargent used—you guessed it—another *Washington Post* story in which Hunter's attorney, George Mesires, declared that Joe's dinner with Hunter's foreign business partners "never happened." That was a lie, and photographic proof 169 of Joe meeting with the Kazakh oligarch and prime minster was shared the following day. The *New York Times* 170 used President Trump's own administration against him by invoking Treasury Secretary Steven Mnuchin's labeling 171 of Ukrainian lawmaker Andrii DERKACH as a Russian agent involved in a deceitful "disinformation campaign." The *New York Times* finally conceded that—17 months after the cover-up—the laptop was authentic. 172

Guerrilla journalists at *Project Veritas* infiltrated *CNN* and listened to their internal conference calls.¹⁷³ During those calls, biased media operators, such as David Chalian,¹⁷⁴ gave marching orders to the *CNN* news desk, calling the Biden emails an effort "to throw stuff at the wall in these closing days of the campaign" and that *CNN* "obviously" was not going to cover the story. Additionally, on the morning of the final presidential debate, *NBC*¹⁷⁵ was using the exact same talking points from the former spooks' "Statement" in order to lie to their viewers, calling the emails "hallmarks of foreign disinformation." On *CBS This Morning*, John Dickerson and his co-panelists shrugged off the Biden family's numerous scandals, asserting that they "[didn't] think it matters a great deal with voters." ¹⁷⁶

¹⁷⁵ "Emanuel reminded viewers that Joe had long insisted that he had never talked with Hunter about his shady business deals. But Bobulinski had information on that too. 'I've seen Vice President Biden saying he never talked to Hunter about his business. I've seen firsthand that that's not true, because it wasn't just Hunter's business, they said they were putting the Biden family name and its legacy on the line,' he said, as read by Emanuel."

¹⁷⁶ "Dickerson's promise of a complicit 'news cycle' seemed to echo *Meet the Press* moderator Chuck Todd, during NBC's post-debate special, confidently declaring that most people didn't know anything about the scandal because every left-wing media outlet has censored the story. When President Trump released the full video of his interview with *60 Minutes* on Thursday, it showed him confronting correspondent Lesley Stahl on *CBS*'s refusal to cover or investigate the Biden scandal. Once again, the leftist media cover up bad news to help Democrats and then congratulate themselves for making sure voters are uniformed."

While the aforementioned outlets received hardly any public funds, *NPR*¹⁷⁷ was a creation of the largesse in local and state government budgets—and the U.S. Congress. So what did the Managing Editor at *NPR* call the verified lies by Joe and his campaign? A "pure distraction"¹⁷⁸ that was "not really" a story, even though the acting Director of National Intelligence stated¹⁷⁹ that no intelligence existed to suggest that the Biden Laptop was a result of foreign influence. *NPR* still covered¹⁸⁰ for the Bidens six months later, although it quietly issued a correction about the laptop being "discredited."

As demonstrated below, there was a sophisticated three-pronged, sequential operation in play:

- ► On 10/14/2020, Twitter completely censored the story and suspended the *New York Post's* account, followed by Facebook and other social media platforms suppressing the revelations
- ▶ On 10/19/2020, former spooks and bureaucrats declared the emails "Russian disinformation" and engaged in numerous ad hominem logical fallacies against Rudy Giuliani and others
- ▶ On 10/22/2020, Joe used the media interference of the preceding days to dismiss inquiries during the final presidential debate, relying solely on the "Public Statement" from the former spooks

Compare the labeling of the Biden Laptop scandal as Russian disinformation to the merciless, three-year Russian collusion hoax surrounding Trump and his team, which was based on "spoofed" internet traffic.¹⁸¹ The current state of the American republic and its media environment is a direct result of this double standard.¹⁸²

¹⁸² "Big Tech and the media have made clear that the matter is closed, the science (as they say) 'settled,' and will brook no questions. Irregularities that our own State Department considers sufficient proof to declare third-world elections fraudulent are, here at home, not even enough to qualify as 'evidence.'"

For those wondering how Hunter simply forgot to pick up his laptop from a repair shop, keep in mind that he lost two other laptops within the same year—in the summer¹⁸³ and fall¹⁸⁴ of 2018. For those who are still unconvinced, the following 600 pages will shed light on Hunter's state of mind. Along with smoking shards of Parmesan cheese and "picking through rugs"¹⁸⁵ to find any extra droppings, he conceded that he was incapable of ensuring that he was wearing pants.¹⁸⁶ The contents of the Biden Laptop confirmed Hunter's admission—he lost his iPhone at least 57 times, according to his email inbox.¹⁸⁷ The Biden family displayed such horrendous "OpSec"¹⁸⁸ that they are a confirmed national security threat. Here is but one example: Hunter saved a photo of the gate code and Wi-Fi password (on stationery Joe snagged from the Naval Observatory before leaving in January 2017, no less) at Joe's palatial estate, a rental home¹⁸⁹ along the Potomac River on Chain Bridge Road in McLean.¹⁹⁰ As you will read in this Report, the pimps that Hunter patronized and the women he used would exploit his carelessness and could still—to this day—use similar information to America's detriment.

The Biden family and their associates—and their sprawling political syndicate—continue to leave a horrendous digital trail. Within months of Joe's pResidential oath, the family's personal Venmo accounts were found within ten minutes of searching because the accounts were not concealed in any way—they possessed conspicuous and easy-to-guess usernames. Said differently, anyone with an Internet connection and a checking account in America would have been able to construct a link analysis of who the Biden clan was paying for which products and services, for what purpose, and when. Luckily, the establishment media alerted the White House before such a scenario arose. In fact, Venmo even changed their source code to guard against this kind of negligence in the future.

Take the example of Hunter losing his wallet, passport, and Joe's "DOD card." Hunter got lucky, and the person who found them called the Yale Club to return the items. The email below did not say that the items were found at the Yale Club; for all we know, Hunter could have lost them in the streets of Manhattan. The director¹⁹³ of member services at the Club merely stated that someone had found the items, including Hunter's membership card. With this backdrop, consider the following statement from the pResident: "He [Hunter] is the smartest man I know—I mean, from a pure intellectual capacity." ¹⁹⁴

¹⁹¹ "The website also reported that it had located 'nearly a dozen' of Biden's family members on Venmo and used the app's public friends feature to sketch out their web of close contacts — including senior White House staffers." In spite of the fact that the family's patriarch is now the most powerful man on Earth, the carelessness that the clan exudes has continued unabated. Earlier this year, Hunter's daughter, Maisy, dropped¹⁹⁵ her wallet—replete with PII and other sensitive information—in a parking lot in LA. Again, Joe's progeny lucked out: the person who found the wallet did not seek to capitalize on it but returned it.¹⁹⁶

That [Burisma contract] should include a retainer in the range of [\$]25k p[er]/m[onth] w/ additional fees where appropriate for more in depth work to go to BSF [Boies Schiller Flexner LLP] for our protection"²⁰²

- ▶ February 16: Hunter violated the FARA and lobbied the U.S. State Department on behalf of ZLOCHEVSKY to strong-arm the Mexican government in an effort to secure safe passage for ZLOCHEVSKY's trip to Mexico (ZLOCHEVSKY was justifiably worried about being denied entry)
- ▶ **April 17:** Vadym POZHARSKYI, an in-house advisor to Burisma's board, thanked Hunter for the opportunity to meet with Joe the previous evening at the Cafe Milano restaurant in D.C. The sitting Prime Minister of Kazakhstan, Karim MASSIMOV, who was recently arrested²¹² for treason, was invited to the dinner as well, alongside Kazakh oligarch Kenes RAKISHEV²¹³
- ▶ **December 2:** Hunter and Archer, along with their ever-present handler, Eric Schwerin, received real-time White House conference call notes regarding Joe's upcoming travel to the Ukraine from Blue Star Strategies, whose leaders—Sally Painter and Karen Tramontano—were illegally representing Burisma by not registering as agents of a foreign principal (Burisma) with the DOJ, per the FARA
- ▶ **December 6:** Joe's own staff recommended that he "not ... get into naming names or accusing individuals" in response to the potential question, "Do you think ZLOCHEVSKY is corrupt?"²¹⁴
- ▶ **December 8:** The *New York Times* published a story about Hunter and the investigation into Burisma by Ukrainian prosecutors: "The credibility of the vice president's anticorruption message may have been undermined by the association of his son, Hunter Biden, with one of Ukraine's largest natural gas companies, Burisma Holdings, and with its owner, Mykola Zlochevsky"²¹⁵

2016

- ▶ **February 18:** The White House released a statement²¹⁶ praising Ukrainian President, Petro POROSHENKO, for firing the Ukrainian prosecutor, Viktor SHOKIN, mere weeks after Joe threatened POROSHENKO by withholding a \$1 billion loan guarantee if SHOKIN—who was investigating²¹⁷ Burisma at the time—were not fired²¹⁸

- ► April 12 at ≈6:50 PM EDT: An inebriated Hunter dropped off three²²⁰ Apple laptops at The Mac Shop for repair; one laptop was unable to be salvaged, the second needed an external keyboard, which Mac Isaac provided, while the data on the third laptop (Serial #: FVFXC2MMHV29)²²¹ would be able to be transferred to an external hard drive, which Hunter agreed to provide
- ► April 17 ≈AM: Hunter returned to The Mac Shop with a new Western Digital external hard drive (Serial #: WX21A129ATFF3) on which to transfer the data from the third laptop²²²
- ► April 17 ≈PM: Mac Isaac completed the data recovery (The Mac Shop internal invoice #: 6077)²²³
- ► April 25: Joe announced his candidacy for President of the United States²²⁴
- ▶ July 25: President Trump called Ukrainian president Volodymyr ZELENSKYY²²⁵
- ▶ **September 24:** Congresswoman Nancy Pelosi (D-CA-12) announced the commencement of a presidential impeachment inquiry²²⁶ into President Trump's call with ZELENSKYY
- ► October 9: Mac Isaac's father, Richard Stephen (Steve) Mac Isaac, a graduate of the U.S. Air Force Academy and retired colonel, was rebuffed²²⁷ and told to "lawyer up" at the FBI's Albuquerque Field Office after he offered to give an agent at the FBI a copy of the hard drive
- ▶ November 1: Agent Wilson called Steve Mac Isaac to request contact information for his son
- ▶ November 21: Agent Wilson and his colleague, Agent Dzielak, went to Mac Isaac's home and spoke with him in his living room about the laptop. Agent Wilson asked Mac Isaac "if [he] had seen any child pornography on" the Biden Laptop. Afterwards, Agent Dzielak sent John Paul Mac Isaac a text message and requested a "timeline of the events leading up to reaching out to the FBI"228
- ▶ **December 9 at ≈9:52 AM EDT:** Agent Dzielak asked Mac Isaac for the serial number of the external drive. He responded: "Western digital my passport for mac S/n WX21A129ATFF3"
- ▶ December 9 at ≈11:00 AM EDT: Agents Wilson and Dzielak appeared at Mac Isaac's shop and handed him a subpoena for Hunter's laptop and the external hard drive that the laptop data had been transferred onto. When leaving, Agent Dzielak told Mac Isaac: "In our experience, nothing ever happens to those that don't talk about these things." Mac Isaac was so thrilled that the laptop was leaving his shop that he "didn't hardly notice the odd instructions or the thinly-veiled threat." An hour later, Agent Dzielak called Mac Isaac as the agents (inexplicably) needed help accessing the drive, indicating that the drive was never sent to the FBI forensics lab near Quantico, Virginia

- ▶ October 19: Former U.S. IC spooks released a "Public Statement on the Hunter Biden Emails" 236
- ► **November 2:** Mac Isaac was forced to shut down in-person consultations at his repair shop due to the numerous threats that he received
- ► **December 31:** Mac Isaac—through his longtime business agent, Lori Wardell—filed papers entitled "Dissolution-Short Form" for The Mac Shop. Inc., thereby closing his repair shop²³⁷

²²⁹ "Similarly, there is no legitimate basis for President Trump to claim former Vice President Biden behaved improperly in calling for the removal of Ukrainian prosecutor general Viktor Shokin. - ► March: Mac Isaac was forced to start a new laptop repair business, Johnny Mac's, near Denver²³⁸
- ► April 2: Hunter finally admitted, after six months of repeated denials, that the laptop Mac Isaac repaired "certainly" could be authentic, but that it also could have been "Russian intelligence" 239
- ▶ August 30: Obama appointee, Judge Beth Bloom, dismissed Mac Isaac's defamation case in the S.D. Fla. against Twitter with prejudice, and ordered Mac Isaac to pay Twitter's legal fees²⁴⁰
- ▶ **November 4:** The FBI conducted a raid on the homes of two people linked to Project Veritas in an effort to find incriminating evidence about their exposure of Ashley Biden's diary²⁴¹
- ▶ **November 6:** The FBI conducted yet another raid—in the early morning with a battering ram—on the apartment of James O'Keefe, the founder of Project Veritas, over Ashley's diary²⁴²

2022

- ▶ **January 30:** The *New York Post*²⁴³ and *Breitbart*²⁴⁴ published stories about a subpoena from the District of Delaware to J.P. Morgan that *Marco Polo* had received from a whistleblower; the subpoena—for the Bidens' wire transfers from the Bank of China—was sent on 05/15/2019
- ► **February 1:** The editorial board of America's oldest newspaper called for a special counsel to be appointed to investigate Hunter, citing the subpoena that *Marco Polo* provided to the publication²⁴⁵
- ► March 12: Mac Isaac revealed that the IRS and an executive agency in Delaware harassed him²⁴⁶
- ► March 16: The New York Times grudgingly admitted that the Biden Laptop was authentic²⁴⁷

- ▶ **June 8:** The *New York Post* reported²⁴⁹ that *Marco Polo* had gained access to a back-up file²⁵⁰ of Hunter's iPhone XS (Serial #: **G0NXF19JKPFY**), which was stored on the abandoned laptop

The invoice²⁵¹ with Hunter's professionally-corroborated²⁵² signature for the repair (Quote **#7469**), which Hunter never paid, can be seen below. Additionally, the invoice from Mac Isaac's inventory tracking software was used as an exhibit in his unsuccessful defamation lawsuit against Twitter.

The text at the bottom of Hunter's signed invoice clearly stipulated the consequences if he did not return to the repair shop to pick up the laptop: "Equipment left with the Mac Shop after 90 days of notification of completed service will be treated as abandoned and you agree to hold the Mac Shop harmless for any damage or loss of property. In the event of nonpayment, The Mac Shop reserves the right to remove any equipment or parts installed." 253

As was the case with his longtime business partner and felon, Devon Archer, Hunter graduated from Yale around the same time as Lesley Wolf.²⁶⁰ Lesley's husband, Daniel Wolf, just so happens to be a professor²⁶¹ at the same school where Joe ran the Biden Center for Diplomacy and Global Engagement: the University of Pennsylvania. A self-congratulatory man, Dr. Wolf teaches at the medical school.²⁶² The university, which controlled the funding and budget for the Biden Center, received more than \$22 million²⁶³ from anonymous Chinese donors, a whopping \$15 million of which came in just a two month span from March to May of 2018, thereby repeatedly and blatantly violating **20 USC § 1011f(e)**.²⁶⁴ The statute does not allow anonymity to foreign donations over \$250k.²⁶⁵

Moreover, NLPC requests that the Department obtain and inspect all copies of the monetary gifts and contracts, whether or not listed as Anonymous, in order to determine what if any conditions or restrictions were or are placed on those gifts or contracts, which is also required to be disclosed by federal law and to release them to the public as required by 20 U.S.C. 1011fte).

The final document exchanged between the FBI and Mac Issac was a "Receipt for Property" form. 266 The Case ID, 272D-BA-3065729, confirmed the money laundering investigation was being conducted by the BAFO.267268 Besides inadvertently misspelling the surname of Agent Wilson, the Twitter threads shown below—from Adam Housley and two anonymous users—turned out to be extremely precocious and thorough. If not but for Mac Isaac's courage, the feds could have buried the Biden Laptop under Rule 6(e), the grand jury secrecy guidelines from the Rules of Criminal Procedure. 269

After Hunter realized that he had, in fact, forgotten to pick up his laptop, he dispatched²⁷⁰ his lawyer and fixer, George Mesires, to call Mac Isaac and ask—very diplomatically, we are sure—what in the hell was going on. Apparently, Mesires had been contacted by the *New York Post* to comment on the materials²⁷¹ that the *Post* would publish the next day (10/14/2020). Hunter needed Mesires to run interference—and quickly! Hunter evidently told Mesires that he dropped off the laptop in 2017, which Mesires then conveyed to Mac Isaac. In fact, Hunter had abandoned the laptop two years later in 04/2019. Third-party sources confirmed the authenticity of the email below; in a republic with even the patina of an impartial press corps, the email below would've inspired curiosity and fresh reporting.²⁷²

Dear Hunter, thank you for inviting me to DC and giving an opportunity to meet your father and spent some time together. It's realty an honor and pleasure. As we spoke yesterday evening, would be great to meet today for a quick coffee. What do you think? I could come to you office somewhere around noon or so, before or on my way to airport.

THE FOUR FAMILIES

According to Joe's biographer, Jules Witcover, the Biden family puts loyalty "above all other considerations." Ergo, it is not only prudent but also necessary to get a firm grasp of the so-called "four families." The four children of Joe Sr. and Jean Biden—and their progeny—are shown below. The ENDNOTES section of this Report contains a comprehensive family diagram with full names, photos, birthdays, anniversaries, and other relevant biographical information and PII. *Marco Polo* included only those individuals with whom the four siblings have procreated in the diagram below:

It is not particularly helpful to think of the Biden political mafia as a spider web; you will get bogged down in the voluminous tentacles of the enterprise. Instead, consider the family as four packs of ravenous hyenas that, like the structure and makeup of a mafia, get larger as you move down the trunk of the family tree. Like any mafia—whether in construction, steel, or oil—the Bidens have had their fair share of arrests and brushes²⁷³ with the law. Even though the family's currency is different (instead of pizza parlors or painting services, the Bidens use "government relations" and "consulting"), what is being purchased is the same: power and influence. Below is a mere sampling of the always²⁷⁴ nepotistic, oftentimes corrupt, and sometimes illegal schemes orchestrated by Joe and his family:

- ▶ Beau Biden, Joe's son, gave a sweetheart deal to a member of the du Pont family (whose eponymous company has been connected²⁷⁵ to Joe for more than five decades) who had raped his own three-year-old daughter; the rapist received only probation and served no time in prison²⁷⁶
- Ron Olivere, Beau Biden's father-in-law, received an \$80,000+ annual contract for "event planning services" from the Beau Biden Foundation for the Protection of Children, even though Olivere was a longtime dry cleaner with zero discernible experience in event planning
- ▶ Joel Secundy, Beau Biden's brother-in-law, was a White House liaison at the Department of Commerce during Joe's vice-presidency²⁷⁷
- Ashley Biden, Joe's daughter, was arrested in Chicago in 2002 for obstructing a police officer (after Ashley's friend threw an object at the officer), but Ashley faced no consequences²⁷⁸
- ► Howard Krein, Joe's son-in-law, promoted his venture capital firm while on Air Force Two²⁷⁹
- ▶ Valerie Biden Owens, Joe's sister, and Valerie's daughter, Casey Owens, funneled over \$50,000 from Joe's campaign to their consulting business in a single Senate election cycle²⁸⁰

McCabe, who served as Biden's communications and projects director between 1987 and 1995 and as deputy administrator of the EPA at the end of the Clinton administration, led DuPont's defense of the toxic PFAS chemical PFOA. ... Asked about the EPA's highly favorable statements about PFOA in his December 2007 deposition, McCabe insisted that they were 'not a quid pro quo' for the DuPont's agreement to phase it out."

- ▶ Missy Owens, Joe's niece, secured a top job in the U.S. Department of Commerce when Joe was vice president and then became a six-figure lobbyist and representative for Coca Cola (and GM)²⁸²

- ▶ Jimmy Biden, Joe's younger brother, secured over half a million dollars in private mortgage loans for a vacation home in Florida from John Hynansky, 288 a donor to Joe, immediately following Hynansky's multimillion dollar loan from the U.S. government to sell luxury cars in the Ukraine²⁸⁹
- ► Frankie Biden, Joe's youngest brother, became a U.S. Capitol elevator operator during Joe's first year in the Senate²⁹⁰ and subsequently secured government loans for a Costa Rican solar farm²⁹¹

A reporter from Delaware, Sam Waltz, recorded the Bidens' political and business operation as it was described by Joe's own Senate staff: "Joe says that when someone helps his family, it's just like helping Joe." ²⁹⁴ Indeed, from vacation homes to shell corporations, anything even adjacently touching the Bidens was a family affair. Stunned with this behavior, Tony Bobulinski* quipped early on in their ill-fated ²⁹⁵ venture to another would-be Biden partner, James GILLIAR, about Jimmy's encroachment: "[W]hat is the deal w[ith] Jim Biden ... he wasn't [a] part of the discussion[,] but now seems [like] a focal point[?]" GILLIAR said that "[W]ith H[unter's] demons, [it] could be good to have [Jimmy as] a back up ... he strengthens our U[nique] S[elling] P[roposition] to [the] Chinese as it looks like a truly family business[.]" All that GILLIAR could muster up—in response to Tony's repeated questions—was that Jimmy was an unsolicited "consultant." On what matters did Jimmy consult for the team? When it came to detailed business strategies and operations, precisely nothing. Jimmy wanted to use Joe's relationships with foreign leaders and oligarchs—forged through Joe's public office—for the benefit of the Biden family via their One Belt One Road (OBOR) joint-venture with CEFC Energy, SinoHawk. What Bobulinski did not realize is that, in the Biden clan, the spoils would go to all. ²⁹⁶ As the Report will demonstrate, Jimmy's behavior was akin to a pack of hyenas after one of them had made a kill. ²⁹⁷

When the club defaulted, Joe Biden blamed the banks for exploiting his 23-year-old sibling and for pressing his office to get their money back. (They didn't.) Despite this, over the years, many Biden-related projects have proved irresistible to local, national, and lately, Chinese businesspeople."

²⁹⁶ Hunter, in an email to DONG Kevin on 08/02/2017, explained that a previous agreement that Hunter worked out with CEFC Energy Chairman, YE Jianming, was "so much more interesting to me and my family" because the Bidens "would also be partners inn [sic] the equity and profits of the J[oint] V[enture]'s investments."

Like any pack of hyenas, the Bidens had to deal with internal fighting. Shortly after Beau's death, Hunter and Beau's widow, Hallie Olivere Biden, began an affair, which Joe praised in March 2017: "We are all lucky that Hunter and Hallie²⁹⁸ found each other as they were putting their lives together again after such sadness. They have mine and Jill's full and complete support and we are happy for them."²⁹⁹ Hunter's then-wife, Kathleen, had kicked Hunter out of the family home on Loughboro Road in D.C. the previous summer. Based on screenshots of articles and Hallie's iMessages with Hunter's daughters, Hunter was aware of the press coverage and stress his adulterous relationship caused.

Needless to say, Hunter and Kathleen's divorce was not simple or pretty. One particularly ugly dispute featured Hunter's attorney, Sarah Mancinelli, drafting an incredible letter to Kathleen's attorney, Rebekah Sullivan, which denounced a supposed blackmail attempt by Kathleen and Hunter's classmate at Georgetown, Chris D'Amato, concerning Joe's financial prospects after leaving the vice presidency: "Hunter has learned that Kathleen intends, upon advice of Hunter's former close friend, and now a de factor [sic] advisor to Kathleen, Chris D'Amato, [the son of former three-term U.S. Senator from New York, Alfonse D'Amato], to release purportedly compromising photos of Hunter to the media. ... In addition to the continued threats to release photographs to the media, Hunter has learned that Kathleen's settlement posture is premised on her expectation that Hunter's father will backstop any financial arrangement eventually reached between the parties. Indeed, Kathleen's expectation has even been communicated to Hunter's father. ... Given that her support is forever tied to Hunter's ability to earn an income, Kathleen should be as committed to Hunter's success as he is."

Re: Biden Family Matter

Dear Rebekah:

Canon EOS 5D Mark III_20160516_150520.jpg

I have worked with Hunter to revise the Agreement to reflect those terms which remain agreeable to him. Enclosed is a copy of the revised Agreement -- signed by Hunter -- for

The events of the last several days require attention and discussion. Notwithstanding the parties' agreement to resolve this matter privately, Hunter has learned that Kathleen intends, upon advice of Hunter's former close friend, and now a de factor advisor to Kathleen, Chris D'Amato, to release purportedly compromising photos of Hunter to the media.

The rationale for that decision is unclear but the reasons that have been offered have included coercing Hunter to accept Kathleen's settlement proposal, and embarrassing and sullyin Hunter's business reputation. Regardless of the purported rationales, the threat to release compromising photos is entirely unacceptable, and likely actionable under the District of Columbia's blackmail statute. See D.C. Criminal Code 22-3251; 22-3252. We trust this conduct will immediately cease, and we seek your assurances that your client will refrain from

Kathleen's conduct is tantamount to bad faith negotiations and belies her stated desire to settle this matter in a private, dignified, and family-focused manner. Further, I can only assume that Kathleen understands and appreciates that the release of compromising photographs would be as economically harmful to her and girls as it would be to Hunter. Given that her support is forever tied to Hunter's ability to earn an income. Kathleen should be as committed to Hunter's success as he is.

In addition to the continued threats to release photographs to the media, Hunter has learned that Kathleen's settlement posture is premised on her expectation that Hunter's father will backstop any financial arrangement eventually reached between the parties. Indeed, Kathleen's expectation has even been communicated to Hunter's father.

Kathleen's misplaced expectations have seemingly clouded her ability to recognize the reality of the couple's tenuous financial position, and Hunter's actual financial abilities. Again, we view this as contrary to good faith bargaining. It puts Hunter in an untenable position, both with respect to his ability to negotiate an arms-length agreement, and the expectations that are placed on him to achieve a settlement. Simply put, there is no "blank-check." Any settlement must be economically feasible.

Hunter has no obligation to, and no intention of, relying on anyone except himself to implement a settlement decree. While there is no doubt he will have to borrow money to meet the immediate debt service he is required to undertake per the terms of the attached Agreement, that money will have to be repaid. If Kathleen is assuming that Hunter's father will perform Hunter's obligations, she is woefully misinformed and that mindset will hamper our ability to bring this case to closure.

Finally, as you are aware, Roxanne Roberts is writing a feature story in the Washington Post about Hunter and Kathleen. Hunter has not spoken to Roxanne and has no intention to. We assume Kathleen will likewise not participate in the story. Renewed press attention is only going to further alienate the parties and create an impediment to settlement. Please confirm by Noon today that Kathleen will not speak to Roxanne, or any other press outlet about this matter, unless such communication is a joint-written statement agreed to by the parties.

We trust the enclosed Agreement will bring matters to a close. I look forward to receiving those copies signed by Kathleen by the close of business on

Sincerely,

Sarah F Mancinelli

leaving the family with no funds to pay legitimate bills.

One year after kicking Hunter out of the house, Kathleen sent him the following email: "Not only did you cheat on me, Viagra[,] and Cialis, [but] you actually bought her [Hallie] expensive gifts." Kathleen also (understandably) mourned the fact that she had "lost the family that I thought was mine."

Over three years later, Kathleen's relationship with Hunter was still rocky, as she badgered him about expenses for the girls—and her monthly payment—that he was legally required to pay. Even though they continued to come together for birthdays, their relationship had completely deteriorated due to Hunter's spending and addictions.³⁰⁰ In an iMessage to Joe on 02/06/2019, Hunter complained about Kathleen's insistence³⁰¹ that he follow the terms of their divorce settlement: "I cashed Maisy's college fund to which she said 'I don't care where you get the money[—]tuitions are your responsibility[,] too."

³⁰⁰ "Biden had his first glass of champagne when he was 8. In his 20s, he started drinking heavily after work ('I could always drink five times more than anyone else'). He went to rehab and relapsed after seven years — not long after his father joined the Obama ticket, effectively ending his son's lucrative lobbying career. Biden went back to rehab again, then relapsed in 2016 after Beau died."

After the *New York Post* broke the news about their (truly family) affair, Hunter and Hallie moved in together and rented a waterfront home³⁰² in Annapolis, Maryland, in August 2017. Along with the posh rental home, the expected cash windfall from Beau's life insurance payout (MetLife, Account Number: **4064974559**) of \$2,045,558.17 definitely afforded Hallie and the family other amenities, including a new BMW X5 SUV. While she lived in Annapolis, Hallie sent her two children (Natalie and Hunter Biden II) to the upscale Key School. Even though there was documented evidence of liquid assets and hundreds of thousands of dollars for fur coat shopping sprees and drugs, Hallie did not pay tuition for her children at the posh day school. Hallie was subsequently sued³⁰³ and, after several months, quietly settled the case. Only one media outlet in the nation, the *Capital Gazette*, covered the debacle, which was resolved just three months after Joe announced his candidacy for pResident.³⁰⁴

Even in the midst of hideous family controversies, Hunter still treasured his clan. Two days after Joe received³⁰⁵ the Presidential Medal of Freedom from Obama, Hunter defended his aunt Valerie³⁰⁶ and uncle Jimmy from what he thought was Joe's unfair characterization of them in his acceptance speech. Hunter's note to Joe—which he saved in his laptop notes—accused him of "finally cross[ing] the line" and that he and Joe's younger siblings wouldn't "be publicly and privately humiliated while those that publicly and privately humiliate us our [sic] held to the world as the loves of your life[.]"

Despite the divisions within what has been dubbed the #JerrySpringerFirstFamily, Hunter summed up the Bidens' *modus operandi* quite well: "I don't belong to an administration—I belong to a family." ³⁰⁷

II. BUSINESS-RELATED CRIMES

The following three sections of this Report are in order of their relative importance to the American citizenry. Naturally, the Biden family's business crimes came first, as what the family sold—influence over the direction of public policy and access to the people who directed it (whether overtly or, as in many cases, covertly)—affects every American citizen, regardless of how he or she feels about, say, marijuana laws or judicial philosophy. Said differently, the family's numerous sex and drug-related crimes are critical to understanding them, particularly their egregious hypocrisy and double standards; however, an impartial view of the situation clearly showed how their entanglements in international business and politics were the paramount national security threat on the laptop. In fact, the Bidens' dealings changed the course of history, particularly America's relationship with its most formidable opponent: the Chinese Communist Party (CCP). Do not take *Marco Polo*'s word for it; in this section, the exhibits themselves—many taken directly from the Biden Laptop—will confirm our statement.

Joe's longtime confidant and "wise man" who replaced him in the Senate when he became vice president, Ted Kaufman, described the environment which produced these business crimes (both large and small) as the "Delaware Way." In fact, Kaufman credited Joe as "kind of the person who helped create the Delaware Way." 308 And while many commentators 309 posit that Beau was the spitting image of his father, Hunter edged out Beau at Joe's corruption tango. Indeed, Hunter's entire life, not just his professional career, was a kaleidoscope 310 of shell companies, large round-dollar wire transfers, and corrupt foreign (and domestic) oligarchs. 311 American history is replete with white and blue collar crime families, and the Bidens are a unique mix of both. The family was involved in both petty and elaborate 312 financial corruption schemes, eastern European energy companies, and multimillion dollar "consulting" contracts with firms run by CCP-linked operatives. Said differently, shell companies are as common with the Bidens as shellfish off the coast of Nantucket, where the Bidens spend every Thanksgiving. 313 This section was written with the goal of cracking open these numerous shells. The media—and the U.S. Congress—bathe in Bucket #1 below. Many so-called conservative writers typically reveal findings from Bucket #2, but *Marco Polo* strove to write a comprehensive Report about Bucket #3—the bucket that really matters to the American people and their future.

What did Bucket #3 contain after a comprehensive review of the Biden Laptop? Only a table with four columns adequately conveyed the contents. The business crimes³¹⁴ listed below are in the order in which they appear in the Report. Unless stated otherwise, Hunter was involved in the criminal act and those listed in the third column are his accomplices (or, in some cases, Hunter's co-conspirator(s)).

The business model for Hunter and Joe's siblings was simple but required walking a high and delicate tightrope: sell Joe's influence over the American government as its pResident (and previously as its vice president and the senior Senator from Delaware) and execute the "Delaware Way" while attracting as little law enforcement attention as possible. This tightrope required scant knowledge in the nitty-gritty of business operations; after meticulously reviewing 128,000+ emails on the Biden Laptop, *Marco Polo* is confident in confirming that Hunter did almost nothing in the way of day-to-day business management. Instead, he served in puff positions³¹⁷ as a figurehead for an array of vanilla organizations—such as the Center for National Policy—all the way down to the gutter of American politics: lobbying on behalf of online gambling companies.³¹⁸ One of Hunter's few public speaking engagements was on 11/04/2015—he accepted an award on behalf of his deceased brother, Beau.³¹⁹

FIXERS

So, who actually made all of this work? An operation of this size cannot be managed by one family alone. The Bidens' band of loyal fixers is extremely large. We explored the key ones:

KEVIN MORRIS

The husband of "one of the most powerful women in the entertainment industry"³²⁰ paid off a nearly \$3M bill for back taxes that Hunter owed to the IRS. Kevin Morris—the husband of Gaby Morgerman, an agent for Miley Cyrus and other former A-list celebrities—has been a legal fixer for the upper brass in Hollywood for decades. When not gallivanting around the globe with his client, Matthew McConaughey, Morris negotiates³²¹ on behalf of *Southpark*'s creators, whose show has made the Pennsylvania native wealthy. On the side of those moneymaking endeavors, Morris threatens³²² those who he sees as Hunter's opponents³²³ and cooks up ridiculous PR and media strategies for his defense.³²⁴

321 "Kevin Morris had just negotiated a landmark deal that set Hollywood buzzing, giving the creators of 'South Park,' Matt Stone and Trey Parker, a precedent-setting 50 percent stake in the cartoon's success on the Web and other emerging media. For Morris, an attorney and entertainment agent, this might have been the coup of a career. But he is already onto his next project: trying to build bridges between Hollywood and Silicon Valley. ... Though Morris's clients include the likes of Mike Judge, Minnie Driver, Mike Newell and Matthew McConaughey, it is hard to imagine that there would have been much interest in his conference had he not just cut the 'South Park' deal soon after his firm helped set up FunnyorDie.com, an attention-getting comedy site created by Will Ferrell and Adam McKay." One of the strategies that Morris employed—with the help of filmmakers, Jason Kohn and Robb Bindler—involved infiltrating the set of the aforementioned biopic, *My Son Hunter*. Morris took advantage of the kind but gullible producer of the biopic, an immigrant named Phelim McALEER.³²⁵

A Beautiful Mind-inspired schematic by Morris

³²⁵ "Morris ... flew on his private jet in November to Serbia, where the Hunter Biden biopic was being filmed, and pretended he was an independent documentary filmmaker[.]" See Miranda DEVINE, "Hunter Biden's 'sugar brother' lawyer allegedly spied on 'My Son Hunter' set: complaint," *New*

BUSINESS-RELATED CRIMES

York Post, September 2022, archive.ph/t41Qd

Based on the obviously deceptive tactics that Morris and his co-schemers³²⁶ perpetrated, McALEER filed a complaint with the State Bar of California—Morris broke three codified rules, at the very least.

Statement of Complaint

My wife, Ann McElhinney, and I are journalists, writers and film producers. We have worked for numerous major newspapers and television stations covering wars, crime and conducting in-depth investigative journalism projects. I have worked for the Irish News and the UK Sunday Times during the Troubles in Belfast, I was a foreign correspondent for the Financial Times in Romania, Moldova and Bulgaria. I also covered Eastern Europe for The Economist. Afterwards, my wife and I have worked both internationally and in the United States on a range of projects. Our investigative journalism has resulted in real world results, including two people serving lengthy jail sentences for operating a "Baby Selling Ring" in Indonesia.

We also write and produce books, plays and movies about matters of politics and public interest.

One of our current projects concerns a movie - a biopic - about Hunter Biden and his past - which has been the topic of widespread public interest and extensive media coverage. The movie is called My Son Hunter. I am the producer of the movie. It has been reported widely that Mr Biden is facing several criminal investigations, including tax evasion, corruption, failing to register as a foreign agent and lying in a firearm application. This complaint concerns Kevin Morris' misconduct in relation to our creation of this biopic. At the time the events described below occurred, I was unaware that Mr. Morris was serving as Hunter Biden's attorney. Further, I was not represented by counsel during the events discussed below.

That same day, I called the phone number on the business card and spoke with Mr. S.R. Bindler. Mr. Bindler repeated to me the representations that were made to Mr. James – i.e., that he was part of a documentary film crew connected with the creators of South Park and were making a documentary about Hunter Biden.

subsequently met with Kevin Morris, S.R. Bindler and Jason Kohn. We had a one hour conversation in a nearby Belgrade cafe. I decided to record part of it for my own protection. Collectively, they reiterated that they were an independent documentary film crew connected with the creators of South Park and were making a documentary about Hunter Biden. They said they had just flown in on a private jet. During the conversation, Mr. Morris detailed his past work serving as the lawyer for the creators of South Park. He said thetis and other deals had made him financially comfortable and able to afford luxuries such as the jet. He claimed this level of success meant he had stepped back from being an active lawyer to pursue his first passion for making documentaries which would also help fill South Park's need for content under their new massive and lucrative streaming deal. Mr. Morris and his team wanted access to the film, the set, the production, the producers and the actors. I asked Mr. Morris if his documentary was being produced under the "Trey Parker and Matt Stone South Park documentary banner". Mr. Morris responded "I'm their lawyer. For 25 years. They're good guys." Mr Morris further added that he was "confident" the cumentary would be part of a future "South Park streaming". Mr. Bindler further represented that the documentary crew was making a "straight up documentary" and that its theme would be "corruption is corruption" - to which Mr Morris agreed. Mr Morris also said they were hoping to interview Hunter Biden for the documentary but had not spoken to him as yet.

After this meeting, I received additional email correspondence from Messrs. Bindler and Kohn regarding their purported documentary that reiterated their request for access to our film set. A film set is a very controlled

In short, Kevin Morris was Hunter Biden's lawyer who used deception and misrepresentation to spy on a movie project about his client to gather information to help his client. He used deceit to secure such access by not disclosing he was Mr Bidens lawyer. Mr. Morris used his cover as a documentary filmmaker to conceal this true purpose: performing legal investigative work on behalf of his client, Mr. Hunter Biden.

. It is my understanding that Mr. Morris' conduct potentially constitutes a violation of the Rules of the State Bar of California Rule $\underline{4.1(a)}, \underline{4.3(a)}$ and $\underline{8.4(c)}$.

Rule 8.4(c) of the Rules of the State Bar of California ("RSBC") prohibits lawyers from engaging in "conduct involving dishonesty, fraud, deceit, or reckless or intentional misrepresentation." There is an exception for "lawful covert activity" when investigating "violations of civil or criminal law or constitutional rights." However, the lawyer's conduct during such covert activity must be "in compliance with these rules and the State Bar Act." In other words, lawful covert activities must comply with the other rules of the RSBC. This clause "does not apply where a lawyer advises clients or theirs about, or supervises, lawful covert activity in the investigation of violations of civil or criminal law or constitutional rights, provided the lawyer's conduct is otherwise in compliance with these rules and the State Bar Act." Id.,

Here, Mr. Morris violated RSBC Rule 8.4(c) by using deceit and dishonesty to infiltrate and gather information on the production of My Son Hunter, along with the sources I used for the film. Further, as illustrated below, Mr. Morris' activities were not "lawful covert activity" – because his conduct violates RSBC Rules 4.1(a) and 4.3(a) – as discussed below.

behalf." Id., comm. 1. The "nondisclosure" of a material fact is "the equivalent of a false statement of material fact" where a lawyer "makes a partially true but misleading material statement or material omission." Id.

Here, Mr. Morris violated RSBC Rule 4.1(a) by knowingly: (1) misrepresenting to me that he had no connection to Mr. Hunter Biden as part of Mr. Morris' scheme to infiltrate the production of My Son Hunter and obtain information on the sources I used for the film; and (2) making partial representations to me that implied he was making a independent documentary associated with Trey Parker and Matt Stone and not there because he represented Mr. Hunter Biden.

RSBC Rule 4.3(a) states that, when a lawyer communicates "on behalf of a client with a person who is not represented by counsel, a lawyer shall not state or imply that the lawyer is disinterested. When the lawyer knows or reasonably should know that the unrepresented person incorrectly believes the lawyer is disinterested in the matter, the lawyer shall make reasonable efforts to correct the misunderstanding." "The rule is intended to protect unrepresented persons, whatever their interests, from being misled when communicating with a lawyer who is acting for a client." Id., comm. 1. In other words, attorneys speaking to unrepresented persons on behalf of a client cannot give the appearance they are disinterested.

Here, despite representing Mr. Hunter Biden, Mr. Morris portrayed himself to me as a neutral (and even supportive) third-party. I was not represented by counsel at that time. Mr. Morris knew I incorrectly viewed him as a neutral third-party when I asked him if he was working on behalf of Trey Parker and Matt Stone, and he said that he was their lawyer for 25 years. Mr. Morris further reinforced my misunderstanding by claiming he never met Mr. Hunter Biden — despite being his attorney at the time.

In my 30 years as a journalist I have never encountered a lawyer who behaved in such an unethical manner. This was not a spur of the moment fraud. It was a planned deception and carried out over several days. It was

ARCHERS: DEVON AND KRISTA

A convicted felon who was sentenced³²⁷ to a year in federal prison, Devon Archer has been by Hunter's side for decades, as they overlapped at Yale in the late 1990s. A former Abercrombie & Fitch model from Long Island, Archer was described by Hunter as his "best friend in business." Archer was the vice chairman of finance for John Kerry's failed 2004 presidential campaign, where he teamed up with his college pal Chris Heinz, Kerry's stepson. Hunter and Archer traversed the globe together with Secret Service protection and secured state-backed financing from communist and post-Soviet regimes. No business risk was off the table for

the two, which eventually scared away Heinz (and others). In fact, Archer even used his son's grade school assignment³²⁸ as a pretext to meet with Joe at the White House.³²⁹ In Hunter's mind, Devon was a part of the family: "That[']s the way Bidens are different and you are a Biden. The e-mail is also the first documented meeting to date, within the White House itself, between Joe Biden and the Burisma Boys, Hunter and Devon. ... The most egregious example is perhaps Adam Entous, a reporter with the *New Yorker* ... In a September 23, 2020 tweet, no longer available, Entous insisted [that the] meeting between [Joe] and Devon and Luke Archer was for a school art project. From the looks of it, they supplied him with a brief video that advanced their narrative. Entous, of course, mindlessly amplified it. With this newfound evidence of Hunter's presence for what he published was an 'art project' discussion, maybe Entous can admit he was manipulated by the Bidens into covering for them."

ERIC SCHWERIN

Hunter also met Democrat political and business operative, Eric Schwerin, in the late 1990s when they were both at the Commerce Department, where Hunter was the "Executive Director of E-Commerce Policy Coordination" (even though he had zero experience in e-commerce). The partnership they forged in government bled into the so-called "private sector," although their work after their stint in the executive branch was almost completely untethered to free markets. Functionally, Eric was a well-paid babysitter for Hunter: he maintained and curated guest lists for White House functions, shared a joint bank account with Joe and paid his bills, and negotiated the settlement and alimony agreement with Hunter's first wife, Kathleen. Schwerin was deeply embedded in Hunter's personal life and the Biden political machinery for nearly twenty years,

even sitting next to Joe in public at campaign events.³³² For his handler services, Schwerin was rewarded with a patronage gig: membership on the Commission for the Preservation of America's Heritage Abroad.³³³ However, by January 2019, Hunter was threatening Schwerin (and their aide Joan Mayer) with a lawsuit and nondisclosure agreement if Schwerin touched "one dime" of their Q4 Distribution from Eudora Global, LLC lest Schwerin lose his stake in their broker-dealer firm, RSPI.³³⁴

Hunter,

We just got a check for \$21,590 from Eudora which represents our Q4 Distribution from them.

In addition, you owe some money to RSA for expenses - mostly our quarterly insurance payment. That totals \$1,563.55.

After deducting that amount, I will transfer the remainder of your 75%, which would be \$14,628.95 to Owasco, LLC. This is all based on the understanding that you still intend to transfer your share of the broker-dealer to me in exchange for my share of BHR. If that is not the case, there is a capital contribution due to RSPI of approximately \$15,000 and an additional share of your Eudora distribution (approximately \$11,250) would have to go to that.

If I don't hear from you (or George or Katie on your behalf) by Monday Joan will deposit the Eudora check, take out your share of RSA expenses and transfer the remaining \$14,628.95 to Owasco, LLC.

JEFF COOPER

A two-time³³⁵ failed congressional candidate from Illinois, Jeff Cooper made a small fortune from the asbestos litigation gravy train with his old law firm, SimmonsCooper. He finagled his way into the inner Biden orbit by sending legal work to Beau Biden in the aughts; at that time, Joe was—conveniently, for Cooper and his partners—blocking asbestos litigation reform in the Senate.³³⁶ Joe made sure to pay back Beau's benefactor in more ways than one by hosting Cooper and his soon-to-be³³⁷ ex-wife for a state dinner at the White House with the South Korean president.³³⁸ Cooper was instrumental to Hunter's businesses and appeared to provide the acumen required to manage them.³³⁹

Along with frequently sending wire transfers to Hunter, Cooper rode on Air Force Two when the pair tried to broker a deal with Carlos SLIM, the world's then-richest man.³⁴⁰

Hunter used Rob for facilitating payments, including and especially illegal ones, that Hunter did not want to be tied to directly. Rob's shell company received³⁴⁴ \$6 million from a CCP-linked firm, State Energy HK Limited, one month after Joe left the vice presidency. A U.S. Senate report described it as such: "[O]n February 23, 2017, and March 1, 2017, a Shanghai-based company called State Energy HK Limited³⁴⁵ sent two wires, each in the amount of \$3,000,000, to a bank account for Robinson Walker LLC."³⁴⁶ A Suspicious Activity Report (SAR)³⁴⁷ noted that it "[wa]s unclear what the true purpose is behind these transactions and who the ultimate beneficiary is."³⁴⁸ In short, Hunter laundered money through Walker's bank account and emailed Walker days before a \$3 million wire from YE's company hit Walker's account: "Can you do another [\$]20[k] to my account pl[ea]s[e]]?"

MEL MONZACK

For over five decades, Mel Monzack has been behind the scenes of the Biden political operation.³⁴⁹ Based on the contents of the Biden Laptop, Mel was the most discreet mover and shaker, with a digital trail that Hunter should have envied. Monzack and Joe co-founded a law firm³⁵⁰ in Wilmington in the early 1970s and he has been, since 1987, Joe's power of attorney.³⁵¹ He also served as the treasurer for Joe's failed 2008 presidential campaign, which ended with multiple guilty pleas, hefty fines, and Monzack's admission of fraud to the Federal Election Commission.³⁵²³⁵³ Monzack also served as treasurer for Beau Biden's Attorney General campaign, along with other campaign slush funds.³⁵⁴

Melvyn Irwin Monzack DOB: 11/26/1940 SSN: 8297 Ridings Way Chadds Ford, PA

The back scratching has gone both ways: Monzack received a shoutout during Joe's Presidential Medal of Freedom ceremony.³⁵⁵ He—along with his wife, Ann, who is a fundraiser³⁵⁶ for Jewish groups—also attended a state dinner at the White House in 2011 for the General Secretary of the Chinese Communist Party.³⁵⁷ Monzack's daughter, Nina,³⁵⁸ worked at the Delaware Department of Justice when Beau Biden was the Attorney General of Delaware.³⁵⁹ His son, Juddson, is an overt supporter³⁶⁰ of a Marxist³⁶¹ organization called Black Lives Matter. Mel's niece, Elyssa Monzack, happens to be the current chief of staff in a division at the National Institutes of Health (NIH).³⁶²

Monzack's law firm was the registered agent for both Joe and Jill's S-corps³⁶³³⁶⁴ and Ashley Biden's sweatshirt grift, "Livelihood."³⁶⁵³⁶⁶ The Bidens' S-corps, which Monzack organized, shielded³⁶⁷ them from hundreds of thousands of dollars in income taxes.³⁶⁸ Monzack's firm is also the registered agent for the Robinson Walker LLC³⁶⁹ which, as previously noted, received \$6M from a CCP-linked entity less than one month after Joe ended his term as vice president. The point is this: From the most sensitive and important matters (power of attorney and campaign treasurer) for the Bidens to the mundane (insurance bookkeeper), Monzack was always there. Mel was hardly mentioned—until now.

The laptop confirmed the close relationship that Monzack shared with the entire clan, from wiring money to Hunter on Joe's behalf (Hunter responded, "Thx love you") to legal issues with the family's so-called charity, the Beau Biden Foundation for the Protection of Children.³⁷⁰ Monzack also managed trusts³⁷¹ based in the Cook Islands with David Walsh I, another former Biden law partner.³⁷²

GEORGE MESIRES

The Biden brothers and George Mesires³⁷³ go back decades, as Mesires attended the Syracuse University College of Law in the early 1990s at the same time as Beau. A graduate of the tony Deerfield Academy prep school in Massachusetts, George is also a former assistant attorney general of New York.³⁷⁴ Mesires is from a family of lawyers whose love, according to George himself in an iMessage to Hunter, "was conditioned." George's sister, Christina Mesires Fournaris, is a highfalutin lawyer in Philadelphia at Morgan Lewis.³⁷⁵

George Robert Mesires DOB: 01/29/1969 SSN: -0058 NY Bar #: 2693281

North Sheridan Road Chicago, IL

Mesires was often deputized to publicly and privately lie³⁷⁶ on Hunter's behalf on a wide range of issues—from Ukrainian oligarchs and Chinese private equity fund remunerations to Archer's shell corporations and excuses to Kathleen for

why Hunter's alimony payments to her were repeatedly late. Hunter and Mesires³⁷⁷ had an extremely unconventional relationship and often talked about the latest rap songs and Hunter's many operating agreement disputes with Schwerin during the same conversation. For example, on 01/02/2019, Hunter told Mesires, his \$845/hour lawyer (and surfing³⁷⁸ partner), that a song entitled, "break da law,"³⁷⁹ was in an album that described Hunter's "life without exaggeration for the past 3 years[.]"

President Kwasniewski, familiar with Hunter's work on behalf of Burisma, recommended that Hunter join the board." In reality, Hunter joined Burisma's board due to the Kremlin-tied Alex KOTLARSKY. In fact, for the first 10 months of his board membership, Hunter paid KOTLARSKY one-third of his board payments as a "Finders Fee."

To demonstrate just how unconventional this particular lawyer-client relationship was between the two men, consider that Hunter took after his father³⁸⁰ by using an extremely pejorative term for Blacks four different times on two separate occasions.³⁸¹ In the morning on 12/13/2018, Hunter complained to George about his fees: "Becaause [*sic*] nigga you better not be charging me Hennessy rates[,]" to which Mesires jovially shot back: "That made me snarf my coffee." This sordid exchange between the pResident's son and his attorney already has an entry on the tongue-in-cheek site, *Urban Dictionary*.

A few weeks later, on 01/01/2019, Hunter used the term in a statement describing his atheism: "nigga did you just [use] a fictional character [God] from the imagination of the collective frightened and my dead brother[']'s unconditional love is what I should rely on and my kids aren't children[,] George[.]"382

JIMMY BULGER

In the preceding section, we compared the Biden political syndicate to a mafia—that comparison was certainly not hyperbole. From the legendary white-collar crime boss John Galanis to Boston's Winter Hill Gang, Hunter's direct³⁸³ and indirect³⁸⁴ connections with mobsters runs the gamut. In fact, the nephew of the infamous leader of the Winter Hill Gang, "Whitey" Bulger, was one of Hunter's key business partners. James Bulger, known as "Jimmy," was actually named after his serial killer uncle, who was convicted³⁸⁵ of murdering at least eleven people. Jimmy Bulger sat on the board of BHR with Hunter.³⁸⁶ BHR

was the state-backed Chinese investment fund that was registered just twelve days after Hunter joined his father on Air Force Two for a visit to China in December 2013. Jimmy's firm, Thornton Group LLC, is deeply embedded with CCP cells in the United States and abroad.³⁸⁷³⁸⁸ Bulger and Hunter can be seen below relaxing with XIE Guoliang, who called Hunter a "close friend."

Incredibly, in spite of the serial killing, Jimmy declared that Whitey was "not the monster they made him out to be." One writer did not mince words about Jimmy's father, the longtime Democrat leader of the Massachusetts Senate who refused to cooperate with federal authorities: "The [Ted] Kaczynski brother decided it was more important that his brother be captured and not kill any more than to stay loyal to him... Bill Bulger [Whitey's brother], in the face of a God-awful amount of horror, has made a different choice." 390

KEY CONFIDANTES

The preeminent foot soldiers of the Biden political syndicate—those who have served on the inside of government—have a combined 130 years of service to Joe. The day-to-day operations of the American executive branch are being handled by these extremely guarded operators, all of whom have stuck with Joe through his multiple plagiarism scandals in the 80s, campaign finance violations in the aughts, and his (basement) campaign in 2020. The chairman of that campaign was Steve Ricchetti, a fixture in influential circles on the left since the early days of the Clinton White House, where he was hip-to-hip with John Podesta.³⁹¹ Ricchetti has relished his new position in the Biden administration, where he has secured employment for three³⁹² of his children under the watchful eve³⁹³ of Ron Klain, the chief of staff at the White House, The "chief strategist" for the aforementioned campaign was Mike Donilon, who has been described as Joe's "conscience." 394 Mike's brother, Tom Donilon, was Obama's national security advisor. 395 Tom's wife, Catherine Russell, was the longtime chief of staff to Jill and was Joe's director of the White House personnel office for the first year of his pResidency; Russell became the executive director of UNICEF in February 2022.396 However, Ted Kaufman is in a league of his own, having served on Joe's first Senate campaign in the 70s397 and was both his successor in the U.S. Senate and chairman of the Biden Foundation. 398

CORE OF THE CRIMES

Several small volumes³⁹⁹ have been written about the Biden Laptop and the scandals therein, and rightfully so. However, most of those volumes have been primarily dedicated to the aforementioned Buckets #1 & #2, along with the family's moral depravity, while paying special attention to Hunter and Hallie. What these exposés omitted were the hundreds of documented crimes (both felonies and misdemeanors) and the necessary information to thoroughly expose and prosecute them. The Bidens' nepotism, although egregious, was not easily actionable under U.S. law. These omissions have served as a classic limited hangout for the family, who benefitted from the milquetoast research put forward by most of the press. Nearly everyone who has written about these matters has buried the lede by missing—like ships passing in the dead of night—a statute that was written with Hunter and his ilk in mind: the Foreign Agents Registration Act (FARA).⁴⁰⁰ The FARA requires those acting as an agent for a "foreign principal" to register with the DOJ. FARA does not prevent any otherwise legal relationship or transaction between the parties; it merely requires the agent to register and declare for which foreign principal he is acting as an agent. Because the bar to comply with the FARA is so low, the penalties for violating the statute are relatively steep, including fines and up to five years in prison.

Hunter and his business partners flagrantly violated this law for nearly a decade. Do not take *Marco Polo*'s word for it; the exhibits in this section will clearly illustrate the aforementioned "5 Ws." Even with the FARA's low bar of mere disclosure, the DOJ OIG in the Obama-Biden regime released a report⁴⁰¹ detailing how the DOJ lacked "a comprehensive FARA enforcement strategy."⁴⁰² The OIG explicitly stated that many FBI agents do not even understand the law and are frustrated with the lack of guidance and overall communication between the FBI and the National Security Division in the DOJ. Nevertheless, this lack of "a comprehensive FARA enforcement strategy" did not stop the DOJ from using this exact law to prosecute Paul Manafort.⁴⁰³ In a sickeningly ironic twist, Joe's feds⁴⁰⁴ used the FARA to "investigate" Rudy Giuliani's quest to expose the Bidens' crimes in the Ukraine.⁴⁰⁵

Although repeatedly misattributed⁴⁰⁶ to Saul Alinsky, Joe's *apparatchiks* in the FBI were actually following Hunter's *modus operandi* taken⁴⁰⁷ from Joseph GOEBBELS: accuse others of what you are, in fact, guilty⁴⁰⁸ of doing or covering up.⁴⁰⁹ The Bidens have blamed their laptop debacle on the Russians, Giuliani, and other actors supposedly working at the behest of foreign principals, for which they have no evidence.⁴¹⁰ At the very same time, the Biden clan and their partners⁴¹¹ were actually unregistered agents for a plethora of foreign principals.⁴¹² The irony was not lost on Schwerin after he read an article⁴¹³ about Obama's chief of staff: "I wonder why we stress about this [FARA] so much."

Was reading an article saying how Daley was never a "registered" lobbyist although he directed SBC and JP Morgan's lobbying efforts. Also, the article noted that he was registered as Foreign Lobbyist under FARA at one point (in 1979 when he was at Mayer Brown). Again, you are different at this point and time, but sometimes I wonder why we stress about this so much.

SUBPOENA—MAY 2019

The Bidens and those in their orbit had good reasons to worry—more than a million of them, in fact, as their financial statements and wire transfers revealed. During the course of writing this Report, a whistleblower—after realizing a purposeful delay from the DOJ was afoot—approached *Marco Polo* with a copy of a grand jury subpoena⁴¹⁴ (an "external referral" in financial compliance industry parlance) issued by the aforementioned U.S. Attorney for the District of Delaware, David Weiss. The whistleblower was a party to the subpoena, dated 05/15/2019, which sought Hunter and his partners' financial transactions and other business records. The cover letter to the subpoena—which was signed by Assistant U.S. Attorney (AUSA) Jamie McCall—bore the name of Lesley Wolf, who, because of her husband's employment⁴¹⁵ at Penn, should have recused herself per **28 CFR § 45.2**.⁴¹⁶

Wolf⁴¹⁷ issued the wide-ranging subpoena in case **19-3-LFWS-V-32**, seeking records from Joe's son and brother, Jimmy. Fifteen companies, mostly shells used for money laundering, were included on the document. Predictably, most of the companies listed below will be on exhibits in this Report. The order demanded all transfers emanating to and from Account **#453365557784** at the Bank of China⁴¹⁸ (**BKCHCNBJ**), presumably alluding to Foreign Bank Account Registration violations (**31 USC § 5314**) that Hunter and his partners committed. In fact, the DOJ used this exact statute to indict Paul Manafort two years earlier: "United States citizens who have authority over certain foreign bank accounts -- whether or not the accounts are set up in the names of nominees who act for their principals -- have reporting obligations to the United States." If the respondent from JP Morgan Chase had questions about the subpoena, they were to contact IRS Special Agent Joe Ziegler. Democrat.

With this subpoena, we have definitive proof of a miscarriage of justice—because *Marco Polo* possessed a copy of the Biden Laptop, we can be certain that the bank, when it responded to the subpoena, would have produced evidence of multiple felonies. Regardless of whether it was Barr or Weiss who made the call to blatantly slow-walk the investigation, someone must be held accountable.

either the originator, sending, instructing, or ultimate beneficiary bank account. This would include the complete international wire transfer trail from end to end (originator to beneficiary, and any sending, correspondent, intermediary, receiving, and/or instructing bank in-between).

NOTE: Provide <u>electronic copies</u> of the requested documents if that is more convenient.

Contact IRS Special Agent <u>Joseph Ziegler</u> at (216) 407-9614, if you have any questions about the exact scope of documents required by the subpoena. In lieu of personal appearance, prior to the date of the grand jury session records may be emailed to <u>lesley.wolf@usdoj.gov</u> and stefania.roca@usdoj.gov, or mailed to <u>Lesley F. The lack of accountability can be explained, in part, by the makeup and presumed biases of the law enforcement investigative team and their associates. For example, Ziegler's partner is connected—at least socially—with Joe's Monkeypox spokesman, Demetre Daskalakis, likely from Demetre's stint at the CDC in Atlanta, where Ziegler and his partner are based.⁴²² The wife⁴²³ of Jamie McCall is also an ardent supporter of the Marxist-inspired Black Lives Matter riots, which Joe heavily promoted in 2020.

SUSPICIOUS ACTIVITY REPORTS

Marco Polo was also provided two SARs which had been submitted to the U.S. Department of Treasury as a supplement to JP Morgan Chase's response to the aforementioned subpoena. The SARs revealed the international business networks and human trafficking rings that Hunter and his associates facilitated and patronized. More detail will be provided later in the Report, particularly in the SEX-RELATED CRIMES section, but, in the interest of complete transparency, the SARs are pasted below as-is. Footnotes and highlights were added for reference and clarification purposes:

The SAR is being filed to report wire activity involving parties linked to a Politically Exposed Person⁴³⁰ ("PEP") with negative media for possible political corruption; as well as, alleged business conflicts involving related companies and individuals.

After receipt of an external referral,⁴³¹ JPMC conducted a review of focal subjects ROBERT, DEVON, ERIC, OWASCO, ROSEMONT SENECA ADVISORS, ROSEMONT SENECA BOHAI LLC, and BOHAI HARVEST. No counterparties will be listed as subjects in the filing because the transaction activity for the counterparties is expected activity, with the exception of THORSDALE, who was listed as a subject in a prior SAR with DEVON.

⁴³¹ A grand jury subpoena, known in financial compliance industry parlance as an "external referral," prompted JP Morgan Chase to submit the SARs to the U.S. Department of Treasury.

Internal records revealed ROBERT is a former JPMC customer. Research revealed he is an American lawyer and PEP, as he is the second son of former U.S. Vice President Joe Biden. Negative media was found on Robert for alleged business conflicts. For example, ROBERT worked for a U.S.-based company which received monthly transfers exceeding \$166,000 per month from BURISMA (a natural gas company in the Ukrainian oil and gas market) while the vice president was leading the U.S. policy with the Ukrainian government. (ijr.com/biden-questioned-after-forcing-out-ukrainian-official-investigating-his-son).⁴³²

Internal records revealed DEVON is a former JPMC and JPS Customer. Research revealed Devon is Robert's business associate and has been convicted of conspiracy and securities fraud. According to the SDNY press release, Devon and two other defendants were convicted of orchestrating a scheme to defraud investors and a Native American tribal entity of tens of millions of dollars. However, in 2018 a federal judge overturned the conviction. (justice.gov/usao-sdny/pr/three-convicted-manhattan-federal-court-fraudulent-issuance-and-sale-more-60-million;⁴³³ reuters.com/article/us-usa-crime-tribalbonds/judge-overturns-montana-mans-conviction-in-tribal-bond-scheme-idUSKCN1NK341)⁴³⁴

Third party web presence revealed OWASCO⁴³⁵ is a law firm associated with ROBERT. However, very little information could be found on the law firm.

ROBERT, along with DEVON and ERIC, founded several companies using the name Rosemont Seneca. ROSEMONT SENECA ADVISORS and ROSEMONT SENECA BOHAI LLC appear to be related companies in the investment field.

There are allegations that ROBERT received funds from the Chinese government that coincided with the former vice president negotiating issues with China. (thefederalist.com/2019/05/02/bidens-alleged-financial-ties-u-s-enemy-china-overshadow-2020-bid)⁴³⁶

Although ERIC is not directly listed in any of the wires included in the SAR filing, internal records revealed ERIC is listed as the only signer for ROSEMONT SENECA ADVISORS. As it is unknown if ERIC is the signer of the external account for ROSEMONT SENECA ADVISORS, no account will be associated to him in this SAR filing.

Per web presence, BURISMA is a natural gas firm that appointed ROBERT to its board of directors in 2014.⁴³⁷

Per web presence, BOHAI HARVEST is ROBERT'S investment company in China that has pooled money, largely from state-owned venture capital, to buy or invest in a range of industries in the U.S. and China. BOHAI HARVEST allegedly operates and works with a number of funds and the structure brought ROBERT into close proximity to influential Chinese government⁴³⁸ and business figures. SAR #2

JPMorgan Chase Bank (JPMC) is filing this Suspicious Activity Report (SAR) which originated from an external referral for transactions involving non-JPMC accounts held by a Politically Exposed Person (PEP) who remitted funds to various JPMC and non-JPMC customers, some of the recipients have ties to the adult entertainment industry, while others were unknown, or were listed in prior SAR filings related to human trafficking (HT). Additionally, the source of funds for the transactions is unknown and inconsistent with the known line of business. This activity was transacted by non-JPMC customers ROBERT HUNTER BIDEN ("HUNTER") and his law firm OWASCO PC. Activity being reported totals \$149,843.00 (rounded up) between the dates of 10/24/2016 and 05/10/2019.

OWASCO PC was identified to be a sole proprietorship law firm owned by HUNTER and established in 2006. Per internet research, the law firm specializes in intellectual property and international law. HUNTER is a former JPMC customer who previously held a home mortgage that was paid off in 2017, as well as a credit card that was closed by JPMC due to non-payment in 2016.

OWASCO PC (WELLS FARGO #9084065142) and HUNTER (using unknown account, as well as WELLS FARGO #729109035738578) sent electronic fund transfers (EFT) and checks totaling \$149,842.44 to 13 JPMC customers and non-customers between 10/24/2016 and 05/10/2019. Two of the JPMC customers were listed in prior SAR filings by JPMC reporting transactions consistent with possible Human Trafficking which are detailed below. Also, three of the JPMC Customers have KYC and/or public media and social media ties to the adult entertainment industry. The other recipients have no identifiable relationship with either HUNTER or OWASCO PC which would explain the activity being reported.

ANNA DEKHTIAR⁴⁴⁵ (JPMC 356067030 (closed 06/14/2019)) is a Miami FL non-resident alien and Ukrainian citizen. KYC reflects student born in 1995. She received a wire for \$5,100 on 12/10/2018 from OWASCO PC which was reported in SAR_NA_114256858 filed on 04/19/2019. On the same day, 12/10/2018 HUNTER also sent \$1,300 to ANNA DEKHTIAR via three (3) EFTs. The funds ANNA DEKHTIAR received from OWASCO PC and HUNTER were subsequently remitted to Oksana Naratovska located in the Ukraine⁴⁴⁶ via a \$7,000 wire on 12/13/2018. The wire to Oksana Naratovska and Oksana Naratovska were reported under the prior SAR filing and are only being discussed here to show the full flow of funds.

OLESIA KUDASHKINA⁴⁴⁷ (JPMC 270297812, closed on 04/30/2019) is a Russian citizen and [a] non-resident alien residing in Manhattan, NY. She [was] born in 1984 and listed "Zara" as her employer. She received an EFT from HUNTER for \$1200.00 on 03/11/2019. Those funds were subsequently

PAOLA A MARTINEZ⁴⁵⁰ (JPMC 266779283), ZOE G KESTAN⁴⁵¹ (JPMC 755098626) and LEHUA M ALAMA-JORDAN⁴⁵² (JPMC 290390167) each appear to be in the adult entertainment industry and are receiving payments from HUNTER and OWASCO PC. It is unclear what relationship HUNTER or OWASCO PC have with these individuals, and based on public media it appears possible the payments may be associated to prostitution or adult entertainment services.

PAOLA A MARTINEZ is a NY resident, and employed at Scores NY⁴⁵³ a high end gentleman's club. She received three (3) quickpays for \$3500.00 from Hunter between 12/28/2017 and 03/26/2018.

ZOE G KESTAN is a NY resident, and employed as "freelance." Per internet research, she is a social media influencer and adult entertainer. She received six (6) quickpays for \$6250.00 from HUNTER between 03/29/2018 and 11/20/2018.

LEHUA M ALMA-JORDAN⁴⁵⁴ is a CA resident, and is employed with "Cali Girls," a gentleman's club.⁴⁵⁵ She received two (2) wires totaling \$6,000.08 from OWASCO PC between 07/24/2018 and 08/27/2018, and three (3) quickpays for \$2500.00 from HUNTER between 08/27/2018 and 10/05/2018.

Erin N Straughter⁴⁵⁶ is a CA resident currently employed with "FSS Management." Between June 2018 and October 2018, Erin N Straughter was employed by OWASCO PC as evidenced by her receipt of bi-weekly payroll remittances from OWASCO PC. However, during this same period of time Erin N Straughter also received large round dollar wires⁴⁵⁷ from OWASCO PC which referenced "new hire," "8k wage," "10k golf member," and "Pay." Erin N Straughter received five (5) wires totaling \$44,500.08 in a 4 month period between 06/12/2018 and 10/02/2018.

SAR CORROBORATION: A SMALL SAMPLE

Because *Marco Polo* did not have access to the attached CSV files alluded to in the SARs, corroborating every transaction listed on the SARs with the Biden Laptop's contents was not feasible. However, we were able to corroborate many of the transactions. Below are a just couple of them:

When	Where (Venue)	Who	What
11/21/2017ff	S.D.N.Y.	1-929-238-5753	SAR #2—18 USC § 1952(b)(i)(1) & NY PL § 230.00

Confirmed by a request sent to Hunter via Zelle⁴⁶⁴ in his emails, a female featured in **SAR #2** requested a commensurate amount around the front end of the time period listed in the SAR. Additionally, a .numbers document on the laptop entitled, "Checking2RHB," featured a transaction indicating that Hunter paid the female \$1,400 on 11/21/2017. Verification of the transaction is below:

The relationship between Hunter and the female⁴⁶⁵ shown below was an egregious ethical lapse, as iMessages between the two revealed that Hunter would make up for the female's "back pay" if—and only if—she performed sexual acts in person or via FaceTime. The Wells Fargo transactions featured below (from Hunter's business brokerage account) were initiated only after the female traveled from Los Angeles to D.C., where Hunter and the female engaged in a multi-day (photographed) sex binge.

CHINA

Hunter viewed himself as an unfulfilled artist, and he said as much in his semi-fictional memoir, "Beautiful Things." In fact, art was the "only thing" to have "kept [Hunter] sane." It was no surprise, then, for Marco Polo to discover that—when carefully analyzing the 128,000 emails+ on the Biden Laptop—almost none of Hunter's free time or private conversations were about business strategy or private equity market entry ideation. You will recall that Hunter graduated with a bachelor's degree in history, wrote a poem, of all things, for his application to Yale Law School, and did not even attempt to enter high finance until his dad was preparing to be vetted for the V.P. slot by Obama (after Obama's folks told Joe's son to drop his shameless registered lobbying grift). When Hunter was gifted a portion of a hedge fund in 2006 called Paradigm by a trusty donor to Joe (the aforementioned Jeff Cooper). former executives at Paradigm testified in a lawsuit that Hunter and his uncle, Jimmy, had absolutely no clue what they were doing. The vignettes⁴⁶⁸ offered in *Lotito v. Biden*⁴⁶⁹ were a perfect illustration of the chasm that existed between Hunter's actual business acumen and the coveted positions he held for decades. In fact, after Hunter and Jimmy conducted a takeover of Paradigm and fired the incumbent leader. Joe's brother assured the rest of the employees with the following pep talk: "Don't worry about investors. We've got people all around the world who want to invest in Joe Biden. We've got investors lined up in a line of [Boeing] 747s filled with cash ready to invest in this company."470

With that verified principle in mind—Hunter's employment was untethered to his natural or cultivated abilities—we explored the Bidens' financial entanglements with the communist Chinese. You can think about those entanglements in two tranches, or deals, with a plethora of interjecting people splattering the periphery. Other writers⁴⁷¹ have done a tremendous job of explaining the obvious conflicts of interest emanating from these two deals; *Marco Polo* was focused on the verifiable crimes⁴⁷² committed in the course of facilitating and leveraging these deals. Immediately after Hunter, Archer, and Kerry's stepson (Chris Heinz) established their influence peddling firms with variations of the name Rosemont Seneca, they were courted by the financial elite in China who—according to China's own laws—serve at the direction of the CCP.⁴⁷³ With zero discernible quantitative skills, Hunter secured multimillion dollar carveouts with the Chinese state-backed entity, BHR, and the CCP's crown jewel overseeing their One Belt One Road (OBOR) project, an energy conglomerate called CEFC.

The records also show that CEFC was an extension of the Chinese government and that CEFC intended to alter U.S. policy and public opinion to its benefit and that the Chinese government would be the principal beneficiary of those actions."

01/08/2011	D.D.C.	Devon Archer & Eric Schwerin	18 USC § 371

A debate over whether Hunter and his business partners violated the FARA (and/or conspired to do so) was made simpler when one of them—Archer, in this particular case—used the precise wording in an email to the other partners: "He [ZONG Qinghou] came to NYS looking for powdered milk and we've done an initial pitch with him in NYC in Dec[ember] over lunch on Real Estate. China's richest man, literally.⁴⁷⁴ We're going to do a follow-on real estate pitch and just general 'we can be your agent in US' convo." The last line confirmed the group had the unregistered agent of a foreign principal game down to a science, as Archer did not need to elaborate on what his "agent in US convo" with ZONG would entail. Before flying to the middle kingdom, Archer snagged three copies of Joe's book, *Promises to Keep*,⁴⁷⁵ to hand out to ZONG and other big wigs at two state-backed entities: China International Trust and Investment Corporation (CITIC)⁴⁷⁶ and China Investment Corporation (CIC).⁴⁷⁷

As noted, Hunter's lobbying did not stop when Joe became vice president—he merely (and illegally) stopped registering. He violated lobbying laws by assuring Randy Russell⁴⁷⁸ of his (unregistered, and therefore illegal) back channels to the CCP: "I just had dinner with the Chinese DCM [Deputy Chief of Mission, DENG Hongbo] here in DC and we've developed a little bit of a relationship- so once the visa is issued I can contact him directly."⁴⁷⁹ But before Hunter pulled out the big guns, he offered to advocate on Russell's behalf to John Kerry's aide-de-camp, David Wade, and/or someone in Joe's entourage: "Should I have someone from jrb's office weigh in or is that overkill. And/or should I send email or call personally. ... I am willing ready able to do all of the above or none of the above at your direction. How about David Wade⁴⁸⁰ on Kerry's staff?" 10/19/2011ff	D.D.C.	Devon Archer & Gary Fears	18 USC §§ 2, 219 & 22 USC § 612

A flamboyant online and Indian gambling industry huckster named Gary Fears finagled Hunter and Archer to join him as an unregistered agent for the China Entrepreneur Club (CEC). The CEC had the reputation of being "a second foreign ministry" for the CCP, and the group brought nearly thirty billionaires to the White House on 11/14/2011. Eager to claim plausible deniability, Hunter tasked Archer with facilitating a meeting between Joe and the group, which it later bragged about in a report. In fact, quite a few members of this "private sector" junta would be Hunter's future partners.

⁴⁸² "On Tuesday, hours after landing in Beijing, [TRUDEAU] answered questions from the China Entrepreneur Club, an exclusive group of billionaires who have come to act as a second foreign ministry."

⁴⁸⁴ "CEC's leadership boasts numerous senior members of the Chinese Communist Party. ... The Obama-Biden Administration archives reveal that this Chinese delegation did indeed visit the White House on November 14, 2011, and enjoyed high-level access. The delegation included approximately thirty members, according to White House visitor logs. But those records also obscure perhaps the most important item for the Chinese delegation: a meeting with Vice President Joe Biden himself. ... But the Vice President's off-the-books meeting was revealed by one of the core founders of the CEC. ... CEC Secretary General Maggie Cheng alleges that she facilitated the CEC delegation meetings in Washington in 2011 and boasts of the Washington establishment figures that CEC met with. The first name she dropped was that of Vice President Joe Biden."

BOHAI HARVEST RST (BHR)

BHR, a Chinese state-backed fund that Hunter helped form, was the biggest payoff for the Biden family—that is, if Hunter actually divested from the fund. Through his fixer and lawyer, Chris Clark, Hunter has repeatedly⁴⁸⁵⁴⁸⁶ assured the press that he does not either "directly or indirectly" own a portion of BHR, although he has provided zero evidence to support that claim. There are, however, multiple⁴⁸⁷⁴⁸⁸ sources—governmental⁴⁸⁹ and private—showing that a shell company he controls, namely Skaneateles LLC, still owns 10% of the fund. BHR, not by mere conjecture or presumption but as a matter of public record and governmental financial data, is an organ of the Chinese state. More than a controlling portion of its shares are owned by entities under the purview of the CCP's Ministry of Finance and, in its most critical deals, BHR has partnered with state-owned enterprises (SOEs). In fact, the fund's head honcho explicitly stated as much and bragged about it: "LI Xiangsheng, CEO of BHR, told local media that the fund's strong government background would allow it to make super-big investments, saying the fund could take loans from its shareholders such as China Development Bank and Bank of China to complete transactions."490 In U.S. media, the ostensible mission of BHR is to facilitate "cross border" transactions, but this vanilla description was purposely obscure. Rather, BHR has repeatedly acquired sensitive technologies that the CCP sought. Again, BHR does not hide this fact and a revelatory interview with LI and WANG Xin on BHR's own website testified to this imperialistic economic mission. 491 LIN Junliang "Michael" 492 and Hunter have been partners for over a decade⁴⁹³ under the watchful eye of the aforementioned Bulger, and LIN helped facilitate BHR. Before getting on the bad side of XI Jinping and disappearing in June 2015, CHE Feng, known to Hunter as the "Super Chairman," served as the ring leader who promised funding and facilitated introductions to state-supported financial firms who eventually backed BHR.494

Hunter's emails confirmed that he has lied to numerous media outlets about the timeline and chain of events surrounding BHR—from the date he was introduced to the CCP-supported proxies to when crucial agreements were signed.⁴⁹⁵ Hunter was so enthusiastic about working with LI Jonathan that in April 2011, more than two years before BHR was put in Shanghai's business registry, he gushed to LI: "You are the best ... Just give me my marching orders." When Hunter tagged along with Joe to China in December 2013 on Air Force Two, he orchestrated a meeting between Joe and LI in Joe's hotel.

To Archer, who would become the vice chairman of the fund, BHR was "a serious opportunity. Not only on it's [sic] own merits from an economics standpoint but from the leverage in access it provides with the big boys here in the west who all need China; from Tiger to Blackstone to Carlyle etc."

Marc Michael LoPresti DOB: 07/31/1972 NY Bar #: 2928455 LoPresti introduced Archer to Hunter

Hunter agreed and, after seeing CHE's proposed term sheet, he elatedly wrote to Archer: "[B]ottom line is if I/ you and me get around 7% of this fund it could be in many ways the end all be all. I dont believe in lottery tickets anymore, but I do believe in the super chairman. ... if we were 20% owners of a CIC [China Investment Corporation] super chairman backed fund I think the sky's the limit." Hunter continued gushing to Archer and compared him to a Third Reich model: "Your question- 'why does Super Chair[man] love me so much?' is easily answered. It has nothing to do with me and everything to do with my last name (and I bring along very handsome Aryan godlike men wherever I go)."

CHE, the son-in-law⁴⁹⁶⁴⁹⁷ of former People's Bank of China governor DAI Xianglong, had shamelessly wined-and-dined Hunter, an alcoholic, and Hunter's colleagues at the Four Seasons in Hong Kong. Remember: According to Hunter himself, CHE's courtship and generosity had "everything to do with" the Biden surname. LIN—who had been ingratiating⁴⁹⁸ himself with sinophilic American officials and political operatives alongside Bulger for a decade—nonchalantly told Hunter: "When secret service wish [sic] to call to check things as they always do, pl[ea]s[e] make them call [LI] Jonathan or me."

Whitey Bulger's nephew wanted to keep the fund hush-hush until a formal agreement was signed: "Please remember that I have not informed anyone in my office about the reason for my trip to Hong Kong last week. ... I want to keep this effort quiet until we have a contract." Hunter lied⁴⁹⁹ about not owning equity in BHR until Joe was done with the vice presidency; additionally, Bulger and Hunter's "effort" required zero money down from Hunter! His attorney, Ken Levinson, explained it in an email from April 2016: "\$361,168 (payoff/down of Devon's loan to fund Hunter's investment in BHR)[.]"500

Here are the cash "numbers" I referenced in our call this morning; these were derived (hopefully accurately) from Eric's email of April 11th (his was time stamped at 4:50 PM EDT; we got it from George via email time stamped 5:23 PM that day)

Given Eric's description of the \$51,835 "over draw" by Hunter in 2015, I have accounted for that amount below both as a "receipt" and as a subset of the "taxes" account/payout. However, as Eric clarified in our call today, the "taxes" hold back (whether constituting the gross amount of \$245,498, or the "net" amount after "repayment" of the overdraw (the net being \$193,663 per Eric's email)) was NOT actually paid to the IRS by or on behalf of Hunter during 2015.

Based on the calculations and assumptions shown below, it appears there is a "net" unexplained difference that I can't identify (thus far) for 2015 of +\$222,944. I'm hoping Eric's more experienced and knowledgeable eyes will let us know

In any case, here are my calculations from last night:

Hunter receives/is owed

\$833,333 (10 months of Burisma tracked through RSB) 51,835 (the "excess draw" taken out by Hunter from RSB) 166,666 (2 months of Burisma payments to Owasco)

Hunter pays out:

\$361,168 (payoff/down of Devon's loan to fund Hunter's investment in BHR),

222,284 (per Eric, which works out to 30%/mo, \$27,778, paid to Alex for 8 months as Finder's Fee)

51,835 (repayment attributable to Hunter out of "taxes" Hold Back to repay "over draw" from RSB)

193,863 (balance of "taxes" Hold Back of \$245,498 remaining after repayment of "over draw" to RSB)

\$828,890

2015 cash payments attributable to Hunter not accounted for: \$222,944 (the difference between \$1,051,834 and \$828,890)

What am I missing?

Thanks for any input from any of you, especially Eric.

Unsurprisingly, the Biden Laptop told a completely different story. In fact, Hunter was integral to the formation of the fund, and his company—Skaneateles, a shell entity he controls—owned 10% of BHR while his father was vice president through a proxy. Archer even provided Hunter with a loan for the shares. See George Mesires, "A Statement on behalf of Hunter Biden," October 2019, Medium, archive.ph/Mrt1C

As noted previously, the grooming⁵⁰⁶ process by LIN and other handlers started before 2010 and culminated in December 2013. The Chinese rolled out the red carpet for not only Hunter but also the CEO of Rosemont Realty (RR), on whose advisory board Hunter sat. Dan Burrell, for his connections to American princelings, was given special treatment and flowery photo ops.507 Another 2004 Kerry presidential campaign alumnus and Yale graduate. Burrell facilitated the large commercial real estate firm's pump-and-dump sale to the Chinese SOE-linked Gemini. 508 Burrell 509 worked closely with Archer to court foreign cash—in fact, over \$200M poured in from the wife of the former mayor of Moscow.510 RR's sale to Gemini provided hundreds of thousands of dollars to Hunter and millions to Burrell, who is also a divorcé and is said to have repeatedly indulged in cocaine and prostitute binges.

Dan Burrell, Jimmy Bulger, Hunter, Archer & LIN (2011)

In response to questions, Mr. Archer further commented on his personal wealth and business relationships and stated that he expected the sale of his real estate business to realize a significant amount of money (in the many millions) and noted his friendship with Chris Heinz. He further stated that he believed his personal net worth likely exceeded that of Mr. Sugarman. Mr. Archer again confirmed he was not beholden to Mr. Sugarman in any way.

Mr. Archer further discussed the possible sale of his company and the revenues that might be realized, which he said would be a big liquidity event for him, as well as his connections with Bohai, which he said was sponsored by major banks and institutional investors in China. He also discussed his client relationship with Yelena Baturina, who he said had invested over \$200 million dollars in his various investment funds. Mr. Archer emphasized that he had ample funding, but that the investors wanted to be efficient.

Rosemont Realty is a player in the commercial property acquisition and asset management space operating in over 25 states. The company is headquartered in Santa Fe, New Mexico. Prior to DCB Private Equity, Mr. Burrell was a Vice President at Brentwood Capital Partners, a L.A based real estate opportunity fund. The connecting thread, perhaps thin, runs through a hugely successful City Different company once known as the BGK Group and later as Rosemont Realty and which has now moved its headquarters to Los Angeles under the name Gemini Rosemont – following [the] purchase of a majority stake in the company by a Chinese firm. The backstory contains elements of wealth, crime and intrigue, and a cast of characters worthy of a novel by sometimes Santa Fean Stuart Woods. In 2009, he came to New Mexico for a Diane Denish campaign event and met some of the managers at BGK Properties — and eventually Eddie Gilbert himself, the former New York financier whose life on Wall Street was documented in Boy Wonder of Wall Street, the 2003 book by Richard Wittingham. Gilbert came to Santa Fe when he was in his mid-60s to rebuild his life and business and was in his mid-80s when he met Burrell."

Until Hunter and Schwerin had a falling out, the latter held a 2.5% stake in BHR and was a corporate "supervisor" for the fund. Schwerin sent Hunter a note about how BHR's sale of Didi⁵¹⁹ stock was going to put over \$300,000 in their pocket.⁵²⁰ Another "significant distribution" was BHR's application in 2019 to sell their shares of the Chinese lithium-ion battery manufacturer, CATL.⁵²¹ Correlation does not imply causation, but it was certainly an advantageous development for CATL when their stock price appreciated more than 50% after Joe announced⁵²² a U.S. evacuation from Afghanistan, where lithium deposits are plentiful and Chinese extractors are ready to feast upon the natural resource.⁵²³

Given the secret code name of "Project Hanson," BHR's takeover of Henniges Automotive—an American manufacturer of critical dual-use, anti-vibration technologies—was enabled by Hunter and his business partners' repeated violations of the FARA. The sale required interagency approval by the Committee on Foreign Investment in the United States (CFIUS)⁵²⁶ and for BHR—along with the Aviation Industry Corporation of China (AVIC), BHR's partner—to prove they did not pose grave national security threats.⁵²⁷ The question of whether Hunter used his father's influence to grease the wheels of CFIUS was not ascertainable from the laptop; however, it was abundantly clear that Hunter's representation of BHR—for months—was illegal given that he did not register with the DOJ.

- IPO Fund (US\$300mm)

⁵²⁶ "The direct involvement of Mr. Hunter Biden and Mr. Heinz in the acquisition of Henniges by the Chinese government creates a potential conflict of interest. Both are directly related to high-ranking Obama administration officials. The Department of State, then under Mr. Kerry's leadership, is also a CFIUS member and played a direct role in the decision to approve the Henniges transaction. The appearance of potential conflicts in this case is particularly troubling given Mr. Biden's and Mr. Heinz's history of investing in and collaborating with Chinese companies, including at least one posing significant national security concerns. This history with China pre and post-dates the 2015 Henniges transaction."

"Project Hanson" was mentioned in 25 separate emails on the Biden Laptop; accordingly, Hunter was intimately involved in the transaction beginning, at least, in February of 2015. He inquired about which law firm in the U.S. BHR had hired. Just seven months later, WANG apparently had advance notice that BHR's deal was going to be approved by CFIUS—in her words, the approval was "expected by Tuesday NY time." WANG even used acquisitive language to describe the purchase: "On BHR's side, Xinzhong and the key deal team members ... will be in Detroit to celebrate this milestone together with AVIC Auto officials and the Target company [Henniges]." Not even a year later, WANG bragged about the deal in a somewhat candid interview⁵²⁸ with LI: "Henniges is our typical business model. We set up a joint venture with AVIC⁵²⁹ - they own 51% and we own 49% - and did the acquisition together. AVIC has industry experience, operations in China, and it knew Henniges well."⁵³⁰ Firstly, who would have given BHR advance notice to "expect" CFIUS to approve the deal and, secondly, how would WANG have known a specific time for the approval? A contact card on the laptop for a Michael Goodwin from the "CFIUS Office" at the U.S. Commerce Department could provide answers.

I want to check your availability for attending the upcoming Project Hanson closing cerenlony, tentatively scheduled for Sept. 10, 2015 in Detroit (venue to be decided). By way of status report, we have received all LP funds (and management fees) and pending receipt of the official CFIUS approval (expected by Tuesday NY time) and also pending BHR's one final registration with the PBOC to allow our LP funds to be transferred to the Delaware SPV, we are on schedule to close the Hanson acquisition by Sept. 8. On BHR's side, Xinzhong and the key deal team members (Huiping Zhou, Bo Xiang and Felix Yu) will be in Detroit to celebrate this milestone together with AVIC Auto officials and the Target company. We would be delighted to have all of you join the celebrations as well.

⁵²⁹ "A report prepared for the U.S.-China Economic and Security Review Commission in 2009 warned about China's 'defense enterprise groups' and the Chinese government's pursuit of civilian-military dual-use technologies, with a focus on AVIC's role, with the report noting that 'AVIC develops, manufactures, and markets military and commercial aircraft, as well as engines and airborne weapons.' The report warned about 'the overlap between civil and military programs as a commercial endeavor beneath the single umbrella of AVIC' and the 'involvement with dual-use applications' of some of AVIC's subsidiaries."

Hunter's divorce proceedings with Kathleen referenced his ownership share in Henniges and other extended arms⁵³¹ of the CCP, which ultimately controlled AVIC, BHR's majority partner in their Henniges joint venture. Despite these and other generous handouts⁵³² and state-backed investments, the potential consequences for Hunter's tax evasion and money laundering crimes were at the top of his mind. In fact, Hunter recounted Schwerin's statement to his attorney: "I believe you [Hunter] can do better but if it is a question of going to jail or not I [Schwerin] think \$750,000 is the right number."

I asked Erik to give me the income that I 110% could rely on now coming through this is his response:

"110% absolute income now is \$225K a year from Burisma. (That is if you split the \$500K 50/50 with Devon. I am deducting \$25K from your \$250K because you have approx. \$2K in expenses through Owasco, PC.)

As for potential income, I wouldn't feel comfortable saying you can for sure make more than \$62,500 a month by mid-2017. That equates to \$750,000 on annual basis. (I believe you can do better but if it is a question of going to jail or not I think \$750,000 is the right number."

My ability to secure new business now is incredibly difficult and in my line of work this is the season to pick up clients so once we hit April May it's even more difficult. To make it from here to there i'm relying on to uncertainties the first is a windfall from citizens are asked the mound of four to \$600,000 and hustling to maintain the few remaining and maybe pick up A couple more. If I knock it out of the park and make \$2 million next year almost the entire tea of my share to go to servicing debt.

And This is everything (see below) which they already know.

Rosemont Seneca Advisors (Owasco, LLC owns 75%) holds equity in:

- Harves Group: 5% in Harves Amusement Parks, initially 6 Parks to be opened in China in a JV with China Development Bank and Parques Reunidos, one of the largest amusement park companies in the world. Also includes Ownership in Harves Sports and Entertainment which has signed an LOI to partner with Kobe Bryant on a series of academies in China.
- Africa Business Development (ABD) Projects: 30% of ABD's interest in six Energy, Infrastructure and Healthcare projects in Western Africa.

RSP Investments (Owasco, LLC owns 75%):

• RSPI is the Broker-Dealer. It owns no equity but obviously has potential for success fees from underlying projects. Currently, success fees are funding expenses.

BHR (once share transfer is complete Owasco, LLC will own 7.5%)

• BHR owns interests in companies such as Didi, Henniges and other Chinese and Overseas (U.S., Australia, Europe) investments.

Eudora Global (Owasco, LLC owns approx. 3%):

- CitizensRx: A pharmacy benefits management company 35% owned by North Carolina Blue Cross/Blue Shield.
- ePlata: A mobile payments company focused on providing cross-border remittances to the unbanked (FYI, Owasco, LLC owns an additional 5.25% of ePlata).

Tadich Grill (Owasco, LLC owns .75% of a share): The DC location of a San-Francisco, CA restaurant.

RSTP I, RSTP II Alpha and Bravo (ownership percentages vary but approx. 15% each): Investment vehicles for ownership in Counsyl a genetic testing company.

Equity Distribution Trust (not sure of ownership percentage): <u>Trust vehicle to share in legal cases referred to Beau.</u> We believe that they have all paid out and there shouldn't be anymore distributions. However, it is possible there could be minimal distributions in future years. There hasn't been an audit of pending cases.

Rosemont Realty (not sure of ownership percentage): Interest has been sold. We believe all distributions have been made, but there may be a remaining hold-back amount to come. It would be minimal.

American Well (not sure of ownership percentage): Shares held in start-up technology company delivering telemedicine.

Please Note: Owasco, LLC owns 75% of Skaneateles, LLC and many of these ownership entities are held via Skaneateles. But they ultimately all pass through to Owasco, LLC.

Hunter, Archer, and Bulger violated the FARA when they acted on BHR's behalf in an ill-fated effort to secure Bill Clinton as a speaker for an event, which required registration with the DOJ.533 Indeed, the FARA guidelines could not be more clear about this scenario: one must register as a foreign agent when one "[a]cts within the United States as a public relations counsel, publicity agent, information service employee, or political consultant" for a "foreign principal."534 In this case, the foreign principal sought—through Hunter and his business partners—access to a former U.S. president. Perhaps the Chinese side knew that former president Clinton had intervened for Hunter in the past, going so far as to (unsuccessfully) plead from the Oval Office to the dean of Yale Law School to admit Hunter.535

We totally agree with your thoughts. We think this arrangement will be very helpful for our deal sourcing and fund raising in US. The budget is ok for us, but the person we wants to hire should be proficiency in both English and Chinese, so it will be efficient for our communication. Please send us the candidate; resume lists and we can have an interview with the candidates. Mr. 20no. It is currently in US, and he can do the interview if some candidates is ready.

Attached is a rough budget for the proposed BHR employee to be housed here in Washington Dc. The responsibility of this individual would be to coordinate on a full time basis with the Beijing staff on behalf of the U.S. Partners of BHR.

I think we all feel it is critical to have someone at this level engaged on a full time basis to assist in coordinating the U.S. Teams input and communications to and from Beijing. This would include monitoring all deals and advising where the U.S. Team could add value, and keeping the Beijing Team informed as to our fund raising and other efforts.

This person would also be responsible for handling all expense reports, travel arrangements and any other necessary "reporting" requirements duties we deem important.

The office space is directly connected to the Rosemont Seneca offices, wit a separate entrance, but it will be re-branded as a BHR US office. There is space for additional personnel if the need arises as we grow.

We would like to have this individual hired and in office beginning March 1st. Once they are acclimated here (10 days or so) he or she will travel to China to spend 30 days or so with the Beijing BHR team.

Please let me know your thoughts- and if we are all in agreement I will identify the person for our approval and we can make the hire and arrange for the office space. Best, Hunter

Thank you and some additional homework:

- 1- EDP does anyone know Capital Group (or its sub Capital Research and Management). We would like to know if they are looking to sell all or part of their stake in EDP
- Bombardier we are also interested Bombardier's railway divestiture if someone can connect us with Bombardier
- SOE Fund should we be speaking to other agents in lieu of Burnham or is there hope that they may reconcile themselves with our counteroffer? U.S. office hire any interest in any of the resumes we sent around?
- Bill Clinton what do we have to do to get the former POTUS to come to the Shanghai Forum?

Kazakh deal is more of an update for you guys, thought it was referred through one of your intermediaries. The Hanson bid will be decided within these few days we believe, will keep you posted. Danke and good night.

The General Secretary of the Chinese Communist Party, XI Jinping, was planning to visit Los Angeles in September 2015. BHR would receive a "one-time advisory fee" if Hunter and Archer "orchestrate[d] a stop by" for XI to a Chinese-controlled electric vehicle⁵³⁶ facility, Faraday Future. This planned guid pro quo violated the FARA and was merely another attempt by BHR to ingratiate itself with American politicos—as they had done with their partner⁵³⁷ GUO George—to achieve their corporate (and state) objectives. 538 In summary, Hunter depended on CCP-backed firms for his planned BHR exit. 539

Further to your conversation with Jonathan regarding a possible arrangement for President Xi to visit LeTV's facilities in Los Angeles during his upcoming trip to the U.S. in September/October 2015, Jonathan and I had an interesting meeting with LeTVs founders – Mr. Jia Yueting (CEO) and Mr. Liu Hong (Co-Founder and Vice-Chairman of the Board) yesterday.

<u>LeTV's Request – arrange for President Xi to visit LeTV's L.A. facilities</u>

President Xi will be making a stop in L.A. during his visit where LeTV has recently acquired an R&D center committing to invest between US\$3-5 billion towards the research and design of electrical cars and intelligent vehicles. LeTV has enlisted our help to arrange for President Xi to visit their L.A. facilities, or, if that cannot be arranged, for Mr. Jia Yueting to speak at any of the meet-and-greet functions to be attended by President Xi, whether in L.A. or San Francisco or elsewhere.

重要性: 高 敏感度: 机密

Devon and Hunter,

Next Steps
LeTV will be sending over relevant materials in the coming days which I will compile and summarise for everyone and we can then discuss how to best process. this delicate request using our resources.

What's in it for BHR and its shareholders

主题: President Xi's L.A. visit

What's in It for Britt and its shareholders.

A one-time advisory fee payable to BHR is being discussed and we would be provided with the opportunity to co-invest with LeTV and Beijing Automotive Group (BAIC) and become a shareholder in the L.A. / Silicon Valley businesses. More importantly, this would mark the beginning of a long-term and comprehensive cooperation with LeTV and an opportunity to participate in all of its future activities. LeTV has been busily expanding its empire through overseas acquisitions, this year alone, it has acquired significant stakes in two HK-listed companies, 18% in CoolPad for US\$350 million becoming its second largest shareholder, and 35% in Beijing Media becoming its largest shareholder.

Some quick background on the Company:

- founded in 2004 by Jia Yueting, it is one of China largest growing entertainment companies offering vertically integrated ecosystems through a combination of devices, platforms, content, terminals and applications
- listed on the Growth Enterprise Market with a market capitalization in excess of RMB80 billion (more than US\$12 billion as of July 29, 2015)
- recently acquired R&D center and facilities in L.A. for the manufacturing of intelligent vehicles, also established a U.S. headquarter in Redwood City and
- the L.A. / Silicon Valley investments constitute one of the largest direct investments by a Chinese company in the U.S. and has been positively received by U.S. officials including the governors of Nevada and California, both of whom will be visiting the L.A. facilities in the coming weeks

CEFC China Energy Company Limited (CEFC Energy)

Starting in early 2015, Hunter and his partners were setting up a deal with CEFC Energy whose founder, YE Jianming, was the former deputy secretary-general⁵⁴¹ of a branch of a CCP-funded⁵⁴² organization known as the China Association for International Friendly Contact (CAIFC).⁵⁴³ According to a U.S. government commission report, CAIFC is a "front organization" that "performs dual roles of intelligence collection and conducting propaganda and perception management campaigns."⁵⁴⁴ CEFC Energy⁵⁴⁵ was a behemoth, spanning the globe and acting as China's "private" sector arm of OBOR. The aforementioned partnership—according to correspondence on the Biden Laptop and audio messages from Hunter himself—involved players from at least four countries. Prospective meetings between YE and Joe were to be approved by XI Jinping himself, who they called the "No. 1," and the daily operations were overseen by ZANG Jianjun.⁵⁴⁶ The core players in the partnership⁵⁴⁷ are below:

Instrumental to the partnership was a bald and elusive⁵⁴⁸ Englishman named James GILLIAR, who explained⁵⁴⁹ to Tony Bobulinski on Christmas Eve 2015 that there was going to be "a deal between one of the most prominent families from" the U.S. and CEFC Energy. The deal was going to be "constructed by" GILLIAR, who called the planned Biden/CCP-linked slush fund⁵⁵⁰ a "no brainer." Rob Walker, Hunter's aforementioned business partner, had been working with GILLIAR since at least March of that year and was introduced to Bobulinski by GILLIAR, who joked that Rob had his address "for commission[s]." A longtime consigliere to some of Joe's friends (the ruling family of the United Arab Emirates (UAE)), GILLIAR⁵⁵¹ had also facilitated CEFC Energy's buying spree in the Czech Republic, where he was based. In fact, YE became an "economic advisor"⁵⁵² to the President of the Czech Republic, Miloš ZEMAN. By May 2017, Joe's term as vice president had ended, and "optics" were ripe for the Bidens to cash in. Bobulinski and GILLIAR drew up a joint venture called Sinohawk Holdings LLC^{553*} (SinoHawk), which was owned 50/50 by 1) Hudson West IV LLC⁵⁵⁴ (Hudson West IV), which was controlled by YE and DONG Gongwen "Kevin," and 2) Oneida Holdings LLC⁵⁵⁵ (Oneida), the shell company through which Joe's son and brother would hold 20% of SinoHawk.

Back to 2015: the earliest appearance of the keyword "CEFC" on the Biden Laptop was a lengthy email on 10/04 from globalhawk7777@gmail.com, which referred to Hunter as "Chairman." The note promised "invitations for the B[idens] to speak in China, etc" and that "[a]ll expenses will be covered as well as speaking engagements." OH Suk "Scott" bragged about CEFC's prowess as it was "tagged to be part of the delegation [that] Chinese President Xi Jinping brought with him recently to the U.S."

From: glo hawk globalhawk7777@gmail.com & Subject: China Date: October 4, 2015 at 4:20 AM

Dear Chairman.

Deepest condolences to you and your family.

I have established a relationship with an impressive group of Chinese business leaders. I use the word "impressive" because, despite their company's tremendous success within a relatively short period of time, they have not lost sight of the importance of giving back to society, evidenced by their global

Founded in 2002, China Energy Fund Committee ("CEFC China") is a privately owned energy development company that has energy, gas, and financial services as its core businesses. Its strategy is "to serve the national industrial interest by building a modernized 'economic community' to compete as a

multinational enterprise that expands cooperation in the international energy economy and achieves influence in the energy industry.

It has been lauded for its focus on promoting health and education and for addressing global poverty.

CEFC is recognized domestically as well as internationally for its role as a responsible corporate citizen. The former was evident as it was tagged to be part of the delegation Chinese President Xi Jinping brought with him recently to the U.S., although it had to forego participation due to a previous commitment.

Some of CEFC China's notable achievements to date include:

In 2014, CEFC China made the Fortune Global 500 List and was recognized one of the world's 500 "Most Influential Brands," achieving annual revenues exceeding 220 billion RMB.

In 2008, its Chairman, Mr. Ye Jianming, established an NGO-CEFC Hong Kong-the purpose of which is to promote research on climate change and environmental economics, international cooperation, sustainable development, etc. and to conduct forums by which the world's civilizations can explore and build upon a common foundation of business ethics. Other NGO entities funded by CEFC China have followed, such a CEFC Shanghai Charity Fund to promote Chinese culture.

- In 2012, CEFC China initiated the "Sino-US Colloquium," a summit conference seeking to establish a lasting communication's link through nongovernmental channels for use by Chinese and U.S. scholars, business leaders and former officials for in-depth exchanges on issues of mutual concern, such as energy, security, science and technology, economy, culture, etc.
- In 2013, the United Nations granted CEFCChina's NGO "Special Consultative Status with the Economic and Social Council of the United Nations," based on CEFC China's philanthropic focus. In this capacity, it has joined with the U.N. in launching the "Power the Future We Want" initiative, providing an annual grant to institutions or individuals demonstrating leadership and innovation by promoting sustainable energy technologies
- It received the 2014 "Most Influential Chinese Enterprises."
- For the past four years it has been recognized as one of the "Top Ten Chinese Philanthropic Enterprises."

Various former U.S. government officials, including Henry Kissinger and Robert McFarland, have had long-term working relationships with CEFC China, as have had foreign dignitaries, including Israel's former Prime Minister Shimon Peres, U.N. Secretary-General Ban Ki-Moon, the Prince of UAE, and the Prince of Saudi Arabia.

Additional information concerning CEFC is available on its websites at www.cefcChina.com, www.cefc.org.hk and www.cefc-ngo.co/en.

With this background, please allow me to explain my purpose in contacting you.

CEFC China is very interested in exploring humanitarian initiatives of mutual interest to the World Food program USA and discussing investment opportunities

Topics for discussion would include a donation to the WFP, establishment of a joint humanitarian fund, and extending invitations for the B's to speak in China,

All expenses will be covered as well as speaking engagements.

Please contact me as soon as possible so that I can provide you with additional information in person.

True to form, Hunter responded to OH's honey-pot email within a day: "Scott-when is a good time for a call today [?]" Other than being a seemingly wealthy⁵⁵⁶ "consultant" of Korean extraction who has given exclusively⁵⁵⁷ to Democrats, OH's business relationships and background are a mystery. OH is affiliated with over a dozen shell companies in various jurisdictions. When asked by *Marco Polo* if he had met YE in South Korea—where YE attended college—OH offered to introduce us to his attorney. When we asked for his attorney's contact information, OH hung up. This ghost-like character facilitated⁵⁵⁸ a meeting between YE and Hunter on 12/07/2015, yet very little is known about him.

After hosting OH and ZANG Jianjun (YE couldn't make it) for a meeting, Hunter spent the next 18 months in a blur of prostitutes, strip clubs, crack cocaine, and pornography while he waited for Joe's vice presidency to end so he could overtly cash out with the Chinese (instead of attempting to be discreet, as he had done in the case of BHR). While HO "Patrick"—another key underling for YE and CEFC—was delivering glowing speeches about the greatness⁵⁵⁹ of OBOR and the "China Dream," Hunter browsed CEFC Energy's website and shopped for luxury slippers while a pornographic video raged in the background (see screenshot below).⁵⁶⁰ The kaleidoscope of people and entities that were courting Hunter and the Biden family were all imbedded at the United Nations (UN) and other seemingly benign organizations with flowery mission statements. Indeed, the former President of the UN General Assembly (GA), a Serbian named Vuk JEREMIĆ, was a key plank on the road that connected the Bidens to their Chinese payout.⁵⁶¹ JEREMIĆ was called as a witness in HO's trial.⁵⁶²

These internationalists explicitly leveraged and showcased Joe's time in public office—and his relationships as a result of that office—to attempt to drum up business for their planned joint venture. GILLIAR, who came from a family⁵⁶³ of leftists and advocated⁵⁶⁴ for CEFC Energy⁵⁶⁵ to take over the legendary American company Westinghouse, utilized Joe's liberal public positions such as his support for so-called "green energy" policies to forge partnerships with foreign oligarchs.⁵⁶⁶ For those readers who still believe the lie that Joe was not involved with this planned joint venture with CCP proxies, why would it be relevant that Joe and the Colombian president got along well when he was the V.P.? GILLIAR deemed it so important that he put a picture of them in his "Proposal for Investment Vehicle."

Hunter's uncle, Jimmy Biden, acted as an unregistered agent for a foreign principal, CEFC Energy. Jimmy was hoping to meet with the disgraced former Governor of New York, Andrew Cuomo (who previously gave Naomi Biden, Hunter's daughter, an internship). Jimmy also wrote the wrong month in the memo to Cuomo's aide (the month should have been May).⁵⁶⁷ The Bidens hoped to bring the key players to the meeting including YE, CEFC Energy executive ZANG, and Prince Felix of Luxembourg.⁵⁶⁸ GILLIAR—an ever-present force in the background—organized the meeting request.

Meeting with CEFC

Attention: Annabel Walsh, Director of Scheduling, Office of the Governor

From: James B. Biden, jbiden@lionhallgp.com, (610) 247-8992

Issue: On April 5th & 6th of 2017, CEFC will be in New York, NY for a series of meetings regarding Real Estate and Infrastructure investments in the US. Pending availability, we request a brief meeting or "drop by" by the Governor at a convenient location & time either the 5th or 6th. We intend to discuss potential projects and investments in New York.

Background: CEFC (us.cefc.co) is a private collective enterprise with energy and financial services as its core business. The strategy of the Company seeks to expand international economic cooperation in the energy sector and establish a well-organized international investment bank and an investment group. With revenue of 220 CNY (35 billion USD) in 2014, CEFC is among the 10 largest private companies in China and credits most of those returns to oil and gas (60%) and financial services (25%), but they also operate in a wide range of other sectors, such as transport infrastructure, forestry, asset management, hotel management, warehousing services, real estate development and logistics services. A large portion of CEFC's assets and successful investments are concentrated in overseas markets, driving the company to further its activities abroad. Since 2013, the company has been listed on the Fortune Global 500 list, rising from number 342 in 2015 to 229 in June 2016. Most of the company is owned by Shanghai Energy Fund Investment Ltd (SEFI), which is registered under Ye Jianming, the Chairman of CEFC.

⁵⁶⁸ In an email from James GILLIAR to Hunter on 04/27/2017, GILLIAR stated: "You [Hunter] are travelling with Jim[my Biden] and I [sic] to see Prince Felix in [the] next [couple of] weeks to push [a deal with CEFC Energy]." See "Biography of His Royal Highness Prince Felix," tinyurl.com/yc4irmhc

A screenshot from CEFC Energy's website around the time Jimmy prepared the memo displayed a headline of YE⁵⁶⁹ bragging about his recent meeting with the chairman of the Russian SOE oil conglomerate, Rosneft.⁵⁷⁰ Although CEFC Energy's ownership structure⁵⁷¹ was purposely opaque, their news headlines—and their logo—pointed to the (oftentimes unspoken) truth that the company was ultimately controlled by the Chinese state.⁵⁷² It made sense why CEFC Energy and its NGO did not advertise their true owners and partners—they were aligned with the CCP's People's Liberation Army, specifically its propaganda organ: "PLA Unit 61716, also known as the 'Public Opinion Warfare, Psychological Warfare and Legal Warfare Base,' or Base 311, was connected with CEFC."⁵⁷³

⁵⁶⁹ "In September 2017, CEFC China Energy announced its most high-profile investment yet. The company was to buy a 14% stake in Russian oil giant Rosneft for \$9 billion -- the sort of super spend usually reserved for a state-owned company."

A week after Bobulinski met with Joe before the latter's speech at the Milken Conference⁵⁷⁴⁵⁷⁵⁵⁷⁶ on 05/03/2017, CEFC Energy partnered with the Rothschild family.⁵⁷⁷ The company also sent a personal invitation to Bobulinski in order for him to secure a business visa (which, like the joint venture, would fall through; however, the Bidens moved on without him, as will be explained later in this section).

⁵⁷⁴ Ambassador Yousef al-OTAIBA, who reported to GILLIAR's boss (the ruling family of the UAE), was also a keynote speaker at the conference. Based on correspondence from the Biden Laptop, al-OTAIBA and Hunter spoke frequently. See "Global Conference 2017," *Milken Institute*, May 2017, <u>archive.ph/txrdq</u>

Just two days after YE's meeting with the Rothschilds, GILLIAR—who was a key spoke in the CCP's wheel⁵⁷⁸ of "elite capture" in the Czech Republic—sent an email to Bobulinski (with Walker and Hunter ccd) about the group's expected "renumeration [*sic*] packages." Hunter was to receive an \$850,000 salary and 10% of the holding company's shares for Joe, who GILLIAR called "the big guy." In response, Hunter said that he "need[ed] a hell of a lot more" than \$850k. Importantly, there were other references to Joe as "the big guy" on the Biden Laptop, along with Bobulinski's confirmation.⁵⁷⁹

Perhaps more incredible than Joe's involvement⁵⁸⁰ in the planned joint venture was XI Jinping's covert oversight of the deal. On two separate occasions, both GILLIAR and Hunter alluded to XI's role in both approving meetings and ownership shares. GILLIAR told Bobulinski: "As I know chairman [YE] will come to meet VP [Joe] if he gets approval from no 1 [XI], [but] I think otherwise he wouldn't[.]" The following day. Bobulinski expressed concerns about the Bidens' ability to overrule him on corporate decisions, to which Hunter shot back with fervor: "TONY that is what Zhang581 [sic] implied - they are both [ZANG and YE] coming to be MY partner [—] to be partners with the Bidens. He [ZANG] has implied that the #1 [XI] has made that clear and available to him." Along with a party to the messages confirming to Marco Polo that the multiple allusions were to XI himself, other direct references (such as Hunter referring to Joe as "my Chairman" and GILLIAR warning Bobulinski to "not mention Joe being involved" except when "face to face" because the Bidens were "paranoid") are more than enough to refute GILLIAR's bald-faced lies to the Wall Street Journal that Joe was not involved.582

As it turned out, when the papers⁵⁸³ were signed, Jimmy⁵⁸⁴ held Joe's shares through a shell company aptly named Sino Atlantic Solutions.⁵⁸⁵ GILLIAR, like a good English subject, held his 20% of Oneida through the opaque "8 International Holdings Limited" based in the British Virgin Islands.⁵⁸⁶

The first agreement by SinoHawk was for the Chinese side to wire \$10M to Bobulinski so he, as the CEO, could make the first tranche of OBOR "investments." However, nearly a month passed and they were slow-walking the wire transfer, offering random excuses. Plus, according to Bobulinski, Hunter's "manic and bipolar" personality was on full display. Exasperated, Bobulinski convinced Hunter to send a letter to YE in which Hunter called him "a very close friend of the Biden family" and pleaded with YE to expedite the transfer and receive the "best wishes from the entire Biden family." What Bobulinski did not realize is that—in response to his logical concerns about Hunter's antics—Jimmy and Hunter had been back-channeling with YE's lieutenants so they could cut out Bobulinski, GILLIAR, and the others to more easily receive YE's cash but via another channel—namely, Hudson West III LLC.

Dear Chairman Ye:

YE & Henry Kissinger

I hope my letter finds you well. I regret missing you on your last visit to the United States. Please accept the best wishes from the entire Biden family as well as my partners. We are all hoping to see you here again soon, or in Shanghai.

As you know since our last meeting we have concluded the establishment of SinoHawk Holdings and I look forward to introducing you to Mr. Tony Bobulinski. He is a very close friend of James Gilliar and the Biden family and joined our team to focus on the execution of things as a partner. He will act as the CEO of SinoHawk Holdings. He has invested capital all over the world for some of the world's wealthiest families. He has sent a request to Dong Gongwen and Director Zang for the funding of the \$10 MM USD wire. I would appreciate if you will send that quickly so we can properly fund and operate Sinohawk.

I hope that you are satisfied with the introductions made in Oman and the progress made. This in my opinion cements our common belief that by combining our skill sets, we can create opportunities throughout the world. <u>Director Zang</u> has made it clear on your behalf that he wants Sinohawk to properly be rewarded for the efforts in Oman. Tony and I will work with the CEFC team and our Oman partners to define the economics.

Within the next week, we will have a clearly defined term sheet for the project we discussed in Romania. It is time sensitive and we should move quickly to closure on this unique opportunity to showcase the CEFC brand and drive progress with the right partners. The required equity is \$300-500 Million USD. This can be handled in a variety of ways. CEFC could fund the entire amount though it isn't all needed day one. The other option is to have CEFC fund \$100-\$200 Million and the rest will be raised by Sinohawk working with strategic capital partners in the US that can add value for CEFC and our Romanian partners. I look forward to your quick reply and thoughts on

I am sure you have been well briefed by our dear friend director Zang on the political and economic connections we have established in countries where you are interested in expanding during the coming months and years. I look forward to our next meeting.

Dear Chairman Ye,

It is with great honor that I introduce myself, Tony Bobulinski, as the CEO of SinoHawk Holdings. I take the responsibility that my partners the Biden family, James Gilliar and yourself have bestowed on me very seriously. Congratulations on all of the success in founding and building CEFC into the Global Powerhouse it has become both financially and strategically.

When I heard your personal story and CEFC's global focus on building bridges between the United States, China and other countries I was inspired, I am a former US Naval Nuclear Power Officer and have spent my entire career after the military investing money around the world with and for some of the world's wealthiest families. I look forward to leveraging those relationships along with the political and strategic value of the Biden family, James Gilliar and CEFC to fulfill Sino-Hawk's mission.

I have enjoyed spending a lot of time with Director Zang already in 3 different cities around the world moving CEFC and SinoHawk's interests forward. I and my partners at SinoHawk look forward to seeing you and Director Zang as soon as possible either in Shanghai, NYC or another strategic and convenient city.

 $\frac{\text{I am glad to hear from you! Time flies and it has been months since we}}{\text{met in the US.}} \text{ It seems that we were always on a rush when we were}} \\ \frac{\text{In the US.}}{\text{together.}}$

Thanks to your support to our cooperation, the consensus we made last time has been materialized in a timely manner. I am grateful that you introduce Mr. Bobulinski to our partnership. I have a great impression on him through your letter and he also sent me a letter to brief on the situation. I believe he will bring significant impetus to our cooperation with his abundant experience and outstanding capability.

Our cooperation in Oman and Romania has been productive and I am aware of the status quo. You could arrange your people to coordinate with Director Zang and Gongwen Dong for specific work and I will continue to pay attention and give my support. I have arranged Director Zang and Gongwen Dong to expedite the charter capital input to SinoHawk.

I look forward to meeting you in the near future and discussing our joint undertaking. If there is anything I could do please do not hesitate to write to me. Please accept my best regards to you and your family.

The contrived excuses from the Chinese side ran the gamut from "the risk management department of CEFC is showing concerns" to "we do not have a review and approval mechanism for projects." Bobulinski was not buying these lame attempts at stonewalling, and for good reason: Behind the scenes, ZHAO Runlong's associate, YAN Mervyn, was drawing up an ownership share schematic for another entity, Hudson West III LLC, which would be funded by YE through Hudson West V LLC⁵⁸⁸ (although YAN initially planned on funneling the cash through his shell company, Monochrome Capital Partners LLC)⁵⁸⁹ and would partner with Hunter's single member law firm, Owasco P.C. The final result actually split the baby: Even though the joint venture which was "so much more interesting to [the Biden] family," they still received millions of dollars from the Chinese for "introductions alone" by using Hudson West III (EIN: 82-1599897) as a 50/50 joint LLC. The objective for the business entity gymnastics was clear: obfuscate⁵⁹⁰ true beneficial ownership to evade law enforcement authorities.⁵⁹¹

My Understanding is that the original agreement with the Director was for consulting fees based on introductions alone a rate of \$10M per year for a three year guarantee total of \$30M. The chairman changed that deal after we me in MIAMI TO A MUCH MORE LASTING AND LUCRATIVE ARRANGEMENT to create a holding company 50% percent owned by ME and 50% owned by him. Consulting fees is one piece of our income stream but the reason this proposal by the chairman was so much more interesting to me and my family is that we would also be partners inn the equity and profits of the JV's investments. Hence I assumed the reason for our discussion today in which you made clear that the Chaireman would first get his investment capital returned in the profits would then be split 50/50. If you saying that is not the case then please return us to the original deal 10M per year a guaranteed 3 years plus bonus payments for any successful deal we introduce. let's discuss thank you

Mervyn felt we have different understanding of the source of income of the JV: our understanding is that income of JV will be consulting fee of the projects. It's discretionary solely on CEFC. Please confirm this is your understanding as well. If it's different, we should get on a call with Director Zang immediately.

The FARA violations shown below were a good representation of who went behind Bobulinski's back to work with CEFC on a range of issues. ZANG and his family were in need of visas, so Sara Biden enlisted former Obama appointee and GILLIAR associate, John Sandweg, to advocate on ZANG's behalf to the U.S. government.⁵⁹⁵ Even though all of ZANG's visas were denied, Sandweg did have experience illegally representing criminals before the Department of Homeland Security (DHS), as Sandweg was involved in the NXIVM sex cult scandal and represented heiress Clare Bronfman.⁵⁹⁶

Facilitating the violation of U.S. immigration laws was nothing new for Sandweg. In fact, he should have been indicted for violating 18 USC § 371 by conspiring to circumvent immigration laws related to smuggling minors across the border for the NXIVM sex cult human trafficking operation. A motion filed by the U.S. attorney read as follows: "The email attached a letter from Mr. [John] Sandweg in support of a grant of a nonimmigrant visa for M.F. In the letter, which was addressed to the United States Embassy in Mexico, Mr. Sandweg identified himself as the 'former Acting General Counsel for DHS and Acting Director of U.S. Immigration and Customs Enforcement' and stated that M.F. had entered the United States to care for one of her 'closest personal friends, Pamela Cafritz' and that M.F. Under the penalty of perjury, Hunter lied on an official bank document to receive a credit card collateralized by companies financed by YE. Hunter testified to Mandy Wong⁵⁹⁷ at Cathay Bank that he was not subject to backup withholding from the IRS, a blatant lie. In fact, Owasco P.C. owed thousands of dollars due to undeclared income from Burisma. YAN was happy to accommodate the "\$30,000 limit" credit cards for not only Hunter, but also Jimmy and Sara Biden. A U.S. Senate report, based on SARs, stated they went on a "global spending spree" and quickly liquidated the cards.⁵⁹⁸

One week after receiving the credit card backed by YE's proxies, Hunter instructed Cecelia BROWNING, his office's building manager at the House of Sweden, to get keys cut for Joe. 599 In fact, Joe's new grift—called the Biden Foundation—and YE's espionage600 outfit were going to be "office mates." Hunter then pasted an internet biography of YE, who Hunter admiringly⁶⁰¹ called "his partner." YE had just bought a luxury condo and apartment in Manhattan via DONG ("Chairman Yel's) CEFC emissary") and Hunter thought it was relevant to include an article describing the purchases. 602

Unsurprisingly, HO's first call from the Metropolitan Detention Center after being arrested by federal agents on 11/18/2017 was to the pResident's brother, Jimmy, in order to track down his attorney, Hunter. 612 HO was under FISA 613 surveillance, so HO's calls to Jimmy⁶¹⁴ and Hunter were recorded, which would certainly make for some very interesting listening—and it made the FBI slow-walk of the Biden Laptop that much more egregious.615 According to evidence616 presented at HO's trial, the FISA surveillance revealed the CEFC NGO's modus operandi in detail: ensnare617 so-called developing countries in situations that eventually force them to give up ownership of their natural resources to CEFC Energy. In other words, HO, and his benefactor, YE, were loan sharks to African despots—and the African countries were left holding the bag because the despots would get paid off.618 Judge Preska, at HO's sentencing hearing, repeated lines from a UN Convention: "Corruption is an insidious plague" that is "found in all countries—big and small, rich and poor—but it is in the developing world that its effects are most destructive."

Hunter did not spend a single day in court on behalf of the globe-trotting⁶¹⁹⁶²⁰ Chinese loan shark. Instead, Hunter farmed that work out to attorneys at the white-shoe firm Krieger Kim & Lewin LLP (whose founding partner, Ed Kim, departed the S.D.N.Y. just two⁶²¹ months before HO was arrested). However, Hunter did arrange to get the \$1M from HO⁶²² wired to his shell company, Owasco LLC.⁶²³

One of the feds who was likely involved in the FISA surveillance of HO was Charlie McGonigal, the then-SAC for Counterintelligence in the New York Field Office (NYFO).⁶²⁴ (McGonigal's wife was on the Biden Laptop, as the couple's daughter and one of Hunter's daughters played lacrosse together.) McGonigal is the subject of a federal grand jury probe⁶²⁵ for possible FARA violations and other dealings with Russian oligarchs. Based on an email from Kim, determining if McGonigal was one of the agents Hunter "spoke with" on HO's behalf ought to be the focus of a Congressional subpoena.

Jimmy and his wife, Sara, benefited from Hunter's illegal (unregistered) representation of a foreign principal. Later that spring, Jimmy's firm sent multiple fraudulent invoices for \$82,500 as his "Monthly Retainer for International Business Development" to Hunter's shell company. In truth, the funds Jimmy sought originated from Hunter's faux legal counsel for HO and the original slush fund⁶³¹ set up by YE. As you will read in the INFLUENCE PEDDLING section, Jimmy alluded to these transactions as his "monthly draw," confirming that there was no active "business development" occurring. YE had, in every sense of the phrase, set up a piggy bank for Hunter and Jimmy. In a bold and hilariously ironic move, Jimmy sent a reminder—"Invoice 1180"—to let Hunter know that Hunter owed \$14,001.

Jimmy was not the only one to refer to the payments as their "monthly draws." A few months later, their Chinese piggy bank was almost empty and Hunter tied up loose ends with YAN: "Please wire to my Owasco PC account the remaining two monthgkly [sic] draws minus the [\$]35K adv[ance] once [sic] I took last week. So \$295,000.00 today. Then please give men [sic] detailed bank statements of what is left in the account after you've taken your final two draws. We then need two [sic] discuss what we owe and to whom and determine what of [sic] any money is left for disbursement." U.S. Senate investigators created a crude diagram (shown below) which featured the money flow from YE's piggy bank through Hunter's shell law firm to Jimmy and Sara. Investigators also noted that, based on SARs, Sara refused to cooperate with her bank when employees inquired about the large and frequent round-dollar wire transfers, giving the bank no other choice but to close their account. 632

Group. Between Aug. 14, 2017 and Aug. 3, 2018, Owasco sent 20 wires totaling \$1,398,999 to the Lion Hall Group, a consulting firm that lists James Biden and his wife, Sara Biden, on the bank account. This transaction was identified for potential criminal financial activity. These transfers began less than one week after CEFC Infrastructure Investment wired \$5 million to Hudson West III and Hudson West III sent its first payment of \$400,000 to Owasco. Most of the payments from Owasco to the Lion Hall Group had vague notes in the memo lines, 15 of which simply indicated that they were for further credit to James Biden; however, the memo line for one of the payments read 'HW3,' which indicates some of the transferred money could be from Hudson West III. When the bank contacted Sara Biden regarding the overall wire activity, she stated that the Lion Hall Group and Owasco provide international and business consulting and that the Lion Hall Group was assisting Owasco with an international client through a contract that had since terminated. Sara Biden told the bank that she would not provide any supporting documentation, and she also refused to provide additional information to more clearly explain the activity. Consequently, the bank submitted the account for closure. ... On Aug. 17, 2017, three days after the first transfer from Owasco to The Lion Hall Group, it was publicly announced that Ye's CEFC Energy was in talks to purchase a stake in the Russian state-owned energy company Rosneft[.]"

Exactly three months after Hunter told YAN to wire the last of the "monthly draws" from YE's piggy bank, Hunter sent another \$95k to his uncle Jimmy. YE's largesse⁶³³ did not win YE any favors with XI, however, as Hunter complained about his benefactor's fate⁶³⁴ to his "idiot" assistant, Katie Dodge: "If you haven't noticed[,] Katie[,] my business partner [YE] is now a prisoner on death row in China."

Pay the health care. Pay the Porsche.

Pay yourself 1500 not 3000. Im sorry if there was a misunderstanding but I clearly don't remember saying not so I think you could believe that I have the capacity to pay you a \$72,000 a year salary for part time work with no hours and no Responsibilities beyond responding to my mail and paying my bills. Of which you rarely do anything but tell me I need to figure out what's in my inbox and do what I had hoped you could do that Joan did that Eric did that you won't. I'M not using ADP for a \$22000 down payment so you can have your taxes taken out. If you haven't noticed Katie my business partner is now a prisoner on death row in China. Somehow the directive of not cutting Devon half my Burisma pay never happened I pay more alimony than single divorce in the east coast including NYC. You pay more alimony just b/c I told her I would give her everything than Ron Perlman who is worth 6 billion dollars. So there's not much income coming through these days.

Ive told Eric 10 times to talk to George. Eric is not agreeing to my terms and pretending like I'm not being responsive. Please email him George and me that George knows my position and that Eric should talk to him. Also tell Eric that is asked that he please pay me 30-% of any business debt including the Wells Fargo business card- whatever the balance was the day I fired him. And please discontinue the autopay to Amex he somehow put into my Wells Fargo account. And I also am positive I signed esigned and returned loan doc to BHR directly. Please ensign it - I have the text to you that says yes I sign. FYI Eric has zero equity in any single thing related to me. Not BD not BHR nothing.

I am fully aware of what Kathleen wants.

I'll deal with tuitions when time comes.

In order for me to close the WF brokerage accounts you need to move all autopsy's to whatever new account best option would be for you to move them to one of my Bank or America checking accounts. I thought that was made clear in the email Edward sent us both. All brokerage accounts can then be closed and the Maisy account should be closed and the check sent to the CA address ASAP.

Today is the 28th not the 30th. Payday is the first and 15th.

Hello - I am trying to figure out what to do about bills/BD & BHR travel etc. Would you be able to let me know how you plan to proceed with things? Below is a up or we have discussed. No particular order ...

- 1) Signing the BHR loan? sent to you by Eric and forwarded to you by me he also is asking about the BD buyout. Should I start by contacting George?
- 2) UPenn tuition payment due Jan 4 \$27,945
- 3) Sidwell Payment due Jan 5 \$4,244.70
- 4) Health Insurance is past due \$5841.45 would make it current

- 6) Your storage unit check was returned. It costs \$780/month. It will cost \$4,975 to move all the stuff to Delaware. Due now is just the \$780. They have called me about this.
- 7) Pay day is today (Friday, Dec 30). Not sure how to handle that. ADP is is looking for \$22,500 to restart with them. Total bi-weekly is \$4k (you) +\$3k (me) +\$1k (Erin) = \$8k total :: Benefit of ADP is they do all the state & Fed taxes and issue W2s etc. Also Health Insurance uses tax compliance from payroll as part of the verification that the company exists/legit.
- 8) Porsche payment was due and was returned by Wells Fargo (Not sure if you have responded officially to Edward about closing accounts.) The Porche payment was about \$1,700.

HO's arrest not only impacted the destiny of YE, whose cover—and the influence⁶³⁵ operation⁶³⁶ he was conducting—was blown when HO was detained.⁶³⁷ Hunter's business colleagues were hounded with press inquiries for the latter half of 2018 and, according to Hunter, CIA operatives in China were detained in retaliation. In summary, the Bidens committed over two dozen federal felonies in connection with China. Hunter and his business partners (including his family members) committed egregious crimes, specifically money laundering, that have put many others—less connected saps—in prison for decades. Three of Hunter's Chinese benefactors⁶³⁹⁶⁴⁰ have either vanished⁶⁴¹ or been deported.⁶⁴² The family's crimes span over a decade and, as we will note in the final section of the Report, the statute of limitations have not passed on many of them. We want to tip our hat to an anonymous Twitter user who ascertained

the CEFC Energy/NGO laundering scheme and the players. Aside from the crude layout and one small mistake (HO called Jimmy after being detained at JFK International Airport), the graphic above was a clear presentation of a complex swindle and multiple FARA violations.⁶⁴³ The Bidens' business dealings with the CCP are still being probed⁶⁴⁴ by two Senators, albeit through milguetoast⁶⁴⁵ letters.

THE UKRAINE

Much has been written about Hunter joining the board of a Ukrainian-based energy company in April 2014 and Joe overseeing U.S. policy in that country and broader region. To simplify matters, Hunter's associates—with a few outliers—in this international fiasco were from these three organizations:

- Burisma (energy company): Vadym POZHARSKYI⁶⁴⁶ and Mykola "Nikolay" ZLOCHEVSKY⁶⁴⁷
- ▶ Blue Star Strategies (lobbying firm): Karen Tramontano⁶⁴⁸ and Sally Painter⁶⁴⁹
- Boies Schiller Flexner LLP (law firm): Heather King⁶⁵⁰

Deeply embedded into Democrat political circles, King was also an adviser to the ill-fated Hillary Clinton presidential campaign in 2016 and the former general counsel for a scam company called Theranos, a firm⁶⁵¹ whose facilities Joe hailed as the "laboratory of the future."⁶⁵² Tramontano and Painter were also far-left operatives and D.C. fixtures, having both served in key, high-ranking positions in the Clinton administration.⁶⁵³ In the background, Ihor KOLOMOISKY⁶⁵⁴ was the bankroller⁶⁵⁵ of Burisma through Cypriot shell companies—e.g. Brociti Investments Limited—and his front man, ZLOCHEVSKY. Hunter conceded that his Burisma gig was due to his surname: "The Biden name is synonymous with democracy and transparency, and that's why I said it was gold to them."⁶⁵⁶

Evidence on the laptop of the Bidens' meddling⁶⁵⁷ in the Ukraine began in March 2012 when Joe illegally⁶⁵⁸ utilized his private, alias email address (robinware456@gmail.com) to communicate about his son Beau's speech in Kyiv (ironically)⁶⁵⁹ entitled, "Corruption and the Judiciary." The gushing former U.S. Ambassador to the Ukraine, John Tefft, told Joe's then-National Security Advisor, Antony Blinken, that Beau's speech was "terrific" and that the "many young lawyers" present who were "involved with NGOs fighting corruption" doled out compliments to Joe's firstborn (and favorite) son.

Tony and Larry: As you know Delaware Attorney General Beau Biden was here on Friday to speak on Corruption and the Judiciary. He was terrific.

We had an overflow crowd at the Hyatt for the 90 minute presentation and "Q and A", including the largest number of Members of Parliament we have attracted to our Ambassador's Forum Speaker's series. Beau then attended a reception at the Residence where many of our Ukrainian colleagues had time to follow up with him in private conversation. We received many compliments on his presentation and for simply bringing him to Kyiv for a frank discussion of a problem that still bedevils this country. There was also a large group of young lawyers present, many involved with NGOs fighting corruption.

I would appreciate it if you could let the Vice President know that his son really helped us here. No exaggeration — Beau's visit was everything we had hoped for.

BURISMA: THE GREAT IRONY

For over eight years, Hunter and his fixers have repeated the lie that his Burisma board seat served as a "bulwark" against Russian aggression and energy dominance in the Ukraine. The key irony in this lie was that ZLOCHEVSKY—the front-man who helped fund Hunter's board seat—served under a Ukrainian president, Viktor YANUKOVYCH, who repeatedly rejected the European Union (EU) and other transnational arrangements, a key interest for Russia. LOCHEVSKY had previously served as the Minister of Ecology and Natural Resources under YANUKOVYCH, who fled to Russia. March 2014 following Western-led protests. (Unsurprisingly, YANUKOVYCH is, to this day, PUTIN's preferred. man to lead the Ukraine). Because of his previous position under YANUKOVYCH, ZLOCHEVSKY had authority to grant and/or revoke energy drilling permits, resulting in egregious self-dealing and enrichment for his firm, Burisma. In summary, Hunter and Archer's board seats were insurance policies—with a \$166k monthly premium—that ZLOCHEVSKY purchased against potential prosecution for his illegal acts when he served as Minister. Some mainstream outlets acknowledged this insurance policy and even a few liberal writers. Some mainstream outlets acknowledged this insurance policy and even a few liberal writers. Some mainstream outlets acknowledged the vice president's son to a Ukrainian oil board looks nepotistic at best, nefarious at worst."

Yanukovych before he was forced into exile. Hunter Biden, 45, a former Washington lobbyist, joined the Burisma board in April 2014. ZLOCHEVSKY scrambled to navigate the "delicate spot" in which he found himself after YANUKOVYCH fled. He appointed Hunter to Burisma's board just days before Joe flew to the Ukraine to announce a "new U.S. support package." However, due to optics, Burisma waited three weeks to publicly announce Hunter's new position. He press release, Hunter explained that his expertise in corporate transparency would help Ukrainian citizens: "As a new member of the Board, I believe that my assistance in consulting the Company on matters of transparency, corporate governance and responsibility, international expansion and other priorities will contribute to the economy and benefit the people of Ukraine." Hunter was not transparent about his lucrative no-show "Of Counsel" position with BSF, which had just received a \$250k wire from Burisma for "legal and consulting services" one week before the press release; Hunter was effectively double-dipping from ZLOCHEVSKY's largesse. The announcement also touted Hunter's nonprofit affiliations and endeavors, which were supposedly "helping to provide food and education to 300 million malnourished children around the world."

⁶⁶⁷ "The ouster of Yanukovych put the founder and president of Burisma, Mykola Zlochevsky, in a delicate spot. THE CURIOUS CASE OF ALEX KOTLARSKY

So how did Hunter snag this double-dipping gig with Burisma? Clues were offered by two of his business associates: Seb MOMTAZI⁶⁷¹ and Henri du Pont. MOMTAZI, an Englishman of Persian extraction who Devon Archer described in his lengthy sentencing memorandum⁶⁷² as "an inexperienced Assistant turned COO who was quick with my signature," referenced multiple \$10k outbound wire transfers to an "Alex K" from an account Hunter accessed. du Pont, from a well-known family⁶⁷³ of bankrollers for the Bidens, conveyed to Hunter that he "happened to meet Alex Kotlarsky," a Ukrainian Jew who lived in Brooklyn and worked for Archer at Rosemont Capital. KOTLARSKY was a digital ghost and photos of him could not be located online. Nevertheless, KOTLARSKY—who also ran a limousine service—struck an agreement with Hunter to receive 30% of Hunter's fees from Burisma for his first eight months on the board because he helped Hunter secure the position.

you as I told you briefly in <u>Janssen's</u> not long ago. <u>I had happened to meet Alex Kotlarsky last year in NYC and our discussions led to his asking if I could get work for them here in the region. My group is doing that and far more.</u>

Most importantly, one of the Sons of the current ruler of the UAE has begun an Agency and he is interested in taking on Burisma as his first client. It must be 100% and they have to be ready. I need to due diligence with you.

We are moving this forward so the sooner we can talk the better. I'm back in DE Sunday. Can we get together soon? Please let me know.

In total, KOTLARSKY managed to collect nearly a quarter of a million dollars for his unconventional head-hunting services—\$222,224 to be exact. Eric, All

Here are the cash "numbers" I referenced in our call this morning; these were derived (hopefully accurately) from Eric's email of April 11th (his was time stamped at 4:50 PM EDT; we got it from George via email time stamped 5:23 PM that day).

Given Eric's description of the \$51,835 "over draw" by Hunter in 2015, I have accounted for that amount below both as a "receipt" and as a subset of the "taxes" account/payout. However, as Eric clarified in our call today, the "taxes" hold back (whether constituting the gross amount of \$245,498, or the "net" amount after "repayment" of the overdraw (the net being \$193,663 per Eric's email)) was NOT actually paid to the IRS by or on behalf of Hunter during 2015.

Based on the calculations and assumptions shown below, it appears there is a "net" unexplained difference that I can't identify (thus far) for 2015 of +\$222,944. I'm hoping Eric's more experienced and knowledgeable eyes will let us know what I am missing.

In any case, here are my calculations from last night:

Hunter receives/is owed:

- \$833.333 (10 months of Burisma tracked through RSB)
- 51,835 (the "excess draw" taken out by Hunter from RSB)
- 166.666 (2 months of Burisma payments to Owasco) \$1,051.834

Hunter pays out:

- \$361,168 (payoff/down of Devon's loan to fund Hunter's investment in BHR)
- 222,224 (per Eric, which works out to 30%/mo, \$27,778, paid to Alex for 8 months as Finder's Fee)
- 51,835 (repayment attributable to Hunter out of "taxes" Hold Back to repay "over draw" from RSB)
- 193,663 (balance of "taxes" Hold Back of \$245,498 remaining after repayment of "over draw" to RSB) \$828,890

2015 cash payments attributable to Hunter not accounted for: \$222,944 (the difference between \$1,051,834 and \$828,890)

What am I missing?

Thanks for any input from any of you, especially Eric...

The grift was spelled out in an email by Archer six days before Hunter was appointed to the board of Burisma (and eleven days after Archer was appointed). Archer's "Key points" included ensuring Hunter could double-dip by "[e]ngag[ing] Bois [sic] Schiller (where Hunter is of counsel)" and to "[e]xplain [the] less overt role [Hunter] will play relative to [Archer, the] front man particularly through [the] elections[.]" Two weeks later, Archer stated in an interview to a Ukrainian outlet, *Kapital*, that the "sphere of my duties [with Burisma] is also building the policy of G[overnment]⁶⁷⁷⁶⁷⁸ R[elations]."⁶⁷⁹

Later that day, Hunter replied to Archer with a 22-point plan on how they were "not going to let a crisis go to waste."680 To cash in on the Western-backed chaos in the Ukraine, Hunter offered the following plan: "Our guy [Joe] needs to set himself up as the anti- Victor Pinchuk (coal and steel oligarch- pro Russian Yanukuvich [sic] supporter) ... The [Burisma] contract should begin now- not after the upcoming visit of my guy [Joe]." To discuss further plans, Hunter told Archer to "[b]uy a cell phone from a 7/11 or CVS tmrw and ill do the same." Hunter's twentieth point was another "cover your ass" (CYA) insertion for the paper trail, as the very next point (#21) laid out how "domestic policy makers" including (and especially) his father, Joe, were to be leveraged for a "[\$]25k p[er]/m[onth]" deal. 681

I have to go to Houston with Beau tmrw for MD Anderson check up. Some thoughts after doing some research. And some further thoughts on organization going forward.

- (1.) Poroshenko appears to be the likely next President. Determining our teams relationship with him is important. He is credible with the west and by all accounts a true reformer (by Uk standards).
- 2. Some sort of decentralization will likely occur in the East. If it doesn't the Russians will continue to escalate there destabilization campaign, which could lead to a full scale take over of the eastern region most critically Donetsk. The strategic value is to create a land bridge for RU to
- 3. That won't directly affect Burisma holdings but it will limit future Uk exploration and utilization of offshore opportunities in particular.
- 4. It will also result in further destabilization of Uk nationally and for whatever govt is in power. And the US will respond with even stronger sanctions. Those sanctions will threaten the tenuous support of the EU which does not have the political will to incur steep energy price
- 5. Which will result in further price increases on RU gas to the Uk.
- 6. The IMF loan guarantees will allow the Uks to weather the economic impact, but the required reforms to Uk public subsidies will weaken the new President.
- 7. There will be enormous pressure on Burisma to lower prices for the national good. Even if the company takes a hit in profits it would seem imprudent to raise prices in convert with RU price gouging.
- 8. Burisma has an opportunity here to play the hero if it ignores the artificial market value of their product and plays to the national interest.
- 9. Kazakstan could play a pivotal role by providing gas at rates lower than what the RUs are asking but I doubt they would want to poke the Bear. 10. The pipelines across Uk are the key to all of this. But if the Uks shut down the pipeline they also shut down 60% of their energy supply and put a strangle on EU supplies from RU which the EU will never accept (b/c they are pussies).
- 11. There is no immediate supplier solution to replace RU. Even if Burisma increased output from their reserves by 100% it would 1, take at least two years and 2, Uk would still be about 35% short of their needed gas supplies.
- 😥 Our guy needs to set himself up as the anti- Victor Pinchuk (coal and steel oligarch- pro Russian Yanukuvich supporter).
- (3) The best way to weather the storm btw now an elections is to throw all in with the chocolate king. Even if he looses to Tymosheko (unlikely per polls as of today) Poroshenko is a safe ally that could help protect him from the vultures of the moment. Additionally you me and Alex should reconnect with the boxer and help gain his support of our guy.
- 14. And it is the moment (btw now and Elections) that he needs to weather. If he is seen as unfairly profiting from the RU induced price spike things could turn against him fast.
- 15. The Burisma website or press releases should talk about how Burisma as the largest independent is committed to supplying Uk industry with as much power at a fair price as possible during this crisis with an emphasis on utilizing the best technologies and world class team to ensure increased production and domestic delivery post haste.
- 16. We can actually be of real value here. Developing relationships, bringing US expertise to the company, supplying strategic advice on politics and geopolitical risk assesment.
- (17) BSF can actually have direct discussions at state, energy and NSC. They can devise a media plan and arrange for legal protections and mitigate US domestic negative press regarding the current leadership if need be.
- 18. The announcement of my guys upcoming travels should be characterized as part of our advice and thinking- but what he will say and do is out of our hands. In other words it could be a really good thing or it could end up creating too great an expectation. We need to temper expectations regarding that visit.
- 19. We need to ask for long term agreement and across the board participation. This is a huge step for us that could easily become very complicated. And if we are not protected financially regardless of the outcome we could find ourselves frozen out of a lot of current and future opportunities.
- 20. To that end they need to know in no uncertain terms that we will not and cannot intervene directly with domestic policy makers, and that we need to abide by FARA and any other US laws in the strictest sense across the board.
- (21) The contract should begin now- not after the upcoming visit of my guy. That should include a retainer in the range of 25k p/m w/ additional fees where appropriate for more in depth work to go to BSF for our protection. Complete separate from our respective deals re board participation.
- (22) Buy a cell phone from a 7/11 or CVS tmrw and ill do the same.

680 Rahm Emanuel, "Let's make sure this crisis doesn't go to waste," Washington Post, March 2020, archive.ph/vw6XB 681 "Committee staff have found that several of the references to Mr. Biden's travel align with the travel records USSS produced to the Committees. For example, in one email allegedly sent from Hunter Biden to Devon Archer on April 13, 2014 at 12:43 AM, Mr. Biden referred to traveling to Houston 'tmrw.' Secret Service records show a travel entry for Mr. Biden from April 13, 2014 - April 14, 2014, to Houston, TX."

See "Johnson, Grassley Use Secret Service Records to Verify Content from Alleged Hunter Biden Laptop, Request More Travel Records," U.S. Senator Chuck Grassley, October 2020, archive.ph/9d8FE

Hunter was chomping at the bit to enter the Ukrainian energy sector—an industry in which he had no experience—and leverage his connections: "This could be the break we have been waiting for if they [Burisma] really are smart enough to understand our long term value." In order for Hunter and Archer to "actually earn [their] keep" and appear indispensable, they needed to hire a "discreet firm to perform due diligence ... on an ongoing basis" so they could launder the information back to Burisma.

This could be the break we have been waiting for if they really are smart enough to understand our long term value. If they are looking to just use us until the storm passes then we risked far too much for far too little. We could be invaluable in expanding their operations outside Uk by promoting their US partnerships and expertise- whether that's China, Mexico, other parts of the Black Sea, Poland etc...

Finally, we need to have a plan on how we develop a corporate entity or LLP that allows us to draw on funds generated here to free us from existing (under-producing current commitments) and to build our own investment and expansion strategy. Maintaining the status quo is not an option. We can preserve our interest in the areas where minimal involvement is appropriate but should not get greedy and try to keep all the balls in the air that exist today. RCP, RSTP, BHRT all make sense and can co-exist and progress without our day to day oversight. But Advisors and the BD need a transition plan. I am assuming that by making this move it will require us to be traveling extensively and actually earning our keep. If that's not the case then we will know we are being used in a way that's not appropriate. BHRT will be our only other major time commitment (and Realty). But from my discussions with Jimmy I'm a little concerned that their strategy of marketing a soft commitment from BOC is not going to get the job done. We had assurances that the PRC money would come first and we would build on that. Right now I don't see that happening. If they want us in Beijing once a month and pitching this outside PRC we should be getting paid in advance just like every other team member thats getting a salary. We should be hiring people like Jim Lee to work east Asia and Australia and our new 3rd party marketer here in the states to do the heavy lifting if she is interested. We should also find someone of similar capabilities to do the same in Europe.

We should also find a highly credible and discreet firm to perform due diligence and deep information for us on an ongoing basis. The kind of people that can get us information that's not available through a google search and some phone calls. We can use our own funds to pay for it and I'm sure your buddies down in Little Creek have some trusted independent contacts that do that sort of work.

Thoughts?

During the following week—and the day before Hunter was appointed to Burisma's board—the former President of Poland, Aleksander KWAŚNIEWSKI (also a Burisma board member), scheduled a Parisian retreat for Burisma in early May. Archer suggested how, as unregistered agents, they could leverage their connections for their foreign principal's gain: "Our guy [Christian Clerc]⁶⁸² probably has to help on securing rooms if we can't book thr[o]u[gh] regular means. We'll need 5 or 6 more rooms."

Archer provided a status update to Hunter after he illegally represented Burisma's interests at the U.S. embassy in Kyiv: "Embassy meetings today all went well. Heather [King] already blew through the retainer and sent another \$30k bill ... I am explaining we needed Boies for our protection initially ... And they haven't gotten [ZLOCHEVSKY's] [US] visa [ban] sorted yet either ... But again with Burisma, it's written off as 'protection' for us and everything's fine." I am explaining we needed Boies for our protection initially and if any ICSIS issues arise they're are briefed and ready for litigation. And they get that but we have to pull back as our budget is more important than Boies.

Personally I do think its a little extreme they've charged \$300k thru July for Heather to hire a handful of good consultants and for them to tell us we should have an audit committee and D&O insurance. And they haven't gotten the visa sorted yet either. They could milk this client in a far more sophisticated way and for a long term.

But again with Burisma, it's written off as "protection" for us and everything's fine. We have to move the billing into more comfortable arrangement though.

Even though the Ukrainian energy mogul had arranged for Hunter and Archer to be on the board of Burisma, ZLOCHEVSKY's visa was still being denied, rendering him unable to travel to the States. As a result, the former⁷⁰² acting director of Immigration and Customs Enforcement (ICE), Sandweg, was summoned to (illegally) grease the gears of ICE and other U.S. federal agencies, violating the FARA.

⁷⁰² Dan Cadman, "Dumb and Dumber: John Sandweg []," Center for Immigration Studies, April 2019, archive.ph/jknC9

Sandweg also illegally utilized nonpublic information from at least two federal government officials when he inquired about ZLOCHEVSKY's visa status. However, the nonpublic information Sandweg received was bad news: the visa was still being blocked. Sandweg then laundered the information about the visa status back to ZLOCHEVSKY through POZHARSKYI and Hunter's business partner, Schwerin. In the background of this illegal representation, POZHARSKYI pressed⁷⁰³ Hunter and Blue Star Strategies for "concrete tangible results" with the "ultimate purpose" of their aforementioned \$166k monthly insurance premium being to "close down for [sic] any cases/pursuits against Nikolay in Ukraine." Tramontano committed perjury when testifying to Senators about her firm's involvement.⁷⁰⁴

The \$166k monthly insurance premium for Nikolay's⁷⁰⁵ "support" was sent to RSB, LLC—formerly named Rosemont Seneca Bohai, LLC—in two equal wire transfers of \$83,333.33. The wire transfers were typically facilitated though AS PrivatBank in Latvia, which was KOLOMOISKY's laundering vehicle of choice.⁷⁰⁶⁷⁰⁷ Ten days after the wire transfers went through in September 2015, Hunter flew on Air Force Two and took in the pleasantries of Italy, which included a private tour of the Coliseum. The Bidens' government-sponsored jaunt included Joe, Jill, and the rest of the family—sans Kathleen.

⁷⁰⁵ "[I]n the case of former Ecology Minister Mykola Zlochevsky, the U.K. authorities had seized 23 million dollars in illicit assets that belonged to the Ukrainian people. Officials at the PGO's office were asked by the U.K. to send documents supporting the seizure. Instead they sent letters to Zlochevsky's attorneys attesting that there was no case against him. As a result the money was freed by the U.K. court and shortly thereafter the money was moved to Cyprus. ... We want to work with Prosecutor General Shokin so the PGO is leading the fight against corruption."

As with Hunter's many shell companies, the Bidens' goal was to create plausible deniability by inserting layers between the origin of information/money/influence and the recipient/beneficiary. One week near the end of 2015 was especially illustrative of these schemes. Hunter and his partners used Ryan Toohey as a front man for the FARA violations when trying to massage stories⁷⁰⁸⁷⁰⁹ from the *Wall Street Journal* and *New York Times*. No one knew these schemes better than Kaufman, Hunter's frequent lunch guest and confidante who Joe appointed to the Senate when he became the V.P.⁷¹⁰

⁷¹⁰ "Arguably Biden's closest and most trusted advisor, Kaufman has aided Joe From Delaware in every election he's entered: six successful bids for the Senate, and two failed bids for the White House. For the past six months, Kaufman said, he's been in Washington two, three days a week, advising the Vice President."

See Rob Kunzig, "Ted Kaufman, Biden's Guy," Morning Consult, November 2015, archive.ph/6SMq9

Immediately preceding Hunter's lunch with Kaufman was a White House conference call. During that call, Blue Star Strategies was busy doing the bidding of Burisma. Evidently, the lobbying shop tasked the young guy in the office with sending the most incriminating emails, as the note from Sean Keeley describing the call revealed blatant FARA violations. POZHARSKYI was on the email chain, so Keeley either did not bother—or forgot—to launder the information from the White House through Hunter's crew back to POZHARSKYI. Equally interesting was the fact that Schwerin forwarded Keeley's email to Hunter, not realizing that Hunter was on the original distribution list. Schwerin's email implied that Hunter was deliberately kept off of other email chains in the past in an attempt to cover Hunter's digital tracks and create plausible deniability. The memo, which "outlined [Joe's] trip⁷¹¹ agenda," was not available on the Laptop, as the Wi-Fi was disconnected. Joe's DOJ let Blue Star Strategies get away with these crimes by retroactively filing under the FARA, à la Tony Podesta.⁷¹²

The following day, John Kerry, then-U.S. Secretary of State, pressured the president of the Ukraine, Petro POROSHENKO, to fire the Ukrainian Prosecutor General, Viktor SHOKIN, who had opened an investigation into Burisma.⁷¹³ In fact, Kerry told POROSHENKO that "the Vice President [Joe] is very concerned about it." Two months later, Joe threatened to withhold a \$1B loan guarantee, in coordination with the International Monetary Fund (IMF), if POROSHENKO did not fire SHOKIN.⁷¹⁴ When Joe later bragged and recounted this international quid pro quo at an event⁷¹⁵ sponsored by the Council on Foreign Relations—"Well son of a bitch! He got fired!"—Joe was flanked by Michael Carpenter.⁷¹⁶ When the calls between Kerry, Biden, and POROSHENKO leaked, Carpenter went on the record and declared that the audio files—for which there is zero evidence of tampering—were part of a "KGB-style disinformation operation tied to pro-Russian forces in Ukraine whose chief aim is to make deceptive noise ... to advance the interests of ... the Kremlin[.]"⁷¹⁷ Just two weeks before Joe threatened POROSHENKO, Hunter gushed to POZHARSKYI about ZLOCHEVSKY's generosity: "[T]hank NZ [ZLOCHEVSKY] for the beautiful birthday gifts[, but they were] far too extravagant[.]"

As a reminder: Hunter, at that time, sat on the board of Burisma, whose core operations were in POROSHENKO's country (although Burisma was actually domiciled in Cyprus for money laundering purposes).⁷²² A simple web search confirmed Joe's schedule⁷²³ during that time frame and proved that Joe did travel to Rhode Island on 05/27/2016, where he met with his current Secretary of Commerce, Gina Raimondo. 724

Joe's secret alias email address was, in one respect, simply par for the course during the Obama administration: Loretta Lynch and Eric Holder used aliases, as well as Obama⁷²⁵ himself, along with Hillary Clinton who used two private aliases: hdr22@clintonemail.com and hrod17@clintonemail.com.726 However, the Presidential Records Act (44 USC § 2207) and its requirements put Joe's alias account (Robert.L.Peters@pci.gov) in a particularly troubling light. (As an example, when one searches for Robert.L.Peters@pci.gov on BidenLaptopEmails.com, 27 results appear.) Members of the U.S. Senate⁷²⁷ have asked questions about this email account, but Joe's lawyers have simply ignored⁷²⁸ the letters.⁷²⁹ A nonprofit watchdog has also submitted a FOIA⁷³⁰ request to the National Archives and Records Administration (NARA), although the likelihood that the NARA is responsive is low. Footnote 2: When Dan Fried called me in the summer, asking if I would be willing to talk to Painter, the subject was Zlochevsky, and allegedly the bad reputational deal he was getting. I warned <u>Dan</u> this was a <u>sticky wicket</u>, that <u>Zlochevsky</u> was viewed as corrupt, not just in Ukraine but by the USG/FBI, that he almost certainly had paid a bribe to the PGO office (Yarema team) to have them close a case against Zlochevsky in December 2014 and issue a letter to that effect to <u>Zlochevsky's</u> lawyer, who flipped it to a UK judge, who unfroze assets that the FBI and MI5 had spent months trying to make a case for asset repatriation – the first and so far only possible case, in an effort we collectively have spent hundreds of thousands of dollars. Furthermore, the presence of Hunter Biden on the Bursima board was very awkward for all US officials pushing an anti-corruption agenda in Ukraine. BRIEFING CHECKLIST (BCL)

Ambassador Yovanovitch's Meeting with
Karen Tramontano, Blue Star Strategies

Thursday, December 8, 2016 Interpretation: N/A

10:30-11:00 Ambassador's Office Interpretation: N/A Notetaker: EXT: 5365

CONTEXT

An Atlantic Council member and Washington veteran, <u>Tramontano [informally]</u> represents Mykola Zlochevskiy, the Burisma CEO who has long been the target of law enforcement proceedings in Ukraine.

WHAT DO WE WANT?

You should hear Tramontano out on Zlochevskiy's situation, but not suggest we
will change our posture on his case.

WHAT DO(ES) THEY/HE/SHE WANT?

Tramontano would like the USG to take a more positive view of Zlochevskiy and possibly meet with him.

KEY OBJECTIVES

- Zlochevskiy: the former Minister of Ecology fled Ukraine in early 2014 and
 was charged with corruption and sanctioned by the European Union. In 2014,
 British officials unfroze \$23 million in his British bank accounts. Zlochevskiy
 owns Burisma, one of Ukraine's largest gas producers. His official U.S.
 representatives sent a letter in September (attached) asking that the Embassy
 reconsider its position on him.
 - I appreciate hearing your side of the story.
 - However, we have extensive concerns about corruption in Ukraine, and we believe Mr. Zlochevskiy is an example. If he would like to clear his name, he should return to Ukraine to face the charges against him.

WATCH OUT FOR

Burisma and USAID: In September, USAID withdrew its Municipal Energy Reform Program's (MERP's) cooperation with Burisma on a joint program to award journalists for outstanding coverage of energy efficiency issues in Ukraine citing concerns about the appearance of a conflict of interest rewarding journalists with prizes paid by an energy company. Burisma provided approximately \$7,500 in prizes for last year's contest. Subsequently, USAID spoke to Blue Star Strategies representative Sally Painter by phone and indicated that we would be open to discussing other forms of cooperation between USAID and Burisma, and agreed to meet with Burisma Government and Public Affairs representative, Vadym Pozharskyi. In the November meeting, Pozharskyi briefed USAID on Burisma and the gas sector more broadly, but did not propose specific ideas for cooperation. While keeping the lines of communication open, we do not intend to pursue any joint cooperation with Burisma.

- I understand that Susan Fritz and Joel Sandefur had a good meeting with Vadym Pozharskyi.
- If pressed: I encourage you to have Vadym reach out to should Burisma have further ideas.

If there were any lingering doubts about whether Hunter—as a member of Burisma's board—was an unregistered "agent of a foreign principal" under the provisions of the FARA, his WhatsApp messages to Bobulinski certainly cleared things up: Four months after Joe left the vice presidency, Hunter was on ZLOCHEVSKY's yacht off the coast of Monaco and was "fighting for the only income [Hunter had] left right now from Burisma." In other words, Hunter's value⁷⁴⁴ to the foreign principal took a nosedive after his father left public office. ZLOCHEVSKY even cut Hunter's director's fee in half! Nevertheless, the always eager-to-please POZHARSKYI assured Hunter that he would find the new director's rate of \$40k/month "both fair and reasonable." Besides the annual jaunt to Monaco (where ZLOCHEVSKY was hiding⁷⁴⁵ out) in the early summer for a forum on "Energy Security" sponsored by Burisma, Hunter's duties were thin. So thin were Hunter's responsibilities that Schwerin even joked with Hunter after he signed the new Burisma⁷⁴⁶ contract: "That's the easiest \$500 million dollars you ever made!"

Hunter wanted to make sure his "idiot secretary," Katie Dodge, knew that their company's payments from Burisma were solely due to Hunter's valuable surname. In fact, Hunter was enraged that Archer considered the Burisma payments "his \$," considering that Archer resigned from Burisma's board after his aforementioned indictment (for scamming Indians and pensioners with junk bonds). Adding to Hunter's beef was the fact that Archer named Hunter and Joe as witnesses in Archer's trial in NY and did not tell him. Two weeks after Hunter's outburst, Joe told Katie that Hunter had "gone missing."

The Bidens' crimes in and around the Ukraine left many loose ends. If there ever were a loose end that had to be tied up, it was KOLOMOISKY.⁷⁴⁷ Joe had been focused on KOLOMOISKY for years; in fact, on 11/16/2016, just after the U.S. presidential election, Joe pressured⁷⁴⁸ POROSHENKO to nationalize PrivatBank right away. KOLOMOISKY had stolen⁷⁴⁹ billions in IMF loans—funded, in part, by U.S. taxpayers—through his ownership of PrivatBank. If PrivatBank collapsed, then the Ukraine would have descended into deeper chaos. People might have started asking questions about the ultimate source⁷⁵⁰ of the money ZLOCHEVSKY used to pay Hunter's Burisma board fees. Joe was not going to let civil forfeiture cases in district courts be his only warning to KOLOMOISKY to keep quiet about Burisma and other matters. Joe—through his fixer, Blinken—banned KOLOMOISKY from entering the U.S., a toothless and posturing move as KOLOMOISKY rarely travels to the States.⁷⁵¹

KAZAKHSTAN

Hunter and Archer were deeply imbedded with the highest levels of government and wealth in Kazakhstan. Alongside an American-born banker named Marc Holtzman (a former vice chairman⁷⁵² of Barclays who helped coordinate the meetings), Hunter and his activities can be put into two boxes: he 1) acted as unregistered agent for oligarch Kenes RAKISHEV⁷⁵³⁷⁵⁴ and the then-Prime Minister of Kazakhstan, Karim MASSIMOV, and 2) attempted to strike a deal between Burisma and the China National Offshore Oil Corporation (CNOOC), which would have utilized energy reserves in Kazakhstan. CNOOC is under U.S. sanctions for actions in the South China Sea. MASSIMOV, a graduate⁷⁵⁵ of Wuhan University, has been praised by CCP-controlled⁷⁵⁶ outlets because he "work[ed] with China to promote the construction of the Belt and Road."⁷⁵⁷ However, praise from the CCP could not keep MASSIMOV from serious legal troubles—he was charged with treason in January 2022.⁷⁵⁸

Archer was eager to introduce Hunter to RAKISHEV, who he described as the "the son in law of the Mayor of Astana ... Kazakstan's richest man." RAKISHEV was apparently keen on "capitalizing Rosemont Seneca Partners in some way[,] shape[,] or form." Vitaly PRUSS, the president of TriGlobal Strategic Ventures (TriGlobal), told Archer that RAKISHEV was "worth close to a billion in his own right." TriGlobal employed the aforementioned KOTLARSKY and worked closely with figures⁷⁵⁹ connected to PUTIN—the firm's founders ingratiated themselves with whomever was close to power.⁷⁶⁰ RAKISHEV's father-in-law, Imangali TASMAGAMBETOV, was the ambassador to Russia.

Made possible by his relationship with Secretary of State Kerry, Archer illegally back-channeled for the government of Kazakhstan. Archer bragged to his (and Hunter's)⁷⁶¹ colleague, Bevan⁷⁶² Cooney, about his § 951 violations: "I am coordinating the Sec State's [Kerry's] call with Foreign Minister Idrisov⁷⁶³ [sic] today in order for Idrisov [sic] to brief Pres[ident] Nazarbaz [sic]. RAKISHEV was so close with Hunter and Archer that he referred to them in familial terms when he inquired about their illegal back-channeling: "Brothers[,] how is our meeting with JK [John Kerry]? Pl[ea]s[e] last push! That will be great! Thanks!" Archer responded calmly: "He [Kerry] is ready to visit KZ [Kazakhstan]. If we [RAKISHEV and Hunter's firm] have some business⁷⁶⁴⁷⁶⁵ started as planned[,] I will ensure its [sic] planned soonest." Well, as luck would have it, "some business" between the parties began to materialize: CNOOC wanted a chunk of Kazakhstan's vast oil reserves—and Burisma was a natural fit, in Archer's mind, to operate the rigs above those reserves: "If we can connect the dots here between CNOOC and Burisma[,] we can do only that, forever." The following year, Hunter's dad and Archer's mentor (Kerry) worked to shut down the U.S.'s Keystone pipeline.⁷⁶⁶

Archer's purposely obscure reference to "some business" also included a new Porsche SUV for Hunter, the funds for which Hunter did not report to U.S. tax authorities. One of RAKISHEV's many shell⁷⁶⁷ companies—Novatus Holding Pte. Ltd., domiciled⁷⁶⁸ in Singapore—wired \$142,300⁷⁶⁹ to Archer's bank account at Rosemont Seneca Bohai, LLC on 04/22/2014. ABLV Bank, based in Latvia, facilitated the transaction, the memo for which read: "For a car." ABLV bank was a favorite money laundering vehicle for criminals like RAKISHEV and Archer; in fact, because ABLV was intimately involved "in North Korea's procurement or export of ballistic missiles" and other egregious illegal activity, the U.S. Treasury effectively killed the bank by cutting it off from the U.S. financial sector.⁷⁷¹

The very next day after receiving the wire from RAKISHEV's shell company, Hunter caused the \$142,300 lump sum to be wired to a "Schneider Nelson Motor Company," based in New Jersey. Contemporaneous emails exchanged between Hunter and Archer revealed that Nurlan ABDUOV orchestrated the money laundering, but the cash was sent through RAKISHEV. That summer on 07/15/2014, Hunter called the criminal activity a business transaction too complicated to explain, but he nevertheless ended up with a 2014 Porsche Panamera Executive 4S fully loaded blue.

The aforementioned energy deal—which Hunter's colleagues discussed using the code name of "Project Carmen"—between CNOOC⁷⁷⁵ and Burisma was going to be capitalized with \$40M by BHR. Archer told POZHARSKYI that the "primary meeting [was] set [up] with the Prime Minister of KZ [Kazakhstan], Masimof [sic], on June 2nd [2014]. Everything will revolve around that meeting and the subject will be securing the highest quality proven reserve fields in KZ" in order for Burisma to then send those energy deposits to China.⁷⁷⁶ Hunter not only violated the FARA by advocating for "Nikolay's visa issue[s]" to U.S. feds, but he also declined Secret Service protection in Kazakhstan.

Holtzman, who at that time was the Chairman⁷⁷⁷ of Kazkommertsbank (the largest so-called "private" bank in the post-Soviet nation), wanted Archer—and Hunter—to join him and MASSIMOV⁷⁷⁸ for breakfast in a private suite⁷⁷⁹ at the Willard Hotel. The prime minister was "eager" to discuss "several matters" with Hunter and Archer. As was standard practice, these sorts of invitations were sent to Archer—the parties wanted Hunter (and presumably Joe) to be able to claim plausible deniability.

The following week, MASSIMOV was still on Hunter's mind as he formulated the guest list for the aforementioned dinner with Joe and his business partners. Hunter confessed the scheme in an email to Michael Karloutsos, the son of the then-leader⁷⁸⁰ of the Greek Orthodox Church in America: "Okthe reason for the dinner is ostensibly to discuss food security. Dad [Joe] will be there but keep that btw [between] us for now. ... Most notable [sic] the Prime minister [MASSIMOV] of a country[.] I'll tell you over [the] phone." Karloutsos gleefully replied: "Everything is between us. All good! ... I know you mentioned your dad [Joe] would probably join the dinner as well." Karloutsos and Hunter also sought Chinese cash together, even exploring an ill-fated venture which involved shipping Chinese railcars to Greece. Incredibly, Karloutsos—a friend of Reince Priebus—worked at the State Department under President Trump.⁷⁸¹ Xanthi, Michael's mother, serves on the board of the Beau Biden Foundation.⁷⁸²

Hunter not only had an affinity for RAKISHEV and MASSIMOV, who he called a "close friend." Hunter was also "very good friend[s]" with MASSIMOV's son, Iskander KARIM, their embassy's military attaché.⁷⁸³⁷⁸⁴ Photographic evidence produced by an anti-corruption outfit⁷⁸⁵ exposed Joe's lie that he never met with Hunter's foreign business partners. Joe most certainly did—at Cafe Milano in D.C. on 04/16/2015. The following day, Holtzman (the Kazakhs' American handler) wrote a gushing email about how Hunter's guests were "wonderful company" who had engaged in a "great conversation."

As previously noted, Archer was repeatedly sent invitations—even from foreign ministries with the son (KARIM) of their prime minister ccd—that were actually intended for Hunter. The practice was an effort to create layers between Hunter and the influence that was being sought, in order for Hunter to claim plausible deniability and leave as little of a paper trail as possible. As he himself explained to Hunter, Archer was the loyal "front man" who organized one-on-one, face-to-face meetings with Secretary Kerry in Hunter's place. Hunter bragged about these connections, even to Americans.⁷⁸⁶

Hunter's "food security" cover story for hosting the dinner at Cafe Milano with Joe was an old trick he had used for decades. ROMANIA

As was the case with the Bidens' misadventures in the Ukraine. Hunter's commercial endeavors in Romania involved a prosecutor who did not serve his benefactor's interests—and therefore needed to go—and Boies Schiller Flexner LLP (BSF) fixers always by his side. This time around, the mission was to utilize Hunter's connections in the U.S. government to get an enterprising prosecutor in Romania to stand down. Along with Chris Boies⁷⁸⁹ (the son of BSF's founder) and former White House lawyer⁷⁹⁰ Mike Gottlieb, Hunter was on a mission to turn the gears of the so-called justice system in Romania for the benefit of Gabriel "Gabs" POPOVICIU.791 A real estate tycoon, POPOVICIU was a member of the so-called "communist royalty" in the post-Soviet country and had been charged with bribery and abuse of power involving a commercial development in Bucharest called Baneasa.⁷⁹² Hunter's shameless arm-pulling operation was put into overdrive by former FBI director, Louie Freeh, who he recruited. Right-leaning publications, such as the *Daily Mail*, did not point out the similarities between Hunter's influence peddling on Burisma's board for ZLOCHEVSKY and his attempt to get POPOVICIU out of a jam (seven years in prison). The New York Times even asserted that Hunter and his fixers did not violate the FARA—nothing could be further from the truth.

Michael "Mike" Julian Gottlieb DOB: 01/26/1977 NY Bar #: 4424149

789 Chris's father, David Boies, was the longtime counsel and legal fixer for serial rapist Harvey Weinstein: "Boies personally signed the contract directing Black Cube to attempt to uncover information that would stop the publication of a Times story about Weinstein's abuses, while his firm was also representing the Times, including in a libel case." See Ronan Farrow, "Harvey Weinstein's Army of Spies," *The New Yorker*, November 2017, <u>archive.ph/XhRN0</u>

⁷⁹⁰ Gottlieb, in addition to representing a 2020 presidential [s]election worker from Atlanta named Ruby Freeman, was one of the legal fixers for Aaron Rich, the brother of DNC staffer Seth Rich. Alongside his colleague from BSF, Gottlieb stomped out any opposing narrative surrounding Seth's unsolved murder on 07/10/2016.

He was sentenced to a total of 7 years' imprisonment ... the criminal charges date back to 2000 and cover a period of about eight years. The appellant was accused of conspiring with Alecu Ioan Nicolae to transfer a plot of land known as Baneasa Farm from state ownership to a private company, SC Log Trans SA, in which [POPOVICIU] had an interest. Baneasa Farm was occupied by the University of Agricultural Sciences and Veterinary Medicine, Bucharest. Alecu was the Rector of that university.

Chris Boies was the perfect partner for Hunter in this arm-pulling operation, given the former's deep relationships with people who could help influence the outcome of Gabs's case. Boies bragged to Archer: "One of my partners is best friends with the newly-appointed⁷⁹⁴ Ambassador to Romania [Hans Klemm] (he's going to the swearing in)." Gottlieb facilitated a dinner with Hunter and Klemm in D.C. to propagandize the U.S. ambassador about the misdeeds of the Romanian prosecutor, Laura KÖVESI.⁷⁹⁵ KÖVESI was going after a princeling—POPOVICIU. Hunter was hired to shut it down.⁷⁹⁶

A former⁷⁹⁷ U.S. Ambassador to Romania and a close personal friend⁷⁹⁸ to Joe, Mark Gitenstein was also involved in the propaganda effort. Hunter told Walker and others about "assembl[ing] a more high profile [*sic*] team" which included, of course, "Judge Freeh." In a sickeningly ironic email, Gottlieb lamented an article⁷⁹⁹ in *Politico* which detailed how Romania had increased transparency into their judicial proceedings. In the end, Hunter enticed Freeh to join their team for POPOVICIU, who, he claimed, "never balked at bringing whatever team it t[ook] together at whatever cost" to stop KÖVESI.

⁷⁹⁷ "Romania was by then a familiar place to the Biden family. A close friend and former staffer of Joe Biden, Mark Gitenstein, held the position of U.S. ambassador to Romania from August 2009 to December 2012. In March 2012, Hunter's brother, Beau, was asked to do the ribbon-cutting at the new U.S. embassy in Bucharest. Vice President Biden visited Romania in 2014 and delivered a forceful speech against graft. 'Corruption is a cancer, a cancer that eats away at a citizen's faith in democracy,' he said. However, Freeh ran into roadblocks doing POPOVICIU's bidding: "The problem with DOS (and probably DOJ/FBI) is they have been trumpeting the success of rule of law in Romania[.]" The content of Freeh's messages was irrelevant, as the interactions themselves were illegal—Freeh did not qualify for an exemption per **22 USC § 613(g)** and, although on foreign soil, he repeatedly lobbied U.S. officials.⁸⁰¹

Being an unregistered foreign agent for POPOVICIU paid well. Cash windfalls were advantageous in the short run, as Hunter was certainly in need of liquidity due to mounting debts in all areas of his domestic life: From his long-suffering marriage counselor and shrink⁸⁰² Debbie Schechter to his boat⁸⁰³ marina, along with his family's dentist⁸⁰⁴ and daughter's psychiatrist,⁸⁰⁵ the Bidens' financial obligations were pulling Hunter all over the globe—literally. Dear Sarah.

I sent you the draft Motion to Assign this morning. Please let me know when you have had a chance to review.

On the disclosures, help me understand why it is taking so long to get this basic information. <u>Hunter's office confirmed to Kathleen a deposit of more than \$120,000 into Hunter's TD account, as funds from the "Romania deal."</u> There is no reason to continue to delay providing us the TD account statements and all expenses since the end of the last statement. If there is a reasonable explanation for why those funds are not being used to pay the family's pressing expenses that reason should be shared with us immediately. Otherwise, please immediately provide Kathleen with half of this deposit.

We agree with you that the parties are in a very precarious financial situation: they owe \$200,000 in taxes, they owe Kathleen's parents \$100,000 (which has not been paid in two years), the credit cards are maxed out, Hunter maxed out a Bank of America cash advance, and their bills are not being paid. And yet, Hunter has been enjoying time in California with Hallie? It is more than fair to ask for Hunter immediately to provide Kathleen with half of the \$120,000, and immediate disclosure with respect to his TD account.

On Jan 12, 2017, at 12:59 PM, SMancinelli <SMa

I am comfortable with the email as drafted below- I added language about this being without prejudice, etc.

If you approve, Hunter, I will send this out.

Rebekah-

I met with Hunter last week. We spent the vast majority of that time doing our best to develop an interim support and bill paying arrangement. While it is not a sustainable scenario for a final settlement, Hunter wants to develop an interim arrangement in keeping with Kathleen's desire for him to continue to be responsible for the payment of all of their recurring monthly expenses (which ranges between \$22,000 and \$25,000). Hunter recognizes the bill paying responsibility has never fallen on Kathleen's shoulders and at this juncture, he appreciates that she would prefer that not to change so he will continue to pay all of the recurring expenses in the interim.

Our primary goal with the proposal below is to project for Kathleen the payments that Hunter expects to receive this month and how those funds will be allocated- including funds for retainer payments. I will say that for a long-term settlement, we will have to have a better understanding of Kathleen's expenses. Given that all of her fundamental living expenses are paid for from the auto-pay account, we will need to more fully understand what her additional reasonable living expenses are so we can develop an appropriate support structure going forward. Therefore, this proposal is without prejudice to a final settlement.

1) On or about January 20th, Hunter will receive his salary payment of \$70,000 from Owasco, PC representing his monthly fees from Burisma:

Salary: \$70,000 Net pay: \$39,000 Autopays (approx): \$25,000 Remainder (approx.): \$14,000

Hunter proposes paying Kathleen \$10,000 on or about the 20th and he would retain the remaining \$4,000.

2) Hunter believes a \$60,000 "Romania" related payment may come in before the end of the January. Should that payment be received, Owasco, P.C. would pay out a bonus in the amount of \$60,000 and there would be \$34,000 remaining after taxes

Net pay: \$34,000

From that \$34,000, Hunter proposes the following:

Dr. Giannini's bill is paid (\$3,662) \$10,000 for Kathleen's retainers

\$10,000 to Kathleen \$10.338 to Hunter

Therefore, of the possible \$130,000 Hunter hopes to receive in January, Kathleen would receive \$20,000 and Hunter would receive \$14,338. And Kathleen's retainer and the bill for Dr. Giannini would also be paid. In addition, Lourdes is owed \$1,380 that Kathleen promised Lourdes to help with her taxes. If Kathleen could pay that out of her \$20,000 that would go a long way to chipping away at some outstanding debts

Should any additional money come in above and beyond that \$130,000, we will alert you to that ASAP. I can say, however, that any additional cash that becomes available will likely need to first be applied to debt/tax payments before being distributed out to the parties for their discretionary use.

3) There is not yet certainty as to what the February numbers will be at this point. We hope to have a better idea of that figure soon and once we do we can better ascertain how to handle February. I would note however, that in February, Hunter and Kathleen will have to begin a payment plan to pay the IRS which will impact the amount available for discretionary spending. In addition, while Hunter is no longer paying rent and utilities for his apartment, the apartment was rented by Owasco, P.C. and Hunter will need to dedicate a portion of future discretionary spending to pay Owasco, P.C. back for those costs and/or dedicate a similar amount of money to his own living expenses.

With the goal of operating in a fully transparent manner, every week a spreadsheet will be circulated demonstrating how all of the parties funds are

I understand that the majority of Hunter's belongings were removed from the garage at the marital home. Please confirm.

We trust this will be an agreeable way forward for the remainder of the month of January. We would like to turn our attention to developing a mutually agreed upon comprehensive settlement arrangement.

The proceeds from the illegal representation⁸⁰⁸ were repeatedly discussed by Hunter and his colleagues,⁸⁰⁹ who were "technically under contract [with POPOVICIU] [un[til] Sept[ember] [2017]." The proceeds from this contract were then used, in part, to pay Hunter's liabilities to the IRS. As was done with Manafort's conviction, the U.S. government is entitled to these funds (as they were illegally acquired) and any assets Hunter purchased with them.⁸¹⁰ Remember, Hunter was free to represent foreign principals—he merely needed to disclose that representation to the DOJ and he never did.

⁸⁰⁹ "It's no secret the FBI suffered a series of embarrassments during Freeh's tenure, some of them deadly. They include the botched handling of the investigations into Waco and Ruby Ridge; the bombing at the Atlanta Olympic Village and the heavy-handed tactics used against Richard Jewell; the breakdown of the FBI crime labs; the inept pursuit of suspected atomic spy Wen Ho Lee; the belated discovery of turncoat agent Richard Hanssen; and the failure to deliver thousands of documents to defense attorneys during the trial of Oklahoma City bomber Timothy McVeigh. The FBI fiascoes seemed to come like clockwork under Freeh, and they continue to roll out to this day. Astonishingly, Hunter and his partners in the CEFC Energy grift also wanted to strike a deal with POPOVICIU over the same real estate tract in Bucharest that POPOVICIU was convicted of bribery over—Baneasa. Dubbed "Project Tiger" by Bobulinski and GILLIAR, the deal called for CEFC Energy and SinoHawk to co-own a company with Bladon Enterprises Limited, which was managed by POPOVICIU and owned by his mother, Ligia.⁸¹¹ You will recall the aforementioned subpoena that JP Morgan received on 05/15/2019 from the Delaware U.S. Attorney's office listed Bladon Enterprises Limited (the prosecutor misspelled the name of the firm as "Bladen") as one of the fifteen companies that the U.S. government was supposedly investigating. Gab's businesses—which implicated both Giuliani⁸¹² and the Bidens—were mired in so many crimes that even the *New York Times* sued the U.S. State Department over the latter's refusal to respond in a timely manner to its FOIA request.⁸¹³

811 "The deal between Chinese group China Energy Company Limited (CEFC) and Kazakhstan's state oil company KazMunayGas, which targeted a majority stake in KMG International, the former Rompetrol group, fell through, KMG International announced on Tuesday, July 3. CEFC reached an agreement with KazMunayGas to take over 51% of KMG International in December 2016. ... 812 "In effect, Mr. Giuliani and Hunter Biden were on the same team, if not at the same time. And their work to help the business executive, along with that of Mr. Freeh, stood in contrast to efforts by the United States ... MEXICO

Hunter and Cooper relied on Joe to make inroads with the Mexican elite; Joe directly negotiated deals with the world's then-richest man, Carlos SLIM, and met with SLIM on multiple occasions.⁸¹⁴ Like Hunter, Miguel ALEMÁN VELASCO was the son of a president and used that public office to enrich his family. VELASCO's son, Miguel ALEMÁN MAGNANI, used those riches to spoil Hunter and the Bidens, hosting them at his villa in Acapulco. However, like Hunter, MAGNANI has tax⁸¹⁵ and other legal issues; MAGNANI fled⁸¹⁶ to France—where his Miss Universe mother hails from—in July 2021.

814 "In country after country, the oligarchs Hunter was wooing had the good fortune to meet with the vice president, meetings that Hunter apparently arranged. Some were held in the host countries, some on the White House grounds." See Charles Lipson, "Biden Inc.: Hunter, Joe, and the Mexican Oligarchs," RealClear Politics, July 2021, archive.fo/OUgof 815 "A federal control judge in Mexico City issued an arrest warrant against businessman Miguel Alemán Magnani for the crime of tax fraud, judicial sources said. The order was at the request of the Attorney General's Office (FGR), who prosecuted the investigation file against the businessman. ⁸¹⁶ "Miguel Aleman Magnani is residing in France and fighting an arrest warrant in his native country on charges of tax fraud, his lawyer said Tuesday. Aleman Magnani is accused by Mexican authorities of not paying 65 million pesos (\$3.2 million) in taxes dating back to 2018 that the airline he co-founded, Interjet, collected from customers and employees but failed to forward to the government. Aleman Magnani has no intention to travel to Mexico for the time being." Along with conspiring to violate lobbying laws, Cooper organized meetings for his foreign principals, the founders⁸¹⁷ of a Mexican airline, with Joe. These businessmen, Hunter's "buddies," had a keen interest in meeting with the U.S. Secretary of Transportation, Anthony Foxx,⁸¹⁸ and Hunter made it happen. Hunter also organized meetings at the White House for them: "JRB [Joe] could do lunch on 26th or breakfast on 27th with Allemans. We could meet all day 26th and morning of 27th. I leave for AZ with Beau and dad [Joe] afternoon of 27th." For Cooper, the meeting details aligned with Obama's travels: "[A]ny movement on his⁸¹⁹ [MAGNANI's] stuff for O[bama]'s visit⁸²⁰ to Mexico next week?"

⁸¹⁷ "Interjet, founded in 2005 by the heirs of a Mexican president, debuted as a low-cost carrier in a market dominated by larger airlines. One of the founders, Miguel Aleman Magnani, fled to France in July as Mexico sought to arrest him in connection to a tax fraud case."

Hunter was likely perturbed that MAGNANI's⁸²¹⁸²² assistant actually copied him and Cooper on her email to Secretary Foxx's aide. As evidence on the Biden Laptop made clear, Hunter preferred to orchestrate these FARA violations in a less-than-direct manner to maintain plausible deniability.⁸²³

Hunter worked with Joe's assistant, Kathy Chung, to arrange a private powwow between SLIM and the V.P. for 10/30/2015.824 Just months before the meeting, Joe's brother, Jimmy, sent Hunter a characteristically frantic825 and error-ridden email about SLIM: "Have a very real deal with Pemex826 (Carlos slim)827 need financing literally for a few days to a week. Another crime—unrelated to Mexico, but relevant considering the accomplices—involved Chung829 again advancing Hunter's business interests by leveraging Joe's position. Chung sent to Joe via his secret alias email address (Robert.L.Peters@pci.gov) and Hunter—with his business email address ccd—a list of the personal⁸³⁰ cell phone numbers of the most powerful people in the U.S. government. With a subject line of "See below. These are all cell numbers.," we can presume that Joe was working the phones after Beau's funeral and Hunter was expected to help. Based on subsequent emails, we deduced that these numbers were provided by the White House Situation Room directly to Chung. and then laundered to Hunter, a clear violation of federal regulations concerning the use of nonpublic information. The list from Chung831 included former president Bill Clinton, a dozen incumbent and former U.S. senators and congressmen, along with multiple current and former cabinet secretaries.

The most clear-cut example of Hunter's (unregistered) representation of his foreign principal, MAGNANI, was a bizarre afternoon email he sent while aboard Air Force Two: "Jeff [Cooper] is with me [Hunter] on [the] [p]lane835836 and [h]e will be with us all day [in Mexico City]." Hunter lamented about how, even though he had "delivered on every single thing [MAGNANI] ever asked," his favors were not being fully reciprocated. In fact, although Hunter "appreciate[d] you [MAGNANI] letting me stay at your resort villa," Hunter had done more for MAGNANI by bringing "every single person you have ever asked me to bring to the F'ing WHite House and the Vice President's house and the inauguration[.]"837 Like a spurned girlfriend, Hunter was mad at MAGNANI's lack of communication: "I haven't heard from you since I got you a mtg [with Joe] for Carlos [SLIM] and your Dad [VELASCO]."

We are arriving late tonight on Air Force 2 to MX City. We will be there for Thursday - I'm attending meeting w/ President N w/ Dad. Jeff is with me on lane and we will be with us all day. Would love to see but you never respond . I am really upset by it. You respond when it's something you need. You are the most generous person I know but WTF. We have so many great things to do together and I want you at the plane when the the VP lands with your Mom and Dad and you completely ignore me. I've looked at what your family has done and want to follow in that tradition and you always say you will help but I haven't heard from you since I got you a mtg for Carlos and your Dad. We have been talking about business deals and partnerships for 7 years. And I really appreciate you letting me stay at your resort villa...but I have brought every single person you have ever asked me to bring to the F'ing WHite House and the Vice President's house and the inauguration and then you go completely silent - I don't hear from you for months. I don't know what it is that I did but I'd like to know why I've delivered on every single thing you've ever asked - and you make me feel like I've done something to offend you.

SERBIA

As previously mentioned, Vuk JEREMIĆ was called as a witness⁸³⁸ in HO's money laundering and FCPA trial. HO, as noted, was convicted, but JEREMIĆ very well could have been sitting in HO's seat, as the contents of the Biden Laptop revealed. JEREMIĆ's connections were made possible by his position⁸³⁹ as the minister of foreign affairs for Serbia from 2007 to 2012, and, afterwards, as the youngest president of the UNGA in history.⁸⁴⁰⁸⁴¹ When not posing for photos with Hillary Clinton and "steering the UN towards the establishment of the 2030 Agenda for Sustainable Development," JEREMIĆ was busy receiving cash from YE and HO as a "consultant" for their CEFC Energy conglomerate.⁸⁴² This gap-toothed UN technocrat also introduced Hunter to the Serbian monarchy.

⁸³⁸ "Vuk Jeremic reported to the indicted businessman, Dr. Chi Ping Patrick Ho, when he worked as a consultant for CEFC China Energy. Jeremic told a federal jury that he connected Ho to high-ranking officials in several countries and opened diplomatic doors for CEFC as it expanded its business around the globe. But in an interview following his hours-long testimony, Jeremic said he never had concerns about Ho's dealings."

As previously written by Antidote, Jeremić received a commission of USD 180,000 from PEMEX for his consultancy services, and 1.34 million USD from CEFC for the same service. ... CEFC directly and through related companies paid additional 4 million USD to Jeremić's non-governmental organization." See "[] Why Vuk Jeremić Received Millions," *Antidot*, December 2018, <u>archive.ph/AnujF</u>

Integral to JEREMIĆ's schemes⁸⁴³ was his "charity" called the Center for International Relations and Sustainable Development (CIRSD).⁸⁴⁴ Much like the CEFC NGO, CIRSD's mission statement was flowery but its operations were extremely murky. CIRSD enjoyed large "donations"⁸⁴⁵ from shell companies with opaque paper trails. In fact, Archer and Hunter coordinated a \$25k "gift" to CIRSD from one of Archer's shell companies (the aforementioned Rosemont Seneca Bohai LLC, which was used for laundering in for the Indian bond fraud). Emilio LOZOYA—who, like MAGNANI, was a Mexican businessman, fugitive, and Hunter's close associate—also leveraged Vuk's UN position.⁸⁴⁶

LIBYA

Hunter was cautiously determined to profit⁸⁵² from what Obama called the "greatest mistake"⁸⁵³ of his presidency. Due to Obama's CIA-backed overthrow and death of Libyan dictator Muammar GADDAFI in October 2011, the country descended into utter chaos. Over \$30B in assets held in Libya were effectively frozen, and these assets were unsurprisingly clawed at for years by a legion of lobbyists and foreign agents who offered their back-scratching services. This legion included a Saudi princeling named Mohammad al-RAHBANI, who had illegally contributed to Obama's second inauguration fund using a front man, Imaad SHAH ZUBERI. For these and other illegal contributions, ZUBERI was sentenced⁸⁵⁴ in February 2021 to twelve years in prison. al-RAHBANI⁸⁵⁵ wanted to hire Hunter to help recover his assets in Libya; Hunter's key qualification⁸⁵⁶ for this monumental effort was his surname. al-RAHBANI's offers were mediated through two characters, one familiar and one new. The former is Sandweg, a NXIMV-affiliated lawyer who ran ICE for a short time, and the latter is Sam JAUHARI.

⁸⁵² "The Biden email however provides an even bigger clue when it notes that Hunter 'said he has access to highest level in PRC, he can help there.' ... The People's Republic of China had been a major player in Libya. When the civil war arrived, it sided with Gaddafi and once he was overthrown, Chinese oil companies were frozen out. Getting China to support lifting some sanctions would require a quid pro quo arrangement that would let the PRC's oil companies and other businesses back into Libya. ... But the China factor explains why the Libyans considered Hunter Biden as an intermediary at all. The Biden family was a perfect halfway point between the Muslim Brotherhood and the People's Republic. Both the Islamists and the Communists had invested in the Biden clan."

The email below, which was released857 in another article apart from the Biden Laptop, revealed how candid and calculating JAUHARI858 and his partner were about the risks of hiring Hunter: "Per phone conversation[,] I met with #2 [Joe's] son. He [Hunter] wants \$2[M] per year [for a] retainer +++ success fees. He [Hunter] wants to hire his own people - it can be [a] close circle of people for confidentiality. Sandweg, too, conspired to violate the FARA by pitching Hunter—by virtue of his dad's position as the vice president—on the contract to unfreeze assets held in Libya. Given that Hunter's firm paid for one of Joe's iPhones and many other expenses, conspiracy to violate federal bribery laws (18 USC § 201) could be argued on the basis of Joe's material, pecuniary interests in the outcome of the contract. Sandweg861explained to JAUHARI: "I862 spoke with HB's [Hunter's] team yesterday. They are interested in the project, but emphasized that for them to get involved, the team (lobbyists, lawyers and PR) would need to be a small group of folks they have a tight relationship with. They do not want a large group involved and they only want people with whom they have a close relationship with due to the sensitivities surrounding their involvement." UNREPORTED INCOME & GIFTS

The Bidens' financial affairs were akin to a messy pickup truck dashboard that required constant and careful intervention from Hunter's business partners, particularly Schwerin, and Joe's discreet taxpayer-funded⁸⁶⁴ staff. To say that Joe has repeatedly lied about his knowledge and involvement with Hunter's businesses is not merely an opinion—the exhibits shown in the following pages proved that there was effectively one pot of money for the clan, and Joe was free to withdraw as much as necessary. Bear in mind that, both during Joe's vice presidency and immediately following his term, this family pot was filled by CCP-connected oligarchs with 3 carat diamonds⁸⁶⁵ and other hucksters who had financial interests that Joe could influence. The family money pot was overseen by Walter Deyhle, whose name appeared on Joe's tax returns, which did not disclose all of Joe's income.866

Hate to do this but I am going to send you a separate email that hopefully you can share with your Dad and get him to call me at some point. FYI, there a few outstanding bills that need to be paid and I am not sure which ones are a priority and which should get paid out of "my" account and which should be put on hold or paid out of the "Wilmington Trust Social Security Check Account".

There is about \$2,000 extra in my account beyond what is used for monthly expenses. I could probably pay #2, #3 and then #4(d) now (and possibly #4(a)) and then let me know if there are few we can pay from the Wilmington Trust account.

- 1) FYI, your annual workers compensation premium came due (for your household employee) and I had to pay that on May 28th. That was \$632.
- 2) Fran Person is owed \$436.80 for things he paid for on your trip to Arizona and Madrid
- 3) We have your first bill for your new line of credit from the Senate Credit Union, which is \$383.10 a month. I assume you want me to have this deducted from your salary automatically. If so, it is will obviously be \$383.10 less a month into the household bill account.
- 4) There is are a number of Mike Christopher bills outstanding: a) \$1,239 for repairs to the A/C in Mom-Mom's cottage (this is from last summer, I think and needs to be paid pretty soon.) b) \$1475 to Ronald Peacock for back wall and columns at the Lake house c) \$2600 to Earle Downing for a stone retaining wall at the Lake d)\$475 for shutters from RBI Construction
- 5) There is an outstanding bill for \$969.29 to Kiawah Island for your golf, etc that you played there last August. To be honest, we've tried to call them a few times to pay but they haven't gotten back to us.

Finally, I wanted to discuss the rental income you are going to receive for leasing out Mom-Mom's cottage. Since this counts as income we should hold a little back to be able to pay the taxes at the end of the year. If you want to have it deposited into my account, I can hold back a portion and deposit the remainder into the Wilmington Trust account. Wanted to discuss what your thoughts were on that.

Hunter and Walker flew down to Miami to meet with YE on Valentine's Day in 2017, as YE was in town for the International Boat Show.⁸⁷² After their dinner, which Hunter arranged under the false pretense of YE donating to the World Food Program USA, the Chinese tycoon gave Hunter a 3.16 carat diamond.⁸⁷³ Because Hunter was going through tense divorce settlement negotiations, this rock was indeed a fortuitous potential source of liquidity; however, Kathleen found out and her attorney sent a curt email—with a "Biden - Urgent" subject line—to Hunter's attorney: "Hunter is in possession of a large and extremely valuable diamond. Given his [Hunter's] recent dissipation of more than \$100,000 from his TD Bank account while the family's debts remain outstanding, we are concerned he will dissipate this asset as well. Please provide proof that the diamond has been placed in a safety deposit box – accessible only by both parties together – by noon tomorrow or we will have no choice but to ask the court, on an emergency basis, to enjoin his further dissipation of assets, including the diamond." Interestingly, Hunter's attorney modified the email that was sent to her before forwarding the email to Hunter by excising the portion about his dissipation of \$100k from the TD Bank account.

Hunter directed his attorney to lie, as her response to Kathleen's attorney demonstrated: "There is no diamond in Hunter's possession. I don't know where Kathleen is getting access to this information, but on this score, what your email purports below is inaccurate." Hunter certainly did not declare the approximately \$80k rock⁸⁷⁴ as income, and he has also provided no proof about where it ended up.

Kathleen was not bluffing about her demands, and the now-infamous diamond from YE actually made its way into her divorce filings amidst lurid (and truthful) accounts of Hunter's "drug use and infidelity" which caused the couple to "bounce[] three checks to their housekeeper." Kathleen's court filings also revealed Hunter's lie⁸⁷⁵ that he returned the diamond to YE, as Hunter later contradicted.⁸⁷⁶

The Biden Laptop contained multiple photos of the 3.16 carat diamond, which were taken with an iPhone 6s on 03/11/2018 at 39.776900, -75.615100 (coordinates which correspond with Hallie's home in Delaware). Kathleen would likely find it ironic that the diamond in dispute during her divorce proceedings with Hunter—that he denied possessing—was still in his possession over a year later at the home of her sister-in-law (with whom Hunter was having an affair during the divorce proceedings).

His spending rarely relates to legitimate family expenses, but focuses on his own travel (at times multiple hotel rooms on the same night), gifts for other women, alcohol, strip clubs, or other personal indulgences.

On or about February 17, 2017, Ms. Biden learned that Mr. Biden was in possession of a large diamond, on information and belief worth approximately \$80,000. When Ms. Biden, through counsel, asked Mr. Biden to place the diamond in a safety deposit box accessible only to both parties together, Mr. Biden, through counsel, denied possession of the diamond. See attached Exhibit A. Mr. Biden now admits, through counsel, that he was in possession of a diamond, but asserts that it has been returned to the entity that gave it to him.

BACKDATING FINANCIAL DOCUMENTS

Hunter's handling of paperwork and record retention practices required constant intervention from Schwerin and his other business partners. Hunter did not properly classify—or, in several cases, pay taxes on—certain income. Schwerin attempted to rectify these situations, but his actions were illegal in some cases. For instance, Schwerin conspired with Hunter to submit backdated documents to the SEC, IRS, FINRA, and other regulators—a clear violation of federal statutes and regulations.885

In April 2016, Schwerin conspired with Hunter's longtime accountant, the late Bill Morgan, to backdate an agreement concerning Hunter's taxable income from Burisma. The conspiracy involved an aforementioned shell company, Rosemont Seneca Bohai, which Schwerin referred to as "another entity." One of Hunter's attorneys, Levinson, again raised concerns about the legality of the actions.

Bill-

Per our conversation yesterday will you include an additional \$744,170 in income for Hunter for 2015?

This income includes 10 payments of \$55,555 a month which reflect his Board fees for service on the Burisma Board of Directors. As I mentioned, he was actually paid \$83,333 a month but ou of that paid \$27,778 a month to a third party as a "finders fee" for placing him on the Board. That amount was paid by another entity. We defer to you how best to capture that. If you include the \$27,778 as income to Hunter before the expense of the finders fee the total would be \$1,021,946.56.

In addition, this income also reflects a \$188,616.56 payment to Hunter from Rosemont Realty. I have attached a note from Rosemont Realty's tax adviser on how they believe the payment should be treated - that is, as a capital gain.

Hunter will be able to pay his extension payments for 2015 and his 1Q estimate for 2016 on the 18th as originally prepared. We are working to see if he'll have the cash available for these additional new payments but it would be great to know how much we need.

Also, can you assume Hunter will make a full \$53,000 SEP IRA payment in your calculations?

We will also prepare a letter from Hunter to Owasco, PC in which he assigns his Board payments to Owasco PC starting in November 2015.

Subject: Agreement Timing - NEXT STEPS

Hunter,

wanted to circle back and make sure we are all aware of some of the issues we will quickly encounter if we don't come to some conclusion on our agreement ASAP.

For a number of time sensitive reasons we need to at the very least come to an agreement on the high level structure. As it relates to the BD, we want to have an agreement that is effective as of 12/31/18 for tax purposes among others.

Most pressing, RSPI is currently undergoing its annual audit for 2018 and we need to inform the auditors about any potential structural changes. This audit will be finalized and submitted to the SEC in the next 3-4 weeks.

In addition, there is a capital contribution due for RSPI in the next couple of weeks and we don't want to make those contributions via Skaneateles so we can avoid having to file a joint 2019 Skaneateles return that reflects transactions related to RSPI.

By next week it would be great to get a handshake agreement effective 12/31/18 that I will give up my interest in BHR in exchange for you giving up your interest in the BD. We can deal with putting it into a written agreement and some of the smaller issues in the coming weeks after that. I don't think the smaller issues are great and shouldn't take much time regardless. But at least we can start operating under the new structure when we have the handshake agreement.

Because the BD is regulated by FINRA and the SEC we are both exposing ourselves to potential issues if we continue to leave this in limbo and we will lose any flexibility on when we can make this agreement effective.

Copying George and Katie as well so everyone is in the loop and on the same page.

UNITED STATES v. GALANIS et al.

When	Where (Venue)	Who (Accomplices)	What
07/15/2014—01/16/2017	S.D.N.Y.	Devon Archer, Jason Galanis et al.	17 CFR § 240.10b-5(c) & 18 USC § 371

Hunter was deeply involved in the acquisition of a company that stole at least \$43M from pensioners and Native Americans, even though Hunter was the only one in the upper cadre of the company who was not indicted.888 The company was called Burnham Financial Group, and the illegal scheme was straightforward but certainly not easy. The group 1) purchased—and thereby gained control of—two registered investments advisors (RIAs), namely Hughes Capital Management and Atlantic Asset Management, and 2) used funds under the control of those RIAs to purchase⁸⁸⁹ junk bonds issued by Native Americans, namely the Wakpamni Lake Community Corporation (WLCC) of the Oglala Sioux tribe. The management of the company then pocketed the proceeds from the sham bonds.890 Peter Schweizer recounted—based on publicly available documents—how critical Hunter was to the execution of the deal: "In the closing arguments at the trial, one of Devon Archer's defense attorneys, Matthew Schwartz, explained to the jury that it was impossible to talk about the bond scheme without mentioning Hunter Biden's name: 'Mr. Archer responded to further guestions. They [the board] wanted to know about this too, and one of the reasons—by the way, it was perfectly sensible—was because Hunter Biden was part of the Burnham team. You remember that. You saw on that Teneo slide deck891 he was going to be the vice chairman. You heard testimony that he was in the office. Mary Moynihan from the [] board told you they had questions about his commissions and how much he was going to bring in in terms of clients. He was part of this deal."892 The standard defense by Hunter—and his mouthpieces in the media—was that his name was invoked without his knowledge to provide "legitimacy" 893894 for the tribal bond issuances. Unsurprisingly, the contents of the Biden Laptop told a completely different story, conclusively proving that Hunter was an integral part of the conspiracy.895

⁸⁸⁹ "In order to deposit the bonds at a bank, Archer misrepresented the source of the money used to purchase the bonds, falsely claiming that he had obtained it through real estate sales. The bonds purchased by Archer and others were then used to meet net capital requirements at two broker dealers in which Archer and others had interests ... millions of dollars in bond proceeds from the first and second issuances were used finance the acquisition of companies which the defendants ... acquired as part of a strategy to build a financial services conglomerate, which Archer expected to control." Jason Galanis⁸⁹⁶ was the ringleader of this band of illicit⁸⁹⁷ financiers, but Archer's role⁸⁹⁸ as suave rainmaker was critical. Archer introduced Galanis and the other partners to Serbian royalty (Alison ANDREWS, the daughter of Crown Princess Katherine)⁸⁹⁹ and a corrupt⁹⁰⁰ Russian oligarch named Elena BATURINA, the wife of the former mayor of Moscow, in an effort to raise funds for Burnham.⁹⁰¹

HUNTER WAS INVOLVED IN THE CONSPIRACY

Based on his indisputable paper trail, Hunter would not be able to use the now-infamous (and Biden family favorite) phrase that his uncle Jimmy spouted off with Bobulinski: "plausible deniability."902903 In addition to Joe's "union relationships"904 and the "direct [presidential] administration pipeline" that Hunter provided, he was consulted on the fraudulent bond scheme and called it "a great plan." Archer conceded, however, that he and Galanis didn't "actually want Hunter [to be the] CEO of anything."

902 "'Plausible deniability. He said it directly to me in a cabana at the Peninsula Hotel.' … He outlines how an alleged meeting with Joe Biden took place on May 2, 2017. Bobulinski said that it was the Bidens, not him, who had pushed the meeting. … 'They were sort of wining and dining me and presenting the strength of the Biden family to get me engaged and to take on the CEO role to develop SinoHawk in the U.S. and around the world in partnership with CEFC,' … He went at length into how Joe Biden arrived for a Milken conference, partly held at the Beverly Hilton Hotel, and how he was introduced by Jim and Hunter Biden to the former vice president. 'I didn't request to meet with Joe … They requested that I meet with Joe. They were putting their entire family legacy on the line. They knew exactly what they were doing.'" Hunter was bccd on an email from Archer to Galanis⁹⁰⁷ and the other partners that described concerns from one of their main investors, ZHAO Xuejun "Henry."⁹⁰⁸ ZHAO was "confused on how we [could] pull it all off," but Archer conceded that they had "given the disclaimer [to ZHAO] that this is some very creative thinking[.]" ZHAO's confusion was well-founded, as the group's so-called "creative thinking" was just a cover for a massive financial fraud, which drove Archer to lie to his bankers about the source of the funds used to purchase the tribal bonds.⁹⁰⁹ Archer even sent an article to Hunter about the tribe⁹¹⁰ they ripped off: "This is one of the tribes we're approaching for financing. Hunter was called up to Burnham's offices in Manhattan to assuage ZHAO of any concerns: "It was great to catch up with you and discuss the Burnham business in detail last week in New York. I hope having Jason Sugarman⁹¹¹ and Andrew Godfrey⁹¹² explain the business and how it will all work together was informative."⁹¹³ Sugarman—who was charged⁹¹⁴⁹¹⁵ by the SEC over the tribal bond fraud in June 2019 but was inexplicably not listed on the indictment by the S.D.N.Y.—has been embroiled in another controversy—his assistant, Heidi Planck, disappeared⁹¹⁶ in October 2021.⁹¹⁷⁹¹⁸

But the SEC did. Before the Burnham group moved into their new offices on 57th Street in Manhattan, Hunter made sure to get his generous benefits package set up on ADP's website portal. So, not only was Hunter operationally tied to the scheme, but he was also administratively locked in, which begged the question: Why wasn't he indicted? Hunter's activities violated 18 USC § 371, among others. Derek Galanis, the younger brother of the mastermind behind the fraud and a noted "Gambino [crime family] Assoc[iate]" by the U.S. Bureau of Prisons, offered this sober explanation to *Marco Polo*: "Given the unfortunate circumstances of my upbringing, I am keenly aware of what merits conviction for the typical American. Hunter's name wasn't just used in documents next to Archer⁹¹⁹ and Sugarman. Hunter was ccd on numerous emails and wrote emails on behalf of the conspiracy. Hunter raised money from the Chinese and was set to offload his broker-dealer under the Burnham umbrella. He was not just guilty by circumstance; Hunter was guilty in four or five separate ways. Why was Hunter not indicted? Government misconduct—period. For the typical American, it would not matter which details of the conspiracy he or she knew. The typical American would be in the custody of the Bureau of Prisons right now. The bottom line is that we have a two-tiered 'justice system,' and it must end."

Less than two months before his partners were indicted, Hunter emailed ZHAO about how he was "glad to hear that we have concluded our joint venture between Harvest⁹²¹ and Burnham." Harvest had sunk \$4M into the ill-fated venture. In addition to BHR, Fran Person—Joe's loyal and longtime aide-de-camp—was another connection Hunter shared with ZHAO and the Chinese financial elite.⁹²² In fact, Zuberi, the aforementioned felon, said Person was an "adopted son to [the] VP [Joe.]"⁹²³⁹²⁴ Unsurprisingly, Person made these Chinese connections after he left Joe's office in August 2014.⁹²⁵

Henry-

I am so glad to hear that we have concluded our joint venture between Harvest and Burnham. This is an exciting milestone and I look forward to helping building a cross border institution that helps investors in our respective countries across the globe.

Thank you for all your leadership in getting this joint venture done. You and your team- particularly Ming- have been great to work with. I have no doubt that this working relationship will continue as we go forward.

Just two days before Hunter sent the foregoing email to ZHAO, Tejal Shah from the SEC issued an extremely wide-ranging subpoena which would have covered Hunter's email to ZHAO. Either Hunter did not truthfully respond to the subpoena, or the prosecutors in the S.D.N.Y. willfully overlooked his involvement in the conspiracy. Perhaps due to his guilty conscience, Hunter contacted Archer's attorney, Matthew Schwartz, about "coordinat[ing] with the same team representing Devon[.]" 926

Two weeks later, Hunter met with two attorneys in his D.C. office to "discuss [the] subpoena" issued by Shah, who is currently the "principal advisor on matters involving the Division of Enforcement" at the SEC.⁹²⁷ Hours after his meeting with the attorneys, the waters parted for Hunter and he scored a one-on-one discussion with Obama in the Oval Office. Hunter's cover story was perfect, too: his meeting with Obama occurred after a White House reception that he attended in the East Room.⁹²⁸

Even though Schwerin indicated that there were a number of "issues that the SEC and DOJ [were] concerned with" regarding Hunter's role in the conspiracy, those concerns went precisely nowhere. Mesires, Hunter's legal fixer, conveyed the government's numerous (and polite) inquiries in an email with a subject line of "Government questions[.]" If we assume Hunter responded truthfully (which is, indeed, a significant assumption), then the only conclusion is that the prosecutors failed at their job.⁹²⁹

⁹²⁹ "How Hunter Biden was left off a case in which he was clearly involved is a question only prosecutors in the Southern District of New York can answer. ... Bevan Cooney released his emails linking Hunter, my brother Jason, Archer and himself to the press in the run-up to the November election and called himself a scapegoat for Hunter. ... [T]he Galanis crime family, my family, is linked to drug trafficking, organized crime, sex trafficking and fraud. Coincidentally — or not — Sen. Ron Johnson's Senate report independently linked Hunter to organized crime and sex trafficking." Not only was Hunter compensated by Burnham to the tune of \$166,666 in 2015 alone, he was also going to be its Vice Chairman had the "roll up" occurred and law enforcement refused to step in. When Hunter's band of attorneys suspected that an indictment was coming down the pike for Archer and the other⁹³⁰ partners, they considered whether Hunter should "disclaim" his "Vice Chairman" title.

It took two years for Archer⁹³¹ to actually go to trial; weeks before the opening arguments, he sent an iMessage to Hunter: "What's the latest and greatest? Gearing up to start trial [on] the 22nd. Give me a call when you're free. [l] [w]ant an update[.]" Hunter expressed no sympathy for Archer and instead accused him of not being generous: "Man you have no idea and buddy I know you're in the shit but mother fucker you fucking have not given me even a niblet of a prospect of hope from let's see (KZ [Kazakhstan] - Jeff [Cooper] - RF.) I gave up my salary from BS [Boies Schiller Flexner LLP] half [of] the other [from Burisma] that's cut in half [because Joe was no longer the vice president] and while you were smart enough to marry someone [Dr. Krista Ammirati Archer] with a little drive to make cash I gave away 85 cents of every dollar last year and I'm literally running out of run way. ... Oh[,] by the way — [the] guys you're up against are all over me along with[] 6 of their overseas counterparts and the NYT[,] WSJ etc...." Three days later, Devon asked Hunter if he planned on "coming back east for my trial at all? It would be important and love to see you if you can." Hunter curtly responded: "No[.]"

Two months passed, and Hunter was still steaming over Devon's behavior. Hunter complained to his assistant (whose husband, as noted earlier, was previously⁹³² an assistant director in the enforcement division at the SEC) that Devon⁹³³ made him "question" his "largesse" because Archer named Joe and Hunter as potential witnesses⁹³⁴ in his trial and, according to Hunter, Archer did not tell them. Hunter aired those grievances to his lady friend/prostitute in a now-infamous audio recording.⁹³⁵

Even though Archer was convicted by a jury of his peers who deliberated for a mere 3 hours following a six-week trial, the Obama-appointed S.D.N.Y. judge named Ronnie Abrams granted Archer a new trial. Archer sent Hunter an iMessage on 11/15/2018: "The judge [Abrams] threw out my conviction today." The pResident's son responded: "Thank fucking god! First good news in way too long[,] my friend. ... The Second Circuit, however, reversed the Abram's ruling in October 2020 and reinstated Archer's fraud conviction. 936937 Unsurprisingly, Archer petitioned⁹³⁸ the SCOTUS to review the Second Circuit's reversal, but the court did not⁹³⁹ grant Archer's petition, so, Abrams—whose husband⁹⁴⁰ Greg Andres⁹⁴¹ just happened to be an Obama DOJ appointee and prosecutor on Robert Mueller's Special Counsel team—was put in the awkward position of sentencing a defendant⁹⁴² to whom she granted a new trial. Nevertheless, Archer was sentenced to one year and one day in prison in addition to a \$15M forfeiture bill, which he is appealing. III. SEX-RELATED CRIMES

The sex-related crimes on the Biden Laptop were not so-called "victimless crimes." The international human trafficking and pimp networks⁹⁴⁴ that Hunter patronized⁹⁴⁵ need to be exposed and will hopefully, in time, be stomped out. The receipts in this section are provided not to shame anyone but Hunter and Joe. The pimps need to be outed so that law enforcement has no excuse but to finally do their job. In addition, the following section was written to prove—once again—that the "Public Statement"⁹⁴⁶ from former spooks and bureaucrats on 10/19/2020 was pure election interference. The despicable people who authored that "Statement" did the exact thing they accused imaginary Russian hackers of doing: spewing lies and false statements in order to influence the outcome of an election.

As stated previously, the Biden Laptop was akin to a 3,000-piece puzzle. When the puzzle box was opened, we realized that there were many pieces missing. However, a few pieces were so-called golden nuggets—pieces that, once put into their correct position, made constructing the rest of the puzzle much easier. The chief endeavor of this Report was the exposure of crimes committed by the pResident's family; as a consequence, Marco Polo's standard for inclusion was two pieces of direct evidence. Consequently, this high standard made sections III & IV shorter than what they might have otherwise been. We believe that this high standard strengthened the Report; as an example, the screenshot below from one of Hunter's bank statements, "Checking2RHB.numbers," contained crimes that were not chronicled in this section, but, without photos or another paper trail, we could not definitively state the "5 Ws" about the crimes. Nevertheless, from the plethora of \$800 to \$2,000 ATM withdrawals and email receipts on the Biden Laptop, the conclusions became clear. Wells Fargo and many other financial institutions hold these receipts, so authorities should send subpoenas to them.

⁹⁴⁵ Many of Hunter's transactions in this criminal enterprise occurred in cash. Nevertheless, from electronic transfer receipts alone, *Marco Polo* can state with certainty that Hunter spent more than \$150,000 on sex-related crimes over a four-year period. As a reference point, the annual real median personal income in the United States in 2020 was \$35,805. ⁹⁴⁶ "Public Statement on the Hunter Biden Emails," *Politico*, October 2020,

Hunter's addiction to "webcam" sites⁹⁴⁷ fueled his sex addiction. Based on his voluminous Internet browser history, emails, and text messages, Hunter began many evenings by patronizing women on these webcam sites and proceeded to solicit prostitutes on his own accord or through his network of pimps. For the purposes of illustrating this fact, shown below was a mere sample of text message subscription services which alerted Hunter if particular females signed into these webcam sites.

Hunter was proud of his sexual conquests⁹⁴⁸ and human trafficking exploits, and he set his username on multiple⁹⁴⁹ websites to mirror Genghis Khan's birth name: "Temujin"⁹⁵⁰ and "temujin01."⁹⁵¹

Hunter loved to take screen shots and screen recordings⁹⁵² (oftentimes zooming⁹⁵³ in by performing the control + scroll function on his laptop keyboard) while he engaged in these "webcam" chats, presumably so he could masturbate to the lurid material afterwards. Below were two such examples:

▶ During a session with "beccacastle" on glasscams.com, Hunter, via his username "temujin01," repeatedly "buzzed" the female and "tipped" her with "tokens." Take notice of the arrows pointing to the "Rosemont [Seneca] Homepage" and "Joe Biden smiling" bookmarks on Hunter's web browser.

Screen Shot 2019-01-27 at 12.45.29 PM

▶ During his session with "Taliya"⁹⁵⁵ on cams.com, Hunter—via his username "temujin01"—told the female that "I like yours [body] more" and subsequently turned around to take a hit of crack cocaine.

Hunter's pornography addiction was certainly exacerbated by the milieu of his hometown. Wilmington was ranked⁹⁵⁶ third in the nation for pornography consumption, a fact which his associate praised: "I'm proud to see reports that Wilmington residents still have their priorities in order ... I still have my Dad⁹⁵⁷ pay for my Internet Bill and Usage so technically I'm also still contributing to our success."

There seems to be a very strong concentration of viewing on "A" Street and the strongest signal the executive Offices of Wes Schwandt. I am proud we are in the top 5 in the country. In something other than High Profile murder cases, ponzi schemes, Bankruptcy. I am thinking we should have a parade to celebrate!!! Yes I do contribute to this ranking!!! I will point out that it does not bode well for our ranking in Attractive Women.

Hunter also created and maintained multiple usernames (and his main pornography email address, droidhunter88@gmail.com) based on an action figure from the *Star Wars* series: "Droidhunter309."958

Hunter also spent lavishly on pornography websites; his credit card would often get declined. He then would change the card on file for the website to another card associated with his Owasco business accounts which, as you read earlier, were full with cash after his illegal representation of HO Patrick.

Traffickers benefit from porn films and men who desire to live out a fantasy at the expense of innocent women. In fact, sex traffickers use porn as a training method. Women who are forced into the sex trade are shown what they should expect and how they should behave with a man. The viciousness that lives within a sex trafficking venue is disheartening, but it is something that should be discussed. Only by coming to terms with the reality of sex trafficking will we understand the urgency to combat it. ... Hunter's patronage was international—one particular Romanian⁹⁶³ female made such an impression on him that, even though Hunter forgot her name during a session, he entered her number into his contacts application. Hunter said she was "interesting to talk to" but he forgot her name "by accident."

⁹⁶³ "The webcam industry also does its best to entice young women into the business. ... With those disbursements in mind, consider that Hunter was stiffing Kathleen's parents [Roberta and James Buhle, shown below] for over a year, which led to Kathleen sending the following email: "My parents['] payment should be considered a priority. ... Simply looking at your spending is enough for any judge to be disgusted. If you don't settle we will be forced to go to court and embarrass the girls with what you've done." As you read earlier, the couple did embarrass their daughters—and, to some extent, the nation—with their divorce settlement. In response, Hunter accused Kathleen of spending extravagantly on wine from Postmates and at her gym, Solidcore. Hunter was also behind on his payments to their foreign-born maid (Lourdes Bueza) and their family dentist, Dr. Eugene Giannini.

Joan and I are happy to pay any additional bills but the only available money with which to do so would have to come out of the \$10,000 that went to Kathleen or the \$4,000 that went to you. It is well established that telephones, even when used intrastate, constitute instrumentalities of interstate commerce. ... Thus, even though the signal that actually connected the two parties was ultimately intrastate, interstate activities were required to make that connection possible. Hence, we conclude that the defendant's use of his cellular telephone was use of an instrumentality in interstate commerce."

When Hunter visited the Finger Lakes (where his mother grew up), he utilized multiple online pimp services, according to a screenshot on his iPhone. The area is a hotbed⁹⁶⁷ for human trafficking.

⁹⁶⁷ "People should be aware this is happening in our community,' Phillips said. In fact, 20 minutes into Phillips's first human trafficking training session she realized she had served individuals who were victims of human trafficking, but since little was known about it at the time, their cases had been misidentified. … Human trafficking is similar to domestic violence and often times victims can't, or won't, speak out, Phillips said. There are signs to look for that could indicate an issue, such as a teen who is a repeat runaway or one who has multiple cell phones. … 'They aren't physically imprisoned, they're psychologically imprisoned,' she said."

With an email subject line of, "Available for a visit[?]," Hunter, while in Maryland, conspired to solicit a prostitute using a tool of interstate968 commerce: Craigslist. Interestingly, there was also a tab open on Hunter's Internet web browser for an online background check service for Tony Bobulinski.

968 "The company says it made the change because Congress has passed the Fight Online Sex Trafficking Act, meant to crack down on sex trafficking of children. ... Until 2009, Craigslist had a section of the website called 'erotic services,' where people openly advertised sex. That year it changed the name to 'adult services' and promised stricter screening, after a medical student in Boston was accused of killing a woman he met through the site[.]" See Merrit Kennedy, "Craigslist Shuts Down Personals Section after Congress Passes Bill on Trafficking," NPR, March 2018, archive.ph/qQ9ic

Shortly after posing naked with a female who "was fucking" him, Hunter paid for her first-class flight to visit him. When asked by *Marco Polo* about her interactions with Hunter, the female⁹⁶⁹ said that he was "just a strip club customer," even though the pair's conversations were voluminous and varied, including multiple photos and videos of the female's daughter—as well as intimate moments at home.

⁹⁶⁹ "Lisa Hochstein is the wife of the famous Miami plastic surgeon, Dr. Lenny Hochstein, who is so well-known (and admired) for his work that he's been nicknamed 'The Boob God.' Taking after his father's signature⁹⁷⁷ move, Hunter sniffed his prostitute's neck. Just hours before the encounter, Hunter withdrew \$2,000 from an ATM, so his paper trail was limited. Less than two months after these photos were taken, his uncle Jimmy sent a gushing email about how Hunter was a stellar guy: "Everyone loves you, but who in this F[ucked] up family has treated you with respect ... Enough is enough, start thin[king] of [H]unter. Stop beating yourself up. A finer person I have never met."

I sick and tired of you not being asked . You continually try to help. Everyone loves you, <u>but who in this F up family has treated you with respect</u>. You give and give and, the question on everyone's lips is "how is hunter". What the hell, what do people expect of you.

I am saddened for our entire family! I'm saddened beyond belief. By trying to mend our broken family, you have put yourself in a corner. Enough is enough, start thing of hunter. Stop beating yourself up. A finer person I have never met. There is a way out, honoring you principles, but having some happiness in hunters life. I don't know the answer, but know one thing, I'm here to try to help you figure this out. I'm not trying to make you think there is a simple solution. Let me try to help you figure it out. I love and most of all respect you. Uncle Jim

Hunter obfuscated the reason behind his payments to prostitutes and pimps; on the payment application (Venmo, Zelle, etc.) or wire transfer memo line, he concocted excuses⁹⁷⁸ in an attempt to cover his digital tracks. For example, Hunter paid a 32-year-old female⁹⁷⁹ \$750 for "Babysitting."

For entire weeks in spring 2018, Hunter held court at the infamous⁹⁸⁰ Chateau Marmont hotel, where he cooked/smoked crack cocaine, hung out by the pool and ate ice cream, and solicited prostitutes.

During his crack and sex benders at the hotel, Hunter and the female engaged in a wide variety of activities—he took many pictures of his penis and asked the female to take pictures of him smoking. While sporting a Star of David⁹⁸¹ necklace, the female snapped several pictures of Hunter balancing a remote⁹⁸² on his semi-erect penis, with a screenshot from his iPhone corroborating his location.

⁹⁸¹ "The Star of David became officially associated with Judaism when it was chosen as the symbol to appear on the flag at the First Zionist Congress in 1897. At that time, it became the symbol of the Jewish people, Zionism, and the Jewish communities throughout the world. ... the most popular Jewish jewelry that is worn by Jews is the Star of David necklace. Utilizing his "Rob" alias, Hunter unsuccessfully solicited a female—through her pimp—at 3:29 AM while he camped out in his bungalow at the Chateau Marmont. Later that morning, at 10:17 AM, a "Lauren" who identified herself as "Elle's assistant" responded with a "prescreen[ing]" question. The pimp's email signature included a web address of www.elleolivier.com (which, at one time, was affiliated with www.escortremedy.com, a "Premium Ireland Escort Agency"), highlighting the international trafficking networks that Hunter patronized. Law enforcement should note that a web search confirmed that the female⁹⁸³ is, to this very day, advertised by her pimps as a prostitute in Los Angeles. The female also maintained a profile⁹⁸⁴ on preferred411.com, a website which facilitated the Larry Ray sex cult in New York—the cult ensnared Claudia Drury, who was tortured by Ray.⁹⁸⁵

Less than an hour later at 4:18 AM, Hunter—utilizing his alias of "Rob"—unsuccessfully solicited a female to his room at the Chateau Marmont. About thirty minutes after the solicitation, Hunter left his hotel room, walked to a Wells Fargo ATM just three blocks away on Sunset Boulevard (34.097877, -118.364049), and withdrew \$800. Afterwards, Hunter purchased just over \$100 worth of iPhone applications dealing with burner phone numbers, as the email receipt from the purchases denoted:

Four minutes later at 4:22 AM, Hunter—again utilizing his "Rob" alias—unsuccessfully solicited a female⁹⁸⁶ to his hotel. Later that morning at 7:00 AM, the female's pimp—who identified herself as "Patricia's Assistant" and a "retired provider"—responded to Hunter with pricing details, explaining that Patricia "hosts from Glendale and her rate is 500" or the female could "come to you for a slightly higher rate to cover travel." The pimp also included a photo of the female in her response to Hunter.

The following week, Hunter solicited a female to his room at The Jeremy hotel: "Are you available now[?] West Hollywood upscale Hotel for 3 hours?" However, despite his father's vast⁹⁸⁷ experience⁹⁸⁸ with Hollywood, Hunter apparently could not figure out how to navigate the city's online pimp and prostitute portal at the (now-defunct) website, hookupescortgirl.com. Hunter became discouraged and did not respond to the female's emails. More degeneracy abounded later in the week: Akin to *Inception*, Hunter snapped a photo of a screenshot he had taken during a pornographic video that he had filmed with his laptop's webcam as an unidentifiable object hung from his mouth.

987 "When then-Vice President Joe Biden hosted Chinese leader Xi Jinping for a five-day diplomatic blitz in 2012, a Hollywood Democratic mega-donor kept popping up with them. There was Jeffrey Katzenberg, then the head of DreamWorks Animation, dining alongside Xi, the then-vice president of China, at a State Department welcome lunch in Washington. ... 'Joe was our champion inside the White House,' said former Sen. Christopher Dodd, who led the Motion Picture Assn. of America for much of the Obama era. 'There is no question about it. Even before Joe Biden decided to run, I would get calls and have conversation with the major studio figures, with them saying, 'You tell Vice President Biden 100% we want him to run.' This wasn't waiting around to see who would do well in polls."

Hunter mistakenly overpaid a prostitute⁹⁸⁹ and her Russian pimp. Chaos ensued. Believing his first attempt was unsuccessful, Hunter kept sending money to the pimp and the grand total ended up being approximately \$25,000. Within hours, a former⁹⁹⁰ SS Special Agent-in-Charge (SAIC) of the Los Angeles Field Office evidently ran interference⁹⁹¹ for Hunter. After getting calls from "DC" "every 10" because the conundrum was "linked to Celtic's [Joe's] account," the former agent became extremely persistent and eventually gained access to Hunter's hotel room. It is unclear what authority he—and another retired SS agent⁹⁹² who previously protected Joe named Dale Pupillo, who stated to *Marco Polo* that he was not involved in the incident—possessed to force the front desk personnel at The Jeremy hotel to give them the key to Hunter's room. Presumably to handle the fallout of Joe's finances being used to pay a Russian sex trafficker, Hunter tried to access an account that the Bidens inexplicably controlled at secure.login.gov. Within hours, the foreign pimp, who is also the former agent⁹⁹³ for the LA-based operation Emerald Fantasy Girls Inc., sent \$500 back to Hunter via Zelle.

For the next two weeks, Hunter exchanged messages with the pimp⁹⁹⁴ and sought to acquire the money he inadvertently overpaid to her. By 06/08/2018, Hunter was "so sick of" the ordeal⁹⁹⁵ that he threatened the female by saying that it would be the "last time [he'd] ask" for her to return his cash.

Hunter sent two payments—a so-called "test" payment of \$1 and then another for \$500—via Apple Pay to a female¹⁰²⁴ who had been bugging him for weeks. Hunter again conspired with Ukrainians, but this time it had nothing to do with energy policy. Indeed, this escapade featured a female¹⁰⁴⁹ who Hunter met in New York City. The next day, Hunter traveled with the females some thirty minutes down the Pacific Coast Highway to an apartment located at 10473 Santa Monica Boulevard. He participated in a threesome as the same sullen Maltipoo, Pablo, sat on his left foot and Squirtle watched. This solicitation will appear in the NON-CONSENSUAL PORNOGRAPHY subsection, as Hunter uploaded a photo from the threesome and made it his profile picture for one of his many Pornhub accounts: "Droidhunter88." 1076

Just after dawn at a rental home¹⁰⁸⁷ on Plum Island near Boston, Hunter recorded a 19-minute, 1.16GB pornographic video (file name: Movie on 11-18-18 at 7.13 AM.mov) with his MacBook's Photo Booth application. The female¹⁰⁸⁸¹⁰⁸⁹ also recorded small portions of the rendezvous with her iPhone.

Hunter's relationship with this particular female was unique, in many ways, compared to his other carnal (and illegal) transactions. In addition to testifying¹⁰⁹⁰ about Hunter in front of a federal grand jury in Delaware, the female recorded a wide-ranging, 47-minute conversation¹⁰⁹¹ she shared with Hunter, which she subsequently named in his iPhone Voice Memos application as the "Most Genius Shit Ever.mp3." The recording featured the aforementioned communist operative and convicted money launderer HO Patrick, the U.S Attorney for the Southern District of New York, and how Hunter thought it was "good" that the female ingested MDMA, which she called "Molly." (The transcript for the call, along with the other audio files on the Biden Laptop, can be downloaded at marcopolousa.org) The female also booked flights for Hunter and searched for apartments in the Los Angeles area. She was born just four months before (DOB: 08/06/1993) Hunter's oldest daughter, Naomi. The table below features the method, date, and amount of money Hunter paid to the female; however, the table does not include two substantial AirBnb down payments which Hunter made on the female's behalf:

- 1) \$6,838.92 to stay on Encina Road in Topanga (CA) from 04/03/2018 until 05/02/2018
- 2) \$8,424.90 to stay on Cerro Gordo Street in Los Angeles (CA) from 04/05/2018 until 05/05/2018

Date	Method	Amount
03/28/2018	Zelle	\$1,500
09/24/2018	Zelle	\$500
11/18/2018—11/20/2018	Zelle	\$4,250
	TOTAL:	\$6,250

Hunter also called the female "clever" and whined about her cleverness to Mike Racanelli, a bellman¹⁰⁹² at the Chateau Marmont hotel (Mike also told Hunter that he had been "BLACKLISTED" and banned from the hotel). Apparently, the female got her hands on an audio recording of Hunter and Racanelli chatting during which Hunter said that he "need[ed] her [the female] for her contacts."

While he lit up his crack cocaine pipe in a Manhattan hotel room, Hunter shot a now-infamous footjob video with his laptop's built-in webcam via the Photo Booth application. *GNews* first published the salacious video with slight redactions and it bounced¹¹⁰⁰ around the web. Unfortunately, *GNews* also propagated the false theory that the actress from the movie *Mulan* (LIU Yi Fei) was the female in the video.¹¹⁰¹ The laptop also contained a second video which displayed the face of the trafficked female.

Indeed, Hunter sent a \$1,500 payment via Zelle to the female with a memo line of "blue water wellness" (the name of a now-defunct spa¹¹⁰² in Newburyport, Massachusetts, which was founded by Hunter's former¹¹⁰³ psychiatrist). This payment confirmed the interstate nature of the crime, along with *Marco Polo*'s independent corroboration with another female who was present around the time and place that the footjob occurred. Shot in a room at the Lombardy Hotel¹¹⁰⁴ in New York City, the sordid videos have been a thorn¹¹⁰⁵ in the pResident's side for 18 months, in addition to the national embarrassment the videos have caused for those opposed to human trafficking and illegal drug use.

One of Hunter's foreign pimps, Anna DEKHTIAR, was listed in multiple SARs for evidence of money laundering and human trafficking. Given to Marco Polo by its whistleblower, SAR #2, filed by J.P. Morgan, provided the following synopsis: "ANNA DEKHTIAR ... is a Miami FL non-resident alien and Ukrainian citizen. KYC reflects she is [a] student[,] born in 1995. She received a wire [transfer] for \$5,100 on 12/10/2018 from OWASCO PC which was reported in SAR NA 114256858 filed on 04/19/2019. On the same day, 12/10/2018, HUNTER also sent \$1,300 to ANNA DEKHTIAR via three (3) EFTs. The funds ANNA DEKHTIAR received from OWASCO PC and HUNTER were subsequently remitted to Oksana Naratovska located in the Ukraine via a \$7,000 wire [transfer] on 12/13/2018." Unsurprisingly, the Biden Laptop corroborated the voluminous details surrounding the three (3) EFTs.

ANNA DEKHTIAR (JPMC 356067030 (closed 06/14/2019)) is a Miami FL non-resident alien and Ukrainian citizen. KYC reflects she is a student born in 1995. SAR #3¹¹⁰⁹ was corroborated by records on the Biden Laptop which revealed that Hunter sent \$2,400 to one of DEKHTIAR's "clients," six weeks before the EFTs, for a so-called "Art Consultation." In addition to NARATOVSKA, DEKHTIAR, who lived in a Russian-owned apartment, sent funds to an inactive attorney from California named Bart Buchalter, who also laundered the illicit proceeds.

JPMorgan Chase Bank, NA (JPMC) is filing this Suspicious Activity Report (SAR) due to wire credits, check and cashier's check deposits, and cash deposits with an unknown source of funds and instances of structuring in attempts to avoid Currency Transaction Report (CTR) filing as well as wire debits and cash withdrawals with no clear, legitimate economic purpose involving consumer checking account numbered 356067030 held in the name of <u>ANNA DEKHTIAR</u>. The reported activity totals \$274,873.00 (rounded from \$274,872.26) and was conducted between 11/14/2018 and 03/01/2019 at 9 different branches and ATMs in Washington, DC; New York, NY; Miami Beach, FL; and Los Angeles, CA.

ANNA DEKHTIAR has been a JPMC customer since 11/14/2018. She is a citizen of Ukraine residing in Sunny Isles Beach, FL. She maintains to be a student as provided by JPMC internal documentation. BARTON LOUIS BUCHALTER has been a JPMC customer since 10/28/2016. He is a US citizen residing in Woodland Hills, CA. He maintains to be an attorney as identified via external research. BARTON LOUIS BUCHALTER has 3 prior SAR filings. SAR_NA_69103831 was filed on 01/03/2018 to report cash deposits indicative of structuring totaling \$63,500.00 conducted between 09/25/2017 and 10/30/2017. SAR_NA_69712330 was filed on 12/15/2017 to report cash deposit and check activity which is indicative of the operation of an escort service totaling \$81,225.00 conducted between 08/10/2017 and 12/01/2017. SAR_NA_80534661 was filed on 04/06/2018 to report the continuation of cash and check deposits indicative of the operation of an escort service totaling \$49,737.00 conducted between 12/07/2017 and 02/05/2018.

Between 11/14/2018 and 02/19/2019, ANNA DEKHTIAR received a total of 63,320.00 in cash deposits conducted in New York, Washington, DC, and California. She also received \$42,400.00 in check and cashier's check deposits from BARTON LOUIS BUCHALTER (COMERICA BANK account 8000096225), ALEKSANDRA MASHKIVTSEVA, and ANKIT RAJ (BANK OF AMERICA account 870771734) and an additional \$30,600.00 in wire transfers from ANZHELA SHINKORENKO (WELLS FARGO BANK account 1527412835), OLGA ARUSHANYAN (WELLS FARGO BANK account 5514814820), OWASCO, P.C. Between 11/23/2018 and 03/01/2019, funds in the account were then used for wire transfers totaling \$113,832.26 going to OKSANA NARATOVSKA (JOINT STOCK COMPANY ACCENT-BANK' accounts 26206805110620 and UA873077700005169157003234352), TETIANA LEVTUSHENKO (WELLS

This activity is deemed suspicious because the source for the funds entering the account could not be determined and no legitimate relationship between ANNA DEKHTIAR and any of these counterparties could be identified. Furthermore, there were instances where cash deposits appear structured in attempts to avoid CTR filing since they are large round dollar cash transactions conducted on same, consecutive, or near consecutive days in aggregate amounts exceeding the CTR threshold.

Please see the attached .csv file named SAR_NA_114256858 for details of the reported activity.

In summary, JPMC is filing this SAR to report wire credits, check and cashier's check deposits, and cash deposits with an unknown source of funds and instances of structuring in attempts to avoid Currency Transaction Report (CTR) filing as well as wire debits and cash withdrawals with no clear, legitimate economic purpose totaling \$274,873.00 conducted between 11/14/2018 and 03/01/2019.

Just after midnight on 12/17/2018, Hunter engaged in a threesome with two females while another female filmed portions of the tryst with her iPhone. Hunter recorded his video with his laptop's built-in webcam via the Photo Booth application. The promiscuous group was staying at a place called "The Cottage" In Newburyport (MA), a property 1117 associated with Hunter's then-psychiatrist. 1118

¹¹⁶⁶ "Motels enable the addiction ... Delaware motels ... have become dumping grounds amid the opioid epidemic. ... Take the Fairview Inn just outside Wilmington's city limits. The state stopped vouchering with the motel in 2016 when tenants reported that rodents from a nearby forested swamp were getting into the rooms. A lawsuit filed against the motel by the Delaware Department of Justice ... said that rather than fix the problem, residents were provided rodent traps and 'expected to learn how to use them to address the rodent problem themselves."

Evidently, the pair needed more¹¹⁶⁷ crack cocaine, so they participated in a drug deal near downtown Wilmington. The female said that "Biggie" didn't "do weight" but that Hunter should not worry because she "grabbed something small from him ... I got ya ... on 6th and Madison ... at the corner store[.]" Hunter responded a little over an hour later: "Walk to [the] end of [the] block ... 6th and Jefferson[.]"

¹¹⁶⁷ "[H]e stayed at motels just off I-95 in Delaware, spending most of his time smoking crack. ... Yet Hunter doesn't write about the Justice Department investigating him for tax issues, and he just briefly mentions the case of the mysterious laptop and the child he fathered with an Arkansas woman."

The pair returned to the motel¹¹⁶⁸ later that day and Hunter again donned a "constriction ring."¹¹⁶⁹ Lube was among the objects present—it is visible in the photo in which the female spanked Hunter.

¹¹⁶⁹ "For some men with erectile dysfunction (ED), the veins in the penis do not constrict enough. When this happens, blood leaks out of the penis back into the body and the erection is lost. A constriction ring is worn at the base of the penis and helps keep the blood inside. ... Men need to be careful when using constriction rings. Most manufacturers warn against wearing one for longer than 30 minutes. The penis can be permanently injured if the ring is left on too long." See "What is a constriction ring? The criminal activity occurring on and around the Property consists of robbery, assault, possession of firearm, prostitution, illegal drug activity, and arrests of guests for such activity.

Hunter woke up the next morning and turned on *Ruin My Life*¹¹⁷² and *Only Want You*¹¹⁷³ in his iTunes application. After a twenty minute snooze following ejaculation, Hunter smoked more crack cocaine and (inexplicably) proceeded to shave his testicles and broader genitalia area with what appeared to be a purple BiC 3-blade women's disposable razor. However, Hunter had trouble reaching his perineum without cutting himself. Luckily, he had a selfie stick handy, which allowed him to finish. Throughout the recorded debauchery, *What Makes a Good Man?* hummed in the background. ¹¹⁷⁵ Unrelatedly, Hunter's partial heterochromia ¹¹⁷⁶ eye condition was especially noticeable in the bottom right photo.

Three days later, Hunter drove up to Connecticut and settled in at the Marriott on Marsh Hill Road in Orange. Hunter's pimp and drug dealer¹¹⁸⁹ asked him: "How long you want her for ... The money goes to me and up [*sic*] pay her[.]" The son of the man who sponsored¹¹⁹⁰ the William Wilberforce Trafficking Victims Reauthorization Act was impatiently waiting, but his pimp assured him that he was just "[g]etting condoms at the gas station[.]" Controversy seemed to follow this particular pimp, as Hunter asked him: "She said the cops came to the room????? WTF man? I went to [the] bank." Days before the cops got involved, another man in their group was "on a machine" because "his heart stopped."

The female who conveyed the aforementioned prognosis to Hunter's pimp about the man whose "heart [had] stopped" was in trouble herself—on multiple fronts. Just two weeks earlier, another pimp¹¹⁹¹ conveyed to Hunter¹¹⁹² the female's dire situation: "Krystals [*sic*] in the hospital do you know anything about that ... they're [law enforcement is] monitoring her calls[,] so [if] she calls [you] do not answer ... Back to the pimp who bought "condoms [for Hunter] at the gas station" ... The human trafficker had another female lined up for Hunter, but she did not "wanna give [the pimp his] cut[,] [so he was going to] find another girl[.]" Hunter told him he was willing to absorb that cost: "Dude[,] ill [sic] take care it[.]" However, Joe's son—apparently "the smartest man" the U.S. pResident knows—soon regretted that decision: "Fucking crazy ... Are you fucking kidding me ... She said she hasn't slept at all in 4 days ... she [was] overdosing I [] have a video of it ... Call me brother let[']s settle up ... I've got to jet[.]"

The next evening, Hunter apparently "settle[d] up" with the pimp¹¹⁹⁵ because he arranged another trafficked female: "She's a star ... 23 years old ... Not crazy[,] [a] little shy no anal everything else[.]"

Hunter set up shop in room 315 at The Blake hotel in downtown New Haven; he wanted to use a female for sex, so he bluntly emailed his pimp: "[W]here the fuck are you ... call me[.]" After the pimp reconnected with her John (Hunter), she organized a tryst for Hunter with a female who lived at 55 Red Bush Lane in Milford. The logistics broke down, however, and Hunter became frustrated with the pimp: "Now a third Uber ... Wtf ... Have her stand outside ... Dianna what the fuck is going on????"

While en route to Hunter's hotel, the female—who also had a history¹¹⁹⁷ of drug abuse alongside her former¹¹⁹⁸ lover—sent a Google Photos URL¹¹⁹⁹ to a shared album which contained a debit card that Hunter was expected to load with funds. Hunter's solicitation lasted a little more than three hours.

That same morning, Hunter's longtime pimp¹²¹¹ and her global sex trafficking¹²¹² operation—known as UberGFE—offered a female who was referenced in **SAR #2.** The pimp explained: "Send [\$]3[k] now and then I'll send you [the] girl ... [C]an you send [money for] one hour[?] ... she is nervous[.]"¹²¹³

MOREVA's trafficking operation, which was (and still is) facilitated through ubergfe.com, supplied mostly foreign-born females to Hunter across the nation. A majority of the females were younger than Hunter's daughter, Naomi. As you have read, MOREVA has been listed in several SARs. To put it bluntly: federal law enforcement should prioritize her upscale offshoot of backpage.com for seizure.

Hunter drank an entire bottle of Grey Goose vodka and solicited¹²¹⁴ a Juul-using female to room 307 at the Mr. C Seaport Hotel. Hunter seemed to enjoy gnawing at the female's neck and vaginal area.

Hunter was still holed up in room 307, so he solicited another female who wanted to bring her friend along. Hunter responded positively, but with a condition: "Ok as long as everyone is naked and happy as soon as you get here[.]" Hunter had sent payments to the amateur¹²¹⁵ singer¹²¹⁶ for nearly a year.

Hunter drove down from New York City to Delaware and solicited a familiar female¹²¹⁷ to the infamous Fairview Inn motel in Wilmington. You will notice that Hunter solicited the female to which he confided (on 01/06/2019) that Russians had stolen another laptop following a drunken fiasco in Las Vegas. In this laptop, according to Hunter, the Russians would find "videos of me doing like fucking crazy sex."

NON-CONSENSUAL PORNOGRAPHY

Hunter's virulent sex addiction was exacerbated by his obsession with online pornography. 1218 He created and maintained at least six different pornography accounts, with four on Pornhub 1219 alone:

- ► droidhunter¹²²⁰
- ▶ DroidHunter88¹²²¹
- ► RHEast1222
- ► sexycouple666¹²²³
- cometomed
- ► Droid88921224

Hunter uploaded a selfie as his profile picture on one of his accounts, which he created on 01/15/2019, exactly three months before Joe announced his bid for the pResidency. On several occasions, Hunter searched for his own pornography scenes—"biden hunter porn fuck," for example—on Bing, alongside a "Cum In Throat [] Compilation []" video. Hunter's online queries were due, in part, to his practice of uploading nonconsensual pornographic videos to the Internet. A majority of Hunter's online pornography accounts are active to this day.

The profile picture for the Pornhub account RHEast—for which Hunter had "unlocked" dozens¹²²⁵ of "achievements"—bore a picture of the anus of Joe's daughter-in-law.¹²²⁶ The exact same picture was found on the Biden Laptop, and the metadata associated with the photo indicated that it was taken at Hunter's former rental home in Annapolis.¹²²⁷ An anonymous Twitter user¹²²⁸ recognized the female.

Less than three months before Joe announced his bid for the pResidency, Hunter uploaded a photo to his Droidhunter88 account on Pornhub. 1238 Hunter then added tags of "hot guys fuck" and "selfie."

1238 "MindGeek is registered in the tax haven of Luxembourg ... The company employs around sixteen hundred people, and the online platforms it owns ... received approximately 4.5 billion visits each month in 2020, according to a company spokesperson—almost double Google and Facebook combined. ... MindGeek's corporate structure is complicated, with dozens of subsidiaries around the world whose names can obscure their ownership ... the office that handles MindGeek's content is in Cyprus. The company's headquarters is an aquamarine glass office building in Montreal, where Antoon surrounds himself with a tight group of confidants ... Four days later, MindGeek's top executives testified. It seemed as if they hadn't prepared for even the most elementary questions. Antoon was unable to say how much money the company made, how many complaints it received about nonconsensual videos, or why it hadn't made any substantive policy changes until Visa and Mastercard pulled their business."

IN THE FAMILY

An entry on page 25 of Ashley Biden's diary summed up the sexual proclivities of Joe's family—his daughter confessed to being "[h]yper-sexualized @ [at] a young age" and having "beat[] [her] vagina due to overhearing [her] parents [Joe and Jill] having sex."1239 The lewdness that Ashley cathartically wrote about was readily apparent on the Biden Laptop. The abandoned device contained dozens of nude photos and videos of Hunter, Hallie Olivere Biden, and a myriad of prostitutes and trafficked women in a variety of scenarios and compromising positions, sometimes with crack cocaine and other drug paraphernalia strewn about the room. Based on the device's metadata, these sordid photos and videos were taken not long before and after photos of Hunter's underage niece. Furthermore, with the sheer amount of selfies taken by Hunter's niece that were found on the laptop, it is an incontrovertible fact that his niece would have seen her uncle (and mother) engaged in immoral sexual behavior and felonious narcotics habits. The "hyper-sexualized" environment in and around the Biden family extended to casual conversations; on 01/28/2019, Hunter's first cousin, Caroline Biden, was eager to line up girls to satiate Hunter's appetites: "Does she have to be smart or just a transitional sex company object who is kind[?] ... I also have Denise a German ... Do you want foreign or domestic[?] ... I'd give you Isabella but she has kids ... And an nba ex husband [Baron Davis]."1240 The iMessage conversation1241 between Hunter and Caroline also revealed that he gave strict instructions to his uncle Jimmy's felonious daughter regarding which women she could send: " [Y]ou have to make the pitch directly ... Domesticated foreigner ... No yellow ... yes to yasmina."1242

Furthermore, multiple suggestive photos of Hunter's niece¹²⁴³ were located on the laptop due to Hunter utilizing a tool called Dr. Fone to back-up¹²⁴⁴ the iPhones belonging to Hallie and his niece to his laptop. 1245 Although the suggestive photos motivated 1246 Rudy Giuliani to give a copy of the hard drive to police¹²⁴⁷ in Delaware, the photos would likely not pass the "Dost Test"¹²⁴⁸ (28 CFR § 75):

- 1. the focal point of the visual depiction is on the child's genitalia or pubic area
- 2. the setting of the visual depiction is sexually suggestive, i.e., in a place or pose generally associated with sexual activity
- 3. the child is depicted in an unnatural pose, or in inappropriate attire, considering the age of the child
- 4. the child is fully or partially clothed, or nude
- 5. the visual depiction suggests sexual coyness or a willingness to engage in sexual
- 6. the visual depiction is intended or designed to elicit a sexual response in the viewer

Nevertheless, the Biden Laptop was littered with many inappropriate¹²⁴⁹ and/or purposely ambiguous allusions to Hunter and his niece; for example, he sent "I want to fold clothes for you" at 5:27 AM.

Hunter's relationship with his niece was strained by his sister-in-law's apparent prohibition of Hunter being around her children alone. On 07/05/2018, Hunter complained to his niece: "I love you Nat[alie] but your Mom ... told pop [Joe]¹²⁵¹ that she would call the police if I tried to see you and hunter."

The following week, Hunter complained about Hallie's prohibition to his "best friend in business" (and convicted felon) Devon Archer: "Hallie wont [sic] let me see Natalie without my Father [Joe] present. Can you fucking imagine that[?] That fuck up that ive [sic] fucking shielded for two years and taken all the heat [for] is keeping me from talking to or being around Natalie [Hunter's niece]."

¹²⁵¹ "Biden then told a story about his grandchildren playing a role in urging him to run for president. He said one of his grandchildren called a family meeting eight weeks ago and contended that his grandchildren urged him to run after seeing degrading images of him online. 'Pop, you have to run Pop,' Biden said one of his grandsons, 'Little Hunter' told him, then said his grandson showed him a photo online from Beau Biden's funeral. Hunter then kvetched to his niece's (now-deceased)¹²⁵³ grandmother, Joan Berger Olivere, two days later about Hallie's protective measures: "She [Hallie] told me I couldn't be around 'her' children." ¹²⁵⁴

Hunter pressured his niece on 07/18/2018 to confront her mother about the situation: "[Hallie] still [will] not let me see you without pop [Joe] present ... ask her [Hallie] why exactly you can't be with me [Hunter] alone ... If it's driving I [Hunter] will never drive In A car with you again. Pops [Joe is] coming to see me this weekend ask her [Hallie] to send you to[o] tomorrow to come to my home in Malibu[.]"

The next day, Hunter—still fuming over Hallie's allegations—sent his assistant, Katie Dodge, a terse iMessage: "Hey[,] Liz [Hallie's sister] and Hallie are both going off payroll and insurance immediately."

Two days later, Hunter forwarded a message (that Hallie had evidently sent to Joe and Jill) to Hallie's friend¹²⁵⁵¹²⁵⁶¹²⁵⁷ associated with 1-209-256-4604: "It's too much for Natalie. ... I don't know how YOU [Joe] could allow Natalie ... anywhere near him [Hunter]. Pop [Joe] ... He [Hunter][,] too[,] needs to get sober ... The following week, Hunter again expressed concerns to his niece directly. The 13-year-old said she was "about to have a panic attack," but Hunter wrote back: "Call your mother ... every time we talk she¹²⁵⁸ tells people I'm inappropriate with you. I don't want to make matters worse for you or myself."

In the evening on his niece's fourteenth birthday, Hunter sent to her a self-loathing iMessage: "Happy birthday--ive [sic] tried calling...I have a gift for you¹²⁵⁹ whenever you can see me next...love you always always and always and so wish I was allowed to be with you." She responded with a photo.

Three days later, Hunter again lamented to his niece about her mother's restrictions: "You're not allowed Natalie. They [Maisy and Finnegan, Hunter's daughters] are coming to me but they wanted to see if you will come to lake with them. I won't [be] going [t]o lake if you can go ... love you so much baby. ... call the girls but ask your mom ... Can't wait to see you when I'm allowed by [your] mom."

Later that week, Hunter's uncle conspired with Joe to suppress¹²⁶⁰ Hallie's allegations. Jimmy sent to his nephew the following iMessage: "[I]t is imperative you call me or your father. Your father [Joe] is getting as am I barraged by Hallie. He [Joe] has not responded[;] I have not responded. We both agree with and trust you [Hunter]. She [Hallie] is spreading what you told me and I believe you !!!! A little more than one month later on 09/22/2018, Hunter explained the sordid ordeal to his half-sister, Ashley Biden: "She [Hallie] told my therapist that I had been sexually inappropriate with Natalie ... my therapist 1261 had to question her [Hallie] for close to 10 minutes to make certain that she 1262 did not have an obligation to report me to the police[.]" Hunter then instructed Ashley not to tell her husband, Dr. Howard Krein, about Hallie's allegations: "Do not repeat anything ... related to Natalie ... [if] you say something to Eve and Howard [Krein] I promise you this will spread like wild fire and I will be completely devastated[.] [U]se your head[.] [W]hen have I ever ever done you wrong[?]" 1263

The following evening, Hunter sent an iMessage to his sister-in-law's sister, Elizabeth "Liz" Olivere Secundy: "[I]f you [Liz] could just urge her [Hallie] to never ever ask me to come home again and then concoct a fight and tell people I'm sexually inappropriate with her daughter. If any one of you ever repeat that again I swear to god you might as well put the gun to my head yourself ... I can't come home I will not survive that no one could survive that. ... I'm not allowed to be alone with Natalie[.]"

Perhaps Liz¹²⁶⁴ was unwilling to report her sister's allegations that Hunter was being "sexually inappropriate" with her niece—as Liz¹²⁶⁵ was required to do under Delaware law—because Liz was employed by Hunter. In fact, just one month earlier, Liz attempted to convince Hunter to co-sign on a townhouse lease¹²⁶⁶ in Greenville, just outside of Wilmington. Liz was eventually sued¹²⁶⁷ for eviction.

Furthermore, in addition to being paid "over \$350K" by Hunter, Liz likely violated **26 USC § 7206(1)** by submitting a false address on her IRS Form W-4 in 2018. Liz was not residing at her sister's home on Hillside Road near Wilmington, yet she listed Hallie's home as her "Home address" on the form. 1268

Another theory for why Liz did not report allegations to law enforcement about an adult male being "sexually inappropriate" with her niece was that Liz was sexually involved with the same adult male. 1269 On 09/08/2016, Hunter offered to teach Liz "how to masturbate" via FaceTime "every morning or night[.]" Liz then reminded Hunter of a call they shared at "2pm ;)" on a previous day.

Hunter even bought panties for Liz and offered to get her new "extra small ones" and spoke with her about his pornography habit after Kathleen kicked him out of the family home: "Being in this apartment is so strange - truly the first time I've ever been alone -sometimes I can't sleep just because I know I can do anything I want -so I just sit here and watch bad porno movies like I'm 13[.]"

Later that year in November, Hunter was still complaining to Hallie (whose name he deleted from his contacts application) about her concerns: "Natalie thinks I molest her[.]" Five days earlier, Hunter told his brother's widow that she did not have the right idea about him: "I [Hunter] am not who you [Hallie] in the end say that I am over and over. Except for the best fuck you've ever had or ever will have."

On 12/29/2018, Hunter complained¹²⁷³ profusely in an iMessage group conversation to his brother's widow and her sister: "Well fuck you ... Hallie you must stop the bullshit [and the] insincere concern[s] and empty love lies. Telling people you care (and also saying I was sexually inappropriate¹²⁷⁴ with your daughter at the same time) is not love. Its [sic] [a] lie bent on making [me] out to be a monster that [sic] you've been burdened with loving. ... What have you [Hallie] done in your life other than marrying my brother [Beau] that entitles you [to] the respect [that] I am not[?] ... ¹²⁷³ "What's so disgusting is [that] this piece of shit [Hunter] did drugs and walked around naked (at a minimum) in front of underage family members and his texts show him bitching about how unfair it is that underage family members aren't allowed near him."

Another month passed and Hunter was still livid; on 01/29/2019, in an iMessage group conversation with Hallie and his then-psychiatrist, 127512761277 Hunter fumed: "I have not been 'allowed' to live with the kids for over a year now. She [Hallie] has told them i [have] abandoned them. She has told them [and] others [that] I am a bad influence[,] that I endanger their health[, and] that I've been sexually inappropriate with Natalie[—]that I have physically abused her[,] that I have [] emotionally abused her[,] [and] that I am abusive to everyone around me and that she knows that If ... Natalie were allowed to come visit me I would be 'walking around naked watching porn[,] masturbating[,] and doing drugs in front of her' ... she [Hunter's niece] is only allowed alone with me if my father [Joe] is there."

¹²⁷⁵ "By the time Monique left his care, her new marriage had fallen apart and she had developed a dependency on Valium, Xanax and Adderall. One day later, Hunter sent another barely coherent missive to his then-psychiatrist¹²⁷⁸ about Hallie: "Not her therapist my former therapist [Karlee Dahlin, to] whom she accused me of being sexually inappropriate with Natalie. ... Hallie called [Dahlin] and said I both was physically abusive too [sic] her and sexually innaproriate [sic] with Natalie and her cousin Lilly. hallie [k]new my therapist [Dahlin] had been severely and sexually abused [by] a step dad who was a crack addict and manipulative charmer who never paid any price for her pain. On 03/16/2019, less than one month before he abandoned his laptop, Hunter sent the following iMessage to the sister of his brother's widow about the widow's lingering accusations: "I started to believe her [Hallie] because I [Hunter] made her [Hallie] like I made my mom [Jill]¹²⁸³ the center of my ego[,] the one whose judgment and approval I needed most. He also admitted he had told the now-First Lady to 'go f**k yourself' and ridiculed her teaching skills during a row just after Christmas in 2018. ... Raging against her reaction in a further text message to his uncle, Hunter - a graduate of Yale Law School - said he told English teacher Jill he was smarter than her. JOE WAS AWARE OF THE ALLEGATIONS

The foregoing exhibits proved that several people in and around the Biden family were aware of Hallie's allegations. Most importantly, Joe—as the patriarch of the clan—was aware that Hunter was accused of being "sexually inappropriate with" his niece and "not allowed to be with" her alone. 1284

"With the authenticity of the laptop confirmed ... it seems relevant to revisit the Biden family crisis that happened after Hunter Biden was alleged to have behaved in a 'sexually inappropriate' fashion with a minor family member."

See Andrew White, "Timeline: Here's How the President, Biden Family Responded to Hunter's Child Molestation Allegations – Laptop Evidence," Valiant News, March 2022, archive.ph/56DYg

In September and October of 1991, Joe—through his chairmanship of the U.S. Senate Judiciary Committee—feverishly investigated 1285 allegations that Clarence Thomas was sexually inappropriate with Anita Hill, a then-35-year-old former aide to Thomas. However, in spite of his deceased son's eponymous foundation, which was supposedly dedicated to the "Protection of Children," Joe seemed less interested in getting to the bottom of Hallie's allegations, even though they concerned an adult male—namely, his son Hunter—being "sexually inappropriate" with Joe's minor granddaughter.

Nevertheless, Hunter perceived Joe's seeming indifference towards the allegations as siding with Hallie. In an iMessage to Joe on 07/15/2018, Hunter laid bare what he believed were Hallie's unjustifiable ground rules: "[S]he's told Natalie I [Hunter] can see her [Hunter's niece] anytime but that you [Joe] want to be there for her [his niece's] protection." Hunter then whined about his father evidently holding double standards for other family members, as Joe apparently "let her [Hallie] whacked out [high] and dangerous going up to Philly [Philadelphia] for male escorts[,] drive the kids[,] [and] have them alone. You [Joe] let Uncle Frankie [give] Beau and I driving lessons when he was more fucked up than I've ever seen a person ... I [Hunter] knew Ash[ley Biden] was using [drugs] and told you [Joe] and you [Joe] let her [Ashley]¹²⁸⁶ drive the kids to [Rehoboth]¹²⁸⁷ Beach and back."¹¹²⁸⁸

One theory for why Joe did not intensely investigate Hallie's allegations is that Joe did not care about his grandchildren¹²⁸⁹ as much as he cared about his son: "She [Hallie] is trying to split you [Hunter] and me [Joe.] I think she [Hallie] thinks I won't banish her because I'll loose [sic] my grandchildren but you [Hunter] are more important to me [Joe] and she [Hallie] will not succeed[.] Mom [Jill] agrees[.]"

Hunter again conveyed Hallie's disturbing allegations¹²⁹⁰ to Joe on 09/23/2018—Hallie apparently accused Hunter of "walk[ing] around naked smoking crack [and talking to] girls on face time" when he was with his niece and, in general, being "sexually inappropriate with [his] 12-14 year old niece[.]" In October 2020, Rudy Giuliani brought forth some of this concrete evidence of Joe's awareness.¹²⁹¹

Later that day, Hunter ratcheted up the stakes. Hallie was "dropping [the] kids off and [going] to see [Joe] at [the] lake[.]" If Joe allowed "her [Hallie] to make[] one accusation" about Hunter, then Hunter would "never step foot in [] D[elaware] again." Evidently, Hallie was "tell[ing] people" that Hunter was "gettin[g] off sexually" with her daughter and that he posed "a danger ... sexually¹²⁹² ... to Natalie."

1292 "In the diary, Ashley describes becoming 'hyper-sexualized' at a very young age. She wonders why. And lists a series of memories from her childhood. She speaks of being sexually molested. 'I can't remember specifics but I do remember trauma.' She speaks of 'being sexualized' along with someone named 'Caroline' ... possibly her cousin Caroline. (Another family member who's wrestled with drug addictions and criminal behavior.) Ashley remembers 'showers w/ my dad (probably not appropriate).' And another line, not getting as much attention as the shower line: 'my father was — message — I could get love from men' ... Ashley's diary and troubles cannot be seen in a vacuum. They must be seen in context with Hunter Biden's laptop and severe issues. The sexual addictions, the substance abuse, the trauma within the family." Based on the respective state statutes, every person on the preceding page failed to make at least a verbal report about Hallie's allegations to the relevant law enforcement authorities. However, for five of the eleven people, the legal bar was a bit higher: they were required to file these reports (and thus create a paper trail). At the time of these events, Ashley Biden was a social worker¹³⁰² in the state of Delaware; Liz Olivere Secundy also holds a Master's degree in Social Work, and Liz proudly displays the post-nominals "MSW" on her LinkedIn¹³⁰³ profile. According to the unambiguous wording of the statute, they were mandated¹³⁰⁴ to report these allegations—regardless of their source(s)—to Delaware's Department of Services for Children, Youth and Their Families. It is particularly troubling that Ashley did not thoroughly investigate (and report) Hallie's allegations, considering the sexual abuse Ashley apparently suffered during her own childhood, which she wrote about in her diary.¹³⁰⁵

In another sickeningly ironic twist, Hallie gave a speech at an event¹³⁰⁶ co-hosted by the foundation named after her deceased husband—The Beau Biden Foundation for the Protection of Children—and the Special Olympics¹³⁰⁷ on 11/28/2018, mere months after she accused Hunter of the very thing she spoke out against that night: "The only way to end child abuse is to talk about child abuse. ... These are real steps we can take to stop children from being hurt ... we will work to update training for coaches and volunteers on their responsibility as mandated reporters." Hunter believed that Hallie, too, endured sexual abuse when she was a "12 year old," according to a note he drafted. Hunter's ex-wife, Kathleen, also co-founded a legal nonprofit whose attorney, James Broadstone, resigned¹³¹² in disgrace after he propositioned a young male witness in a bathroom. These and many other aspects of the first family's tumultuous past¹³¹³ are rarely, if ever, covered by the American press.¹³¹⁴

DOB: 04/25/1945

Hallie has given me no way back. She closes every door in my face with complete disdain and complete confidence that no matter what she says or does to me I am not a strong enough man to stand up and say enough I'm leaving you. Hallie has a thousand reasons she can name to end this relationship and at least 10% of them are valid and 80% of them are legitimate complaints that deserve my attention and explanation the last 10% are ridiculous but not to be ignored or dismissed by your partner. I address all of it and I am honest about all of it.

How far can someone push me to manipulate me to lie to me to and when exposed there is no remorse no guilt no acknowledgement of any wrong doing. Hallie tells me over sand over again "I have done nothing wrong." I think I know why and its the one thin g that has stopped me from simply walking out the door and turning off my phone. I believe from what I know that she was taken advantage of early in her life. I think the way she handled that experience that a 28 man subjected a 12 year old to is to take back her power and tell the story as a seduction on here part. She wasn't t taken advantage of in her m ind she was the seducer she was the little girl who had a special secret power over men. And it wasn't wrong because it was exciting and it was dangerous and it was all hers and no one else had any access to that part of her because she loved being the opposite of you. She said nothing told nominee and while you needed the attention she knew that your's was nothing compared to the attention lion she could draw out of any man she set her eyes on. Kermit would have never noticed Hallie if Hallie hadn't wanted to prove to herself that she was more beautiful and desired than Jen Knox and Devon.

And that's the pattern of her life. Since she had her first boyfriend the acceptable projection to whatever image she wanted to show the world. The friend she could share a laugh be as selfish as she wanted and never really have to care about him all that much (Todd). And tenth dangerous hyper sexual seducer that she could experience that sexuality that she knew she possessed but felt was not for the world to see (Kermit).

Whether the pattern continued through Beau I don't know any more. I choose to believe that somehow she stuffed all of her natural desires down into a dark part of her mind and when Beau died the Truei self that sh denies exists come out. I relic now that I was part of that continuum. I was the secret bad boy, David was the buddy and beau remained in death the projection of self she needed the world to believe she was.

And when we were "exposed" she immediately freaked out. I am not the man she wants the world to believe she loves. I am the exact opposite of what she wants the world to see. And when I at first thought her love gave me confidence she ripped it away when it went public.

She used to tell the story of how when Beau had his stroke and Pop couldn't deal and she did t want to decide lone she told me she turned to me because thats what Beau would have wanted. I told that story to someone I think Rob is friends in the Hamptons and when I finished the story and said "and when she told me that I knew I would love her forever" she said to the group- "actually the reason I turned to you was because there was no one else right there and Pop was totally out of it, and I just wanted to feel a part of it Beau would hav want Pop to decide obviously.

I should have known then that she would never repeat me, she would never be able to be my partner. She k ew she was stuck with me though and she knew she loved me more than all the love she has ever felt. When the woman you have given up everything for says to a crowd of people "Il loved Beau, I'm addicted to Hunter." What does anyone who has an addiction want to do more than anything. They want to rid themselves of the awful obsession. The thing everyone knows is alluring but inherently dangerous irresponsible and the devil in. disguise.

That is what she then made me out to be to everyone around her. Any transgression on her part is forgiven because they all know she was under the influence of Hunter. She never acted this way before. Jesus what the fuck did Hunter do now. but who she saw I wouldn't give up that easily she stated to tear down my already fragile ego. I only remember the big penises sand the really small ones I cant tell the difference between all the average ones. I know its easy to point out how trivial and typical stupid guy only thinks of his penis that is, but the sadistic part about Hallie is that (1). She knew how sensitive I was to that because when I was 14 and played varsity football but hadn't reached puberty it was a horribly embarrassing time in my life that has stuck with me tom this day and because of that (2). I loved to be reassured that my 9 inch very big penis was actually big. It may soju d funny to you but its body dysmorphia and the exact reason Hallie got breast implants. I know my penis is almost twice the size of an average mans penis I know that she knows ringat and I know she is knows because Ive now told her 100 times to stop implying that no matter how obviously wrong sh is because no matter how beyond the little boy you have grown its harder to put out of your mind the the person you so love says it not once not twice not 10 times but over and over. Fucking sadistic- snd I really was going to not let my anger get the better of. But you fucking sick mean fuck.

In 2019, it was reported that Kathleen was working full-time for the DC Volunteer Lawyers Project, which counted CNN's Jake Tapper as its gala guest. Hunter's niece was apparently aware of the Biden family dynamics; she sent the following iMessage to Hunter and her mother: "u [sic] both re[m]ind me [that] I can't take living¹³¹⁵ in a house hold with the two of u [sic] always fighting and wondering if u [sic] [] both [Hunter and Hallie] are doing drugs, and I just can't take myself out of it ... I am going to look at bo[a]rding school[s] because that is the healthiest thing I can do for my self[.]" In spite of the foregoing iMessage, it is unclear if Hunter's niece knew the full extent of her family's criminality; however, one of her close friends posted a birthday wish¹³¹⁶ on Instagram of Hunter's niece reading Peter Schweizer's book, *Profiles in Corruption*, the third chapter of which is on the Bidens' foreign entanglements and crimes.¹³¹⁷ Third-party sources—apart from the Biden Laptop—confirmed the authenticity of the photo and the extremely close connection between Hunter's niece and the girl who uploaded the photo.¹³¹⁸

ASHLEY'S CHILDHOOD ABUSE

As previously explained, Ashley recounted sexual abuse that she suffered during childhood—and many other topics—in a diary that she kept while undergoing¹³¹⁹ treatment for drug and sex addiction. James O'Keefe and his entity, *Project Veritas*, through a series of events, purchased the diary for \$40k from Aimee Harris, who stayed in a rented room in Delray Beach (FL) where Ashley had previously stayed (Ashley's attorneys claimed that Ashley had permission to leave her belongings in the room, but provided no evidence). However, O'Keefe regrettably punted the story, which caused one of his employees at *Project Veritas* to send a scanned copy of the diary to *National File*. Patrick Howley then published several stories about the diary and posted the scanned copy.¹³²⁰ After verifying the diary's authenticity based on a photo retrieved from the Biden Laptop that Ashley sent to Hunter on 03/13/2019, *Marco Polo* transcribed the entire 112-page diary—the only group to do so.¹³²¹

The diary saga involved several mendacious characters. Like Joe, who has a long¹³²² and storied history¹³²³ of lying, Bob Kurlander¹³²⁴ presented himself in public as a patriot who supported Joe's opponent in the 2020 presidential [s]election and simply wanted to expose Joe as the patriarch of a completely dysfunctional family. However, in private, Kurlander was chiefly concerned with making a "SHIT TON of money" for himself and the female who stumbled across Ashley's diary. In the midst of it all, Ashley apparently wanted "sobriety at all costs" and to heal from childhood sexual trauma.

According to her diary, Ashley's trauma was the result of being "molested." She ruminated at length: "What is this due to? [W]as I molested[?] I think so — I can't remember specifics but I remember not liking the Woolzacks¹³²⁶ house; I remember somewhat being sexualized with Caroline; I remember having sex with [f]riends @ a young age; showers w/[ith] my dad [Joe] (probably not appropriate) ... Other allusions in the diary which confirmed its authenticity, as well as the authenticity of the Biden Laptop, dealt with the Biden family spending every Thanksgiving holiday in Nantucket. These island excursions were referenced in the iMessages below from Ashley to Hallie in November 2016: "Can't wait for Nantucket! Oh wait, you [Hallie] entirely fucked that up! ... YOU are the problem." Nearly three years later, Ashley admitted that she was "a little self-righteous during [the] Hallie [and] Hunter fiasco[.]" Even with her newly found self-awareness, Ashley 1331 still frequently imbibes.

¹³²⁸ "It's an annual tradition for Joe Biden's family to celebrate Thanksgiving on Nantucket, and this year was no different. The Nantucket Inquirer & Mirror reported that the vice president arrived on the island Tuesday night, and he was spotted having lunch at Fog Island Cafe and walking along Main Street with his German shepherd."

As referenced previously, *Project Veritas* pusillanimously fumbled the diary story—employees at the outfit even spoke¹³³³ with Ashley over the phone about the diary, which further confirmed its authenticity, and yet they shrunk from the task. Nevertheless, timidity did not gain them any favor with the feds—two employees and the founder were raided by the FBI in November 2021. Throughout the investigation, the *New York Times*¹³³⁴ was illegally¹³³⁵ receiving tips from SDNY law enforcement and prosecutors. Namely, AUSA Mitzi Shana Steiner¹³³⁶¹³³⁷ and Magistrate Judge Sarah Cave¹³³⁸¹³³⁹¹³⁴⁰ sought and approved the egregious raids, which even liberal civil rights groups stridently opposed.¹³⁴¹

EVADING PATERNAL OBLIGATIONS

When	Where (Venue)	Who	What
08/28/2018ff	Independence County Circuit Court (I.C.C.C.)	Navy Joan Roberts	Ark. Code § 9-10-108

As stated previously, Hunter's sexual conquests had far-reaching consequences, which he tried to ignore for as long as he could. Hunter impregnated a former stripper named Lunden Roberts, an employee at his law firm. Lunden begged Hunter for financial assistance—and he ignored her. The child, Navy Joan Roberts, was born on 08/28/2018¹³⁴⁷ but has never seen or spoken with Hunter or any member of the Biden family. An Arkansas native and college basketball standout who met Hunter while in graduate school at George Washington University, Lunden sued Hunter in an Arkansas county circuit court. After months of denial, Hunter finally admitted he was Navy's father only after he took a court-ordered paternity test. Hunter still maintains that he "could not recall" the copulation. 1348

[&]quot;Roberts'[s] attorney, Clint Lancaster, said Biden didn't provide the support voluntarily. 'He has only taken financial responsibility when the court forced him to do it,' Lancaster said. While Biden is up to date on his child support payments, he has had no interaction with his Arkansas-born daughter, now referred to in court documents as NJR. 'He's not seen his child. He has no relationship with his child, by his own choosing,' Lancaster said. 'Mr. Biden hasn't taken responsibility for this child until he parents her. ... Every child needs loving parents and loving grandparents. This child could stand a relationship with her father. She could stand a relationship with her grandfather[.]"

Ample evidence of Hunter's connection to Lunden existed on the Biden Laptop. Hunter even kicked Lunden off of his company's health insurance plan¹³⁴⁹ and payroll¹³⁵⁰¹³⁵¹ when Navy was less than three months old: "Well[,] take whatever I pay Lunden and get my shit straightened out[,] Katie." 1352

'No, that's a private matter and I have no comment,' Biden fired back before attacking the reporter. 'Only you would ask that ... You're a good man. You're a good man. Classy.'" See Brian Flood and Vandana Rambaran, "Joe Biden tangles with Fox News' Peter Doocy over question about Hunter Biden's DNA test," *Fox News*, November 2019, <u>archive.ph/4m1s6</u>

Hunter provided some background about Lunden to his office's property manager: "I had phoned ahead to let security know that my youngest daughter's [Maisy's] basketball mentor¹³⁵³ [Lunden, who] worked out with Maisy and Sasha Obama when they played in rec league together. Maisy, my daughter[,] continues ton [sic] pursue a NCAA Div. One team and Lunden 1354 continues to help. ... Lunden choose [sic] not [to] play in the WNBA. Lunden 1355 is in her final semester at George Washington University's National CSIS Masters Program and ranked #1 in her class." Lunden's relationship with Maisy made Hunter's lies to the Arkansas circuit court that much more ridiculous. 1356

Please call me at your convenience. I will be in my office today. No visitor of mine entered the bui If Ms. Cox has an issue with the race or dress of my visitors I think we should all sit down and disc understand your need for security in light of the fact that the Icelandic Ambassador's office is on th have received a complaint from any other tenants. If I have please let me know. You pointed out the accommodated Ms. Cox's solitary concern. If you are telling me that I need to seek prior approval after 6PM than I think we should have a talk about the practicality of that. It seems Ms. Cox has an spoken with other tenants and frankly I have seen visitors of others enter and exit the building by the I have come to know personally the entire security team you have at the House of Sweden. I have visitors or break any rules. What do i have have to hide Cecelia. There is a camera in every hallwa rules that seem to applied to me while not others. In fact I know that other tenants on the 5th floor parties after hours and have not been required to have "After hour visitors...approved by the management pro-Sweden."

Again, Ms. Cox who apparently will not provide me with a replacement key that I have given to my Uncle (that's explained in the following email) For some reason Ms.Cox seems to be offended or concerned with the shape size color ethnicity weight—who knows- of my visitors. I have never tried to evade security and that can be confirmed by all members of your security team. I assume that Ms. Cox is now referring to "visitors" THAT RECENTLY ENTERED THE BUILDING THROUGH THE NORTH ENTRANCE WHERE THEY WERE MET AT MY OFFICE DOOR BY SECURITY. I had phoned ahead to let security know that my youngest daughter's basketball mentor she worked out with Maisy and Sasha Obama when they played in rec league together. Lunden, who met Hunter around the time she was moonlighting¹³⁵⁷ as "Dallas" at the Mpire strip club, sent him numerous messages about her difficulties¹³⁵⁸ during her pregnancy and afterwards.¹³⁵⁹ Hunter took a screenshot of his laptop screen on 02/28/2019 of a photo that Lunden presumably sent to him of her positive pregnancy test.¹³⁶⁰ Despite the fact that Joe does not acknowledge¹³⁶¹ his youngest granddaughter, Lunden still wants the best for Hunter; however, Lunden's attorney believes that Hunter will be indicted, based on documents that he reviewed during the paternity litigation.¹³⁶²

SEXUALLY TRANSMITTED DISEASES

When	Where (Venue)	Who	What
06/29/2018ff	N.Y.C.S.C.	Hallie Olivere Biden	NY PHL § 2307

Unsurprisingly, the Biden family's sexual proclivities caused medical scares. After inquiring about Hallie's procurement of crack cocaine, which Hunter called "chicken", Hunter lamented that he "no longer" had "any expectation of honesty" from Hallie: "... you say you've only been with me and Beau and in fact you made us go get tested for ghonera [sic] [gonorrhea]. ... by the way we used condoms ... if you gave me something you better tell me now because how in the fuck do you have unprotected sex with anyone but me???? That is fucked up and I need to know if I need to get tested right now." Hunter may have been preparing for litigation if Hallie knowingly infected him with a sexually transmitted disease (STD), a misdemeanor in at least one state in which they copulated. 1370

¹³⁶⁹ "For what it's worth, the Old Testament obligates the brother of a childless man to marry the widow. But Beau had two kids and anyway, religious duty was most likely not on Hunter's mind. In 2018, according to emails harvested from that laptop, Hunter insisted Hallie test for HIV."

IV. DRUG-RELATED CRIMES

The Biden family's drug and alcohol addictions have been sympathetically written about by the mainstream American press since 2009, when a video surfaced of Ashley snorting cocaine at a party. The mainstream media has not focused, however, on the fact that it was Joe who came up with the phrase "drug czar" 1373 in 1982. Indeed, Joe played a leading role in crafting stricter sentences for drug offenders that, if applied equally, would have sent his own son and daughter to prison for decades. Furthermore, only a foreign outlet has covered the incredible admission from Joe that Hunter apparently inherited his addictive urges from Joe, and Hunter's mother, Neilia: "[Y]ou got the disease from mommy [Neilia] and me[.]" 1374 It is critical to remember that many of Hunter's drug dealers—and Hunter himself—used sex trafficking 1375 and other illegal pursuits in tandem with narcotics offenses.

The list of drug-related crimes below are in the order in which they appear in the Report:

reality- and in the aftermath you have decided that I'm not worthy of your compassion.

I am alone and you make me choose between our children and and all out confrontation with you. I know I've hurt youmaybe beyond repair-but if you were alone and sinking -no matter what - do you think I wouldn't be there to hold you. Not say - "I'm doing this all for you" while you vacation with your friends. Not say things like "Natalie and Hunter have a mother and you're not their father."

Did I make you this person. I'm sorry if I did . But regardless of what has been done and said - all the insults and injuries I may have caused- I am done with you. I am dying inside - but I will survive on the outside for my children. I'll be sober but no matter what what without you I am dead.

You and I are done. Find a lawyer - you can have any money you want- but you won't keep me from my children. I've consented to daily breathalyzers and blood tests and urinalysis and meetings with psychologists and still from afar you influence the process. You say I'm angry. I'm not angry. I'm amazed and disappointed. The person I fell in love with and have always been in love with is now my enemy.

I've been able to keep this family afloat admits so many crisis. And so have you. Have I ever missed a tuition payment or mortgage payment, a play or a game or any thing that ever mattered- or your Neiman Marcus bill. Do you know what I've done to make that possible. Do you have any idea of the level of degradation?

Do you know the level of pain I feel every minute- reliving the last two years as he died. Can you imagine what I felt when they said when he was dead and I came back and touched him after he was declared dead for 7 minutes and his heart

I thought you did. I thought that no matter how faulted I was that you would be there.

When-in any moment of crisis- with your family or mine have I not chosen you? When have I not been there for your family- for your brothers for your parents for your cousins.

My brother died and the day after he was put in a grave you stopped speaking to me. Actually- you spoke to me to say things like "so you really think you can run for congress - don't ever say that to you're children and embarrass yourself."

You need to find your own path from here because it is clearly not with me. I'm certain my children will love me no matter what you do and have been doing to try and change that. They've all told me what you have been saying about me. I've never uttered a bad word about you to them- and I never will. It's so sad to know that you haven't done the same for me.

But for the past 90 days or so with all my failings I wake up every day and turn and I am alone and I reach for you and you're not there and then I reach for the phone to call Beau and I am alone.

And you are drinking wine and smoking pot on the porch with Chris and Amy (the oh so virtuous) or at Camp David with Michele or in NYC with MD, or on the beach with Art and his kids. And I am here waking up alone on my way to a breathalyzer and a pee test...for what? (I have the liver of a 20 year old by the way according to my last blood test.)
I'll go to Caron- but realize this- every dime we have is accounted for - tuitions etc... After backyard and basement and all you're insane spending- like the the fence I said Brother could jump and chewy could climb under- (I have every bill) we have no savings- so be prepared for no housekeeper and no Jun and no car payments and credit cards and no ATM. If you need money desperately call Eric and ask for an advance against my potential earnings. Any bills that need to be paid - ask Eric first. If you need spending money ask Eric.

Realize this- everyone already thinks I'm a lying cheating piece of shit because of what you and my sister-in law and everyone in my family knows that I am the scum you have describe side? They all hate me because what you have told them. The only response I get is "you de good for our girls?

Your absence after the most devastating moment in my life clearly confirmed to all our friend be the most despicable human being in the world- for my wife and best friend to completely desperate time of need.

Do you remember calling me to tell me you were pregnant? Do you remember me meeting about pregnancy? "What to Expect When you're Expecting." Do you remember me being the loved you no matter what.

And now remember this- I am alone and beyond despair and you know I have no real friend you decide you are done with me and Beau is dead.

Cecelia

Please call me at your convenience. I will be in my office today. No visitor of mine entered the building without the knowledge of security. If Ms. Cox has an issue with the race or dress of my visitors I think we should all sit down and discuss with an attorney present. I understand your need for security in light of the fact that the Icelandic Ambassador's office is on the same floor, however, I do not believe i have received a complaint from any other tenants. If I have please let me know. You pointed out the rules in a previous email, and I accommodated Ms. Cox's solitary concern. If you are telling me that I need to seek prior approval for any visitor I may have to my office after 6PM than I think we should have a talk about the practicality of that. It seems Ms. Cox has an issue with my visitors in particular. I've spoken with other tenants and frankly I have seen visitors of others enter and exit the building by the north entrance after "business hours." I have come to know personally the entire security team you have at the House of Sweden. I have never knowingly attempted to hide visitors or break any rules. What do i have have to hide Cecelia. There is a camera in every hallway every 10 feet. I have adjusted to the rules that seem to applied to me while not others. In fact I know that other tenants on the 5th floor have had visitors and even cocktail parties after hours and have not been required to have "After hour visitors...approved by the management prior to their visit at House of Sweden."

Again, Ms. Cox who apparently will not provide me with a replacement key that I have given to my Uncle (that's explained in the following email) For some reason Ms.Cox seems to be offended or concerned with the shape size color ethnicity weight—who knows- of my visitors. I have never tried to evade security and that can be confirmed by all members of your security team. I assume that Ms. Cox is now referring to "visitors" THAT RECENTLY ENTERED THE BUILDING THROUGH THE NORTH ENTRANCE WHERE THEY WERE MET AT MY OFFICE DOOR BY SECURITY. I had phoned ahead to let security know that my youngest daughter's basketball mentor she worked out with Maisy and Sasha Obama when they played in rec league together. Maisy, my daughter continues ton pursue a NCAA Div. One team and Lunden continues to help.

This is beyond absurd. Ms. Cox may genuinely believe that their is some security risk. Your actual security team however always been made aware of my guests regardless of the hour. I will admit that my guests at times do to fit a profile that Ms. Cox seems to be more uncomfortable with. In particular (among several) Ms. Cox took issue with a middle aged African American woman who because of her economic circumstances was dressed in clothes I will assume Ms. Cox would associate with an extremely poor person. The woman's name is Robin Teresa Henry and I have known her for 17 years. She has had a very difficult life, but is one of the more honest and caring people I have ever known. She has been homeless for quite sometime and I have always tried to help by giving Robin odd jobs that fit with her odd hours so that she can have somewhere safe to sleep. I assure you she is not a threat to the Icelandic Ambassador. IF YOU WOULD LIKE HER TO COME IN AND PROVIDE ID FOR BACKGROUND LET ME KNOW. She has stayed in MY parents home. She has been to the White House with me and she has met my entire family. But if Ms. Cox is scared of Robin please let me know.

¹⁴⁰⁴ "Biden's son Hunter's long history of drug abuse began in 1988 with an arrest for drug possession — at around the same time his father was intensifying his War on Drugs bonafides and pushing for stiffer sentences for drug users. 'I was cited for possession of a controlled substance in Stone Harbor, NJ. There was a pre-trial intervention and the record was expunged,' he admitted in a disclosure after being nominated to serve on the Amtrak Reform Board in 2006. The same year Hunter was arrested, Sen. Biden voted for the Anti-Drug Abuse Act, which specifically targeted the use of crack cocaine, making it the only narcotic with a mandatory penalty for possession. Since then, however, The Post reported that Hunter Biden was suspected of smoking the rock in 2018 by staffers at Archibald's Gentlemen's Club in Washington, D.C. He's been in rehab at least six times for drugs and alcohol, and by his own admission spent four years addicted to crack. He is not known to have ever spent a day in jail."

Hunter conspired to commit mail fraud with his crack cocaine dealer, who was featured on *Maryland's Most Wanted*. ¹⁴⁰⁸¹⁴⁰⁹ For weeks, Hunter corresponded with a number registered ¹⁴¹⁰ to Voshawn Sample and put in orders to be delivered near Hunter's office. Hunter became frustrated when Sample stood him up, so much so that Sample offered a lengthy explanation and quasi-apology: "[P]lease come to my house and I don't want you to bring a dollar with you buddy ... my mother has been on vacation and I couldn't cook nothing up in my house because my mother has been acting crazy lately but she goes back to work on Thursday ... Please come get this I did it myself and don't bring a DIME." Hunter responded by saying that he still felt "like the biggest sucker in Annapolis[.]"

¹⁴⁰⁸ "Voshawn Sample, 47, is wanted for armed robbery, first-degree assault, and other, lesser related charges. ... Sample committed an armed robbery at Champion Liquors in Glen Burnie, Anne Arundel County September 30, 2021. ... Hunter used the name of the founder¹⁴¹¹ of Mormonism¹⁴¹² as an alias, and the address that he sent corresponded with the infamous Chateau Marmont hotel: "FEDEX or overnight Mail at Post Office to: Guest Joseph Smith (HB) ... 8221 Sunset Boulevard Los Angeles, California ... In what has been dubbed as the "Cocaine Saga," Hunter's brother's widow pled with Hunter during a phone call to procure crack cocaine for her. The transcript of an excerpt of the call is below:

- - -

Hallie: ... Please, just get it [crack cocaine] for me. ...

Hunter: So, what? You're going to tell me your way if I told you if I got it [crack cocaine] for you? But now you're saying you don't have a way.

Hallie: I told you—

Hunter: And now you're telling me that you don't trust me? I mean, how am I supposed to trust you?

What, you're going to make up something?

Hallie: I told you I would...

Hunter: What?

Hallie: I told you I would call Lisa. 1415

Hunter: Hallie, there is no way in hell... [do] you think that Lisa doesn't know that you've been in and out of rehab—[and] all the struggles you're going through—and is going to get you [crack] cocaine. ... Hallie?

Hallie: I don't know.

Hunter: What do you mean you don't know? Then why did you tell me you

would, I mean...?

Hallie: I don't know. She's... I don't know if she would. I still think she would.

Hunter: Why? Tell me. Hallie: I talked to her—

Hunter: Tell me what ... Here's what I'm asking—because the reason I'm asking you to go through this is just to run the tape. Do you think that she wouldn't call your mom?

Hallie: I don't want to run the tape right now. I don't want to run the tape

right now.

Hunter: Okay, but you don't think she would call your sister [Liz Olivere Secundy] who would call your mom [the late Joan Berger Olivere] who would call my dad [pResident Joe Biden]?

Hallie: I don't know.

Hunter: Well, absolutely, 100% they would. Hallie: I don't know. Then I can't talk to you ...

- - -

Three months later, Hunter confided to a friend about Hallie's behavior: "If I told you just one truth out of one-hundred that I've come to know about her Robi you would be hard pressed to not go and take the kids from her immediately." Hunter saved the message in his iCloud Notes application.

Hallie's selfie (shown below) while smoking was taken on 10/25/2017 when she was in rehab at "Passages Malibu," a \$57,000 stay that Hunter paid for—in part—with the lump sum wire transfers he received from YE Jianming's companies—a CCP-linked energy baron paid for Bidens' posh rehab.

¹⁴¹⁶ "The Passages Malibu center is a holistic treatment facility located in California. Drug addiction, eating disorders and alcoholism are amongst the conditions treated at the facility. Several famous actors, actresses, and musicians have spent time at Passages Malibu."

On 01/27/2018, Hunter pored over Hallie's scrunched handwritten notes from her time at Passages Malibu. Hunter also revealed that Joe paid for another \$45,000 stay for Hallie at Caron, an upscale rehab chain that Ashley utilized¹⁴¹⁷ in Delray Beach (FL) and where Caroline Biden, Joe's niece, was ordered to stay in January 2014 for "anger issues" after she assaulted a cop in New York City. 1418

A significant portion of Hunter's time in 2018 was spent accusing Hallie of being dishonest with him about a range of issues: "[W]hy is she [Hallie] sending me partial nudes without her face in the picture ... a day before she supposedly got her chicken [crack cocaine] ... Hunter's blame¹⁴²⁰ game reached the outer branches of the Biden family tree, as well. Hunter told the late Joan Berger Olivere, Hallie's mother, about the specifics of Hallie's supposed duplicity: "Mimi [Joan][,] I am deprived ... The only mess in my life right now is that Hallie and her 12 days of recovery (and I hope she is sober) truly does[,] says[,] and acts in a way [that is] thhe [sic] opposite of love ... I am told I have been physically and emotionally abusive ... I hope she [Hallie] [beats] the drug[s] she got before I [Hunter] was ever a part of her life and still gets on her own now. [H]er hair dresser¹⁴²¹ of 15 years is her [drug] source[,] by the way." A little over four months later, Hunter's ire turned towards Joan—in a message to Hallie, Hunter described her mother¹⁴²² as a "selfish and insecure woman who cannot stop being a cunt just because that[']s her nature[—]she was born that way ... your mom is not the one you should be listening to about anything ... she is only good at taking care of herself."

In another phone call with his brother's widow, which Hunter recorded, the widow again asked Hunter to procure crack cocaine for her and have it delivered to the family's home just outside Wilmington. Hunter replayed the audio of the call on 01/28/2019—a partial transcript of the call is below:

- - -

Hallie: Why don't you come here tonight, and then fly back tomorrow to wherever you need to go? We could have lots of drunk sex all night. ... I want to use regardless, but I would rather use with you and have sex with you all night. ... if you get it [crack cocaine] delivered here I won't leave the house.

. . .

Hunter: Honey, I was sweet to you for a whole week ... When did they [the Buccinis]¹⁴²³ invite you to go the Hamptons, Hallie? ... They invited you to go the Hamptons with them. ...

Hallie: They said "of course, you're welcome whenever," and I said, "you can take Natalie" ... because Josephine [Buccini]¹⁴²⁴ was pushing it. ...

Third-party sources—apart from the Biden Laptop—confirmed the connection between the widow (and the entire¹⁴²⁵ Biden family, for that matter) and the family of the girl¹⁴²⁶ alluded to during the call.

Hunter had strict instructions for his longtime drug dealer who he labeled in his iPhone contacts as "LA Transport." Hunter and his dealer had it down to a science—Hunter would send a Wells Fargo¹⁴²⁹ ATM code, his dealer¹⁴³⁰ would withdraw cash, and "white boy" would be "on his way." However, Hunter's dealer was not always sly,¹⁴³¹ as Hunter complained about the age of the girls they were with on one occasion: "I left room b/c I told mike those girls are way young and I think maybe underage and I'm not doing that he was supposed to ask them to show they [are] over 21 but he still hasn't called me or texted me."

MOMMY [Hunter's brother's widow] WAS JUST ON THE TOILET AND SHE FA[I]N[T]ED[,] I THINK[,] AND I THINK SHE IS HAVING A SE[IZ]URE[.]" Two days before the iMessages from Hunter's niece, Hunter told his brother's widow that he was "behind blue rocks stadium[,] waiting for a [drug] dealer named Mookie ... Where were you[?]" Three weeks after Hunter's iMessages of "truth," he and his brother's widow argued about the provenance of a large crack cocaine rock which Hunter apparently discovered behind a photo of his deceased brother—near a Hèrmes box—at the widow's home. 1437

1437 "Hunter sent school guidance counselor Hallie a picture of the drugs and box ... Hallie admitted the box was hers but fired back by claiming the drugs were Hunter's. ... The following week, while apparently waiting to check himself into rehab, Hunter recorded—with his laptop's built-in webcam via the Photo Booth application—his wandering tirade¹⁴⁶² to his brother's widow. Between hits on his crack cocaine pipe, Hunter fumed to Hallie about a recent op-ed¹⁴⁶³ and accused her of not being supportive. Hunter was holed up at a Marriott in Worcester at the time.

1462 "'How can you not see how devastating this is to me? … I'm saying to you it would seem to me that you would call and not expect me to apologize for my -- for -- for the things that I've done to harm you, today; is that you would have called, after reading that article, and you would have said, you know what, this really sucks for you … you're telling me right now, right in this moment, that what I should be focusing on is how much damage I've done to you and my children. That's what's going to get me sober."

OPERATING MOTOR VEHICLES

The Bidens' drug addictions have had a ripple effect, causing losses to a wide array of people—from U.S. military families and claims adjusters to a gun shop owner and a former Senate staffer for Joe.

INSURANCE FRAUD

Founded over 100 years ago, the United Services Automobile Association (USAA) has sought to be "the provider of choice for the U.S. military community[.]" However, despite the fact that Hunter was administratively discharged from the U.S. Navy for cocaine use, he and his family inexplicably "discharge for said cocaine use."

So, not only did Hunter grift from U.S. military personnel via his USAA accounts, which contravened USAA's own policies, but he also stole from USAA by submitting a verifiably false insurance claim. On 10/27/2016, while in a rented Buick Verano en route to the "Grace Grove Lifestyle Center" rehab in Arizona, Hunter plowed into a ditch. On 01/09/2017, Hunter's aide, Joan Mayer, conspired with him to lie to the USAA claims agent named Margo Graf: "What happened: I got 2 flat tires that resulted in me losing control of the car and hitting a pole." Hunter recounted what actually happened in his failed memoir: "I found myself in midair, the car having jumped a soft curb on the passing lane and soaring at eighty miles an hour into a cloudless blue sky, heading into the gulch that divided I-10." 1479

In short: Hunter—with Mayer's help—indirectly stole from U.S. military families whose premiums were inevitably increased because Hunter was high on crack cocaine and could not safely operate a vehicle. Additionally, Hertz and its employees¹⁴⁸⁰ were conned into paying for Hunter's carelessness.

How did Hunter reward Mayer's loyalty? Three months after the insurance fraud transpired, Hunter had wonderful things to say about Mayer in an email to James GILLIAR and Tony Bobulinski when he was planing his CCP-linked grift: "I need to Brin g [sic] along Joan [Mayer] who has been with for 13 years and makes around [\$]130[k]. She [Mayer] is incredible and can act for the entire group for all administrative support. That has to happen asap." However, less than two years later, Hunter had falling out: "[If] [h]e [Schwerin] disparages me again to anyone[,] he pays me. If he's the source of any information good[,] bad[,] or indifferent he pays me. He gets Joan [Mayer] to sign [the NDA][,] also."

Hours after Hunter crashed his first rental, he dropped off his second rental, a Jeep Compass, at the Hertz facility near the Prescott (AZ) Regional Airport. However, still being in a drug-induced state, he left several items in the Jeep: his deceased brother's Attorney General (DE) badge, a Secret Service (SS) business card, multiple licenses, and, most incredibly, a crack cocaine pipe and a baggie with cocaine residue. Then, with the help of the SS and Shauna Stangl, who ran the Grace Grove Lifestyle Center and was known as "Puma," Hunter evaded police. Jon Paladini, the Prescott City Attorney, and Sheila Polk, 1481 the Yavapai County Attorney, announced that they were not going to prosecute Hunter even before the lab tests came back, which proved 1482 that cocaine was present in his vehicle.

¹⁴⁸¹ "How did Robert Hunter Biden, son of Democratic presidential candidate Joe Biden, escape a cocaine charge in 2016 in Yavapai County, where even medical marijuana patients get busted for possessing marijuana? … After all, Prescott, a northern Arizona town of about 42,000 people, is the county seat of Yavapai County, home to County Attorney Sheila Polk, the state's foremost pot prohibitionist. … She encouraged police to write up felony charges on people in possession only of cannabidiol (CBD), a hemp compound that doesn't get people high. … it does beg the question of why the county finds it so easy to bust state-authorized medical marijuana patients, but found it so tough to bring a drug charge against a prominent politician's son."

I don't know what to say anymore hallie. You don't respond to love or anger nor hurt or anything. I spent the last 4 days in agony doing this alone and I did it and you act as if im an intruder you show know emotion but contempt and suspicion and you never ever at least acknowledge that once again I have been a victim of the most incredible coincidence. What sobriety cures that Hallie. 4 days off crack and you say I smell like alcohol. Thanks Hallie. You aren't alone hallie. You've never been alone. Good for you. It feels so warm when you say "but III always care for you." Here I am trying to figure out a way to explain to my children why I gave up our lives together for you but you never really intended to give up anything at all. You backed away the moment we became public. At least that's what I thought at first. Then I realized you never actually went all in. From the beginning -you do remember how this started- you took all that I could give and always had reason not to give the same in return. I wasn't fully divorced. Do you know why do you realize why I gave her everything. So it would be done and over and we could be together. Do you know how it felt when the newspapers said we were together and you told your friends to say that it wasn't true? You actually said "don't tell anyone anything, don't confirm anything" to Paige and others. That hurt beyond hurt. You "relied on David when I wasn't available. I was in fucking outpatient and coming to you 3 nights a week just to sleep in your bed and turn around in the morning. Most the time I got there you were drunk and Davi was just leaving or in the blue room. And I was sober and tested daily. Do you remember the first time we used together Hallie? I do. Do you remember when I went to AZ and got clean Hallie? And you came out to get me. Do you remember when I ddi 5 days of Kombo HALLIE AND YOU LEFT ME TO GO USE AND NEVER PICKED ME UP LIKE you promised you would- I was stranded at at the bridge for 11 hours- I went all the way back to 95 and that bridge was closed I was in the car for 16 hours after 9 doses of combo 2 double doses of Ayuwascha and then he gave peyote!!!! You swore you were coming for me. And you are his friend- you lie to me about him? There is no one to blame Hallie. There is no blame in your world except for the blame you have heaped on me with every counselor and friend and family member. I will never blame you for my addictions. But I will blame you for being selfish and hurtful and for lying and withholding from me. I will blame you for being amazingly unhelpful and ungrateful and disloyal. You fucking went to sissys wedding without me. You should be ashamed of your self. But instead it all comes back to my addiction. But hallie there is nothing I just wrote above that is cured by sobriety. Yours or mine. Not a single thing changes any of it. So tell me Hallie 'im 4 days I'll be 6 and then 16 and then 40 and 3 months. What changes any of t.

Hunter ordered black market¹⁴⁹⁵ Viagra from a dealer based in New York City who he referred to as "Frankie." While staying at three different hotels in Manhattan—The Lombardy, the Soho Grand, and Mr. C Seaport—Hunter procured the illegal erectile dysfunction tablets, which he referred to as "Viagrea [*sic*]," "Viag...," and "Blue V[.]" In fact, during his stay at Mr. C Seaport on 03/10/2019, Hunter could be seen ingesting a couple pills after he recorded a pornographic video with a prostitute.

FIREARM VIOLATIONS

When	Where (Venue)	What
10/12/2018	D. Del.	18 USC § 922(a)(6)

Hunter committed a felony on 10/12/2018 by lying on the Bureau of Alcohol, Tobacco, and Firearms (ATF) Form 4473. Before he could purchase a .38 revolver at Ron Palimere's 1496 Starquest Shooters & Survival Supply gun shop, Hunter needed to satisfy the requirements listed on the ATF's "Firearms Transaction Record." Hunter answered "No" to the following question: "Are you an unlawful user of, or addicted to, marijuana or any depressant, stimulant, narcotic drug, or any other controlled substance? ... The use or possession of marijuana remains unlawful under Federal law..." Contemporaneous photos 1498 confirmed that Hunter was in the Wilmington area and that he had ingested crack cocaine.

Although the felony that Hunter committed by submitting false¹⁴⁹⁹ information on a firearm purchase form is prosecuted only half the time, Hunter's lie created other headaches for him and the Bidens. Hunter described those headaches in an iMessage to his former psychiatrist on 12/06/2018: "Did I tell you what she [Hallie] did with my [.]38 [revolver][?] ... [she] [t]ook [the gun] from [the] lock box of [my] truck and put it IN [a] PapER BAG AND Threw it in [a] trash can at [a] local high end grocer [Janssen's Market]. For no reason. And I freaked when I saw it was missing 10 minutes after she took it and when she went back to get it after I scared the shit out of her it was gone[,] which led to [a] state police investigation¹⁵⁰⁰ of me. True story." Hunter's psychiatrist understood that, despite Hallie's attractive physique (in his mind), she committed crimes: "[Hallie] tossed out a gun where a kid could have blown his sister's head off ... Whether she is built like a greyhound or not becomes irrelevant."

¹⁴⁹⁹ "The Brady Handgun Violence Prevention Act of 1993, ushered into law by then-Sen. Joe Biden, at the time chairman of the Senate Judiciary Committee, made Form 4473 a key part of background checks for gun purchases[.]" See Devlin Barrett and Perry Stein, "Federal agents see chargeable tax, gun-purchase case against Hunter Biden," Washington Post, October 2022, archive.ph/tEbhN

¹⁵⁰⁰ "[T]he case was referred for a decision on prosecution to the Delaware Department of Justice." See Dave Urbanski, "Hunter Biden's gun was taken by Hallie Biden in 2018, thrown into a supermarket garbage can, went missing — and no arrests were made," *TheBlaze*, October 2020, <u>archive.ph/P9YXL</u>

The psychiatrist's comment alluded to the distance between Janssen's Market¹⁵⁰¹ and Alexis du Pont High School, which was across the street. The grocery store was less than 1,000 feet from the public high school, the statutory limit. Ironically, the federal law that Hallie violated—the Gun-Free School Zones Act—was championed by Joe! On 12/15/2018, Hunter again complained to his psychiatrist about Hallie's felony: "She was fully aware of what she was doing and in fucking me over (like putting gun in trash) there's [a] domino effect." Four days after Hunter sent the foregoing iMessage, Hallie's sister sent a local news article¹⁵⁰² about another felony involving a firearm and the same high school, proving that the incident—which included not only the Delaware State Police (DSP) but also the ATF, FBI, and (the illegal¹⁵⁰³ intervention of) SS agents—was discussed by other members of the family.

See Emma Jo Morris and Bruce Golding, "Hunter Biden texts contradict claims Secret Service wasn't involved in gun case," New York Post, March 2021, archive.ph/nVkdz

After Hunter apparently allowed Hallie to talk to his psychiatrist only if he were present ("the last time I let you speak to my therapist you told them [sic] that I was sexually inappropriate with Natalie"), Hunter told Hallie on 01/28/2019 that she could have gone "to prison for the rest of [her] life" if "some kid [blew] his sister[']s head off," which indicated that the gun was loaded when Hallie placed it in the trash can. The following day, on 01/29/2019, Hunter admitted to the SS's illegal intervention in the fiasco, as no member of the Biden family was eligible for protection at the time. SS's agents tried to intimidate Palimere at his gun shop and asked for the documentation from Hunter's purchase. Palimere rightfully refused to go along, but the ATF subsequently confiscated the documents. The SS/ATF refused so answer questions about their fixer service—and courts for protected them.

¹⁵⁰⁵ David Codrea, "Suit Seeks to Compel ATF to Answer FOIA Request in Hunter Biden Gun Case," *AmmoLand*, August 2021, <u>archive.ph/SIjEI</u>

¹⁵⁰⁶ "In response to my complaint, Secret Service provided an affidavit under penalty of perjury denying involvement, so that my FOIA complaint was dismissed. ATF took a different approach, alternately saying I don't qualify as a journalist, that they couldn't find responsive records, and that they made a mistake and shouldn't have responded because Hunter Biden's privacy interests take precedence. ... It's interesting that, in spite of all the legal machinations, ATF did not just come back and deny involvement like the Secret Service did. The Bureau's and DOJ's stonewalling and obfuscation has been noted before, notably in its response to Operation Fast and Furious 'gunwalking' investigations[, which culminated] in then-Attorney General Eric Holder being found in contempt of Congress."

See David Codrea, "ATF Asks Judge to Order [] Biden Gun Inquiry Closed," *AmmoLand*, January 2022, <u>archive.ph/LZne6</u> ¹⁵⁰⁷ "The Justice Department agency initially told Codrea it couldn't find any records, then said it was searching for them, then reversed course again and said it would not confirm the existence of any records[.]"

Hunter sent a series of iMessages to Hallie that provide many details of the fiasco: "They think you're scared [that] I would shoot you ... You now have me as an abusive pedophile with homicidal tendencies. And that's now in the hands of the FBI. ... Hallie[,] [this is from Delaware State Police Officer] John Penrod: '... have David [Walsh II] call [me] if something like this ever happens again[.]"

Hunter kept complaining to Hallie about the situation that she had put them in: "There are 5 guns in dad[']s [Joe's] house¹⁵⁰⁹ ... There are fucking more weapons in your son[']s room then [sic] in an armory ... John [Penrod] and David [Walsh II] and you can all have a good laugh ... The police and fbi still want to talk about whether I'm threatening you ... I can't even go to Jansens [sic] now[.]" Six days later, Lt. Millard Greer of the DSP sought to speak with Hunter at Hunter's "convenience."

¹⁵⁰⁹ "He went on to explain that he owned two shotguns and had advised the Second Lady of the United States, Jill Biden, to use one of them to 'fire two blasts' should she feel threatened by someone or something." See "Buy a Shotgun," *Wikipedia*, <u>archive.ph/XwSiV</u>

Although a vagrant who regularly rummaged through the grocery store's trash returned¹⁵¹⁰ the .38 revolver a few days after the (illegal) SS intervention—which helped Hallie avoid the worst case scenario—the Bidens still had their bases covered if any honest state prosecutor tried to enforce the law. Indeed, a former Deputy Counsel to Joe in the White House named Alexander Mackler likely ensured that Hunter and Hallie were not prosecuted for their crimes—in both the U.S Attorney's office in Delaware and then as the Chief Deputy Attorney General of Delaware (a position he still¹⁵¹¹ holds).

Even though the Bidens, in private, flippantly broke state and federal firearm laws, they pressed for stricter gun laws for the public.¹⁵¹² In fact, the Beau Biden Foundation for the Protection of Children was instrumental in drafting and passing the Beau Biden Gun Violence Prevention Act in Delaware. Joe, Beau's widow, Ron Olivere¹⁵¹³ (Beau's father-in-law), and other members of the Biden family attended a signing ceremony with the then-Governor of Delaware, John Carney, on 04/30/2018 for the bill, which was—according to Joe—a "fitting tribute to Beau's legacy."¹⁵¹⁴ Topping off the family's hypocritical stance on firearms was a Facebook post¹⁵¹⁵ by Olivere about Congressman Thomas Massie (R-KY-4), who has not—unlike Hallie and Hunter—committed multiple firearm felonies.¹⁵¹⁶

¹⁵¹⁰ "The bizarre incident involved a trash can ... and, eventually, federal law enforcement. ... In addition to questioning Hallie, police called Hunter to the scene, where he was questioned outside the store's loading dock area and explained he used the gun for target practice[.]"

DRUG-INDUCED THREATS

When	Where (Venue)	What
06/06/2018ff	D. Del.	18 USC § 875(c)

While on another drug-induced rampage, Hunter seemingly threatened¹⁵¹⁷ a longtime Biden political operative¹⁵¹⁸ and business agent.¹⁵¹⁹ Based on other correspondence, Hunter was apparently angry with David I. Walsh II because Walsh would not hand over his cell phone records to Hunter in order to prove that he was not sexually involved with Hallie. Hunter sent the following message to the former Senate staffer for Joe (Hunter's contact erroneously bore the name¹⁵²⁰ of the former aide's wife): "You fucking pussy - I'm sitting outside Rocco's[,] Dave. Come on out buddy. You're such a pussy[,] David."

¹⁵¹⁹ The former Senate staffer for Joe previously served as the business agent for one of Jimmy Biden's money laundering vehicles called The Lion Hall Group LLC. However, on 03/06/2021, Jimmy changed the registered agent from David I. Walsh II to "Delaware Registered Agents and Incorporators, LLC." When *Marco Polo* asked David I. Walsh II about this business document amendment—along with Hunter's threat and accusations of infidelity with Hallie—Walsh declined to answer and abruptly hung up the phone.

V. INFLUENCE PEDDLING

As explained in the BACKGROUND section of this Report, the Biden Laptop was akin to the Rosetta Stone for corruption. Nevertheless, it was merely a peephole view of the family's inner workings; after all, it is only one device from the pResident's family. Imagine what other devices would reveal...

This section will detail how, why, and to whom the Biden family sold Joe's public office—or potential influence if Joe were elected president—for their personal gain. The gain was not necessarily monetary although, oftentimes, it was. From the school admissions grift to Zimbabwean gold mines, this section is as far-reaching and hilarious as it is pathetic. The photo below was the perfect illustration of their craft with Obama and the Bidens at a Georgetown basketball game paid for by the American public. Seen in the background of the photo was none other than Chicago native Rahm Emanuel, the then-Chief of Staff at the White House and Joe's current Ambassador to Japan.

When	What	Who
03/26/2010	College Admissions Scam	Devon Archer, Arlene Busch & LI Jonathan

Hunter and his associates helped the children of their CCP-connected business partners cut in line to get into elite American boarding schools. Although the back-scratching scheme did not amount to a criminal conspiracy based, at least, on the laptop contents, some of their friends were not as sly. ¹⁵²⁸ As you will read later in this section, LI Jonathan's daughter, Jenny, owed her entire American educational experience to the Biden nepotism gravy train. Hunter's colleagues—Arlene Busch, Devon Archer, and John Kerry's stepson, Chris Heinz—were certainly eager to help the Chinese princeling.

A group of Serbian oligarchs¹⁵²⁹ was "very willing"¹⁵³⁰ to inject Hunter's private equity fund with cash, so much so that the Serbian president Boris TADIĆ (seen below with Joe) and Serbia's ambassador, Vladimir PETROVIC, apparently supported the effort wholeheartedly. Mark Doyle orchestrated the scheme as a registered foreign agent for Serbia. Doyle was also the finance director¹⁵³¹ for Joe's failed 2008 presidential campaign, and he had been a Biden confidant for decades. Hunter even hinted that he would hitch a ride with Joe on Air Force Two to Madrid before meeting Doyle in Serbia.

¹⁵²⁹ "[Doyle] was referring to Serbian Ambassador to the United States Vladimir Petrovic, who Hunter Biden met for the first time in February 2010 alongside Tadic's National Security Advisor Jovan Ratkovic."

As previously mentioned, Doyle was a \$10,000/month registered agent for Serbia. 1532 In fact, he was one of the only men in Hunter's business schemes to follow the law and register as a foreign agent with the Justice Department. Based on Doyle's FARA form (No. 5940) and his correspondence with Hunter, the private investment fund belonging to the vice president's son was an "issue of importance to the Republic of Serbia." Doyle, affectionately known to Hunter as "Markie," also showered Joe with gifts, including cuff links and ties. Doyle would go on to serve as the chairman of "Unite the Country," a key super PAC for Joe's 2020 presidential campaign that raised nearly \$50 million. 1533

A "serial entrepreneur" named Abe Sher¹⁵³⁴ wanted Hunter and government officials in Delaware to "not distribute publicly" the supplicating letters Sher had orchestrated to be sent to the U.S. Secretary of State and the Administrator of USAID about the never-let-a-crisis-go-to-waste grifting opportunity after the earthquake in Haiti. Sher owned "Aqua Sciences," which produced a drinking water device, so his pitch sounded cheery. Sher apparently did not know what Joe actually¹⁵³⁵ thought about Haiti.

Hunter's former colleagues are still prominent leaders in the "charitable-industrial complex." Indeed, one of the recipients of Sher's letters was Raj Shah, the current president of the Rockefeller Foundation. Spitz also claims to have known Joe since his "Freshman year at Penn" and believes that Joe "has always been a great father, leader, and listener" who possesses the "courage that defines" him as a "great man" due to Joe's reform of the federal prosecution guidelines around marijuana.

I trust you had a good trip to Africa. It dawned on me late that you would be going to the WC games. That must have been cool.

I had a good conversation with Devon the other day, and it does not look like Livestream is a good fit for the fund, but he was interested in passing the opportunity along to folks who might like the deal flow. I will follow up with him to get him to see the company.

We should touch base this week to discuss the non-investment opportunities to work together on Livestream.

Also, I heard a funny story about your Dad. Apparently, one of the Narragansett investors was meeting with him a couple months ago, and you Dad offered him a beer. The guy said "only if it's a Narragansett." Your Dad chuckled and said, "that's Bernie Bonnano's beer." Bernie's late wife was Chris Dodd's sister.

So, your Dad clearly has a working knowledge of our investor group and knows the beer. Now you just need to remind him that the guy he knows best at Narragansett is the CFO ©

09/07/2010	Family Venting Session	Joe & Obama

Less than two years into the vice presidency, Joe was already upset about some of Obama's antics. 1540 After Hunter sent the URL to a speech 1541 that Obama gave on Labor Day, Joe said that Obama had "No grace" because Obama 1542 used Joe's words without attribution, a deliciously ironic complaint given that Joe's 1988 presidential campaign tanked because of a plagiarism scandal. 1543

Interesting language from the President:

(02/25/2010) (01/12/2013

"They (his grandparent) would tell me about seeing their fathers or uncles losing their jobs...how it wasn't just a loss of a paycheck that stung. It was the blow to their dignity, their sense of self worth."

Wonder where he got that from? Im surprised he didn't finish with the long walk up a short flight of stairs. Pretty amazing.

Hunter's last line was also ironic, given that Joe fell three separate times on a short flight of stairs while attempting to board Air Force One in 2021, which inspired memes and a historical reference.

Hunter nonchalantly brought up the option of his business partner cutting in line for treatment of a disease¹⁵⁴⁹ (diverticulosis) because that was just "[o]ne advantage of JRB [Joseph Robinette Biden]" who, he said, "can get u [*sic*] the best guy in [*sic*] [the] country and have you see him." Hunter would not accept Schwerin being one of the 3,400 poor saps¹⁵⁵⁰ in America who die every year from diverticulosis—those suckers did not win the sperm lottery and have a powerful and nepotistic father. Hunter's altruism was, in fact, a two-way back-scratching street: Schwerin was certainly grateful for the Bidens' nepotism, but he made sure to go to bat publicly and privately in Hunter's defense. Just four months earlier, Schwerin wanted to "punch [Michelle Malkin] in the face" after she wrote¹⁵⁵¹ about Hunter's obvious conflicts of interest from his position on Amtrak's board of directors. Malkin has since acknowledged Schwerin's private threat of violence and was delighted to get under his skin.¹⁵⁵²

Crap, I keep meaning to tell you the Doyle update. I got an email from Doyle sort of saying that if you couldn't do it he didn't want us to ask anyone else. Let me find it and forward to you. Didn't know what to do. Bottom line was that Doyle was appreciative and knew we were trying so we are OK with him.

I am going to make an appointment to see my guy and see what he says. I like him - he's one of the more respected GI doctors in DC and with a huge GI practice, but I haven't really gotten direct answers from him that have satisfied me. (Think it is the nature of the illness too.) It is this weird Diverticulosis/IBS mix that is troubling me. If you read the treatments for Diverticulosis, it says fiber. If you read about IBS it says fiber is bad. Know idea what to do. It is mentally depressing just as much as it is physically painful.

Chris Tigani, a wealthy beer distributor, illegally directed (and reimbursed)¹⁵⁵⁵ his employees to funnel more than \$70k to Joe's presidential campaign.¹⁵⁵⁶ Tigani was held accountable¹⁵⁵⁷ and served time in federal prison, but Joe's brother-in-law was still concerned that Tigani would "make some things up." Ironically, David Weiss, who slow-walked the investigation into Hunter and the Biden family, bemoaned Tigani's "pervasive criminal conduct" and his contributions to the "Delaware Way." ¹⁵⁵⁸

Conclusion

Defendant's calculated actions over a six-year period have helped to erode public trust in the electoral and legislative process. His actions further led to the near dissolution of a company that had been in existence for over sixty years. Defendant's pervasive criminal conduct merits a substantial term of imprisonment to punish him for his actions and to deter others from engaging in the "Delaware Way." Accordingly, for all the foregoing reasons, the government respectfully requests the Court to impose a term of imprisonment of 25 months.

Marco Polo made the somewhat bold declaration that the Biden Laptop was a new Rosetta Stone for corruption; therefore, it was only a matter of time before the most entrenched swamp dweller of all, political polling "consultant" and spin doctor, Frank Luntz, appeared on the laptop. Besides shacking up¹⁵⁶⁹ with Congressman Kevin McCarthy (R-CA-23), Luntz is a focus group huckster for the uniparty. In response to Hunter complaining to him about not defending Joe against a campaign ad¹⁵⁷⁰ in the lead up to the 2012 election, Luntz simply said that Joe was not his "current client," and, ergo, nothing else mattered to him. Nevertheless, Luntz's animosity appeared¹⁵⁷¹ to have subsided, presumably because the Bidens started paying up, as Luntz—who Hunter thought of as "smarter than anyone in politics"—was seen directing fan traffic at Joe's presidential campaign stop in lowa on 01/18/2020.¹⁵⁷²

Hunter's uncle, Jack Owens, needed a bump in line to secure a business license in China so he could finalize a deal. 1576 Owens, who resembles Sir Robert Helpmann's character 1577 in *Chitty Chitty Bang Bang,* was not going to accept delays when his brother-in-law, one-time housemate, and "best friend" was the vice president of the United States. 1578 Owens turned to Hunter, who had the perfect idea: Enlist Whitey Bulger's nephew to grease the gears. As noted throughout the Report, Hunter and Jimmy Bulger worked closely with CCP-linked firms for over a decade. Dear Hunter:

Jack & Valerie at the White House archive.ph/8Pcmd

My companies MediGuide America and MediGuide Insurance Services International (MISI) are in discussions with an insurance company based in China.

Discussions have reached a serious stage but it appears that this company will require that we possess a China Business License to seal this deal. Time pressures are very tight, plus the fact that we do not yet have one has caused a slight credibility bump in the company's mind. This all translates into a need for a Business License, and one secured very quickly. While this might seem to be a mundane task, I have come to understand that matters such as a Business License can end up taking an inordinate amount of time.....time we just do not have.

So I would be most appreciative of any help and direction you might be able to provide to help me accomplish this task timely.

Thanks, Uncle Jack

Dear Friends,

Kerry & Joe (08/02/2016)

Please join us for a cocktail party next Thursday, June 26th at 6pm in Tribeca to benefit Seed Global Health, founded by Dr. Vanessa Kerry, along with a fabulous group of friends and guests. Seed is the only non-profit working in close partnership with the Peace Corps to address the dire shortage of nurses and doctors in the developing world. This is a cause worthy of all of our attention and I genuinely appreciate anything you can do to support—but the best option would be to see you there next Thursday!

All attendance options are open; come as a Chair, Host, Guest or my invited Guest to learn more about Seed Global Health.

All the Very Best, Devon

This was certainly not the first time Hunter and his associates viewed their interactions with Vanessa as transactional. Two years earlier, when news¹⁵⁸² broke that Vanessa had given birth, Schwerin assumed Joe would send her a congratulatory card, but only if she were on the "special" list. We can only assume that this "special" list contained the names of only those individuals who could, in some way, further the interests of Joe's family, either monetarily or politically—or, in this case, both.

In June 2015, it was more of the same for Archer. This time, his \$100,000 glad-handing operation for John Kerry's daughter took place in the Hamptons at the Quogue Club. Six months later, Archer orchestrated a donation to Seed Global Health from BHR, whose board he and Hunter had joined. 1583

I hope this email finds you well. I am writing to invite you to our upcoming event in the Hamptons for Seed Global Health, the organization founded by Vanessa Kerry. Seed Global Health is the only non-profit working in close partnership with the Peace Corps to address the dire shortage of nurses and doctors in resource limited countries around the world.

We are hosting a small cocktail party on Sunday, August 16th at The Quogue Club at Hallock House to raise funds and awareness from my friends there. We would like to raise \$100,000 to help fund our mission. We have already lined up several chairs and hosts, and each will bring in a few guests. I hope you will consider supporting Vanessa's project by joining us.

Over the past three years, we have sent over 100 physicians and nurses into the field. We have also helped offset over \$2.5 million of their debt, often a barrier to public service. Events like this are critical to our ability to continue to be successful improving health globally. Thank you for your consideration.

In 2018, a Peace Corps OIG investigation found that millions in tax-payer funded contracts illegally flowed to Vanessa Kerry's aforementioned charity, which violated procurement laws and regulations. In fact, one of Vanessa's executives, Buck Buckingham, took the fall for Kerry's organization and was charged with violating conflict of interest laws; however, Buckingham¹⁵⁸⁴ struck a plea deal.¹⁵⁸⁵

As of April 2018, Peace Corps had disbursed \$6,305,329 to Seed under the cooperative
agreement. 10 Additionally, the Peace Corps allocated more than \$13.5 million in PEPFAR funds
to support GHSP activities.

They have approved us to conduct an assessment before committing to any long-term engagement. We want to ensure we can deliver a high quality and helpful service to the country. We are looking to pull together a team and have serval folks lined up who could help but we wanted to discuss with you if Burisma could help support this initial phase as well.

Please let us know when might be convenient to connect again. Afternoons are best for me.

In yet another example of the incestuous relationship between the corporate media and the Bidens, consider the invitation below that was sent to Hunter from *The Atlantic*'s Steve Clemons. The event was presumably a softball question affair featuring Vanessa Kerry and her father's former colleague, Massachusetts Senator Ed Markey. Clemons, who apparently gets paid to write for a living, declared that the event he was hosting "ha[d] soul." It was not 1587 the first time Clemons fawned over a Biden; on Joe's trip to China in 2013 before Hunter's BHR deal was inked, China's vice president LI Yuanchao told Clemens: "Vice President Biden is a good friend to you and to me." 1588

I hope this email finds you well. (Not sure if you remember me, but I worked for your Dad in 2006-07 on his campaign, and then most recently as Chief of Staff of the International Trade Administration at the U.S. Dept of Commerce.)

One of my dear friends, Kim Glas, who is the Executive Director of the Blue Green Alliance wanted to touch base with you if possible. She's a former Deputy Assistant Secretary of Commerce (ITA), and now is focusing her efforts on environmental and union issues. The BlueGreen Alliance is an organization comprised of 15 labor and environmental groups committed to create jobs and mitigating climate change. The cochairs of the BlueGreen Alliance are Leo Gerard, President of the United Steelworkers, and Michael Brune, Executive Director of the Sierra Club. You may have heard of them already...

This group is honoring your Dad with the Green Champ award. See attached. They've sent the invite to the VEEP's office, but haven't heard anything. They want to honor him for his outstanding work at this years conference on April 13th. This is a very widely attended event with significant turnout from the labor and environmental movements. Anything you can do to help with this request would be greatly appreciated, Hunter!

Thank you in advance, and I hope you are well.

All my best,

Adam

Three weeks later, Wilczewski was back in Hunter's email inbox, this time playing the role of fixer. On October 14th, news¹⁵⁹⁸ broke that Hunter had been kicked out of the Navy for cocaine use, and Adam wanted to offer a solution that only a D.C. insider could cook up: "On another note, not to be totally obnoxious, but [I] saw the negative press. Tough stuff [so much so that the Governor¹⁵⁹⁹ of Delaware consoled Hunter]. And, I just wanted to kindly and discreetly let you know that I have a friend at a very good reputation management company called Reputation.com.¹⁶⁰⁰ They help folks deal with online perception." Apparently Polly Morton was the preferred spin doctor because she was "discreet."

¹⁵⁹⁸ "Mr. Biden was commissioned as an ensign on May 7, 2013, and assigned to Navy Public Affairs Support Element East in Norfolk, Va., a reserve unit, according to the Navy. Wishing you the best, my friend.

The next month, Morton¹⁶⁰¹ sent a follow-up email after her call with Hunter and Schwerin.¹⁶⁰² Schwerin sent some answers, and Morton sent them back a contract for \$57,500. After a few corrections, Hunter executed the agreement. Along with humiliation to the Biden family, Hunter's addiction to cocaine was an expensive diversion, for which he billed his influence peddling firm.

¹⁶⁰² Eric Schwerin's involvement in this pathetic exercise was peculiar (these are not normal duties for a private equity partner). However, as noted at the beginning of Section II, Schwerin was Hunter's handler and babysitter in all respects: Schwerin handled Hunter's finances, corresponded with his ex-wife about alimony, cashed checks directly for Hunter and Joe, and—as was the case in this instance—ensured Hunter's online image was positively manipulated.

Hunter made sure he got his money's worth for the online spin doctors at reputation.com, as Schwerin was "wordsmithing" Hunter's Wikipedia¹⁶⁰³ profile—and the "Special Projects" manager at the firm, Jonathon Lee, sent Hunter "stats" about his online presence—into June of the following year. In fact, a little over one week after his brother died, Hunter and his business partner were worrying about inserting portions of the eulogy Hunter gave at Beau's funeral into Hunter's Wikipedia page.

Articulate 1604 and well-traveled show host, Tucker Carlson, lived across the street from Hunter in D.C. and has spoken publicly 1605 about the close relationship between their wives. Although Tucker has covered the Biden family corruption as much as anyone on cable television, what he—in his limited hangout—did not disclose was his own bite out of the Biden nepotism fruit tree on behalf of his son, Buckley. Kindness to one's neighbors is certainly a laudable quality, but asking for recommendation letters to selective universities revealed an ingratiation with the establishment that Carlson, based on his show transcripts, supposedly detests. 1606 However, prestigious universities and \$3 million homes 1607 were not his only rewards for fame; Carlson enjoyed a variety of activities, including the show, *Dancing with the Stars*. 1608 A more egregious display of back-scratching, beyond mere recommendation letters and hoping the families "all get dinner soon," will come later in this section.

Danny is very open. Ideally, he would like to get a position working in a policy/communications position in the domestic space where he could learn from great people. I think he cares most about that. Domestic Council, Economic Council, Legislative Affairs, Communications - all those are places where he would thrive. He will be back in DC by early May.

As you know I was in Beijing last week. I was there because the <u>State Legislative Leaders Foundation (SLLF)</u> was sending an advance team in preparation for a large program they will be putting on in October that will hopefully include over 50 legislative leaders from over 25 different US States as well as their provincial counterparts in China. Additionally, <u>US</u> and Chinese businesses will also be in attendance.

Henry is spearheading this initiative with SLLF in China so I spent the last week with him. Henry is a big supporter of SLLF and he sees this initiative as being of a major diplomatic significance to both the US and China. He has spent a lot of the past year helping SLLF get an office set up in China which, considering how busy Henry is with all his other business, shows how important he views this SLLF initiative.

Henry and Steve Lakis (President of SLLF) asked me if I could help Steve set up a meeting with you when Steve is in DC next. Steve wanted to ask your advice on how to proceed on one aspect of setting up an SLLF office in China.

Specifically, the US and Chinese government through their respective foreign ministries laid a broad framework that allowed for the creation of the <u>US-China Governors Forum</u>. The U.S.-China Governors Forum was set up by the National Governors Association (NGA) and the Chinese People's Association for Friendship with Foreign Countries. It serves as a platform to promote peer-to-peer exchanges between U.S. state governors and Chinese provincial party secretaries and governors on topics of mutual interest such as trade, investment, energy and the environment. A Chinese province or a U.S. state takes turns hosting the meeting with the first one convened in Salt Lake City, Utah and the second one in Tianjin and Beijing. The third one was scheduled to be held in California in November this year.

SLLF would like to set up a similar sort of arrangement but instead focus on exchange between the state-level legislative branch of each country rather than the executive branch. It is on this point specifically that Steve Lakis (President of the SLLF) was wondering if he could just meet at your DC office and discuss paths forward.

Just so you know the SLLF is a nonprofit, nonpartisan organization dedicated to professional development for current and future state legislative leaders. Their constituency includes Speakers of the House, Senate Presidents, Majority Leaders, Minority Leaders, and Pro Tempores.

So is there a chance you could sit down with Steve and give him some advice on some of the issues that he and Henry are contending with? For your reference I've attached an internal memo that SLLF created on this matter.

Let's you and I have a quick phone call so I can explain further. What is a good time for me to give you a call?

¹⁶¹⁹ "The Biden administration last month warned of a Chinese Communist Party front group that seeks to 'co-opt' state leaders as part of Beijing's sprawling foreign influence operation. Emails from Hunter Biden's laptop show the first son and his business partners helped the organization gain a foothold in the United States while his father was vice president. ... The Biden group's primary goal was to have Obama reference the collaboration between the State Legislative Leaders [Forum] and the Chinese group in his upcoming meeting with Xi Jinping. On May 11, 2015, a foundation adviser wrote Evan Ryan, who then served as assistant secretary of state for educational and cultural affairs, that a reference by Obama would help them gain 'top level approval' from Chinese officials to set up a foundation office in Beijing. Ryan, who now serves as White House cabinet secretary and is married to Secretary of State Antony Blinken, appears to have played a major role in midwifing the partnership. Schwerin noted in an email to Biden that Ryan had 'helped with' the effort to officially acknowledge the foundation's work with the Chinese group."

06/30/2015	Dead Brother's "Pass Through" Foundation	Josh Alcorn

Within a month of Beau's death, Josh Alcorn, a longtime Biden political operative, was explaining the grift they were planning with the Beau Biden Foundation for the Protection of Children. In fact, with Beau's body barely cold, Alcorn declared that the foundation was to give "no more than 5%" as scholarships and just another 5% for a so-called "fellowship." Besides those handouts and a few golf tournaments, the Foundation is an employment program for those who were close to Beau when he was alive. 1623 As multiple white papers explain, this "pass through" scheme is illegal in most instances. 1624 If the IRS were an impartial body, the Foundation would lose its tax-exempt status.

PART IV Narrative Description of Your Activities

Beau & Josh Alcorn

The Beau Biden Foundation for the Protection of Children will continue the work Joseph R. "Beau" Biden, III loved the most - protecting the most vulnerable among us. As Beau said: "As adults, we have a legal and moral obligation to stand up and speak out for children who are being abused - they cannot speak for themselves."

The Foundation recognizes there are already a number of very successful non-profits working in this space. Our goal is not to recreate the wheel, but rather fill gaps that exist in educating adults about child protection, raising awareness of bullying and online safety among school aged children, and expanding across the nation, some of the policy solutions to protecting kids that Beau Biden brought to Delaware while serving as the State Attorney General. As such, the Foundation will have three main programming goals: create programs that build on in-school and community programs Beau brought to Delaware; fund existing programs through grants to other non-profits working in the space; and provide scholarships/endow fellowships for college and post-graduate students who want to dedicate their lives to protecting children.

What follows is a brief list of programs we will to develop and fund. It is in no way exhaustive or exclusive.

- 1. As Attorney General, Beau spent a lot of time in schools, talking to kids about the dangers of bullying and the importance of online safety and reputation. The Foundation, working with our Program Director, the Board of Directors and experts in the field, will develop a comprehensive in-school presentation and workshop that we can take to local schools. Beau believed children are the first line of defense in protecting other children from bullying – and so he went in to schools to talk to kids about it. The foundation believes this will be one of our major programs. As with all of our programs, this will be funded by donations from the public and by grants from non-profits, governmental programs or foundation
- 2. An organization called Darkness To Light has a program called Stewards of Children that trains adults to recognize the signs of child abuse and offers them tips and solutions to prevent abuse in their own social circles. Beau had set a goal of training 30,000 adults in Delaware in the Stewards of Children program. To date, about 15,000 have been trained. The Foundation will work with Darkness to Light to partner with large employers in Delaware and fund the training program. The foundation believes this will be one of our major funding projects. As with our own programs, this will be funded by donations from the public and by grants from non-profits, governmental programs or foundations.
- 3. Beau recognized the importance of having really great people working on child protection issues. He recruited the best minds to his Child Predator Task Force and the Family Division in the Delaware Department of Justice. The Foundation plans on funding scholarships at local colleges and law schools to train the next generation of leaders in the Child Protection space. These scholarships will be well publicized, open for anyone to submit an application, and will be fairly judged and handed out. The foundation believes we will give no more than 5% of our annual giving out as scholarships. As with all of our programs, this will be funded by donations from the public and by grants from non-profits, governmental programs or foundations.
- 4. Beau helped draft and pass legislation protecting children in Delaware. We have some of the best laws in the country as it relates to keeping kids safe and keeping predators off the street. The Foundation would like to see other states pass similar laws. To that end, the Foundation would like to endow a fellowship at the National Association of Attorneys Generals. This fellowship would pay for the room and board, perhaps a small stipend, for a lawyer or prosecutor from a State Attorney General's office to spend a three or six month stint in Washington, DC (where the National Association of AGs is located) to work on child protection issues. Examples could include: conducting research, composing white papers and drafting legislation. It's important to note that we expect this fellowship to be a small portion of the programming we fund. About 5% of our annual giving will be dedicated to funding this fellowship. As with all of our programs, this will be funded by donations from the public and by grants from nonprofits, governmental programs or foundations.

Hunt -

Long shot, but would you be interested in coming to China for a week in mid august (the week of August 16 or after). You could bring the family. I would bring my girls. It would be a great distraction.

Bo Zhang and his family would host us. They are a great family with great respect and relationships in China. Bo graduated from American Univ and is in his late 20's, and his parents own Harves Century Group of Shenyang - which is a top tier private chinese real estate development firm. His mom is actually the Chairman of the company, which is unique in China. They are very private, and wouldn't tell anyone about you coming. Bo's father-in-law is actually the Governor of Hainan (Chinese Hawaii), which he doesn't advertise at all.

It would be an opportunity for you to see the scope of what Harves does - its amazing. And I again I think it'd be great for you to get to meet

We would fly into Beijing, and maybe stop into Shenyang where you can see one of the projects Harves is building there - they are building the entire financial district of Shenyang. But then we'd head down to Hainan to relax and hang out. The Island of Hainan is the Hawaii of China. There is two different incredible resorts we would spend time at. One is by the ocean with a great golf course. And the other is up in the mountains, overlooking the ocean. That one has 100 natural hot springs, and you can hike up a mountain with a yogi and do yoga in a spot overlooking the ocean. Bo was mentioning that we could always go to Xian and spend a couple days diving into the history of the great dynasties of China (that's also where President Xi is from), but while cool, it would maybe take too much time.

Again - I know its short notice and its a long way to travel- Bo and I will be in China at the time. We are partnering with Magic Johnson and Lebron James to host an NBA Global Game in China in Laoening Province in 2016, and Lebron will be in China around that time.

I'd like for you to get to know Bo. He's a brilliant guy - he's been groomed to take over his family's dynasty, but he's very humble. He will do great things one day, but he needs good people around him. He and his wife live in DC, and are expecting a child. He is building a huge house in McLean, and plans on working and living in the US.

This isn't about a partnership, or selling you on anything. We just want to grow that relationship, and there will be plenty of big things that come down the road that we can work on.

Also - its an extended invitation. We can do this anytime. Timing might not be right now. But it might be perfect too.

Love you man.

08/23/2015ff	Ashley Madison Account	Eric Schwerin & Tucker Carlson

Investigative reporter Patrick Howley revealed that a data leak from adultery website Ashley Madison confirmed that Hunter maintained an account on the affair-facilitating site linked to his email address, rhbdc1@gmail.com.¹⁶²⁸ The information that *Breitbart* published is shown below; in response, Hunter declared that he was "certain"¹⁶²⁹ that "the account in question" was not his, even though the latitude and longitude coordinates associated with the account lined up next to Georgetown University, where Hunter was teaching as an adjunct professor.¹⁶³⁰ While playing the game of denial and damage control, Hunter admitted to Joe's then-Press Secretary and current EPA official, Kendra Lamy, that he used his real birthday (02/04) when he registered the account, even though he made himself appear ten years younger, perhaps in an effort to attract philanderers who would otherwise be uninterested in him. Founded in 2002 by Darren Morgenstern, Ashley Madison's slogan sums up the website's mission quite well: "Life is short. Have an affair." Hunter definitely took their slogan to heart.¹⁶³¹

Two days after *Breitbart* broke the story, the *Daily Mail's* White House correspondent, Francesca Chambers, sent Hunter a list of questions. Hunter, of course, had no response to the challenging questions, and therefore did not reply. *Marco Polo* appreciated the (rare) display of impartiality that Miss Chambers exemplified. There was one more data point that solidified the authenticity of Hunter's Ashley Madison account: Three months earlier, Hunter had received an invoice at the same address (1010 Wisconsin Avenue) from the Washington, D.C. Bar Finance Department for "Active Membership Dues" associated with his single-member law firm and shell corporation, Owasco PC. 1634

The next day, Hunter was still in damage control mode and turned to none other than Tucker Carlson, a "nice guy" who he dispatched to hound the editor of the *Daily Mail* for their publication's exposure of his Ashley Madison account and infidelity. Carlson was an extremely loyal attack dog: "Just lost my shit on the editor over there. He [David Martosko] claims the London office forced him to do it. He's a pig either way, and I told him so. This whole thing is disgusting and awful and it breaks my heart that you all have to go through it. I'm really sorry. Let me know if there's anything Susie and I can do to help." Hunter continued spewing the same lies: "Eric [Schwerin] provided all the information on background that proves this was not me - not my IP address- not my credit card #, not my birthdate etc...but they still come anyway." Carlson was still livid: "Are you kidding? I'm glad you called. What they did was repulsive and immoral and I hope I wrecked their day. ... Fuck them."Carlson had no interest in asking Hunter standard questions, as Chambers from the *Daily Mail* had done. Nevertheless, Carlson wants us to believe that he stands athwart the so-called *Ship of Fools* in D.C. 1635 Carlson also expects us to believe that his wife, Susie, and Hunter's then-wife, Kathleen, were friends—we wonder how Susie felt about Tucker not inquiring (at all) into Hunter's infidelity. 1636

Hunter was close with former U.S. Congressman Dan Glickman (D-KS-4), who was the Secretary of Agriculture under Bill Clinton from 1995 to 2001. Glickman is one of the premiere captains of the uniparty, having served as a figurehead for nearly every lamentable 1637 globalist 1638 organization with its tentacles in D.C. Glickman's role as the Secretary of Agriculture led to his affiliation with the World Food Program USA, which Hunter helped oversee (at least on paper). Glickman called Joe the "closest in the modern era" to his "political hero." Hilariously, Hunter was "a close second" to Joe. 1639

Even with the conflicts of interest and ensuing lawsuits that plagued the fund, prospects for Graves were not hurt—Joe appointed him as the Deputy Secretary of Commerce.

Hunter again went to bat for LI's children in 2017; this time, however, Hunter called in "the Big Guy." As you will recall, LI was Hunter's key business partner at the state-backed Chinese equity fund, BHR. Within a month of leaving the vice presidency, Joe wrote a personal recommendation letter for LI's son, Christopher, and had it "FedExed" directly to the President of Brown University, Dr. Christina Paxson. As fate would have it, Paxson is the current chair of the Boston branch of the Federal Reserve. If anyone in America still believes that post-secondary education is a meritocracy, *Marco Polo* has a bridge to sell. This email exposed, once again, the lie that Joe "never discussed" Hunter's overseas businesses—Joe wrote a recommendation letter for the son of Hunter's Chinese partner! Another Bostonian was ccd on the email: Whitey Bulger's nephew, Hunter's BHR partner.

04/18/2017	School Admissions Scam	Jimmy Biden & ZANG Jianjun and Rouqi

Later that spring, Joe's little brother was busy helping a CCP operative cut in line to gain admission into a highfalutin American school. This time it was Jimmy doing the back scratching, as he wrote to Hunter in April: "He [Jason Caldwell] would like the family [CEFC executive ZANG Jianjun, shown below with Vladimir PUTIN] to go onto there [sic] web site and fill out an application- very short! That way, she [ZANG Rouqi] will be in his system. This is [sic] will give Jason the flexibility he needs. applications have been closed for two months!...I think it best, [sic] that I remain the principle [sic] point of contact. I have developed a personal relationship with Mr. Caldwell." ZANG Rouqi, the pupil, did not end up enrolling at the school, as her visa was denied for national security reasons. However, the ZANG family curiously paid for the girl's tuition at the nearby (and equally tony) Spence School.

I hope you are well. I'm writing to ask if you have any information about the Zangs. They of course signed their enrollment contract and paid their tuition for the year. They kept in touch for a while, telling us about Rouqi's visa problems, etc. In the past few weeks, though they have stopped responding to our emails - we have lost contact. If you can shed some light, we'd be greatly appreciative. We are eagerly awaiting Rouqi's arrival at Spence. Thanks so much!

Dear Mr. Khaled Sultan Al Rabban:

Thank you for the communication with my friend and associate Dr. Amer Rustom regarding the recent visit of His Excellency Sheikh Abdullah Bin Mohammed Al Thani to the United States and his vision to promote the business interests of the nation of Qatar.

I would be honored to assist in effectuating the vision of His Excellency but would be remiss in not pointing out the fractured nature of our current administration. My family could provide a wealth of introductions and business opportunities at the highest levels that I believe would be worthy of the interest of His Excellency. We are not, however, lobbyists and do not operate in that arena. Our relationships are deep and wide and have lasted through many years and many administrations. We are not particularly close to this administration and have a different vision. This administration is beleaguered by major issues that are not soon to be resolved. In the meantime, we continue to forge ahead in forward thinking endeavors that create real value both here in the United States and abroad. Our primary interest is and always has been to advance the interests of the United States through productive collaborations with partners home and abroad.

If this is in keeping with the vision of His Excellency, on behalf of the Biden family, I welcome your interest here. I recommend Dr. Rustom arrange a conference call to discuss the way moving forward and perhaps a face to face meeting in New York or Qatar with you and His Excellency. Please contact Dr. Rustom at +1 561 452 3052 at your earliest convenience.

08/08/2017ff	No tuition necessary for members of the Biden clan	Joe, Liz & Lilly Secundy

The sister of Beau Biden's widow was not going to be able to pay for her daughter, Lilly, to attend the Benchmark¹⁶⁷¹ School, but she did not have to worry. Liz Secundy merely needed to enlist Joe to attend a speaking event and Lilly's tuition would be waived. Liz, therefore, worked with Tom Hurster from the school to set up—in Tom's words—a "win-win-win possibility." However, Hurster and Benchmark were looking for their own ROI and expected the Bidens to pitch their "Capital Campaign" for an "Innovation Center." We wonder what other parents from Benchmark School who did not have a famous politician in their family might think when they hear about this "quid pro Joe" scheme.

Subject: A speaking engagement with the Biden's and Lilly's tuition

Liz- I am writing, leaving for 21/2 weeks, for a much anticipated, annual vacation In Maine tomorrow. Robb is also on vacation so I am not sure how the timing of all this will work, but I am available by email.

I was so glad to get your text message and to hear that my idea might actually be doable.

You wrote "all good, but I need some specifics" which I took to mean that you had spoken to either the Vice-President or Dr. Biden (or both) and they were OK with the proposal to wave Lilly's tuition in lieu of their speaking fees, and are willing to present at Benchmark, as I had proposed.

You then asked: "1. does Benchmark want both VP and Dr. B; 2. would one of them suffice/:;3. what's the venue....ex. speaking and reception?; 4. what are they speaking about; 5. are you tying it into the new project?; 6. what is the project again?; 7. are you the point of contact?; 8. can I give them/their staff your numbers; 9. what do you need on my end to convince the board of all this? (I am reiterating you questions verbatim for Robb to view, and perhaps share with the Board- I am such a technological naif that I don't know how to forward a text message).

These are all good questions to which there aren't yet firm answers, and all are subject to discussion/negotiation . I had originally imagined an evening in our Performing Arts Center (which as you know is a state of the art venue and seats 300) wherein a moderator or two would lead a discussion with Dr. Biden (a recognized leading educator with a national profile) and the former Vice President (a leading politician, of great popularity, who has been interested in education issues his entire career, and who still seems to want to "stay in the game"), about the current challenges for American education and what the future may hold. I imagined that we might be able to get a prominent local news-person to moderate the discussion, and that attendees would be by invitation/lottery. I thought maybe there would be a brief closed reception for selected guests before the main event which would be maybe 60 minutes, with audience questions, and perhaps a short reception in the front with light refreshments afterwards. I imagined that Dr. Biden would be the primary speaker as an educator, with the VP chiming in and perhaps offering a political perspective. I anticipate their will be significant press coverage of some sort. However the specifics of the topic and format are open to discussion and the preferences of the speakers. I would think we would ideally like both present in some way, but that is not a deal breaker. My thought was it might be more "fun" for them, and we would like to show off Benchmark (and Lilly's school) to both.

The "project" I mentioned is that we are embarking on a Capital Campaign to build an "Innovation Center", to enhance the Benchmark curriculum, and as a multi-disciplinary design and technology center for the use of students. It is connected to another Benchmark initiative, The Benchmark School Center for Empowered Learning: http://www.benchmarkschool.org/resources.

Icenter-for-empowered-learning. Two of our esteemed alums, Chris and William Sharples (twins) have expressed a desire to "give back" and are the architectural team behind the project (they are donating their time/team). They are the driving force behind the SHoP Architecture firm in NYC, perhaps best know for the Barclay Center and their work renovating the Manhattan

waterfront, and were finalists for the Obama Library http://www.shoparc.com/. We of course, are very proud of them, and more than thrilled at their offer and involvement. They credit their Benchmark education for much of their success

The way these Capital Campaigns work is that you raise a significant amount of the money before you go "public", and I think we already have several potential big donors. Thus the timing of the campaign officially opening is still unclear but will likely be later this Fall With that in mind I was thinking that we would likely want to do something in November/early December, but again this is highly speculative on my part, and certainly subject to discussion.

For the time being I would be the point person, but expect to pretty quickly turn it over to others if this goes forward, although I will remain involved. Certainly the next step is for Robb to take the possibility to the Board, and we would need some official indication from Dr. Biden and the VP as to what they were interested in and available to do, and their response to my "daydream". Mostly I want to figure out a way for Lilly to finish out her 8th grade year with us, and to leave you without a financial burden. I believe this is a win-win-win possibility: exposure for the Biden's at an important time, around an important topic; exposure for Benchmark as we embark on a new chapter in our mission to develop "learners, thinkers, and problem-solvers"; and most important, an opportunity for Lilly to remain with us for another year.

Although I am leaving tomorrow, I will be available by email. Feel free to respond and ask further questions, as well as to forward this to the Biden people. I am not sure how quickly Robb can respond as he is also on vacation for a week. There is, however, a need to move forward quickly for Lilly's sake.

Please call me at 202-285-2473 I'm traveling abroad (Hong Kong now). My Dad will speak for no compensation or possibly compensation that will be donated back to Benchmark. His typical fee for a speech is between 350-500. I'm happy to hear that Lilly will be readmitted. Thats your decision based upon your own standards, which I am happy to see serve children whose parents can't afford such an education as that provided by Benchmark. My fathers' engagement will be a speech. The engagement will not be anything more than a speech and of course he almost always mingles and meets the people you would like him to meet before and after the speech. My mother cannot attend.

Again you're desire to have my father speak and Lilly's attendance at Benchmark have nothing with one another. The timing and content and length of the speech and the location will be mutually agreed upon. The speech will take place with in one year of your agreement to these preliminary terms. On Aug 30, 2017, at 1:08 PM, Hurster, Tom <tomhurster@benchmarkschool.org> wrote:

Mr. Hunter Biden- Hello. As an introduction, I am Tom Hurster, a Supervisor in the Child and Family Support Services Department of Benchmark School, who has been working with Lilly and her parents since she began attending Benchmark in December, 2015 (mid 6th grade year). I have been associated with Benchmark School since August, 1981 in a variety of capacities, and am authorized to represent the school in our discussion as to how to address the outstanding balance of Lilly's tuition account so that she might return for her 8th grade

Candidly, it was my idea to approach Liz about the possibility of Vice-President Biden, and/or Dr. Jill Biden, appearing at Benchmark School for a speaking engagement within the upcoming school year, with the Biden's foregoing their usual speaking fees in lieu of Lilly's outstanding tuition. In essence they would make an address to our community and instead of their being paid for such, their fees would be used to cover Lilly's outstanding tuition, thus allowing her to return for her final year. Currently the Secundy's owe Benchmark \$22,700 (the balance owed for the "15-"16 school year, and the "16-"17 school year- after a tuition assistance grant last year of \$20,000); the tuition for Lilly's 8th grade year is \$35.300. This is a total

When I approached Liz, I had originally imagined an evening in our West Performing Arts Center (a state of the art venue which seats 300) wherein a moderator or two would lead a discussion with Dr. Biden (a recognized leading educator with a national profile) and the former Vice President (a leading American statesman, and arguably the de facto head of the Democratic Party), about the current challenges for American advantance and what the future may hold. I imagined that we might be able to get a prominent local news person moderate the discussion, and that attendees would be by invitation/lottery. Presumably there would be press coverage. I thought maybe there would be a brief closed reception and/or dinner for selected guests before the main event which would be maybe 60-90 minutes, with audience questions, and perhaps a short reception afterwards in the center lobby with light refreshments for the attendees. Perhaps, in light of Vice President Biden's upcoming book tour, there might be a brief book signing. I imagined that Dr. Biden would speak as an educator, with a sensitivity to the education of children with special learning needs, with the Vice President offering a political /policy perspective on the role of the federal government in supporting innovative education. However the specifics of the topic and format are open to discussion and the preferences of the speakers, and would not necessarily be in the format I am imagining. I would think Benchmark would ideally like both present in some way, but that is not absolutely necessary; my thought was it might be more "fun" for them, and we would like to show off Benchmark (and Lilly's school) to them both. I am aware of how important they are to her.

I imagined that the event would be connected, perhaps, to a Capital Campaign that Benchmark is about to announce to build an "Innovation Center", to enhance the Benchmark curriculum, and as a multi-disciplinary design and technology center for the use of students. Two of our esteemed alums, Chris and William Sharples (twins) have expressed a desire to "give back" and are the architectural team behind the project (they are donating their time/team). They are the driving force behind the BHOP Architecture firm in NYC, perhaps best know for the Barclay Center and their work renovating the Manhattan waterfront, and were finalists for the Obama Library (http://www.shoparc.com/projects/). We of course, are very proud of them, and more than thrilled at their offer and involvement. They credit their Benchmark education for much of their success (attached is a description of the Innovation Space concept- I can mail a prospectus to you all showing their overall design concept. It is way cool, and we are very excited).

what I imagined was an evening with Vice-President and Dr. Biden discussing the state and future of American education in broad terms. We could have a moderator to discussion. We would honor the speakers (and their invited guests) with a closed attendance reception/dinner, followed by the formal presentation, and a brief general they guide trief uscussion. We would not in the speaker's elar their invited guessis with a closed attendance reception (perhaps book signing) in our West Performing Arts Center lobby for attendees. I imagine the evening would be around 3-4 hours. We would use the occasion of their appearance to bolster our fund raising efforts for our Innovation Center Capital Campaign. They would appear, waving their usual speaking fees, in lieu of Lilly's outstanding tuition. This would allow Lilly to finish out her Benchmark years, help Benchmark in its fund raising campaign for our Innovation Center, and allow the Biden's an opportunity to discuss their views on the future of American education and to promote the Vice President's book. I hope a win for all of us. but this would mostly be a "win" for Lilly and her parents. Lilly has made significant progress with us over the last year and a half, and I am certain that an additional year will put her well along the way towards handling a competitive academic curriculum. I so very much want to see her return for one more year.

Other details can be worked out. Certainly Benchmark can arrange for a limousine to pick up the Vice President and Dr. Biden to transport them to the event from their Delaware home. We can certainly work with their schedule, although I am imagining something in early November, perhaps before the Vice President's appearance in Philadelphia around his book release. And perhaps it is too much to ask for both to present, although as I said, I thought they'd enjoy such. So we are open to discussion and negotiation.

The big factor now, is timing. We need to have an agreement, at least in principle, in place before next Tuesday in order for Lilly to start with the rest of her class (clearly optimal). There is a Board policy that students cannot return with an outstanding balance (which we have already waved once for Lilly and her parents). We can't let Lilly start next week until we have resolved her tuition situation. Additionally, candidly, the Benchmark School Board of Directors has not yet approved this proposal, so it remains only a possibility (although I have permission to start the discussion with you as the representative of the Vice President and Dr. Biden). There have been preliminary discussions with Dr. Robb Gaskins (who is Head of School) and the Board Director, but the finance committee chair and the executive committee must also sign off on the proposal. Assuming they do so, we would need a letter of intent (a contractual agreement, if you would) from the Bidens, agreeing to a speaking engagement sometime this school year. And as I have already stated, we are getting very close to the beginning of the school year, so ...

I anxiously await your response. If you would like to speak by phone my numbers are: 610-565-3741 (BMK); 610-525-5030 (my practice office in Bryn Mawr); 610-420-1410 (my mobile). 10/01/2017	"[P]aybacks can come later."	Joe, Jimmy Biden & Obama

One of the most well-known (and pathetic) emails from the Biden Laptop was a ridiculous 120-word missive from Hunter's uncle, Jimmy, which would be hilarious if it were not so incriminating. Akin to Michael Scott's fire drill breakdown¹⁶⁷⁴ scene from the "Stress Relief" episode on *The Office*, Jimmy sent conflicting instructions to Hunter: "You need to call me now. Just got off the phone with your father. He is meeting with the O!! Some outrageous acquisitions!! We have the two biggest days of our business life in front of us!!!!! ... You / me we have to deal with this now!!!!! ... You have to let me in to help! I'm with you 100 %. , trust me, you need me in on this!! We/ you have to much to loose [sic], we must be smart, or everything goes up in smoke! Please call me. You MUST remain calm. Timing could not be worse.. Calm and measured!!!! paybacks can come later." As the Report illustrated in Section II, the paybacks for Jimmy and the rest of the Biden clan did come later. In fact, Jimmy—the man who sent the email below—was paid \$82,500 per month for "International Business Development" from companies controlled by the CCP-connected oligarch, YE. But who was "the O!!"? The answer to that question eluded us for a time, but news reports from that period deciphered the puzzle: During that weekend in 2017, Joe was with Obama in Canada. 1675 In fact, Joe sat next to "the O" and another scandal-ridden princeling similar to Joe's own son, the so-called "Prince" Harry. 1676

10/29/2017ff	A Chinese Honeypot	BAO JiaQi

Having moved¹⁶⁷⁷ from Beijing to Arizona in 2000, BAO¹⁶⁷⁸ JiaQi's lifelong goal was to "promote cultural diversity and draw the world closer as a member of the global economic chain." In one way, BAO certainly achieved that globalist goal by being a textbook Chinese honeypot for Hunter. Over a period of 18 months, she showered Hunter with compliments and sexually suggestive innuendo: "You are the best person to help your friend Ye [Jianming] to do that, because [*sic*] you know a lot of folks in the area and you have access to decision-makers[.]" BAO also wanted to give Hunter—who was her superior at their CCP-linked shell company, Hudson West III—"something special" for his birthday.

1677 Lois McFarland, "Scottsdale to honor 4 at luncheon," Scottsdale Republic, December 2005, archive.ph/juiMK

In an email with a subject line labeled "confidential," BAO laid out how Hunter should loot whatever remaining funds there were from Hudson West III. BAO explained—in her characteristic broken English—that Hunter should do this because YE had disappeared 1679 earlier that month: "Whatever agreement or labels of the money doesn't mean anything, especially because Ye's situation changed, and whatever arrangement was made was at the personal level anyway." Hunter would do just that, as Section II of the Report laid out in detail. BAO sprinkled in the following phrase at the end: "Don't be a stranger. I still owe you a home cooked Chinese dinner; hold on to your rain check; p[.]"

The next day, BAO¹⁶⁸¹ sent Hunter the \$16,578.69 expense report she previously alluded to, which included his quarterly dues, room service, and bar tab at the Yale Club. She added that he shouldn't "worry about our drinks, it's on me, no need to be included in this report." BAO also reminded Hunter to send "Uncle Jim's" four-star hotel expenses—Jimmy would certainly not want BAO to forget that!

03/13/2018ff	Home (Chancery) Court Advantage	DONG Kevin & YAN Mervyn

Hunter had to flex his muscles to get those expenses reimbursed. Just two weeks earlier, YAN¹⁶⁸² lit a fuse when he told Hunter that DONG¹⁶⁸³ would "not sign off on" the proposed reimbursements. The next day, Hunter threatened to sue DONG in a lengthy and rambling email, and he even gave DONG an ultimatum: "If you refuse to sign the wire Kevin I will seek to have you removed from the board...I will bring suit in the Chancery Court¹⁶⁸⁴ in Delaware- which as you k ow [*sic*] is my home state and I am privileged to have worked with and know every judge on the chancery court. ... If my expenses as submitted are not wired into the Owasco account today I will file an injunction to freeze allHW accounts at Cathay Pacific and simultaneously seek a determination of control of HW3." He ended the note by saying he could put into motion a chain of events that would "swallow" DONG and YAN's careers "for the next ten years." In a very atypical move for Hunter, he actually included a salutation: "Sincerely, R. Hunter Biden Managing Director Partner and 50% Equity Owner[.]" Less than an hour later, Jimmy—who was always hungry for a buck—sent a hilariously ironic note, considering Jimmy possessed a sixth grade writing level: "Know / miss spelled. I would also insist that the mo[nthly] draw of [\$]165,00[0] [*sic*] be up to date and current!" The Bidens' so-called "draw" was money laundering.

Seven months later, Hunter messaged the doctor again for a generic Viagra refill. She called it in while fielding compliments from Hunter about being the "actual Wonder Woman from the movie." Hunter received an email reminiscent of a scene¹⁶⁹⁴ from the best comedy in the 21st century, *The Office*. Attorney Bill McManus wanted Hunter to go in with him on a Zimbabwean gold mine, along with another (hilarious) opportunity: Bill's "friend" had "the right" to de-silt "160 miles of the Odzi river" in the "Marange diamond fields region" and they wanted to make a killing. What a deal! Because Hunter was smoking crack cocaine and paying pimps in the month of July, he offered three different excuses for why he could not speak to McManus, but eventually they connected. The result of the Zimbabwean proposal was inconclusive—McManus refused to answer *Marco Polo*'s questions.

As previously illustrated, the Beau Biden Foundation for the Protection of Children was a family employment program.¹⁶⁹⁹ In October 2018, the board voted for Hallie Olivere Biden's father, Ron Olivere, to be an independent contractor and "event planner." Although Hallie abstained from the vote, Ron¹⁷⁰⁰ raked in more than \$6,667 per month plus expenses from the Foundation, even though he had zero formal experience in event planning, which Mel Monzack's law firm stipulated was the first criteria for the position in a legal memo the firm prepared for the Foundation. The Foundation's 2018 IRS Form 990 revealed that Ron was paid even more than the original agreement stipulated.¹⁷⁰¹

¹⁷⁰⁰ "Reached at his Wilmington home, Hallie Biden's father, Ron Olivere, said he 'stands with the Bidens' in supporting the couple. 'I'm in total support of the family and what they've gone through and what they continue to go through,' he said. He declined further comment."

Submitted by the Foundation's Executive Director, Patty Lewis, ¹⁷⁰² the Form 990 stated that \$104,250 went to "Other direct expenses," which was \$24,246 more than what Ron was originally allotted in the initial contract. As you can see below, the laundering entity—Event Fundraising LLC—was incorporated on 11/05/2018, six days after the Foundation board approved the contract. Said differently, along with not having any experience in the field for which he was hired, Ron did not even have the LLC set up yet. In summary: Even though the Oliveres have struggled financially in the past (they were summoned on a home foreclosure lawsuit in 2010 but apparently avoided eviction), using a foundation named after your deceased son-in-law to rake in over \$100,000 was egregious.

After notifying¹⁷¹³ Hunter that Joe Boardman—the "loyal" Amtrak chief¹⁷¹⁴ who helped Hunter grift¹⁷¹⁵ from his board membership on the government-owned entity—had died, Joe informed Hunter that he was pulling all the strings to ensure that Hunter's youngest daughter, Maisy, was going to be admitted to the University of Pennsylvania. In fact, Joe had spoken to the dean of admission on Maisy's behalf and expected the president of the university to call him (for the second time). Unsurprisingly, Maisy is now a student at the school.¹⁷¹⁶ The then-president of the Ivy League university, Amy Gutmann, received her payoff¹⁷¹⁷ for the nepotism with the highly-coveted U.S. ambassadorship to Germany.¹⁷¹⁸

2020 [S]ELECTION

The preceding pages have displayed the breadth and depth of the Biden political operation that has infected America for over five decades. Nevertheless, as egregious as those crimes and insider deals may be (and they are), their relevance is underscored due to the fact that Joe is the sitting pResident of the United States. The blackmail that *Marco Polo* has uncovered and laid out in detail—through its own proprietary research and its collaboration with other groups—emanated from the family's one overarching strategy: utilize Joe's public office for private gain. The existence of that strategy is not an opinion or merely a "perspective," but a reality based in facts that this Report details extensively. The family's journey to the highest public office in America required extraordinary intervention¹⁷¹⁹ by the press¹⁷²⁰ and by [s]election operatives around the country, from Brooklyn¹⁷²¹ to Bentonville, Arkansas.¹⁷²² A key plank of this journey was laid bare by the pResidential candidate himself: "We [the Biden campaign] have put together I think the most extensive and and inclusive voter fraud organization in the history of American politics." The climax of the Biden Laptop was the revelation of the behind-the-scenes machinery of that electoral journey. The following sub-section, INFLUENCE PEDDLING, reveals and explains those scenes—down to the last sycophant and Chinese honeypot.

¹⁷¹⁹ "As the *Wall Street Journal*'s Mike Bird tweeted, the Chinese yuan plunged precipitously in currency trading against the dollar as early results favored Trump. But when Biden appeared to surpass the president, the yuan recovered much of its value. By Nov. 6, the yuan had reached heights not seen since mid-2018."

Hunter's classmate at Georgetown, Greg Penner, has been in his life for decades. Penner struck gold when he married into the Walton family. As the Chairman of Walmart Inc. since 2015, Penner directs the largest employer in the United States and the largest corporation—by revenue—on planet Earth. In April 2018, Penner emailed his old pal and asked to speak with him about "some options" he had "been working on for the 2020 election." The election was more than thirty months away, but President Trump's tariffs were expected to hurt the bottom line¹⁷²⁴ of Walmart, which, by that time, had effectively become a Chinese merchant whose interests aligned with the Chinese state. Building off of an event¹⁷²⁵ with Joe and former republican governor John Kasich in 2017, Penner called Hunter in October 2018 and discussed when Joe would have to "pull the trigger"¹⁷²⁶ and decide whether to run on a joint ticket with Kasich. An ardent financial backer of Kasich, Penner was ecstatic about this possibility on the call, the full transcript of which can be read on *Marco Polo*'s website.

¹⁷²⁶ "It's a fair amount of work, but we now know what we need to do in every state and what it would cost and how we'd do it. So, it's really about pulling the trigger if we decide we want to do it.' ... 'The overall objective here is to stop not only Donald Trump, but to stem the tide of what Donald Trump represents in the political process for the future of this country..."

Nearly one week after Hunter told Joe that they needed to "revisit meeting with my friend [Penner] from Walmart," Hunter reminded Joe that his poll numbers were positive because voters "desire[d]" a a leader with a strong "moral compass" and "decorum," which, in Hunter's mind, Joe possessed.¹⁷²⁷

An iMessage from Penner to Hunter on 03/13/2019 coincided with an entry¹⁷²⁸ on page 67 of Ashley Biden's diary, providing yet even more direct evidence of its authenticity. 1729 Ashley stated the following just one day before Penner's iMessage: "So... we are running [for pResident]. Announcement will be in April 1730 or early May. It is all super anxiety producing but I just have to take it one day at a time [and] relax." Penner's iMessage on 03/13/2019 proves that Penner already knew that Joe was going to announce his candidacy, suggesting that Penner was in the inner ring of the elite financial backers' circle (although Penner had apparently not met with Joe in person just yet).

On the morning of 03/16/2019, Hunter messaged Joe about Penner's support¹⁷³¹ and brokered a call between the two: "My friend[,] the Chairman of that family run company out of AR[,] said that he [Penner] would like to talk and determine the best way he and his family [Waltons] can support you through the primary." We are unsure if Hunter was being coy over the phone or if he really was ignorant of the fact that Walmart is not only a public company, but also the largest corporation on the globe with over half a trillion USD in annual revenue.¹⁷³² Although the Walton dynasty lost¹⁷³³ nearly \$100M from the Theranos scam, the family's investment in their "key ally"¹⁷³⁴ Joe paid off: Walmart's revenues were at a record high¹⁷³⁵ after the first year under Joe's regime, as were Chinese exports.

Gallagher also conspired with the late Amtrak chief, Joe Boardman, to violate **18 USC § 641** by sharing nonpublic, proprietary information about Amtrak's operations with Hunter and sought Hunter's "guidance" on the material. When	What	Who
12/14/2018ff	"You need to help Uncle Joe run for President."	1-202-679-0168

Beginning in December 2018 and running through the following spring, the aforementioned Chinese honeypot—and Hunter's former colleague at the CCP-connected entity, Hudson West III—BAO JiaQi repeatedly urged Joe to run for president in iMessages to Hunter: "Uncle Joe should run for President in 2020. You [Hunter] should not be distracted by that Nee [sic] York Times article from yesterday."

Less than a month before Hunter dropped off his laptop at the repair shop, BAO pleaded with him to stay focused on Joe's future campaign: "You should not be distracted by random media articles. You need to help Uncle Joe run for President. Your father really should run for 2020 for this country. He will be one of the best presidents in our¹⁷⁵¹ country's history! ... Not only for our country and for [the] American people, his party, [but] also for Beau and for the spirit of your family, he really should run!" An anonymous comment (shown below) from an online article¹⁷⁵² explained the situation quite well.

BAO rattled on—in her broken English—about how Trump was actually nepotistic, not Joe, who she said was the "most qualified." 1753 The obvious question—which no media outlet has asked—was why BAO felt comfortable sharing this advice with Hunter. Her iMessages and emails with Hunter indicated that they had spoken about Joe's political ambitions in great detail. BAO confessed that she "cherished" her relationship with him and kept Hunter's "doggy chain" necklace. Congressman Eric Swalwell (D-CA-15) and Joe's son could trade stories for hours about their Chinese honeypots. 1754

Focus on Priority = Support Your Father

- Whoever you date/hangout is your personal matter, and it is your freedom. Your personal life has nothing to do with your business outside of your household. More importantly, your personal life has nothing to do with your father. Regardless who you are, your personal space and your freedom in personal life deserve to be respected and protected. Don't let bad people abuse every small gossip they can find to distract you. There is an adage that says if someone wants to find fault in you, they will always find a way, no matter what you do. Why care about what they say?
- 2. Maybe some people feel entitled to criticize their leader/president's marital life, but they should not disturb the private life of president's children and relatives, unless you are Donald Trump who practices nepotism obsessively by granting his family members top security clearance and promoting his children into key posts/government positions.
- You should be proud of your work as a lawyer and as a business executive. Through my work with you, I could tell you are a righteous person always interested in helping others and helping this country through your involvement in the business world. You were helping American companies and American entrepreneurs to make money in energy, agriculture, real estate, and sectors that our national policy promotes exports and investments globally. You have contributed to "Made in America" for this country's best interest.

You treat your business partners not only fairly, but try to find the best solution with everyone's interest in mind, even sometimes that sacrifices your own interest. No matter how experienced and gifted businessman you are, you will always stumble upon bad deals, dishonest individuals, or bad people who took advantage of you, and run into incompetent partners who cause burdens without your knowledge. These people's conduct has nothing to do with you.

Trump advocate's stupid book with exaggeration and fabrication on your business connection with Chinese or that NYTimes article mentioning a retired Hong Kong official trying to reach you/Uncle Jim when need help have no relevance whatsoever! "Fake friends", "acquaintance of all sorts", and even strangers, may have access to your contact info, so what? In business, you have no control over your counterparties' action, you can't predict the conduct of random businessmen who claim to "know you well" either. Some folks love to "namedrop" and call your number simply because of a casual conversation in public events, your attendance of formal business engagement, or after meeting in conferences. Nevertheless, as with any professionals or business executives, you are obligated to attend such functions/events and meet people from all walks of life from diverse cultures.

Lead by example
Running for 2020 is not about winning, it is about presenting constructive, alternative (better) solutions that our country needs to hear, and it is about inspiring other leaders / next generation of politicians to do something and have their voice heard as Uncle Joe exemplifies through action

Bring back sensibility

The positions taken by current Democratic candidates are too radical – full of empty promises and unrealistic proposals to grab attention. People from conservative Asian cultures start to look at our democratic election as a joke or some sort of reality TV drama. We need experienced politicians to bring back some good sense back. Democratic party needs a wise elderly to unify and to lead.

Your father's experience, character, wisdom, reputation, and leadership make him the most qualified person for the job of president. A lot of people we can't stand Trump anymore

Trump, despite of his age, still acts like a kid and he is so "blind" (arrogant + ignorant). Shut down the government for his border wall is merely one example of his backward thinking and immaturity. Constructing a border wall is worse than throwing money down the drain. Besides this border wall proposal, if you count this wall as an "infrastructure", I don't see how he is helping this country updating our infrastructure.

Yes, illegal immigration, and even loop-holes within legal immigration process, should be addressed, but we need someone who can address these issues smartly and practically. Immigration reform is not a showmanship of photogenic walls, especially in today's digital world, with sophisticated transportation and communication tools, it does not require people to jump over a wall to committee crime, and when conmen could enter this country legally to defraud our community resource, they don't need to jump over a border fence. The Chinese spent more than a hundred years to build and upgrade their Great Wall to keep out "barbarians", but how come China was ruled then colonized by "barbarians" for over 500 years (Mongolians, Manchurians, Europeans, Japanese, ctc) and the wall didn't stop various small to large scale invasions by "barbarians" throughout Chinese history? USSR buil Berlin Wall, but what happened to the Berlin Wall and to USSR in less than three decades since the wall construction?

Trump is not focusing on the right issue and not using the right approach. His inefficient and ineffective way of this country onto the wrong path.

Frankly, before I thought age is a big obstacle against Uncle Joe, but not anymore. Hey, if **Trump** is running a Joe? **Winston Churchill was already 77** when he started his **second term PM**. Further, Mahathir—whom I but thought that he is too old—was sworn into office at the age of 92 (surprise to many people)! Now I und superficial factor (like appearance, skin color, and gender) that doesn't mean anything. What matters the most i country and for your people.

Take Malaysia Prime Minister, Mahathir bin Mohamad as an example, at the age of 92, I have more resp younger president. At his age, he is entitled to choose an easy life, but thinking of what is best for his count make things better for his people, he made the challenging decision of running for office. Like him, Uncle Jo selfless leader.

A former aide-de-camp to President Bill Clinton¹⁷⁶¹ and longtime Democrat political operative, Kirk Hanlin made sure Hunter knew that he was "all in for your Dad [Joe] if he runs." Hanlin wanted to send Hunter a "message idea" about rural voters; Hanlin stuck to his word and delivered for the Biden camp a puff piece¹⁷⁶² in *The Hawk Eye* two weeks before the 2020 [s]election, and was hosting events in lowa with Joe in August 2019, just six months after he sent the text messages shown below.

¹⁷⁶¹ "Hanlin served eight years in the Clinton Administration at the White House, and was appointed by President Bill Clinton in 1997 as a Special Assistant to the President working directly with President Clinton briefing him on a daily basis on issues related to events both domestically and internationally. In the span of just one week in February 2019, Joe went from "[w]hen you can call me re[garding] 2020" to calming down a raging Hunter who was fuming about the aforementioned op-ed, "Uncle Joe's Family Web," 1763 by Maureen Dowd. Hunter was livid about the "genius" Kate Bedingfield, who Hunter believed was sabotaging him and talking to the press behind his back. Hunter fired off the following messages—before noon, no less—to Joe: "Well dad the truth us [sic] as you and Hallie point out — I am a fucked up addict that cant be truseted [sic]" and "If you dont [sic] run ill [sic] never have a chance at redemption[.]" How did Joe respond? "H[allie] is [the one in the] wrong" and Hunter should call him because Joe believed his phone was hacked: "Positive my text etc a target[.]" Nowhere in Hunter's mind was the good of America; for him, it was all about his own "redemption." 1764

VI. LEGAL ACCOUNTABILITY

The mission statement¹⁷⁶⁹ of the U.S. Department of Justice (DOJ) is to "enforce the law [] and ensure fair and impartial administration of justice for all Americans." As the preceding sections of this Report demonstrated, there are over 450 documented violations of state and federal laws and regulations on the Biden Laptop. A majority of these 450+ violations are felonies, and the penalties for some of the felonies include substantial time (by mandate) in state and/or federal prison. (Ironically, Joe was the driving force behind several of these so-called "mandatory minimum" 1770 requirements.)

For three years—and during two presidential administrations—the DOJ has utterly failed at its mission. This sober analysis of the DOJ's work is not an "opinion" or "perspective"; this analysis is verified by the vast paper trail of crimes that the Biden Laptop reveals and the fact that the device has done little more than collect dust on the DOJ's shelf since 12/09/2019 (when FBI agents from the BA field office seized it pursuant to a grand jury subpoena). The DOJ's failure is not the result of faceless bureaucratic inertia—particular people¹⁷⁷¹ with particular biases and agendas¹⁷⁷² are responsible for this grave miscarriage of justice and sad limited hangout.

As explained in great detail in Section II (Business-Related Crimes), the Biden family's money laundering/FARA violations in relation to CEFC Energy—disguised, many times, as "consulting fees"—affects not only the Bidens, but the entire nation. Matt Olsen is the DOJ's top official responsible for working with U.S. attorneys to prosecute these crimes. Instead, Olsen is worried about "harmful" 1773 ethnic profiling; Olsen, at AG Merrick Garland's direction, cancelled 1774 the DOJ's China Initiative. 1775

Biden announced on Friday that he had nominated Hampton Dellinger, a Yale Law School graduate and former deputy attorney general in North Carolina, to be assistant attorney general for DOJ's Office of Legal Policy. Dellinger's LinkedIn indicates he founded Hampton Dellinger PLLC in November after working as a partner at Boies, Schiller, and Flexner from May 2013 through last year. Hunter Biden was a counsel at the same firm, starting there in 2010 and reportedly leaving in 2017. In addition to FBI personnel Laura Dehmlow and Elvis Chan, among several others (who were referenced in Section I) colluding¹⁷⁷⁶ with the social media oligopoly to throw cold water on the Bidens' crimes (which were on the Laptop), Jennifer Kennedy Gellie—Olsen's subordinate at the DOJ—has refused to take action on the dozens of FARA violations committed by the family. 1777 As FARA's "Unit Chief," Jennifer is responsible for making recommendations to Olsen for prosecutions. Again, as explained in Section I, the Department is nothing more than the makeup and motives of its personnel. The biases of particular feds—such as Bryan Vorndran, who had the gall to tell U.S. congressmen which guestions he was going to address—are impeding¹⁷⁷⁸ the equal application of U.S. federal law. TWO-TIER SYSTEM

Take but one concrete example: Hunter was arrested for cocaine possession following his graduation from high school. Exactly three years later, his dad delivered an impassioned speech on the floor of the U.S. Senate: "If you have a piece of crack cocaine no bigger than this quarter that I am holding in my hand, one-quarter of \$1, we passed a law, through the leadership of Senator Thurmond, myself, and others, a law that says if you are caught with that you go to jail for 5 years. You get no probation. You get nothing other than 5 years in jail. The judge does not have a choice." Joe praised the central role 1780 he played in creating laws that—if applied equally—would put his son behind bars for years: "We changed the law so that if you are arrested and you are a drug dealer, under our forfeiture statutes, the Government can take everything you own, everything from your car to your house to your bank account. Not merely what they confiscate in terms of the dollars from the transaction that you have just got caught engaging in, they can take everything. We have laws in the last several years where we do not allow judges discretion to sentence people. Flat-time sentencing. You get caught, you go to jail." The screenshot below—from a video 1781 that is freely available to anyone with an Internet connection—reveals a double standard 1782 and absence of "equal justice under law." 1783

STATUTE OF LIMITATIONS

If fortune provides new personnel who are committed to dismantling our two-tier system of justice, those new personnel will need to be reminded that the statute of limitations¹⁷⁸⁴ have not expired for dozens of felonies that the Biden family¹⁷⁸⁵ has committed. The drug, interstate sex trafficking, and FARA violations¹⁷⁸⁶ (as with most non-capital federal crimes) expire after five years. However, as explained in Section II, Joe—the sitting pResident—is implicated in tax evasion schemes, which carry a six-year window from the date of the last offense. Hunter left the board of Burisma in April 2019, just as Joe announced his bid for the pResidency. As an example: If prosecutors follow the evidence in this Report, which definitively proves that Hunter (and his band of fixers) was an unregistered¹⁷⁸⁷ agent for a foreign principal (Burisma), an indictment can be issued anytime before 04/2024.¹⁷⁸⁸

CIVIL PENALTIES

Criminal penalties must be handed down in tandem with civil fines. LEGAL ACCOUNTABILITY

NON-FEDERAL JURISDICTIONS

The DOJ's failure to faithfully enforce the law is a travesty, to be sure, but its failure should be no excuse for other layers of law enforcement within the nation to sit on their hands. The Catholic social teaching of subsidiarity—which Hunter heard about at Georgetown University—ought to be applied.

STATE

Attorneys General, especially in the Republican Party, enjoy sending¹⁷⁹⁵ letters and writing op-eds.¹⁷⁹⁶ What justice requires, however, is more than just words. Justice requires vigorously enforcing the law. The opportunities to do so are numerous: start by examining the people affiliated with the Bidens' multimillion dollar partnership with CEFC Energy proxies, who have given¹⁷⁹⁷ thousands to Confucius Institutes, several of which are located in states whose representatives penned articulate letters to Joe's appointees. To date, evidence has surfaced of only one official attempting to work with state police—i.e. doing his job without fear or favor—and that is Mark Lubischer, based in New Jersey.

MUNICIPAL & COUNTY

Applying the principle of subsidiarity to its logical conclusion, law enforcement at the municipal and county level may be the only¹⁷⁹⁸ officials willing¹⁷⁹⁹ to simply enforce the rules—no matter who it implicates. For example, a recent¹⁸⁰⁰ indictment at the county level in Los Angeles for siphoning off PII to CCP-linked entities is a reminder of how much power local authorities possess. Even if prosecuting the pResident's¹⁸⁰¹ son¹⁸⁰² in their jurisdiction is not feasible due to evidentiary or witness issues, Sheriffs should explore the criminal networks¹⁸⁰³ that Hunter traversed, which were revealed in this Report. Doing so will provide insights to the Sheriff and (likely) valuable leads.

VII. CONCLUSION

The Biden Laptop suppression operation by the corporate press, social media oligopoly, and officials associated with the intelligence community was only possible because of the now-verified hoax that Russians hacked the DNC in 2016. The political dividends that the lie paid out were quite considerable: numerous congressional and DOJ investigations commenced. Ergo, when evidence surfaced proving that the pResident, his son, and their associates committed numerous hold federal felonies, the same people who received dividends went back to that trough of lies so that they could throw cold water on the laptop's evidence and dispute its provenance. To this day, Hunter repeats the fairy tale that "Russian intelligence" was behind the material from the laptop which he forgot to pick up at Mac Isaac's shop. In the midst of (and after) this suppression operation, multiple U.S. officials (some of whom unknowingly enabled Hunter's FARA violations with Burisma) have submitted toothless resolutions and letters. Hall Marco Polo sought to bring clarity to this thick fog of lies.

Rudy Giuliani, who is¹⁸¹¹ technically deficient, did not convene forensic experts to verify the authenticity of the material, especially the emails which Giuliani handed to the *New York Post*. Additionally, GUO Wengui "Miles"¹⁸¹² was given a copy—chaos ensued.¹⁸¹³ GUO's site, *GNews*, under the banner of battling the CCP, perpetrated numerous hoaxes¹⁸¹⁴ about the content on the Biden Laptop. For example, *GNews* stated that Hunter had sex with Malia Obama and that he used her credit card¹⁸¹⁵ to ingest cocaine.¹⁸¹⁶ GUO's lieutenant, WANG Dinggang, was largely responsible for the proliferation of these lies, which gave the press an excuse to cast doubt on any material said to be from the laptop.

Regardless, the numerous (and somewhat pathetic)¹⁸¹⁷ mistakes by the first people to bring attention to the laptop's crimes were no excuse for the sheer incuriosity displayed by the mainstream media. Indeed, spin doctors in the press simply repeated the lie that the laptop was "unverified," when, in fact, their biases and laziness were the key reasons that it remained "unverified." These biases also prevented them from reporting on Joe's hypocrisy¹⁸¹⁸ during the presidential campaign—when it really mattered—about so-called "dark money," for which Joe set a record, 1819 Furthermore, even after numerous misdeeds¹⁸²⁰ by the FBI during the Biden Laptop investigation came to light, many in the press have put forth only "modified limited hangouts" 1821 about the laptop. 1822 Even John F. Kennedy, who many consider to be a media darling, received more criticism¹⁸²³ about his sins than Joe. This Report lays out how Joe is the patriarch of a family filled with drunks, drug abusers, and sex addicts. Coupled with the Biden family's well-documented penchant for shoveling in cash from overseas, those abuses have created national security and foreign espionage threats for the U.S.

WHAT MUST HAPPEN NEXT

Marco Polo endeavored to chronicle the crimes on the Biden Laptop in a copacetic manner. This endeavor was not undertaken merely for historical purposes, although that is a worthwhile reason in its own right.¹⁸²⁴ This report was written, in large part, because the crimes on the Biden Laptop are affecting America right now.¹⁸²⁵ Firing off more questions to feds at congressional hearings—where they hide behind the excuse of "not commenting on ongoing investigations"—will get us nowhere. In fact, astute observers have posited that the feds want the investigation into the Bidens to be "open" perpetually¹⁸²⁶ so that they can hide behind the shield of "not commenting." While our research group is not in the business of formally endorsing legislation,¹⁸²⁷ efforts to "rename" the FARA to something that "elicits less stigma"¹⁸²⁸ is a proposal so ridiculous that only an organization as biased as the American Bar Association could champion it as a plausible remedy for our foreign influence problems. To the contrary, multiple legislators have recognized the need to strengthen enforcement of the FARA.¹⁸³⁰ *Marco Polo*'s role is to tell the full, nuanced truth—no matter who it implicates—and that is why this Report is being sent to the U.S. Marshals Service, several U.S. Attorney offices, and select field offices of the FBI, along with dozens of state, county, and municipal law enforcement entities.

While Socialist Democrats claim you can identify as just about anything you want, everyone can agree that Hunter Biden can't identify as an artist. Despite this, his paintings sell for tens of thousands of dollars. The White House released a report that the art market is ripe for financial corruption. Yet somehow, they claim Hunter is immune from this. It's quite apparent that people are not paying these outrageous prices for the "art". They are purchasing access to the Biden name. This is nothing new for the Biden family. It is clear that for full transparency, a full select committee investigation into Hunter Biden and all of his scandals, including his laptop, is needed once Republicans take back control of the House in 2022.

We have no illusions about the challenge of finding federal officials who are not compromised or distracted. Even U.S. senators who have, in the past, been committed to holding the Bidens accountable get distracted¹⁸³¹ with trivial matters at a time when the stakes could not be higher. 1832 The good news is that this Report is a simple roadmap of steps that any level of law enforcement can take: who to subpoena, for which time period, and where. As one example: Hunter's sinophilic art dealer not only managed to scrape his court records for "making terrorist threats," 1833 but he also—and more importantly—has documented connections to Chinese art buyers. Hunter's dealer even brags about those connections. Issuing just a handful of subpoenas could reveal who is purchasing influence over American policy with Hunter's "art." The sobering truth is that the Biden corruption¹⁸³⁴ scheme has—over decades—developed into a well-choreographed dance 1835 Prosecutors now have no excuse to sit on their hands; this Report explained the self-dealing tango in detail.

ENDNOTES

As stated on our website masthead, the mission of *Marco Polo* is to expose corruption¹⁸³⁶ and blackmail to drive an American renaissance.¹⁸³⁷ Accordingly, the Biden Laptop was ripe for a thorough exposition. In fact, publishing material from the Biden Laptop lessens¹⁸³⁸ any potential blackmailer's power, as the threat of disclosure is no longer in their arsenal. Although the laptop¹⁸³⁹ contains compromising material on dozens of figures in Hunter's life, the DEGENERACY subsection in this ENDNOTES section includes only those images which feature Hunter or were sent to him, as those were arguably the only images relevant to U.S. national security (from a potential blackmailer's perspective). For all of the alligator tears¹⁸⁴⁰ and faux concerns about the supposed *kompromat* held by Vladimir PUTIN over Donald Trump, it is richly ironic that the Bidens' sexual sins, drug abuse, and business-related¹⁸⁴¹¹⁸⁴²¹⁸⁴³ crimes¹⁸⁴⁴ (not to mention evidence about Joe's obvious¹⁸⁴⁵ cognitive decline) are likely in the hands of every sophisticated¹⁸⁴⁶ foreign intelligence agency on the globe.¹⁸⁴⁷

CHAIN OF CUSTODY

The schematic below is the chain of custody¹⁸⁴⁸ for the Biden Laptop as it pertains to this Report. Many observers¹⁸⁴⁹ do not realize—or purposely ignore—that Bob Costello is the former deputy chief of the criminal division at the S.D.N.Y., one of the jurisdictions in which Hunter should be charged.¹⁸⁵⁰ Said differently: not everyone involved in this saga is as ridiculous as GUO dancing on his yacht.

"THE TRUTH"

1) 12/05/2020

"Hello. My name is John Paul Mac Isaac. I would like to take this opportunity to explain my story and to disprove any of the rumors¹⁸⁵¹ and speculations regarding my actions and my character. Where to begin? ... my grandfather, John Alexander Mac Isaac, a Scottish Canadian who, after WWII, flew and fought for the United States Air Force against the Soviets in the early parts of the Cold War.

In time, my father, Steve Mac Isaac, would follow in my grandfather's footsteps, graduate from the Air Force Academy, and become a military pilot. He deployed to Vietnam to fly AC119 gun ships and continue my family's fight in the Cold War. That fight would consume over half of his decorated thirty year career defending freedom for America and its allies.¹⁸⁵²

For two generations, the Mac Isaac family has fought during the entirety of the Cold War against Communism and the Soviets. That's why it's completely absurd¹⁸⁵³ that anyone would ever consider me to be a Russian agent or influenced by Russia. I'm proud of my family, I'm proud of my country, and I'm proud to be an American.

If I could see well, I would have followed in my family's profession and joined the Air Force. But instead, I spend my free time going to veterans' reunions, archiving and preserving true American heroes and their stories—men who fought in the warmer parts of the Cold War against the very people I am accused of actually being.

Another term that I have been labeled which, unfortunately, is a death sentence in my industry is hacker. For the record: I am not nor have I ever been a hacker. Those guys make so much more money than I do.

I was hired, and never paid, to perform a data transfer from a MacBook Pro to an external hard drive. The signed paperwork clearly states the process and sets the expectations. There's no magic or Hollywood; the process is no different than dragging and dropping from a USB drive. The only difference is that I had to perform some surgery on the Mac to get it to boot to the point where I could recover the data. To imply that I am a hacker and that that information was hacked has had an irreversible impact on my business 1855 and my character."1856

¹⁸⁵¹ "Mac Isaac claimed that he was emailing someone from the FBI about the laptop. At another point he claimed a special agent from the Baltimore office had contacted him after he alerted the FBI to the device's existence. (Female Reporter): I think the issue for us is the longer we don't understand these key points, the longer we're just going to keep showing up here and this is going to continue. And all we want to know is just the order of things that had happened so that we can get it right. And until then, you're going to continue to face these questions...you aren't going to portray what your true motivations are...I'm just warning... I understand that's what your stance is now... you don't want to give misinformation... I will try to write this as straight as possible. This happened, this happened.

(Male Reporter): All of us.

(Female Reporter): All of us, yeah. (Male Reporter): I appreciate that.

On October 14, 2020, reporters ambushed me in my Wilmington repair shop, demanding that I confirm that it was really the client that had dropped off the laptop for service. I was concerned that if I had told them I was 100% sure that the client was who he said he was, that they would ultimately see my cane or use my visual impairment to discredit me. As it would stand and, ultimately, these same reporters—without citing my visual impairment—would go on to actually question my ability to identify the client.

- -

(Male Reporter): Thank you for sharing your medical condition—you not being able to see potentially whoever walked in here.

- - -

The client came into my shop on April 12, 2019. I'd never seen the client before nor had I paid enough attention to the client to recognize him. But, when checking him in, he provided a first name, a last name, an email address, and a phone number. The client did seem surprised that I didn't recognize him during the check-in process. But I made a further connection when I noticed that one of the three MacBook Pros had a sticker that represented the client's deceased brother's foundation. But after checking in the machine and performing the data recovery, I am 100% sure that the person in those videos, photos, and other data that I was hired to recover is the same person that came into my shop and dropped off that machine. The copy of the driver's license signature, the other documents, and bank statement signatures all match the signature on the check-in document. With the realization of who he was and what I had seen on that laptop, concern for my safety grew. I can't imagine a family that would be comfortable with that kind of information being in the hands of someone they didn't know—especially if that family is running for President of the United States."

"My name is John Paul Mac Isaac. Initially, I was reluctant to tell the media about my family's involvement with reaching out to the FBI. My efforts to protect my family from the press ultimately were used by the press to discredit me and discredit my account of my interactions with the FBI. This is my opportunity to clear things up.

- - -

(Male Reporter): See that's what we were talking about earlier. You did something; you made some action that tipped the FBI off... Or maybe you didn't. Maybe Hunter Biden told the FBI, which I doubt. (Female Reporter): I'm also confused because you told me that you did reach out to the FBI and that they didn't really do much with it. So was it that they came to you or you went to them?

- - -

By the end of the summer, and feeling pressured by the events of the news, I turned to one of the smartest and most trusted people I know: my father. During a return trip from a gun ship reunion¹⁸⁵⁸ in Salt Lake City, I had ample time to explain to my father what I had seen and voice my concerns.

We decided that the best course of action was to contact the FBI and persuade them to collect the abandoned equipment to provide some level of security should someone come looking for it. We decided, out of an abundance of caution, that my father would reach out to the FBI through their Albuquerque, New Mexico field office, and, hopefully, get a feeling of how receptive they would be to helping us.¹⁸⁵⁹

So on October 9, 2019, my father walked into the FBI office in Albuquerque, New Mexico, and spoke to an agent—this is what my father, a retired colonel of thirty years in the United States Air Force, described to me [as] the most humiliating experience of his entire life. My father spoke to an agent that refused to give his name. Then, that agent, after hearing my father's concerns, promptly made a copy of the paperwork, told my father to lawyer up, and get out of his office. Defeated, my father and I spent the next three weeks wondering what we were going to do.

And then, on November 1, my father received a phone call. On November 1, 2019, Agent Joshua [Wilson] from the FBI reached out to my father, requesting to contact me. My father collected his contact information and passed it on to me. A quick Google search revealed that Agent Joshua [Wilson] had been making a name for himself busting child predators. I instantly trusted and respected Agent Joshua [Wilson] and instructed my father to pass along my contact information.

Soon, Agent Joshua [Wilson] called and requested a time to meet and talk about my concerns. I agreed and on November 21, 2019, Agent Joshua [Wilson] arrived at my home with an additional agent, Agent Mike [Dzielak]. When seated in my living room, Agent Joshua [Wilson] asked if I had seen any child pornography on the client's laptop. I responded that I had seen a lot of questionable material but I wasn't paying that close of attention to see if there were children involved, but it was a concern based on the personal and private nature of the material.

¹⁸⁵⁹ "John Paul's father took a copy of the hard drive to an FBI field office in Albuquerque[.] The FBI turned John Paul's father away."

When asked what I was concerned about, I told them it was the personal material as well as financial and political information that could be criminal or illegal and it should be in the hands of the authorities. I was also concerned about individuals, both foreign and domestic, that might seek to do me harm based on what I knew and what I was in possession of—and I just wanted it out of my shop. They told me that they'd have to contact their legal team to see if this was something that they could take possession of, but they could not make any promises. Agent Mike [Dzielak] texted me and requested a timeline of the events leading up to me reaching out to the FBI. I responded and awaited further instructions.

About a week later, agents advised me that they wanted to come into the shop to make a forensic copy of the laptop but, unfortunately, they would be unable to take possession or custody of the laptop at that time. A little disappointed, and a little reluctant, I agreed to meet them at the shop on December 9, 2019.

I first received a phone call in the morning around 9:50 from Agent Mike [Dzielak] requesting that I text him the serial number of the hard drive that the client had abandoned. Both agents arrived at the shop at around 11 a.m. Agent Joshua [Wilson] immediately handed me a subpoena commanding me to appear before a Grand Jury. A note in the middle of the first page stated, "In lieu of personal appearance, please see Attachment A." Attachment A included two items: the MacBook Pro with the serial number and the external hard drive with the serial number that was requested an hour earlier.

I was ecstatic. I was getting everything that I wanted. I was getting protection from the FBI. I felt safe. I finally was getting this abandoned laptop and its questionable data out of my shop. 1862 And, if there was evidence there, that it was finally in the hands of proper authorities.

For the first time in months, I was at ease—and I thought that this whole ordeal might finally be over."

¹⁸⁶² "By way of background, John Paul has owned his shop for over ten years now. Prior to that, John Paul was the 'Lead Genius' at the Apple Store in Littleton, Colorado and New Castle, Delaware. Once, while employed by Apple, he found himself in a situation where, while fixing a customer's iMac, he came across seemingly illegal material. He followed protocol and contacted the authorities. No one questioned John Paul's ethics then."

"My name is John Paul Mac Isaac, and this is the story of what happened after I gave the laptop to the FBI.

- - -

(Male Reporter): Well, it sounds like you just said you sought out help from several people and, so, was there an intermediary?

(Female Reporter): ... stakes are incredibly high and hedging on this question... it could impact the safety of a lot more people than just the people you care about.

- - -

It wasn't long after my December ninth interaction with the FBI that events transpired that would cause my previous concerns for my safety to return. Agent Mike [Dzielak] instructed me that, moving forward, we should only communicate through text message. No email. He also said that, if somebody came into the shop looking for the laptop, that I was to contact them immediately and stall them for twenty-four hours and agents would return the equipment.

When leaving the shop that day, Agent Mike [Dzielak] turned to me and said, "In our experience, nothing ever happens to those that don't talk about these things." And, at that time, I was just so happy that the laptop was leaving my shop, I didn't hardly notice the odd instructions or the thinly-veiled threat. 1863

Shortly after agents collected the laptop, I received a call from Agent Mike [Dzielak] requesting assistance in accessing the drive. I assisted them by providing phone support until they were able to access the drive and its data. I thought that it was odd that they required my help and I was starting to get uncomfortable, but I figured that I had no choice but to cooperate with the FBI.

About two weeks later, I got a call at the shop from Agent Mike [Dzielak] seeing if anybody had been in about the laptop. I said no and that was the last I heard from the FBI. By that time, I started to reflect on my interactions and I was getting the feeling that the FBI's agenda no longer included my safety. Why was this laptop not in a lab being professionally inspected? Why was it not admitted as evidence during the impeachment? I was getting the feeling that the FBI was holding onto it until the owner returned for it and that they cared more about protecting it than they were in protecting me. And, ultimately, I was—when it came to my safety—worse off than I was before. Towards the end of the summer of 2019, before my father reached out to the FBI, I did probably the smartest thing I've ever done in my entire life—and that was to make a copy of the drive. I knew I had to get my story told and I knew I had to find a voice to tell it.

At this time, I was trying to have a business and I was trying to have a life. I knew that I needed to study the material on the drive and, seeing how there's no expectation of privacy when it comes to things you have abandoned, I chose a couple emails and files that I thought were topical and that would raise concern. Once again, I enlisted my father—and later my uncle—and armed them with the tools needed to go out and share my story.

¹⁸⁶³ The Lincoln Project, ostensibly a nonprofit which has been plagued by a sexual predation scandal (<u>archive.ph/MvH3x</u>), scooped up the website domain for Mac Isaac's shop after he was forced to close his business due to threats and other harassment: <u>demacshop.com</u> redirected to <u>lincolnproject.us</u> for over 18 months.

- - -

(Mac Isaac's Father): I am Col. Steve Mac Isaac, United States Air Force Ret. I was basically out of the story until a few days after the FBI had taken legal custody of the laptop. He did call me a few days later and said he thought it was strange that the FBI was calling him and asking him for technical support on the Mac Iaptop. And I said, "Yes, that's very strange" because the FBI has one of the best forensic labs in the world—it's outside Washington D.C. and I had assumed, wrongly, that the day that they took custody of the laptop it would be on an airplane and down there for proper disposition. So, once again, I thought that the FBI had turned their back on us and they were trying to solve it in-house or just find out what was on the computer locally.

So then I decided the next best thing to do would be to go to Congress. There were two particular people I admired: one in the Senate and a young lad that was over on the Judicial [sic] Committee in the House of Representatives. I attempted to get through to both of those offices. I got the same thing: "If you're not willing to talk to me, then you can talk to one of our lawyers." I said, "You don't understand. I'm not supposed to talk to you. I can only talk to a lawyer. Sorry, have a great day." About this time, I upped the ante with my brother-in-law, Col. Ron Scott, and said, "OK. We've got to do something. We're running out of time."

(Mac Isaac's Uncle): My name is Col. Ronald J. Scott, Jr., United States Air Force, retired after 34 years of service (to include my time at the Air Force Academy). J.P. Mac Isaac is my nephew. J.P.'s father, Col. Steve Mac Isaac, reached out to me towards the end of 2019 to fill me in on the laptop and hard drive and their efforts to get the drive into the proper hands once they discovered its contents.

On May 8, 2020, I posted a message on the White House contact page indicating that I had access to potential national security and criminal information and requested a referral to the Justice Department. No response.

On May 13, 2020, I reached out to an investigative journalist¹⁸⁶⁴ in response to an article he published regarding Blue Star Strategies. No response.

On May 18, 2020, I sent documentation via email and through the postal system. This consisted of a one page summary of three documents on the hard drive and a copy of the redacted FBI subpoena. No response.

On May 29, 2020, I sent a similar one page summary and redacted subpoena via facsimile to a Senator's office. No response.

I think it's a combination of a country that's so paranoid to be fed misinformation combined with other major world issues at the time that caused my cries for help to fall on deaf ears. I was running out of time and I was running out of options and I had one last hope."

"I still can't believe everything that has happened. I wouldn't have to be here telling my story if people had done their job and followed the law. I would still have a business. I would still have a place in my community. I would still have my friends. I would still be in my home—safe!—sleeping in my own bed.

But I no longer have any of these things because people refused to do their job. After the FBI abandoned me, and at great cost, I tried to get the truth to the highest levels of our government. I would discover that that cost—there's no end to it.

I never wanted to cause any additional pain to the client. From what I had seen, he had been suffering for quite some time and I wasn't going to add to that. My goal was to get the criminal material to law enforcement and to the Department of Justice. And never to the press or to profit off of selling the story to a tabloid. 1865

I felt bad for him because I fully understand what it's like to have a powerful father impose his will upon his son. But my father's will included a sense of honor and respect, dignity, and pride—not only for myself but for my family and my country. When I was young, I admired my father for his courage and his bravery. And, recently, his two lessons have proved invaluable to getting me through my ordeal and I wish every son had a father like mine.

I was twenty-five years old on September 11, 2001, and, after the attacks on our Nation, I remember reading and hearing, "If you see something, you say something." And I never forgot those words and why they exist. They're a tool for protecting the nation and its citizens. And it's the responsibility of the citizen to sound the alarm when there's danger. And I saw danger. I remember thinking to myself: if I get exposed, there's the potential that I could lose everything and I thought that I would actually be O.K. with losing everything as long as the truth got out and I was safe and the people I cared about were safe.

So, here I am. My business is closed. I'm forced from my home and I'm waiting for the next chapter in my life to unfold. But I know that, if it were to happen again, and I was put in a similar situation, I would sacrifice it all and again sound the alarm."

The scope we originally discussed—to update 'a bathroom or two'—quickly grew as my passion for residential construction took root. I tackled most of the projects myself, but in some cases, I assumed the role of general contractor, carefully guiding and managing the subs I'd selected to complete specialized work like plumbing and laying tile. Each new project brought me back to my young adult years when I learned the construction trades, working long hours with my father and uncle (both engineers), fueled by PB&Js and water. However, far more valuable than nostalgia, working on our house provided a sense of excitement and fulfillment that was noticeably absent from my corporate day job. Amidst the cacophony of power tools, project plans, and unforeseen curve balls, I'd found my calling. That's ultimately why I decided to start my own full-service, residential design build firm. My mission is simple: provide homeowners what they deserve—bespoke designs, unsurpassed craftsmanship ... License #: CASTEDB806LJ[.]"

JOE'S YOUNGEST BROTHER

As was the case with Hunter, Frankie (Joe's youngest brother) also has an unacknowledged daughter. 1902 Megan is not recognized by the Bidens and her name is excluded from the obituaries for Frankie's parents and other family members. 1903 Megan's mother, Judy Rodgers, was eight years older than Frankie. 1904 Frankie now lives with his "partner" in a home owned by his partner's parents.

For decades, Joe dreamed of becoming the patriarch of a Kennedyesque clan. Joe achieved that dream in more ways than one: Frankie had his own Chappaquiddick-like fiasco that left two teenage girls without a father in a felony hit-and-run. According to the other passengers, Frankie told the driver of the car (which Frankie rented) to "keep driving" after Michael Albano was struck. (The Jaguar convertible was estimated to be traveling at 80mph in a 35mph speed zone.) For two decades, Joe's youngest brother ignored court orders and did not pay one "dime" to Albano's two daughters.

Frankie is still creating headaches.¹⁹¹⁰ On the day his brother was inaugurated, the law firm where Frankie works—he is not a lawyer, by the way—ran an ad plugging Frankie's connection to Joe.¹⁹¹¹

MEMORANDUM OF POINTS AND AUTHORITIES

Eighteen years have passed since this Court entered judgment in favor of two young girls against Francis W. Biden for his part in the tragic death of the girls' father. Despite the passage of time and his ability to do so, Mr. Biden has refused to voluntarily pay even a single dollar toward satisfaction of the judgment. To compound his obstinacy, Mr. Biden is now willfully withholding information that would aid in the enforcement of the judgment.

For most teenagers, rock bottom would be getting arrested for attempting to steal DVDs. Frankie did just that, but he was 49-years-old when it occurred. On 10/27/2003 in Pompano Beach, Frankie purchased *Blood Work* but then stuffed *Rabbit-Proof Fence* and *They* down his pants and tried to walk out of Blockbuster. Frankie¹⁹¹² still lives in Florida¹⁹¹³ with his partner, a former Hooters waitress.

"STATEMENT" FROM BUREAUCRATS & SPOOKS

The statement below should stand as a solemn monument of the harm¹⁹²⁸ that the U.S. intelligence agencies and their current and former officials have done to the American republic and her future.¹⁹²⁹

"We are all individuals who devoted significant portions of our lives to national security. Some of us served in senior positions in policy departments and agencies, and some of us served in senior positions in the Intelligence Community. Some of us were political appointees, and some were career officials. Many of us worked for presidents of both political parties.

We are all also individuals who see Russia as one of our nation's primary adversaries. All of us have an understanding of the wide range of Russian overt and covert activities that undermine US national security, with some of us knowing Russian behavior intimately, as we worked to defend our nation against it for a career. A few of us worked against Russian information operations in the United States in the last several years.

Perhaps most important, each of us believes deeply that American citizens should determine the outcome of elections, not foreign governments. All of us agree with the founding fathers' concern about the damage that foreign interference in our politics can do to our democracy.

It is for all these reasons that we write to say that the arrival on the US political scene of emails purportedly belonging to Vice President Biden's son Hunter, much of it related to his time serving on the Board of the Ukrainian gas company Burisma, has all the classic earmarks of a Russian information operation.

We want to emphasize that we do not know if the emails, provided to the New York Post by President Trump's personal attorney Rudy Giuliani, are genuine or not and that we do not have evidence of Russian involvement -- just that our experience makes us deeply suspicious that the Russian government played a significant role in this case.

If we are right, this is Russia trying to influence how Americans vote in this election, and we believe strongly that Americans need to be aware of this.

There are a number of factors that make us suspicious of Russian involvement.

Such an operation would be consistent with Russian objectives, as outlined publicly and recently by the Intelligence Community, to create political chaos in the United States and to deepen political divisions here but also to undermine the candidacy of former Vice President Biden and thereby help the candidacy of President Trump. For the Russians at this point, with Trump down in the polls, there is incentive for Moscow to pull out the stops to do anything possible to help Trump win and/or to weaken Biden should he win. A "laptop op" fits the bill, as the publication of the emails are clearly designed to discredit Biden.

ENDNOTES 601

_

¹⁹²⁸ "Talk about burying the lead—for 17 months."

See "Hunter Biden's Laptop is Finally News Fit to Print," Wall Street Journal, March 2022, archive.ph/88Hg7

¹⁹²⁹ "Public Statement on the Hunter Biden Emails," *Politico*, October 2020,

web.archive.org/web/20201020061505/https://www.politico.com/f/?id=00000175-4393-d7aa-af77-579f9b330000

Such an operation would be consistent with some of the key methods Russia has used in its now multi-year operation to interfere in our democracy – the hacking (via cyber operations) and the dumping of accurate information or the distribution of inaccurate or misinformation. Russia did both of these during the 2016 presidential election – judgments shared by the US Intelligence Community, the investigation into Russian activities by Special Counsel Robert Mueller, and the entirety (all Republicans and Democrats) on the current Senate Intelligence Committee.

Such an operation is also consistent with several data points. The Russians, according to media reports and cybersecurity experts, targeted Burisma late last year for cyber collection and gained access to its emails. And Ukrainian politician and businessman Adriy Derkach, identified and sanctioned by the US Treasury Department for being a 10-year Russian agent interfering in the 2020 election, passed purported materials on Burisma and Hunter Biden to Giuliani.

Our view that the Russians are involved in the Hunter Biden email issue is consistent with two other significant data points as well. According to the Washington Post, citing four sources, "U.S. intelligence agencies warned the White House last year that Giuliani was the target of an influence operation by Russian intelligence."

In addition, media reports say that the FBI has now opened an investigation into Russian involvement in this case. According to USA Today, "...federal authorities are investigating whether the material supplied to the New York Post by Rudy Giuliani...is part of a smoke bomb of disinformation pushed by Russia."

We do not know whether these press reports are accurate, but they do suggest concern within Executive Branch departments and agencies that mirrors ours. It is high time that Russia stops interfering in our democracy."

Hunter was naked in dozens of photos on the Biden Laptop, likely due to his "body dysmorphia." One photo featured Hunter attempting to do a push-up against a sofa. 1948 Hours later, Hunter's niece took a selfie with the same iPhone that was used to take the photo of Hunter's lurid push-up attempt.

Apple iPhone 6s_20170514_133002.jpg

1947 "Hunter Biden said his obsession with naked selfies was a result of 'body dysmorphia,' according to a rambling screed found in the notes of his hard drive. 'I loved to be reassured that my 9-inch very big penis was actually big. It may sound funny to you but its [sic] body dysmorphia ... I know my penis is almost twice the size of an average man's penis,' the first son wrote on July 12, 2018. ... In addition to his web of shady overseas business dealings, one of the most recurring and consistent themes in the abandoned laptop are homemade pornography, selfies in varying states of undress, drug use, and images he took of his manhood in various states of arousal. ... Body dysmorphic disorder is a condition that causes the sufferer to obsess over perceived defects in their appearance, according to the Mayo Clinic."

¹⁹⁵⁵ "The return of Hunter Biden into the news cycle is a reminder that most of our big mainstream media institutions are not merely biased, but partisan. They don't merely lean in a particular direction; their level of interest in a story is often directly proportional to the amount of damage that story could do to the Democrats at that time ... It's not just that the son of a prominent political figure spent years working as a lobbyist and influence peddler in Washington, while insisting he never influenced his father's votes or decisions. It's not just that the son of a prominent political figure has a serious drug problem [] or hooked up with his late brother's widow. It's not just that the son of a prominent political figure had a child out of wedlock with a stripper. ... It's not just that the son of a prominent political figure was hired do to minimal work on the corporate board of a foreign gas company ... It's that Hunter Biden is all of that, combined, and then he decides one day he's going to be an artist, and starts selling his paintings for five-figure sums to buyers who will not be disclosed to the public, in an arrangement that enraged even Walter Shaub, head of the Office of Government Ethics in the Obama administration."

A month before the midnight strobe light photos were taken, Hunter's uncle Jimmy (Caroline's father) was busy supplicating on her behalf to her potential employers. Jimmy wrote to James GILLIAR that, although Caroline was "very attractive" and "fabulous with high profile people and is a great public speaker but is also very engaging with intellectuals and creative sorts," she had a number of problems. Namely, Caroline's chief struggle was that "most of her friends are independently wealthy," such as Ryan McKillen, one of the first¹⁹⁷⁷ employees for Uber.¹⁹⁷⁸ Jimmy also made sure to note that, even though Caroline "has had some ups and downs¹⁹⁷⁹ in her personal and professional life[,]"¹⁹⁸⁰ her family was still very proud of her. Subject: Caroline job opportunities in LA

James,

If you could also pass along to Tony that Caroline is very friendly with Ryan McKillen (who was head engineer for Uber?). I understand that Ryan is no longer with Uber, but Caroline and he became friends and neighbors in NYC. Caroline is very, very well-connected in social circles but so far has little ability to put personal relationships into business transactions. She is very attractive and incredibly bright, charismatic and creative. For the last 5 years she goes from one peak income (from selling art or real estate) to another with troughs in between, but is now ready to engage in a steady creative business atmosphere. She wants to do it on her own. She would do very well in any sales, marketing and creative endeavors. She is fabulous with high profile people and is a great public speaker but is also very engaging with intellectuals and creative sorts. The problem Caroline has had is that most of her friends are independently wealthy and she has not had a steady work environment that was challenging and engaging. Anything you can do in the immediate to help Caroline secure a job where she can earn a livable self-supporting income with the possibility of upward advancement would be greatly appreciated.

Caroline has had some ups and downs in her personal and professional life, but is now ready to take personal responsibility and prove herself. As her uncle Joe would say, she has the most raw talent of any of us. She's just looking for the right opportunity to start.

Thank you for any help and assistance you can provide. Right now she is staying with a friend in the Pacific Palisades. Attaching her resume again for your reference. She is prepared to take interviews/meetings immediately.

A conversation between Caroline and Hunter in January 2019 shed more light on the character and priorities of the person with the most "raw talent" of anyone in the Biden family. Caroline claimed her doctor violated HIPAA (**42 USC § 1320d-6**) by disclosing to Caroline that a famous model, Bella Hadid, 1981 had an inverted penis, to which Hunter responded: "[T]hAt may be interesting ... Ha[.]" Caroline confided to Hunter that she "got a designer 1982 vagina for 35 K from her [Hadid's] doctor and there wasn't a thing wrong with [hers][.] [Caroline] wanted the best vagina in the world ... [she's] never having kids ... why not[?]" The exchange between the first cousins ended with Caroline giving Hunter access to her Raya online dating account, an invite-only application for so-called "elites." 1983

"A nation can survive its fools and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and he carries his banners openly against the city. But the traitor moves among those within the gates freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears no traitor; he speaks in the accents familiar to his victims, and he wears their face and their garments, and he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation; he works secretly and unknown in the night to undermine the pillars of a city; he infects the body politic so that it can no longer resist. A murderer is less to be feared."
